PART 1: HOUSING ELEMENT

INTRODUCTION

The need to provide a realistic opportunity for the construction of affordable housing in New Jersey, the country's densest state, has been recognized for decades. In the case of Southern Burlington County NAACP v. the Township of Mount Laurel, (commonly known as Mount Laurel I), the New Jersey Supreme Court established the doctrine that municipalities in New Jersey have a constitutional obligation to zone for a variety and choice of housing types that would be affordable to low- and moderate-income households. In its Mount Laurel II decision, decided on January 20, 1983 (Mount Laurel II), the Supreme Court expanded the Mount Laurel doctrine by determining that each New Jersey municipality was required to create a realistic opportunity for the construction of housing affordable to low- and moderate-income households sufficient to meet its "fair share" of the need for housing. Developing municipalities were required to address a fair share of the regional need for affordable housing.

In response to the threat of "builder's remedy" lawsuits endorsed by the Mount Laurel II decision, the New Jersey Legislature adopted the Fair Housing Act in 1985 (Chapter 222, Laws Of New Jersey, 1985). The New Jersey Fair Housing Act (FHA) established the Council on Affordable Housing (COAH) as an administrative alternative to builder's remedy lawsuits and the concomitant jurisdiction of the courts. COAH was given the responsibility of dividing the state into housing regions, determining regional and municipal fair share affordable housing obligations, and adopting regulations that would establish the guidelines and approaches that municipalities may use in addressing their affordable housing need.

In 2008, the Legislature amended the Fair Housing Act to add requirements for very-low-income housing. Very-low-income households are those in which the gross household income is 30 percent or less than the region's median household income. Low-income households are those with incomes no greater than 50 percent of the region's median household income. Moderate-income households are those with incomes no greater than 80 percent and no less than 50 percent of the region's median household income. Each is adjusted for household size and is in relation to the median gross income of the housing region in which the municipality is located.

This Housing Element and Fair Share Plan for Millstone has been prepared in accordance with applicable law. Moreover, the Township filed a declaratory judgment action pursuant to In re Adoption of N.J.A.C. 5:96 & 5:97 by the N.J. Council on Affordable Housing, 221 N.J. 1 (2015) ("Mount Laurel IV"). In this decision, the Supreme Court held that since COAH was moribund, trial courts were to resume their role as the forum of first resort for evaluating municipal compliance with Mount Laurel obligations, and also established a transitional process for municipalities to seek temporary immunity and ultimately a Judgment of Compliance and Repose ("JOR") or the "judicial equivalent" of Substantive Certification from COAH.

Millstone executed a settlement agreement with Fair Share Housing Center dated September 5, 2019. The agreement established Millstone's fair share obligation and mechanisms for meeting the obligation. The Township received its Final Judgment of Compliance and Repose (JOR) on April 28, 2020, approving Millstone's Housing Element and Fair Share Plan.

This amendment to the Plan alters the number of affordable units proposed for Millstone's Third Round obligation by updating the projects for the 6 Novad Court, Shu Lee/Millstone Village, and CKV/Millstone Woods developments as conditions at these sites have changed since the previous Plan's adoption. The Township intends to amend its Settlement Agreement with Fair Share Housing Center and will seek approval from the Court to reflect these changes.

Millstone's History of Affordable Housing

Millstone Township has a long history of participation and compliance with COAH. The Township received First Round certification on December 7, 1987. Millstone participated in the Second Round and petitioned COAH for substantive certification on March 20, 1995 and received their substantive certification on October 1, 2003 (Appendix A). The Township's Second Round certification expired on October 1, 2009.

Millstone continued its participation into COAH's Third Round. In December 2008, Millstone's Planning Board adopted a Round 3 Housing Element and Fair Share Plan ("2008 Plan"). The Township petitioned COAH for substantive certification on December 30, 2008 and was deemed complete on March 27, 2009. The Township, however, did not receive substantive certification for the Third Round as various Third Round regulations were invalidated by the Appellate Division on October 10, 2010.

In response to Mount Laurel IV, Millstone filed a Declaratory Judgment action on July 2, 2015 seeking, among other things, a judicial declaration that its Housing Element and Fair Share Plan satisfies its "fair share" of the regional need for low- and moderate-income housing pursuant to the Mount Laurel Doctrine. The Township simultaneously sought, and ultimately secured, an Order protecting the Township from all exclusionary zoning lawsuits while it pursues approval of its Housing Element and Fair Share Plan. The immunity secured by the Township remains in place as of the writing of this Plan. The Court appointed Michael P. Bolan, PP, AICP, as the "Special Master."

Due to the current uncertainty in the appropriate manner by which to calculate municipal obligations throughout New Jersey, the Township and the Fair Share Housing Center ("FSHC") agreed that a settlement was in the best interest of the Township and its residents. Under the supervision of the Court Master, the Township and its professionals entered into negotiations with representatives of FSHC to settle the Township's Declaratory Judgment action and seek Court-approval for an accepted fair share obligation for the Township.

The Township also entered into negotiations with Showplace Farms, LLC regarding their property at Block 23 Lot 8 on the Township's Official Tax Map. The Township executed a settlement agreement with FSHC and Showplace Farms, LLC on September 5, 2019 (Appendix B). A Fairness Hearing was held on October 22, 2019 and in an Order dated November 12, 2019 (Appendix C) the Court approved the settlement agreement, and determined it is "fair, reasonable, and adequately protects the interests of very low, low-, and moderate-income households." The following Housing Element and Fair Share Plan has been prepared pursuant to the Court-approved settlement agreement. A Final Compliance Hearing was conducted on April 7, 2020 and a Judgement of Compliance and Repose was entered on April 28, 2020 (Appendix C). The Township obtained from the Court an affirmative declaration of compliance regarding all aspects of its affordable housing obligation.

Planning for Affordable Housing

Pursuant to both the Fair Housing Act, N.J.S.A. 52:27D-310, and the Municipal Land Use Law (MLUL) N.J.S.A. 40:55D-28, municipalities in New Jersey are required to include a housing element in their master plans. The principal purpose of the housing element is to describe the specific, intended methods that a municipality plans to use in order to meet its low- and moderate-income housing needs. Further, the housing element is meant to demonstrate the existing zoning or planned zoning changes that will allow for the provision of adequate capacity to accommodate household and employment growth projections, to achieve the goal of access to affordable housing for present and future populations. The statutorily required contents of the housing element are:

- a. An inventory of the municipality's housing stock by age, condition, purchase or rental value, occupancy characteristics, and type, including the number of units affordable to low- and moderate-income households and substandard housing capable of being rehabilitated;
- b. A projection of the municipality's housing stock, including the probable future construction of low- and moderate-income housing, for ten years, taking into account, but not necessarily limited to, construction permits issued, approvals of applications for development and probable residential development of lands;
- c. An analysis of the municipality's demographic characteristics, including but not necessarily limited to, household size, income level and age;
- d. An analysis of the existing and probable future employment characteristics of the municipality;
- e. A determination of the municipality's present and prospective fair share for low- and moderate-income housing and its capacity to accommodate its present and prospective housing needs, including its fair share for low- and moderate-income housing; and

- f. A consideration of the lands that are most appropriate for construction of low- and moderate-income housing and of the existing structures most appropriate for conversion to, or rehabilitation for low- and moderate-income housing, including a consideration of lands of developers who have expressed a commitment to provide low- and moderate-income housing.

Municipal Summary

The Township of Millstone is a 37 square mile developed community located in the central part of New Jersey in the County of Monmouth. The Township is surrounded by Monroe and East Windsor to the north, Manalapan to the east, Freehold and Jackson to the south, and Roosevelt and Upper Freehold to the west. Perri, dated April 18, 2019 in the case of *In the Matter of the Declaratory Judgment Actions Filed in the County of Monmouth, State of New Jersey, pursuant to In re Adoption of N.J.A.C. 5:96, 221 N.J. 1 (2015) Docket No. MON-L-2527-15*. In accordance with the guidelines established by COAH, the Township is located in Housing Region 4, a region that consists of Mercer, Monmouth, and Ocean counties. Probable Future Employment Opportunities

The 2021 New Jersey Transportation Planning Authority's forecasts for Millstone Township estimate a total of 1,923 employed residents by 2050, representing an increase of 174 jobs and an annualized percent employment change of 0.3% between 2015 and 2050. Due to the nature and location of the Township, there is minimal opportunity for new job growth.

PART 2: FAIR SHARE PLAN

INTRODUCTION

The following Fair Share Plan (the Plan) details Millstone’s present need, prior round obligation (1987-1999), and Third Round need (1999-2025). For each obligation, this Plan proposes mechanisms for which the Township can realistically provide opportunities for affordable housing for moderate-, low-, and very low- income households. We reserve the right to amend this Plan based upon the determination by the courts of the municipality’s final fair share obligation.

The Township received its final Judgement of Compliance and Repose (JOR) on April 28, 2020, approving Millstone’s 2020 Housing Element and Fair Share Plan. As noted earlier, this 2023 amendment alters the number of affordable units proposed for Millstone’s Third Round obligation by updating the projects for the 6 Novad Court, Shu Lee/Millstone Village, and CKV/Millstone Woods developments as conditions at these sites have changed since the previous Plan’s adoption. Additional amendments regarding status updates to various projects have also been included.

The need for affordable housing in New Jersey is divided into three components:

- *Present Need* – The present need, or rehabilitation share, represents the number of existing housing units that are both deficient and occupied by low- and moderate-income households. This number is derived from review and analysis of housing conditions reported in the U.S. Census and American Community Survey.
- *Prior Round Obligation* – The Prior Round obligation is the cumulative 1987-1999 fair share obligation determined by 2014 COAH regulations. The First Round and the Second Round are collectively referred to as the “Prior Round.”
- *Third Round Need* – July 1, 1999 - June 30, 2025 (which includes what is commonly referred to as the “gap period” (1999-2015)) - On January 18, 2017, the Supreme Court issued In Re Declaratory Judgment Actions Filed by Various Municipalities, County of Ocean, Pursuant To The Supreme Court’s Decision In In re Adoption of N.J.A.C. 5:96, 221 N.J. 1 (2015) (“Mount Laurel V”), holding that the need for affordable housing that accrued during the gap period (1999-2015) was not present or prospective need under the plain definitions of those terms in the FHA; however, there is an obligation with respect to that period for households that came into existence during that period that must be addressed in the Third Round.

Pursuant to the Court-approved settlement agreement, Millstone’s affordable housing obligation is as follows:

Township of Millstone Obligation	
Present Need/Rehabilitation	20
Prior Round Obligation (1987-1999)	81
Round 3 Need (1999-2025)	231
Total Obligation	332

SUITABILITY ANALYSIS

Pursuant to N.J.A.C. 5:93-1.3, sites that are designated to produce affordable housing shall be available, approvable, developable, and suitable according to the following criteria:

- “Available site” means a site with clear title, free of encumbrances which preclude development for low- and moderate-income housing. N.J.A.C. 5:93-1.3.
- “Approvable site” means a site that may be developed for low- and moderate-income housing in a manner consistent with the rules or regulations of agencies with jurisdiction over the site. A site may be approvable although not currently zoned for low- and moderate-income housing. Ibid.
- “Developable site” means a site that has access to appropriate water and sewer infrastructure, and is consistent with the applicable area wide water quality management plan (including the wastewater plan) or is included in an amendment to the area wide water quality management plan submitted to and under review by the DEP. Ibid.
- “Suitable site” means a site that is adjacent to compatible land uses, has access to appropriate streets and is consistent with the environmental policies delineated in N.J.A.C. 5:93-4. Ibid.

CONSIDERATION OF LANDS FOR AFFORDABLE HOUSING

The following Fair Share Plan includes all properties from interested parties that reached out to the Township during the Third Round with potential property.

PRESENT NEED/REHABILITATION SHARE

The term Present Need, as used in COAH's Prior Round Rules (N.J.A.C. 5:93), meant the sum of a municipality's indigenous need (the deficient housing units in the municipality occupied by low- and moderate-income households), and the reallocated present need, which is the portion of the housing region's present need that is redistributed to other municipalities throughout the housing region. Under the Prior Round rules, evidence of deficient housing included: year structure was built, persons per room, plumbing facilities, kitchen facilities, heating fuel, sewer service, and water supply.

The Third Round rules reduced the number of criteria used as evidence of deficient housing to three: pre-1960 over-crowded units, which are units that have more than 1.0 persons per room; incomplete plumbing; and incomplete kitchen facilities. This reduction in the number of criteria was found by the Appellate Division to be within COAH's discretion and was upheld in the Supreme Court's decision In re N.J.A.C. 5:96 & 97.

The previously discussed Mount Laurel IV decision agreed with the Appellate Division that reallocated Present Need is no longer a component in the determination of the Present Need. Therefore, Present Need now equates only to the indigenous need, the obligation based on deficient housing as determined by pre-1960 over-crowded units, incomplete plumbing, and incomplete kitchen facilities, generated within the Township itself, now refined as the Rehabilitation Share/Present Need.

Per the Court-approved settlement agreement between Millstone and FSHC, the Township has a Present Need obligation of 20 units.

Beginning in January 2020, the Township contracted with the Affordable Housing Alliance (AHA) as its Administrative Agent including implementing the rehabilitation program for 20 units as reduced after accounting for rehabilitation credits (Appendix D). The AHA also created an Operating Manual for the rehabilitation program. The rehabilitation program is currently being implemented and is funded with development fees deposited into the Township's Affordable Housing Trust Fund and adheres to COAH's program regulations (N.J.A.C. 5:93-5.2), except that a minimum of \$10,000 will be extended for hard costs.

There are currently applications pending and the AHA is reviewing all documentation.

PRIOR ROUND OBLIGATION (1987-1999)

Pursuant to the Court-approved settlement agreement, the Township has a Prior Round obligation of 81 units. On October 31, 2003, the Township received Substantive Certification from COAH for its Housing Element and Fair Share Plan that had been adopted by the Planning Board in 2002. As detailed in the 2003 Compliance Report (Appendix A) and indicated in the following section, the Township fully satisfied its Prior Round obligation and exceeds its obligation by three units:

Prior Cycle Credits

Prior Cycle Credits are affordable housing units created and occupied between April 1, 1980 and December 15, 1986 and may be counted toward a municipal's Prior Round obligation.

Millstone Road Group Home - Constructed

The Millstone Road Group Home is located at 417 Millstone Road in the southwesterly portion of the Township. The property is designated as Lot 8.06 in Block 51 on the Township's Official Tax Map, within the R-80 Residential Zone. The Millstone Road Group Home is a Licensed Group Home under the Division of Developmental Disabilities that has been in operation since 1984, qualifying as Prior Cycle credits. The property is owned by Everas Community Services, Inc., and was acquired by deed from CPC Behavioral Healthcare, Inc., dated October 14, 2015. Originally constructed with three very-low-income bedrooms, the facility expanded in 2018, constructing two additional bedrooms. The facility is in operation in accordance with the applicable covenants and restrictions. All documentation for the Millstone Road Group Home can be found in Appendix E.

The Township will apply three credits from the Millstone Road Group Home to its Prior Round obligation.

Red Valley Road Group Home – Constructed

The Red Valley Road Group Home is located at 67 Red Valley Road on Block 35, Lot 20.01 of the Township's Official Tax Map, within the R-80 Residential Zone. The Red Valley Road Group Home operates as a Licensed Group Home under the Division of Developmental Disabilities and received its first Certificate of Occupancy in 1986, qualifying as Prior Cycle credits. The facility was originally constructed with three units but expanded in 2018 with the construction of two additional bedrooms. A Certificate of Approval was received from the Township on July 5, 2018. The property is owned by Everas Community Services and was acquired by deed from CPC Behavioral Healthcare, Inc., dated October 14, 2015. The facility is in operation in accordance with the applicable covenants and restrictions. All documentation for the Red Valley Road Group Home can be found in Appendix F.

The Township will apply three credits from the Red Valley Road Group Home to its Prior Round obligation.

Group Home

Millstone Canwright House - Constructed

The Millstone Canwright House is a 0.98-acre parcel located at Block 57, Lot 16.01 of the Township's Official Tax Map within the BP Business Park Zone. The property was originally acquired by Millstone Township in 2003. The same year, Millstone Township leased the property to the Monmouth Housing Alliance (now known as the Affordable Housing Alliance "AHA") for a period of 50 years to provide at least nine bedrooms for low- and moderate-income residents. A 30-year deed restriction was put in place, running from July 1, 2005 through June 30, 2035. On June 5, 2008, the Township conveyed the property and Block 57, Lot 16.02 (see Group Home I below) to AHA by deed, with the property still subject to the restrictions in the 2003 50-year lease with the Township. The facility is in operation in accordance with the applicable covenants and restrictions. All documentation for the Canwright House can be found in Appendix G.

The Canwright House consists of 11 bedrooms, and the Township will apply nine of the bedrooms to its Prior Round obligation.

Inclusionary Zoning

Indian Path Inclusionary Development - Constructed

The Indian Path Apartments is a 112.5-acre tract located on Moccasin Court in the northeast section of the Township. The property is designated as Block 20.01, Lots 11 through 16 on the Township's Official Tax Map and is within the R-80 Residential Zone. The Indian Path Apartments was part of a subdivision approved by the Millstone Planning Board in 1988 that created 86 market rate for-sale family units and six affordable for-sale family units. A 20-year deed restriction on the affordability controls for the six affordable units was established in a Declaration of Restrictive Covenants, dated March 19, 1990. The 20-year control period began shortly thereafter at the issuance of the Certificate of Occupancy for each unit. The restriction period ended on June 11, 2009. A Release of Affordability Controls was dated September 10, 2010, releasing the 6 units from their deed restrictions. All documentation for the Indian Path Apartments can be found in Appendix H.

The Township will apply the six affordable units to its Prior Round obligation.

Family Rental – 100% Affordable

Novad House – Being Redeveloped

The affordable unit commonly referred to as "Novad House" was located at 6 Novad Court in the southwest section of the Township and consisted of one affordable family rental unit. The property is designated as Block 57.01, Lot 20.01 on the Township's Official Tax Map and is within the R-130 Residential Zone. In

2010, the Township created this lot by subdividing Township-owned property, formerly known as Block 57.01, Lots 19.04 and 20, into Block 57.01, Lots 20.01 (6 Novad Court) and 20.02 (8 Novad Court). The property is owned by Millstone Township but operated and administered by AHA pursuant to a 50-year lease executed with the Township on January 6, 2003. The property received a Certificate of Occupancy on March 28, 2003, and its deed restriction began on June 26, 2003. In its 2020 Housing Element and Fair Share Plan, the Township applied the one unit from Novad House to its Prior Round obligation. All documentation for the Prior Round Novad House unit can be found in Appendix I.

It should be noted that the property was thereafter vacated when the tenant passed away and is currently being redeveloped to create a total of three non-age-restricted affordable rental units. One of the family-rental units generated from the proposed redevelopment of 6 Novad Court will be used by the Township to replace the Novad House family-rental unit. See the discussion of “6 Novad Court” under the Round 3 Need section of this Plan.

Regional Contribution Agreement (RCA)

Regional Contribution Agreement with Asbury Park

In the Prior Round, municipalities could enter into Regional Contribution Agreements (RCA) with another municipality in the same housing region. The program allowed one municipality (“sending” municipality) to pay a fee to another municipality (“receiving” municipality), which would agree to provide affordable housing units that fulfilled up to half of the sending municipality’s COAH obligation. When the legislature amended the Fair Housing Act (FHA) in July 2008, it removed the RCA program as a permitted option for municipal compliance with the FHA.

The Township of Millstone entered into an RCA with the City of Asbury Park on September 20, 2000. As part of this agreement, Millstone was able to transfer 46 units of its low- and moderate-income housing obligation to Asbury Park with the agreement to pay \$20,000 per unit of housing transferred. Asbury Park was able to rehabilitate up to 46 units of housing. The Township received 46 credits for the RCA. Documentation for this RCA can be found in Appendix J.

The Township will apply all 46 credits from the RCA program to its Prior Round obligation.

Allen House II – Approved / Under Construction

The Allen House II project is proposed to be constructed on a 2.6-acre lot located at 471 Stagecoach Road in the central portion of the Township and will consist of 10 age-restricted affordable rental units. The property is designated as Block 35, Lot 15 on the Township's Official Tax Map within the NC Neighborhood Commercial Zone. The property was acquired by Millstone Township in 2016 and will be developed in cooperation with Allen House Inc. and the Affordable Housing Alliance. The Township and the Affordable Housing Alliance executed a developer's agreement on February 19, 2020.

The project will provide five low- and five moderate-income age-restricted units. The Affordable Housing Alliance has prepared a pro forma and will be responsible for monitoring construction. The Affordable

Housing Alliance intends to apply the same funding sources as they have previously used in Millstone Township, including HUD 202 funding, Federal Home Loan Bank (FHLB), National Stabilization Trust Funds (NSTF), the New Jersey Affordable Housing Trust Fund, and/or state “HOME” funds or LIHTCs. The project received site plan approval from the Township Planning Board in November 2019. The previous buildings on the property have been demolished and the site has been cleared.

All documentation for the Allen House II property can be found in Appendix N. A map of the Allen House II property, including any environmental constraints, is found in the Maps section at the end of this Plan.

The site meets the suitability criteria as follows:

- *Available*: The property is Township owned and controlled and has received site plan approval from the Planning Board. The site has also been cleared.
- *Suitable*: The property is suitable as it is located on a public right-of-way (Stagecoach Road) and is adjacent to nearby residential uses with proximity to municipal facilities, convenience stores, restaurants and other similar uses. The units will have an associated driveway, parking area and on-site well and septic system facilities to service the units. The Township wastewater management engineer has submitted a report confirming that the required permits and approvals for the septic system can be obtained for this parcel using standard best management practices. A pro forma has been prepared by AHA demonstrating that the project can be developed within reasonable cost parameters.
- *Developable*: The property is developable as demonstrated by the site plan and supporting wastewater management report and proforma. The property is within Flood Hazard Area X, an area of minimal flooding. As shown in the map found at the end of this Plan, the property is encumbered by wetlands and transition area on much of the westerly portion of the lot. As demonstrated on the site plan, all proposed site improvements are outside the floodplain and buffer areas.
- *Approvable*: Pursuant to Ordinance No. 15-8, municipally sponsored affordable housing is permitted in all zones in the Township. Additionally, the development received site plan approval from the Planning Board in November 2019.

Family Rental – 100% Affordable

Burnt Tavern Apartments – Completed

The Burnt Tavern Apartments is a 3.44-acre parcel located at 17 Burnt Tavern Road in the southwesterly portion of the Township and is developed with four affordable family rental units. The property is designated as Block 57, Lot 14.03 of the Township’s Official Tax Map, within the NC Neighborhood Commercial Zone. The property was acquired by the Township in 2008 and was transferred to the

Affordable Housing Alliance in 2018. The project received site plan approval from the Millstone Township Planning Board on July 12, 2017. Construction of the Burnt Tavern Apartments was completed in the fall of 2020. The project is funded by National Stabilization Trust Funds (NSTF) awarded by the NJ Department of Community Affairs (DCA). The property contains a deed restriction, restricting the use for affordable housing for a period of 30 years.

All documentation for the Burnt Tavern Apartments can be found in Appendix O.

6 Novad Court – Approved

6 Novad Court is located on Block 57.01, Lot 20.01 on the Township’s Official Tax Map. The property is proposed to be constructed with three affordable family rental units, replacing the one-unit affordable development for the Prior Round that was demolished (see discussion of “Novad House” under the Prior Round Obligation section of this Plan). The Township will receive credit for two units toward its Third Round obligation. The property is owned by Millstone Township but will be operated and administered by AHA pursuant to a long-term lease with the Township.

On October 12, 2022, the property received approval from the Township Planning Board for the project. The Resolution and approved site plan can be found in Appendix I. Construction is expected to begin in July 2023. Full occupancy is expected in February 2024. As of the writing of this Plan, the AHA has received funding commitments from the DCA’s National Housing Trust Fund and the Monmouth County HOME program.

The site meets the suitability criteria as follows:

- *Available:* The property is Township-owned with no encumbrances precluding low- and moderate-income development. The deed restriction will be recorded to reflect 30 apartment units and will be 100% available for low- and moderate-income tenants for a minimum affordability restriction term of 30 years. The development received site plan approval by the Township Planning Board in October 2022.
- *Suitable:* The property is close in proximity to both residential and commercial uses. The development will have access to an existing right-of-way, Novad Court. The entire municipality is in SDRP Planning Region PA-4 with no centers. There is no need for expansion of infrastructure.
- *Developable:* Water and sewer service will be provided by on-site well and septic. The project is consistent with the Area-wide Water Quality Management Plan (WQMP) and no amendment to the WQMP is needed. As shown in the map found at the end of this Plan, the property is not encumbered by any wetlands or transition areas on its northeasterly portion.

- *Approvable*: Pursuant to Ordinance No. 15-8, municipally sponsored affordable housing is permitted in all zones in the Township.

CKV/Millstone Woods - Proposed

The CKV property is a 13.8-acre parcel located at 27 Burnt Tavern Road in the southwesterly portion of the Township. The site is proposed to be developed as the Millstone Woods, consisting of 66 affordable rental units and one (1) unit that will be occupied by a superintendent for the project.¹ The property is designated as Lot 16.03 in Block 57 of the Township's Official Tax Map, within the BP Business Park Zone. A 30-year deed restriction will be placed on the 66 affordable units. The AHA will be responsible for monitoring construction. AHA is currently vigorously processing applications for agency approvals for water, wastewater, stormwater management, and funding.

Millstone Township will provide infrastructure improvements (street, utility, etc.) with an initial subsidy. AHA intends to utilize LIHTC 4% Tax Credits and the Affordable Housing Production Fund administered by the New Jersey Housing and Mortgage Finance Agency to fund the project. AHA has prepared a pro forma, and a concept plan has been prepared by the Township Engineer, Leon S. Avakian, Inc, both of which can be found in Appendix Q. Permits have been submitted to the DEP for wastewater treatment and concept plan approval. Approval is still pending and based on recent interactions with the DEP, approvals are anticipated in spring 2023.

All documentation for the Millstone Woods can be found in Appendix Q. A map of the Millstone Woods, including any environmental constraints, is found in the Map section at the end of this Plan.

The site meets the suitability criteria as follows:

- *Available*: The property is Township-owned with no encumbrances precluding low- and moderate-income development.
- *Suitable*: The site is adjacent to compatible land uses as it is surrounded by residential uses and is close in proximity to shopping centers, convenience stores, restaurants and gas stations, among other amenities. The project is located on an existing right-of-way (Burnt Tavern Road) and the development is consistent with environmental policies as the entire municipality is within SDRP Planning Region PA-4 with no designated centers or need for expansion of infrastructure.
- *Developable*: The Township wastewater management engineer has submitted a report confirming that the required permits and approvals for septic systems can be obtained. Additionally, the County Planning Board adopted a resolution recommending the County Areawide Water Quality Management Plan and Future Wastewater Service Area Map be amended to include an individual

¹ It is noted that the concept plan attached in Appendix Q identifies 67 units as one of the units will be reserved for a superintendent and will not be affordable.

subsurface disposal system for the project. The property is in Flood Hazard Area X, an area of minimal flooding. As indicated in the concept plan in Appendix Q, the proposed development will not be encumbered by any wetlands or transition areas.

- *Approvable:* Pursuant to Ordinance No. 15-18, municipally sponsored affordable housing is permitted in all zones in the Township. The project will require subdivision and site plan approval by the municipal planning board but is exempt from requiring approval by the Monmouth County Planning Board. Approval by the Monmouth County Soil Conservation District will be required. It is anticipated all necessary approvals will be granted.

Proposed Inclusionary Development

Baldacino (“Hexa”) - Proposed

The Baldacino inclusionary development is proposed to be constructed on a 36.39-acre lot located on Perrineville Road in the northeasterly portion of the Township and will include 48 affordable rental family units. The property is designated as Lot 19 in Block 11 of the Township’s Official Tax Map, formerly within the RU-P Rural Preservation Zone. On April 24, 2018, the property owner, Gerald Baldacino expressed interest in developing the property with an inclusionary housing development to assist the Township in satisfying their affordable housing obligation. The property was rezoned to the Rural Multi-Family Zone to accommodate the required density of development for this project. The development received preliminary major site plan approval for 122 market-rate units and 48 affordable rental family units on January 11, 2023.

The affordable units will be provided as six very low-, 18 low-, and 24 moderate-income units.

All documentation for the Baldacino Apartments can be found in Appendix R. A map of the Baldacino Apartments, including any environmental constraints, is found in the Map section at the end of this Plan.

The site meets the suitability criteria as follows:

- *Available:* The property received preliminary major site plan approval from the Planning Board on January 11, 2023.
- *Suitable:* Testimony provided during the Planning Board hearing identified this site as suitable for the development. The site is also located on an existing right-of-way (Perrineville Road) and is adjacent to other residential uses.
- *Developable:* The preliminarily approved site plans determine that this property is developable for the proposed inclusionary development. The property is within Flood Hazard Area X, an area of minimal flooding. The property has wetlands and transition areas in the northeast portion of the property. However, as shown on the approved site plan in Appendix R, the proposed development

will be outside the wetland and transition areas. The developer will be required to seek all necessary approvals from outside agencies, including NJDEP.

- *Approvable*: This property's owner has put forth the property as an appropriate property for affordable housing. The Township rezoned the property to permit the required density and development.

Additional Mechanisms

Affordable Accessory Apartment

The Township adopted an Affordable Accessory Apartment ordinance to permit accessory apartments in all single-family residential zones. The intent is to encourage the creation of 10 affordable accessory apartments. The adopted Accessory Apartment ordinance can be found in Appendix T.

Development Fee Ordinance and Affordable Housing Trust Fund

The Township adopted its first development fee ordinance in 1995, a draft of which was approved by COAH in 1993. The ordinance was updated in 2008 and approved by COAH a second time. The Township once again amended the ordinance in 2020 to update it to current standards and to remove references to COAH's invalidated Third Round regulations. In conformance with the adopted development fee ordinance (see Appendix T), developers must pay an affordable housing development fee into the Township's Affordable Housing Trust Fund of 1.5% of the equalized assessed value of new residential construction and mandatory non-residential development fees equal to 2.5% of the equalized assessed value of new non-residential construction and additions.

Monies generated by the development fees will be utilized for the purposes of eligible affordable housing activities, as detailed in the Township's Spending Plan (see Appendix S). The Township previously prepared two COAH-approved Spending Plans; the first in 1993 and the second in 2003. The 2020 Spending Plan discusses anticipated revenues and the use of such revenues for affordable housing activities, including the previously discussed rehabilitation program.

Showplace Farms, LLC PIL

The Showplace Property is an approximately 140-acre parcel located on Route 33 in the northeasterly portion of the Township. The property is designated as Lot 8 in Block 23 of the Township's Official Tax Map and is owned by CRP/CHI Showplace Farms Owner, LLC who purchased the property in May 2021. The previous owner Showplace Farms, LLC was a party to the settlement agreement with FSHC and the Township, executed on September 5, 2019. Pursuant to the settlement agreement the Township amended the zoning to permit the 1.22 million square feet of warehouse and office space.

The developers will contribute 2.5% of the assessed value to the Township's Affordable Housing Trust Fund, to be used for the development of affordable housing.

Shu Lee/Millstone Village - Proposed

Given the anticipated timeline for funding and construction and in accordance with the Amended Settlement Agreement, the Shu Lee/Millstone Village project will no longer be counted toward the Township's Third Round obligation. Instead, the project will be counted toward the Township's future Fourth Round obligation, and the deadline to secure funding for the project will be extended to two years from the commencement of Round 4. The following is a description of the anticipated development.

The Shu Lee/Millstone Village property is a 7.3-acre parcel at 14 Novad Court in the southwesterly portion of the Township. The property is designated as Lot 21.02 in Block 57.01 on the Township's Official Tax Map, within the R-130 Residential Zone. Because the developers of the site, the AHA, intend to seek out funding from the State's Affordable Housing Trust Fund, as indicated below, the site is proposed to be developed with 25 affordable family rental apartments. It is noted that the current allocation of the State's Trust Fund will support developments of 25 units or less. The development is expected to provide 4 very-low-, 9 low-, and 12 moderate-income units with a deed restriction for a minimum of 30 years.

The property has been under Township ownership since 2010. The AHA will be responsible for monitoring construction. The AHA is vigorously processing applications for agency approvals for water, wastewater, stormwater management, and funding. Refer to the most recent Annual Monitoring Report posted on the Township's website for further status updates on the project.

AHA intends to utilize HUD 202 funding, Federal Home Loan Bank (FHLB), National Stabilization Trust Funds (NSTF), the New Jersey Affordable Housing Trust Fund administered by the DCA, and/or State "HOME" funds or LIHTCs to fund the project. AHA has prepared a pro forma, and a concept site plan has been prepared by the Township Engineer, Leon S. Avakian, Inc.

All documentation for the Shu Lee/Millstone Village property can be found in Appendix P. A map of the Shu Lee/Millstone Village property, including any environmental constraints, is found in the Maps section at the end of this Plan.

The site meets the suitability criteria as follows:

- *Available:* The property is Township-owned with no encumbrances precluding low- and moderate-income development. The deed restriction will be recorded to reflect 30 apartment units and will be 100% available for low- and moderate-income tenants for a minimum affordability restriction term of 30 years.

- *Suitable:* The property is surrounded by residential uses and is close in proximity to commercial uses, including shopping areas, convenience stores, and restaurants. The development will have access to an existing right-of-way, Novad Court. The entire municipality is in SDRP Planning Region PA-4 with no centers. There is no need for expansion of infrastructure.
- *Developable:* Water and sewer service will be provided by on-site well and septic. The Area-wide Water Quality Management Plan (WQMP) is being amended to incorporate the proposed development into the Plan. The property is within Flood Hazard Area X, an area of minimal flooding. As shown in the map found at the end of this Plan, the property is encumbered by wetlands and transition area on its northeasterly portion. However, as shown on the concept plan provided in Appendix P, the proposed development will be outside of the wetland and buffer areas.
- *Approvable:* Pursuant to Ordinance No. 15-8, municipally sponsored affordable housing is permitted in all zones in the Township. The project will require subdivision and site plan approval by the Planning Board. Approval by the Monmouth County Soil Conservation District will also be required. It is anticipated the necessary approvals will be granted.

APPENDIX A

2003 Second Round Substantive Certification

**COAH Compliance Report
Millstone Township, Monmouth County
Region #4**

Prepared By
Angela Y. Goode
September 24, 2003

I. INTRODUCTION

On May 23, 2003 Millstone Township petitioned the Council on Affordable Housing (COAH) for substantive certification of its housing element and fair share plan to address its second-round affordable housing obligation of 99 units, which consists of an 81-unit new construction obligation and an 18-unit rehabilitation obligation. Millstone published notice of its petition in The Asbury Park Press on March 27, 2003. During the 45-day objection period, which ended May 12, 2003, COAH received no objections to the plan.

II. BACKGROUND

Millstone Township received first-round substantive certification of its housing element and fair share plan from COAH on March 20, 1995. Millstone's certified first-round plan addressed the township's 11-unit affordable housing obligation. The township adopted a housing element and fair share plan addressing its second-round obligation on November 30, 1994 and petitioned COAH for substantive certification on March 5, 1995. There were no objections to the housing element and fair share plan. COAH staff issued a report Requesting Additional Information on May 13, 1998.

On May 17, 2000 the township adopted an amended housing element and fair share plan and repeteditioned for substantive certification on June 1, 2000. COAH did not receive any objections during the subsequent 45-day objection period, which ended on July 7, 2000. The May 2000 plan requested a durational adjustment and proposed an overlay zone to address unmet need. Subsequently, the township discovered an opportunity to develop two rental properties and took steps to acquire those properties. On March 23, 2003, Millstone Township adopted a revised amended housing element and fair share plan and again repeteditioned COAH. No objections were received during the 45-day objection period, which ended on May 12, 2003. It is this plan, which is the subject of this compliance report.

III. HOUSING AND DEMOGRAPHIC ANALYSIS

Millstone Township is located in the western portion of Monmouth County. The township is bounded on the West by East Windsor, Mercer County, and the Monmouth County municipalities of Roosevelt Borough and Upper Freehold Township; on the South by Jackson Township, Ocean County; Freehold and Manalapan Townships of Monmouth County on the East; and by Monroe Township, Middlesex County on the North.

According to the 1990 census, the township's 5,069 residents were housed in 1,574 year-round housing units. As of 1989, median income in the township was \$56,655. Approximately eighty seven percent of occupied housing units were owner occupied. Nearly 58% of the housing stock was constructed after 1970. Median household value was \$252,400 and median monthly rent was \$517.

Millstone's plan states that of the township's 1,210 owner-occupied units, 1.5 percent were affordable to low income households of the region and 3.4 percent to moderate income households. Ninety percent of the 90 renter occupied units were affordable to low-income households with sixty-two percent being affordable to moderate income households.

A review of Millstone's housing element indicates that sufficient information was submitted regarding housing stock, demographic characteristics, employment characteristics and population trends to satisfy the requirements of N.J.A.C. 5:93-5.1(b)(1) through (4).

IV. PLANNING AREAS

The majority of land (90%) in Millstone Township is categorized as Planning Area 4a (PA 4) as defined by the New Jersey State Development and Redevelopment Plan (SDRP). A scant six acres are identified as Planning Area 3 with the remainder of land being classified as parklands. COAH rules require that units eligible for credits in Planning Area 4 be in centers designated by the State Planning Commission (SPC), unless the units are in a non-inclusionary development, such as an alternative living arrangement, accessory apartments or RCAs.

V. CREDITS AND REDUCTIONS

Millstone Township has requested thirteen credits and six rental bonuses for housing units previously rehabilitated or constructed. Millstone requests credit for three units that were rehabilitated under the Monmouth County Community Development Program (MCCDP). However, at the writing of this report, sufficient information had not been submitted for the three units with regard to COAH requirements

regarding owner eligibility, major systems repair, code compliance, deed restrictions, and average unit expenditures. [0 rehabilitation credits]

Millstone is eligible to receive six prior cycle credits for alternative living arrangements constructed between April 1, 1980 and December 14, 1986. The Red Valley Road group home and Millstone Road group homes are licensed by the Division of Developmental Disabilities (DDD). The Red Valley Road group home received its certificate of occupancy in 1986. The Millstone Road group home was first occupied in 1984. The operator of the homes extracts its clientele from the DDD waiting list, which by its eligibility standards, is made up of entirely low-income persons.

[6 prior cycle credits]

In addition, Millstone seeks credit for six units constructed as part of the inclusionary Indian Path development. The six family rental units were constructed as relocation housing for six households that were living in substandard housing on the project site prior to development. These units are administered by the Housing Affordability Service (HAS). HAS confirms that the units are affirmatively marketed, occupied by low income eligible households, have the appropriate deed restrictions in place, and are rented at rates affordable as per COAH regulations. The units received a certificate of occupancy in 1992. N.J.A.C. 5:93-5.15(d) allows municipalities to receive one full bonus credit for each complying affordable rental unit that is not age restricted. As such, these units are also eligible for 6 rental bonus credits.

[6 new construction + 6 rental bonus credits]

VI. RENTAL COMPONENT FORMULA

N.J.A.C. 5:93-5.15(a) requires that every municipality has an obligation to provide a realistic opportunity for the creation of rental units. In Millstone, the rental obligation is calculated pursuant to the following formula:

$$\begin{aligned} &.25 (\text{precredited need} - \text{prior cycle credits} - \text{the 20 percent cap} - \text{the 1,000-unit limit} \\ &\quad - \text{the rehabilitation component}) \\ &.25 (99 - 6 - 0 - 0 - 18) = .25 (75) = 19 \end{aligned}$$

Millstone has a rental obligation of 19 units. Rental units that are not age restricted may be eligible for one-for-one bonus credits pursuant to N.J.A.C. 5:93-5.15(d)

VII. AGE-RESTRICTED UNITS FORMULA

Millstone Township may age-restrict 25 percent of its obligation pursuant to N.J.A.C. 5:93-6.1(b)1 and the following formula:

.25 (precredited need – prior cycle credits – rehabilitation credits –
the impact of 20 percent cap – the impact of 1,000 unit limitation) – first round age-restricted
units.

$$.25 (99 - 6 - 0 - 0 - 0) - 0 = 23 \text{ units}$$

Millstone Township may age-restrict up to 23 units in its plan. Rental units that are age-restricted may be eligible for a one and one-third bonus pursuant to N.J.A.C. 5:93-5.15(d)2.

The township has not proposed any age-restricted units in this plan.

VIII. REGIONAL CONTRIBUTION AGREEMENT (RCA) FORMULA

Pursuant to N.J.A.C. 5:93-6.1, Millstone may transfer up to 50 percent of its affordable housing obligation in the form of an RCA according to the following formula:

.50 (precredited need – prior cycle credits – rehabilitation credits– the impact of the 20 percent
cap – the impact of the 1,000 unit limitation) – any units transferred as a result of a previously approved
RCA.

$$.50 (99 - 6 - 0 - 0 - 0) - 0 = .50 (93) = 46 \text{ units.}$$

Millstone may transfer up to 46 units as part of an RCA.

IX. HOUSING ELEMENT AND FAIR SHARE PLAN

Millstone Township's second round affordable housing obligation consists of 99 units, which includes an 81-unit new construction obligation and an 18-unit rehabilitation obligation. This obligation is reduced by one rehabilitation credit, six prior cycle credits, six new construction credits, and six rental bonuses as described by section V of this report. Millstone's remaining affordable housing obligation consists of 17 rehabilitation units and 16 new construction units. The Township's housing element and fair share plan addresses this obligation as follows:

A. Rehabilitation Program

Millstone's 18-unit rehabilitation component will be addressed through a 18-unit rehabilitation program to be administered by Monmouth County Community Development Program (MCCDP). MCCDP

operates an ongoing rehabilitation program for several townships in Monmouth County. The County program staff is experienced in ensuring that the rehabilitated units meet the requirements of N.J.A.C. 5:93-3.4. The township provided a copy of their ongoing contract with MCCDP. Affordability controls in the form of a deed restriction will be six years on owner-occupied units and 10 years on rental units. Millstone must continue to provide \$10,000 per unit and expend an average of \$8,000 per rehabilitation on hard costs. The township submitted a resolution of intent to bond, dated March 5, 2003, to cover any funding shortfall in this program. Millstone must adhere to the following minimum funding schedule pursuant to N.J.A.C. 5:93-5.2:

<u>Year</u>	<u>Units</u>	<u>Amount</u>
2004	6	\$ 60,000
2005	3	\$ 30,000
2006	3	\$ 30,000
2007	3	\$ 30,000
2008	3	\$ 30,000
Total	18	\$180,000

[18-unit rehabilitation program]

B. New Construction Program

Millstone proposes addressing its remaining 66-unit new construction obligation through an alternative living arrangement, single-family rental property, rental bonuses, and a 46-unit RCA.

1. Alternative Living Arrangement

Millstone proposes a nine-bedroom group home in its plan. It will be located at 25 Burnt Tavern Road (Block 57, Lots 16.01) and will be renovated and managed by the Monmouth County Housing Alliance (MCHA). MCHA is an experienced non-profit organization that develops and manages affordable housing. The township owns the property and has entered into a 50-year lease with MCHA dated January 6, 2003. The property will be operated as a Class A boarding home. Additionally, Millstone will attach a 30-year deed restriction to the property. As such, and in accordance with N.J.A.C. 5:93 - 5:15(d), the project will be eligible for 9 rental bonus credits. [9 credits + 9 rental bonus credits]

2. Single Family Rental

Millstone will also utilize the services of MCHA to administer a single-family rental property in the township. The township has entered into a 50-year lease with MCHA and will attach a 30-year deed restriction to the property. The home will be rented to a low-income family. The property is eligible for one credit and, pursuant to N.J.A.C. 5:93 - 5.15(d), one rental bonus credit. [1 unit + 1 rental bonus credit]

C. Regional Contribution Agreement (RCA)

COAH approved a regional contribution agreement between Millstone and the City of Asbury Park on April 4, 2001. The agreement transfers 46 units of affordable housing to the city to fund its scattered site rehabilitation program. The contract calls for a transfer of \$20,000 per unit, for a total contribution of \$920,000. Payments are being phased over a five-year period with \$200,000 in the first year and \$180,000 in each of the four subsequent years. [46 unit RCA]

X. DEVELOPMENT FEE ORDINANCE

On May 5, 1993, Millstone Township received approval from COAH to adopt a development fee ordinance to collect development fees for affordable housing purposes. Millstone has submitted a development fee spending plan that is reviewed in a separate report. The township must submit a draft escrow agreement within 45 days of substantive certification. As of December 31, 2001, the township reports a total of \$713,504.52 in its development fee account.

XI. SPENDING PLAN

Millstone submitted a spending plan that is reviewed in a separate report.

XII. ADMINISTRATIVE ENTITY AND AFFIRMATIVE MARKETING PLAN

Millstone has provided COAH with an affirmative marketing ordinance that meets COAH standards as per N.J.A.C. 5:93 -11. Millstone must adopt this ordinance within 45 days of COAH's grant of substantive certification. The township will continue to utilize the services of the Monmouth County Community Development Program to administer its rehabilitation program. HAS will continue to administer the existing Indian Path development and any future inclusionary developments. The Monmouth County Housing Alliance (MCHA) will act as administrator for the group home and single-family rental property.

XIII. FAIR SHARE ORDINANCE

Millstone has submitted a draft fair share ordinance which complies with COAH's rules per N.J.A.C. 5:93 et seq. The township must adopt this ordinance within 45 days of COAH's grant of substantive certification.

XIV. RECOMMENDATION

Based on the review of Millstone's Housing Element and Fair Share Plan, the Township has addressed its cumulative obligation of 99 units which consists of an 81 unit new construction obligation and an 18-unit rehabilitation obligation through a rehabilitation program, six prior cycle credits, a 46-unit RCA, credits for six units from the Indian Path inclusionary development, nine alternative living arrangement bedrooms, one single family rental project, and sixteen rental bonuses. The Township's plan results in a 3-unit surplus. COAH staff recommends that Millstone Township be granted substantive certification.

EXECUTIVE SUMMARY
MILLSTONE TOWNSHIP/MONMOUTH COUNTY

Millstone Township's 1987-1999 cumulative precertified need is 99 units, including a rehabilitation obligation of 18 units and a new construction obligation of 81 units. Millstone received certification of its first round housing element and fair share plan on December 7, 1987. The township petitioned the Council on Affordable Housing (COAH) for second round substantive certification on March 15, 1995. In response to a COAH Report Requesting Additional Information that was issued on May 13, 1998, the borough re-petitioned COAH with an amended plan on June 1, 2000.

The June of 2000 plan requested a durational adjustment and proposed an overlay zone to address unmet need. Subsequently, the township discovered an opportunity to develop two rental properties and took steps to acquire those properties. On May 23, 2003, Millstone Township submitted its second and final re-petition to COAH.

Millstone meets its obligation with an 18 unit rehabilitation program, six prior cycle credits for alternative living arrangements, credit for six units constructed as part of the inclusionary Indian Path development which also qualifies for six rental bonus credits, a proposed nine-bedroom group home that also qualifies for nine rental bonus credits, a one-unit single family rental which is eligible for one rental bonus credit, and a 46-unit Regional Contribution Agreement (RCA) with Asbury Park. Millstone's plan provides a total of 84 affordable units, giving the township a 3-unit surplus

Staff recommends the grant of substantive certification to the Township of Millstone.

(C) Notwithstanding anything to the contrary, the parties acknowledge that The Township intends to send 10 RCA units to Roosevelt Borough if (a) Roosevelt Borough undertakes a rehabilitation program and (b) an RCA between Roosevelt Borough and The Township receives COAH approval. The Township shall apprise the City of the precise RCA reduction, not in excess of 10 units, within 30 days of the foregoing 2 conditions being satisfied. Any reduction in the 46 RCA units provided for herein shall result in appropriate equal adjustments, to the extent practicable, to each of the 5 annual installments.

(D) The contributions and payment schedule defined in this Agreement (\$20,000 per unit transferred to the City) are an obligation of The Township, regardless of whether the funds are obtained through developer contributions or are paid with general or other revenues of the Township.

(E) The Township will apply to the County of Monmouth and the New Jersey Council on Affordable Housing for the required approvals for this Agreement and the units to be rehabilitated hereunder.

ARTICLE 3: RESPONSIBILITIES OF THE CITY

(A) The City will develop a project plan that satisfies all applicable requirements of the New Jersey Council on Affordable Housing regarding the units that are the subject of this Agreement. The Township shall have the right to review said project plan and any amendment of said project plan; provided, however, that (1) the Township shall provide any comments, concerns, or requests for modifications within 30 days of receipt of any amendment to a previously approved project plan, and (2) the Township shall not seek changes to any aspect of a project plan or proposed amendment to said project plan that does not materially affect the Township's interests, as defined in this Agreement.

(B) The City will apply to the appropriate local, state and/or federal agencies for all required governmental approvals for this Agreement and the units to be rehabilitated hereunder.

(C) The City shall carry out or have carried out by qualified development entities the rehabilitation of the housing units to be provided under this Agreement in accordance with all applicable, local, state and federal rules and regulations.

ARTICLE 4: EXCESS FUNDS

(A) Any transferred funds not used in the program of rehabilitation shall be refunded to the Township. Pursuant to COAH rule N.J.A.C. 5:93-6.2, if the City can accomplish the housing activity approved as part of this project plan for less than the minimum per unit transferred as specified herein (\$20,000 per unit), the difference between the cost of the housing activity and the minimum per unit transferred shall be used within the City. The use of any excess funds shall be subject to approval by COAH and may only be used to produce or rehabilitate low and/or moderate income units or for a capital expenditure ancillary to or benefiting low and moderate income households.

(B) All interest generated from the RCA funds and retained by the City may only be utilized for an eligible housing activity under COAH's rules and may not be used to exceed the 20 percent cap on administration.

(C) The City agrees to place all unencumbered funds received from The Township in a separately established interest-bearing account. All interest earned on this account shall be utilized in conformance with and to accomplish the purposes of this Agreement.

(D) The City may apply a portion of the funds received from The Township to defray the costs of administration incurred by the City in order to provide the housing units called for in this Agreement, within the guidelines established by COAH. In no event shall more than 20 percent of the funds be used for administrative costs.

(E) After the Township sends all the monies contemplated by this agreement and after the City completes all rehabilitations contemplated by this agreement, the City shall return to the Township any surplus funds it previously received.

(F) The City shall issue a monthly status report to COAH and the Township.

(G) The City shall ensure that any individual or household whose unit is rehabilitated pursuant to this Agreement shall execute a mortgage to ensure the continuing affordability of the units and to require the individual or household to reimburse the monies paid to rehabilitate the unit in the event the household violates the terms of the mortgage. If monies are reimbursed as a result of a violation, the City shall apply those monies to other units that are the subject of this Agreement.

(H) For scattered site rehabilitation of occupied units, the Receiving Municipality will expend a minimum average of \$16,000 per unit for hard costs.

(I) The Receiving Municipality will establish a separate escrow account for all monies received pursuant to the RCA.

(J) The Receiving Municipality will enter into a separate agreement with COAH that permits COAH to effectively monitor disbursements of the funds received pursuant to the RCA.

ARTICLE 5: TERMS OF AGREEMENT

This Agreement shall have a term of six years, commencing on the later of (1) the date of approval of this Agreement by COAH or (2) the date COAH certifies the Township's cumulative plan. In the event of any delays in anticipated performance by the City, the term shall, to the extent permitted by COAH, be extended accordingly. The City shall make all reasonable efforts to satisfy its obligations under this Agreement within six years of the date of approval of this Agreement by COAH. The Township shall satisfy its obligations by issuance of payment to the City as specified in Article 2.

ARTICLE 6: REPORTS

The following reports will be the responsibility of the City:

(A) The City will file semi-annual reports with the Township, the New Jersey Housing and Mortgage Finance Agency and the New Jersey Council on Affordable Housing setting forth its progress in implementing this Agreement, as required by N.J.A.C. 5:92-11.2(e).

(B) The City will provide required reports to the New Jersey Council on Affordable Housing of the draw down of funds by the City under this Agreement.

ARTICLE 7: PROJECT PLAN

Housing to be provided hereunder will be developed in accordance with a project plan which the City will prepare and file with the New Jersey Housing and Mortgage Finance Agency (sometimes "HMFA") and the New Jersey Council on Affordable Housing. The City retains the right to amend said project plan, if necessary, to reflect changed conditions, subject to approval by the New Jersey Housing and Mortgage Finance Agency and the New Jersey Council on Affordable Housing. The Township agrees to accept any changes required by the New Jersey Housing and Mortgage Finance Agency and the New Jersey Council on Affordable Housing, provided it does not affect the number of credits generated by this Agreement to the Township's fair share obligation, or require any modification to the schedule or maximum payment contemplated by this Agreement and the payment schedule set forth in Article 2(B). In the event the Project Plan prepared and agreed upon by the City is not acceptable to COAH, the HMFA or the County of Monmouth, the City shall have the right to cancel or rescind this Agreement if and only if COAH permits the Township to substitute one or more RCA's for the units that would have otherwise been provided via this RCA.

ARTICLE 8: CREDIT TO THE HOUSING ELEMENT

The City of Asbury agrees that it shall not claim credit toward its low and moderate income housing obligation for any low or moderate income units, as defined by the Fair Housing Act, N.J.S.A. 52:27D-301 et seq., created by the City pursuant to this Agreement, but that any and all such credit shall inure to the benefit of The Township. ARTICLE 13: FURTHER ASSURANCES

The Township and the City agrees to prepare and execute any further documents and to take any further action which may reasonably be required by the other in order to fully effectuate and implement the terms and conditions of this Agreement.

ARTICLE 14: CHANGE IN LAW

RE: Proposed RCA Between Millstone Township and City of
Asbury Park

Dear Mr. Boral:

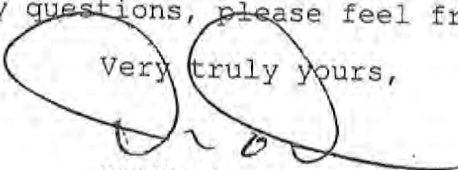

Enclosed herein please find a revised Regional Contribution Agreement between the Township of Millstone and the City of Asbury Park. There are two changes, one is merely form, the other substantive. The charges are:

1. The form change results in the City of Asbury Park being referred to consistently as "City" and Millstone Township being referred to consistently as "Township".
2. The substantive change is to reduce the maximum number of RCA units from 49 to 46 and the minimum number of RCA units from 39 to 36. The maximum number of RCA units that Millstone Township may send out is 46 and not 49.

If the Agreement is satisfactory, could you please have the appropriate Resolution adopted by your Mayor and Council and have an original and two copies of the Regional Contribution Agreement executed and returned to me for execution by Millstone Township?

If you should have any questions, please feel free to contact me.

Very truly yours,

SETTLEMENT TERMS INVOLVING SHOWPLACE FARMS, LLC.

Showplace Farms, LLC is the owner of certain property identified as Block 23, Lot 8 as shown on the Official Tax Map of the Township of Millstone. ("Showplace Property") The property is comprised of approximately 140 +/- acres of land located along the southerly boundary of State Highway Route 33 in Millstone Township. The property is presently in the Planned Commercial Development (PCD) zone district. The PCD zone permits the development of property with warehouse distribution centers and office uses in accordance with the "Schedule of Area, Yard and Building Requirements" set forth in Chapter XXXV, Article 5, Section 5-15.5 and 5-15.6 and Article 17, Section 17-1.4 of the Township of Millstone Land Use and Development Regulations.

The Showplace Proposal. Showplace proposes to develop Block 23, Lot 8 with a facility consisting of approximately 1.22 million square feet of warehouse with associated offices consistent with the "Concept Plan AA33 Block 23 Lot 8 Township of Millstone Monmouth County New Jersey prepared by Maser Consulting, P.A. dated 7/3/19 (the "Concept Plan"). To realize the Concept Plan requires certain amendments to the "Schedule of Area, Yard and Building Requirements" set forth in Chapter XXXV, Article 5, Section 5-15.5 and 5-15.6 in order to accommodate the proposed improvements including:

1. Allow Maximum Building Height of 50 feet where 30 feet/2 stories is presently permitted with building height defined as the vertical dimension measured to the highest point of a building from the average elevation of the finished grade at the four corners of the building, irrespective of existing topographical elevations.
2. Allow Maximum Building Coverage of 20% where 15% is presently permitted.
3. Allow Maximum Building Floor Area Ratio (FAR) of .20 where .15 is presently permitted.
4. Allow Minimum Buffer to Residential Zone of 150 feet where the greater of 150 feet or 25% of lot depth is presently required.

The Concept Plan also requires amendment to other sections of the Township zoning code including, but not limited to: (i) Article 17, Section 17-1.4 to permit Planning Board approval for activities within a riparian zone; and (ii) Article 9, Section 9-5 relating to development on steep slopes and/or poorly drained soils. In addition, the Parties acknowledge that the current Concept Plan has not been engineered and that other provisions from the Township zoning code may need to be revised. The Parties agree to work cooperatively to prepare a form of ordinance for the development of the Concept Plan that would allow development of that Concept Plan without the need for relief pursuant to N.J.S.A. 40:55D-70(c). However, nothing herein or in the forthcoming ordinance for the Showplace Property shall limit or impede Showplace's ability to seek any and all variance and/or waiver relief pursuant to the Municipal Land Use Law, N.J.S.A. 40:55D-1 et seq. in connection with the eventual land development application for the Showplace Property, which variance and waiver relief shall be considered by the Township Planning Board.

Millstone shall adopt the necessary Ordinance amendments as part of its compliance upon approval of this Settlement Agreement by the Court which ordinance amendments shall be adopted prior to the entry of a final Judgment of Compliance and Repose.

The Purpose of the Amendments. The purpose of the Ordinance amendments is to facilitate the development of the Showplace property in a manner that is consistent with the uses contemplated by the Ordinance, in a manner that will provide on-site potable water and on-site wastewater treatment and disposal and will not require the extension of public infrastructure (water & sewer) into Millstone and will result in a substantial Affordable Housing Development Fee that will assist Millstone in funding of the municipally sponsored projects and other components of its Housing Element and Fair Share Plan. The Affordable Housing Development Fee shall be 2.5% of the assessed value of the development. The Affordable Housing Fee will be estimated and paid as follows:

25% within sixty (60) days of the entry of a Judgment of Compliance and Repose, provided that no timely appeal is taken from such a Judgment or the adoption of the Showplace Ordinance anticipated by this Agreement ("AHTF Payment #1").

25% within sixty (60) days of the later of: (a) the grant by the Millstone Planning Board of Preliminary and final Site Plan Approval for the development or first phase of development as may be applicable, or (b) final approval from NJDEP of an amendment to the applicable Wastewater Management Plan and issuance of a NJPDES permit to allow an on-site wastewater treatment and disposal facility to be constructed in support of the project, provided in either event that no timely appeal is taken. Showplace, including its assignees, shall diligently pursue the foregoing approvals necessary for the Showplace project ("AHTF Payment #2")

25% upon issuance of construction permits for the project by Millstone. (AHTF Payment #3); and

Balance upon issuance of first Certificate of Occupancy based on final assessment. (AHTF Payment #4); and

In the event that AHTF payment #1 and AHTF Payment #2 are made in accordance with this Agreement and the Showplace Proposal is not realized for reasons currently not anticipated by the parties, then the amounts paid for the AHTF payment #1 and AHTF Payment #2 shall be credited against any future affordable housing obligation attributable to the Showplace Property pursuant to either the Non-Residential Development Fee Act, N.J.S.A. 40:55D-8.1 et seq. and/or any applicable Township ordinance.

Showplace Obligation to Support. The Showplace property zoning amendment is included as part of the Millstone Plan. Showplace shall withdraw any objections it may have raised previously to the Millstone Plan and shall support the Millstone Plan as amended to include the Showplace project, and as it may be further amended from time to time so long as such amendment does not materially affect the rights of Showplace hereunder. Showplace's support of the Millstone Plan shall include certifications, testimony and all other reasonable means of support as may be requested by Millstone in connection with compliance hearings and Millstone's Declaratory Judgment Action.

Township Cooperation to Secure Outside Agency Approvals. The Township agrees to promptly review and endorse any and all applications and/or provide any consent forms in support of Showplace's application for the outside agency approvals necessary for the development of the Showplace Property consistent with the Ordinance amendments contemplated by this Agreement.

Showplace Payment of Attorney's Fees to FSHC. Showplace shall pay to FSHC attorneys fees and costs in the amount of \$7,500.00 within thirty (30) days of the Court's approval of this Agreement following the entry of an Order approving this Agreement after a Fairness Hearing.

6. In accordance with N.J.A.C. 5:93-5.5, the Township recognizes that it must provide evidence that the municipality has adequate and stable funding for any non-inclusionary affordable housing developments. The municipality is required to provide a pro forma of both total development costs and sources of funds and documentation of the funding available to the municipality and/or project sponsor, and any applications still pending. In the case where an application for outside funding is still pending, the municipality shall provide a stable alternative source, such as municipal bonding, in the event that the funding request is not approved. The Township meets this obligation as follows:

See paragraph 5 above. The Municipality has committed to bond any necessary funding deficiency.

7. In accordance with N.J.A.C. 5:93-5.5, for non-inclusionary developments, a construction or implementation schedule, or timetable, shall be submitted for each step in the development process: including preparation of a site plan, granting of municipal approvals, applications for State and Federal permits, selection of a contractor and construction. The schedule shall provide for construction to begin within thirty (30) months of the execution of this Settlement Agreement. The schedule shall indicate the entity responsible for the undertaking and monitoring the construction and overall development activity. The Township meets those obligations as follows:

See paragraph 5 above.

8. The municipality shall meet its Third Round Obligation in accordance with the following standards:

a. With the exception of units previously constructed, presently under construction or subject to preliminary or final subdivision or site plan approval, the municipality shall require at least 13% of all units referenced in its Fair Share Plan to be very-low-income units.

b. At least 50% of the units addressing the Third Round Obligation shall be available to families.

c. At least 50% of the units addressing the Third Round Obligation shall be affordable to very-low-income and low-income households with the remainder affordable to moderate income households.

d. At least 25% of the Third Round Obligation shall be met through rental units, of which at least 50% shall be available to families.

e. The number of age-restricted units shall be capped at 25% and the Municipality shall not request a waiver of this provision. Under no circumstance shall the Municipality claim credit toward its fair share obligation for age-restricted units that exceed 25% of all units developed or planned to meet its cumulative Prior Round and Third Round Obligation.

f. Third Round Bonuses will be applied in accordance with N.J.A.C. 5:93-5.15(d)

g. All units shall include the required bedroom distribution and be governed by controls on affordability and affirmatively marketed in conformance with the Uniform Housing Affordability Controls (UHAC) N.J.A.C. 5:80-26.1 et. seq., or any

successor regulation, with the exception that in lieu of 10% of affordable units in rental projects being required to be at 35% of median income, 13% of affordable units in such projects shall be required to be at 30% of median income, and all other applicable law. The Municipality shall, as part of its Housing Element and Fair Share Plan (HEFSP), adopt and/or update appropriate implementing ordinances in conformance with standard ordinance and guidelines developed by COAH to ensure that this provision is satisfied.

h. All new construction units shall be adaptable in conformance with N.J.S.A. 52:27D-311a & b.

9. The Municipality shall include in the list of community and regional organizations in its affirmative marketing plan, pursuant to N.J.A.C. 5:80-26.15(f)(5) the following:

Fair Share Housing Center

New Jersey State Conference of the NAACP

The Latino Action Network

The Supportive Housing Association

As part of its regional affirmative marketing strategies during the implementation of its plan the Municipality and/or its administrative agent shall also provide notice to those organizations of all available affordable housing units. The Municipality also agrees to require any other entities, including developers or persons or companies retained to do affirmative marketing, to comply with this provision.

10. Within 120 days of Court approval of this Settlement Agreement the Municipality shall:

a. Adopt a HEFSP consistent with the terms and conditions of this Settlement Agreement.

b. Introduce an ordinance providing for the amendment of the Municipality's Affordable Housing Ordinance and Zoning Ordinance to implement the terms of this Settlement Agreement and the zoning contemplated herein.

c. Execute Developer's Agreements with Affordable Housing Alliance for development of the municipally sponsored Allen House II, CKV and Shu Lee projects.

e. Execute a Developer's Agreement for Baldacino

f. Providing crediting documentation for the Prior Round and Third Round to the court, FSHC, and the Special Master.

11. Within 120 days of Court approval of this Settlement Agreement the Municipality shall prepare and submit a Spending Plan to the Court and Court Master for review and approval. The parties agree that the Spending Plan is valid and should be approved by the Court, and that the expenditures of funds contemplated under the Spending Plan constitute "commitment" for expenditure pursuant to N.J.S.A. 52:27D-329.2 and 329.3, with the four-year time period for expenditure designated pursuant to those provisions beginning to run with the entry of a final judgment approving this Settlement Agreement in accordance with the provisions of In re Tp. Of Monroe, 442 N.J. Super. 565 (Law Div. 2015) (aff'd. 442 N.J. Super. 563). On each anniversary of this Settlement Agreement, through the end of this Settlement Agreement, the Municipality shall provide annual reporting of trust fund activity to the New Jersey Department of Community Affairs, Council On Affordable Housing, or Local Government Services, or other entity designated by the State of New Jersey, with a copy provided to Fair Share Housing Center and posted on the municipal website, using forms developed for this purpose by the New Jersey Department of Community Affairs, Council On Affordable Housing, or Local Government Services. The reporting shall include an accounting of all housing trust fund activity, including the source and amount of funds collected and the amount and purpose for which any funds have been expended.

12. On each anniversary of this Settlement Agreement, through the end of this Settlement Agreement, the Municipality shall provide annual reporting of the status of all affordable housing activity within the municipality through posting on the municipal website with a copy of such posting provided to Fair Share Housing Center using forms developed for this purpose by the New Jersey Department of Community Affairs, Council On Affordable Housing, or Local Government Services or any other forms endorsed by the Court Master.

13. The Municipality shall provide a Midpoint Realistic Opportunity Review on July 1, 2020, as required by N.J.S.A. 52:27D-313. It shall include a status report as to its implementation of its Fair Share Plan and an analysis of whether any un-built sites or unfulfilled mechanisms continue to present a realistic opportunity and whether any mechanisms to meet unmet need should be revised or supplemented. It shall be posted on the municipal website with a copy provided to Fair Share Housing Center. Such posting shall invite any interested party to submit comments to the Municipality, with a copy to Fair Share Housing Center, regarding whether any sites no longer present a realistic opportunity and should be replaced and whether any mechanisms to meet need should be revised or supplemented. Any interested party may by motion request a hearing before the court regarding these issues.

14. As required by N.J.S.A. 52:27D-329.1, within thirty (30) days of the third anniversary of this Agreement, and every third year thereafter, the Municipality will post on its municipal website, with a copy provided to Fair Share Housing Center, a status report as to its satisfaction of its very low-income requirements referenced herein. Such posting shall invite any interested party to submit comments to the Municipality and Fair Share Housing Center on the issue of whether the Municipality has complied with its very low-income housing obligation under the terms of this settlement.

15. FSHC is hereby deemed to have party status in this matter and to have intervened in the Litigation as a defendant without the need to file a motion to intervene or an answer or other pleading. The Parties to this Agreement agree to request the Court to enter an order declaring FSHC is an intervener, but the absence of such an order shall not impact FSHC's rights.

16. This Settlement Agreement must be approved by the Court following a Fairness Hearing as required by Morris Cty. Fair Hous. Council v. Boonton Twp., 197 N.J. Super. 359, 367-369 (Law Div. 1984) aff'd o.b., 209 N.J. Super. 108 (App. Civ. 1986); East/West Venture v. Borough of Fort Lee, 286 N.J. Super. 311, 328-329 (App. Div. 1996). The Municipality shall present its planner as a witness at this hearing. FSHC and Showplace agree not to challenge the Municipality's Fair Share Plan (which is described in narrative form in Schedule B, but which has not yet been drafted in final form or adopted) at the fairness hearing. In the event the Court approves this proposed settlement, the Parties contemplate that the Municipality will receive "the judicial equivalent of substantive certification and accompanying protection as provided under the FHA," as addressed in the Supreme Court's decision in Mt. Laurel IV. The "accompanying protection" shall remain in effect through July 1, 2025. If the Settlement Agreement is rejected by the Court at a fairness hearing, it shall be null and void.

17. If an appeal is filed of the Court's approval or rejection of the Settlement Agreement, the Parties agree to defend the Agreement on appeal, including in proceedings before the Superior Court, Appellate Division and New Jersey Supreme Court, and to continue to implement the terms of the Settlement Agreement if the Agreement is approved before the trial court unless and until an appeal of the trial court's approval is successful at which point, the Parties reserve their right to rescind any action taken in anticipation of the trial court's approval. All Parties shall have an obligation to fulfill the intent and purpose of this agreement.

18. Subsequent to the signing of this Agreement, if a binding legal determination by the Judiciary, the legislature, or any administrative subdivision of the Executive Branch determines that the Municipality's Third Round Obligation is decreased to 185 or less, with any relevant appeal periods having passed, the Municipality may file a proposed form of Order, on notice to FSHC and the Municipality's service list, seeking to reduce its Third Round Obligation accordingly. Such relief shall be presumptively granted. Notwithstanding any such reduction, the Municipality shall

be obligated to implement the HEFSP prepared, adopted and endorsed as a result of this Agreement, including by leaving in place any site specific zoning adopted or relied upon in connection with the Plan approved pursuant to this Settlement Agreement, maintaining all mechanisms to continue to address the Municipality's Third Round Obligation, and otherwise fulfilling fully the fair share obligations as established herein. The reduction of the Municipality's obligation below what is established in this Agreement does not provide a basis for seeking leave to amend this Agreement or the HEFSP adopted pursuant to this Agreement or seeking leave to amend an order or judgment pursuant to R. 4:50-1. If the Municipality prevails in reducing its Third Round Obligation the Municipality may carry over any resulting surplus credits to Round 4.

19. The Township agrees to pay FSHC's attorneys fees and costs in the amount of \$15,000.00 within thirty (30) days of the Court's approval of this Agreement following the entry of an order approving this Agreement after a fairness hearing. The Township may delegate this obligation to one or more third parties, but if payment is not received by FSHC within 30 days after the approval of this agreement by the Court following a fairness hearing the Township shall make the payment to FSHC within 10 days of FSHC's written request.

20. This Settlement Agreement may be enforced through a motion to enforce litigant's rights or a separate action filed in the Superior Court, Monmouth County. A prevailing movant or plaintiff in such a motion or separate action shall be entitled to reasonable attorney's fees.

21. Unless otherwise specified, it is intended that the provisions of this Agreement are to be severable. The validity of any article, section, clause or provision of this Agreement shall not affect the validity of the remaining articles, sections, clauses or provisions hereof. If any section of this Agreement shall be adjudged by a court to be invalid, illegal, or unenforceable in any respect, such determination shall not affect the remaining sections.

22. This Agreement shall be governed by and construed by the laws of the State of New Jersey.

23. This Agreement may not be modified, amended or altered in any way except by a writing signed by each of the Parties.

24. This agreement may be executed in any number of counterparts, each of which shall be an original and all of which together shall constitute but one and the same Agreement.

25. The Parties acknowledge that each has entered into this Agreement on its own volition without coercion or duress after consulting with its counsel, that each party is the proper person and possess the authority to sign the Agreement, that this Agreement contains the entire understanding of the Parties and that there are no

representations, warranties, covenants or undertakings other than those expressly set forth herein.

26. Each of the Parties hereto acknowledges that this Agreement was not drafted by any one of the Parties, but was drafted, negotiated and reviewed by all parties and, therefore, the presumption of resolving ambiguities against the drafter shall not apply. Each of the Parties expressly represents to the other Parties that: (i) it has been represented by counsel in connection with negotiating the terms of this Agreement; and (ii) it has conferred due authority for execution of this Agreement upon the persons executing it.

27. Any and all Exhibits and Schedules annexed to this Agreement are hereby made a part of this Agreement by this reference thereto. Any and all Exhibits and Schedules now and/or in the future are hereby made or will be made a part of this Agreement with prior written approval of all Parties.

28. This Agreement constitutes the entire Agreement between the Parties hereto and supersedes all prior oral and written agreements between the Parties with respect to the subject matter hereof except as otherwise provided herein.

29. No member, official or employee of the Municipality shall have any direct or indirect interest in this Settlement Agreement, nor participate in any decision relating to the Agreement which is prohibited by law, absent the need to invoke the rule of necessity.

30. Anything herein contained to the contrary notwithstanding, the effective date of this Agreement shall be the date upon which all of the Parties hereto have executed and delivered this Agreement.

31. All notices required under this Agreement ("Notice[s]") shall be written and shall be served upon the respective Parties by certified mail, return receipt requested, or by a recognized overnight or by a personal carrier. In addition, where feasible (for example, transmittals of less than fifty pages) shall be served by facsimile or e-mail. All notices shall be deemed received upon the date of delivery. Delivery shall be affected as follows, subject to change as to the person(s) to be notified and/or their respective addresses upon ten (10) days notice as provided herein:

Civil Action
(Mount Laurel II)

JUDGMENT OF COMPLIANCE
AND REPOSE

THIS MATTER having been opened to the Court By Michael B. Steib, Esq. on behalf of the declaratory Plaintiff, Township of Millstone pursuant to the Supreme Court decision In the Matter of the Adoption of N.J.A.C. 5:96 and 5:97 by the New Jersey Council on Affordable Housing, 221 N.J. 1 (2015) (Mount Laurel IV). More particularly, on July 2, 2015 the Township of Millstone (hereinafter "Township") filed a Declaratory Judgment Complaint in the within matter requesting this Court to determine its obligation to provide its fair share of affordable housing to low and moderate income households, to approve its Housing Element and Fair Share Plan to meet that

obligation, immunity from Builder's Remedy actions and for the entry of a Judgment of Compliance and Repose. The Court granted the Township immunity from Mount Laurel lawsuits from the time of the filing of the Township's Declaratory Judgment action which is still in full force and effect.

Pursuant Mount Laurel IV the Fair Share Housing Center (hereinafter "FSHC") is entitled to notice and to participate as an interested party in this action and has participated as an "interested party" in this action, and through the September 5, 2019 Settlement Agreement FSHC was deemed to have party status in this action as a defendant-intervenor.

On August 28, 2015 Showplace Farms, LLC (hereinafter "Showplace") entered this action as an intervenor.

On September 25, 2015 the Court appointed Michael P. Bolan (hereinafter "Master Bolan") as Special Master to assist the Court in resolving the issues presented.

The parties engaged in negotiation and mediation with the assistance of Master Bolan and on September 5, 2019 Millstone Township, Fair Share Housing Center and Showplace Farms, LLC reached a Settlement Agreement resolving all issues pertaining to this action.

On October 22, 2019 a Fairness Hearing was conducted following which the Court found the Settlement Agreement to

be fair, reasonable and adequately protects the interests of very low, low and moderate-income households and found the Affordable Housing strategy as set forth in the Settlement Agreement to be Constitutionally Compliant and provides a fair and reasonable opportunity for the Township to meet its obligation under Mount Laurel IV subject to the Township's compliance with the conditions set forth in its subsequent Order entered on November 12, 2019.

The Order of November 12, 2019 scheduled a Compliance Hearing for February 27, 2020 to determine whether the Township has met the conditions set forth in that Order of November 12, 2019, which hearing was rescheduled to April 7, 2020. Counsel for the Township prepared a Notice Certification (Exhibits P-1a, P-1b and P-1c) and a Certification of Posting Notice on the Township Website and Municipal Building (Exhibit P-2) to document that proper notice of the Compliance Hearing had been given.

On April 7, 2020 the Compliance hearing was conducted before the Honorable Linda Grasso Jones, J.S.C. with Michael B. Steib, Esq. appearing on behalf of the Township, Bassam Gergi, Esq. appearing on behalf of FSHC, Richard J. Hoff, Jr., Esq. appearing on behalf of Showplace and John A. Sarto, Esq. appearing on behalf of interested party Baldachino.

Michael B. Steib presented the position of the Township that it has complied with all conditions of the November 12, 2019 Order and having presented Exhibits P-1a through P-24, all of which were entered into evidence without objection.

Master Bolan was sworn and testified at length as to the findings and conclusions contained in his Report dated March 31, 2020 and marked in evidence as Exhibit P-4 and rendered his opinion that "The Township of Millstone has satisfied all of the conditions of the Court's Order approving the Settlement Agreement between the Township and FSHC, and I can recommend that the Court issue a Judgment of Compliance and Repose to run through July 1, 2025". The Court has found that Millstone Township has satisfied all of the conditions of the Order of November 12, 2019 and is entitled to receive a Judgment of Compliance and Repose. Therefore, it is hereby ordered on this 27th day of April, 2020 as follows:

1. The Townships Housing Element and Fair Share Plan

(Exhibit P-5a through P-5i) is hereby approved and the Township is granted a final Judgment of Compliance and Repose pursuant to the Court approved Settlement Agreement entered into between the Township, FSHC and Showplace on September 5, 2019, the Fair Housing Act

(N.J.S.A. 52:27D-301 et. seq.) (FHA), The Uniform Housing Affordability Controls (N.J.A.C. 5:80-26.1 et. seq.) (UHAC), applicable Council on Affordable Housing (COAH) substantive rules and Mount Laurel case law including the New Jersey Supreme Court's Mount Laurel IV decision.

2. The Township's Judgment of Compliance and Repose shall remain in effect for ten (10) years beginning on July 2, 2015 and ending on July 1, 2025, and during this ten (10) year period the Township shall have repose from all Mount Laurel lawsuits including, but not limited to, Builder's Remedy lawsuits, other than actions brought to enforce the Settlement Agreement or the Court's orders.
3. The Court reaffirms its prior determination pursuant to the judicial standards prescribed by the Appellate Division in East/West Venture v. Bor. Of Fort Lee, 286 N.J. Super. 311 (App. Div. 1996) and through analysis of the Settlement Agreement that the Settlement Agreement is fair, reasonable and adequately protects the interest of very low, low and moderate-income households, and the Court hereby approves the Settlement Agreement.
4. The Report of Special Master Bolan dated March 31, 2020 and marked in evidence as Exhibit P-4 shall be attached to this Judgment including the attachment "Millstone

- Compliance Tables: January 2020" which show how the Township will satisfy its affordable housing obligations.
5. The Township's Spending Plan, which is part of Exhibit P-19 is hereby approved. The Township is free to expend funds in its Affordable Housing Trust Funds in accordance with the Settlement Agreement, the Township's Housing Element and Fair Share Plan, the FHA, applicable COAH regulations and all other applicable law.
 6. The Township's updated and adopted Development Fee Ordinance (Exhibits 8a and 8b) is hereby approved by the Court.
 7. The Township shall comply with the monitoring and reporting requirements identified in the Settlement Agreement between the Township and FSHC and codified in Township Ordinance No. 20-03, including an annual Mount Laurel Trust Fund accounting report and an annual report of the status of all affordable housing activity within the Township.
 8. Counsel for the Township shall provide copies of this Order to the Township's service list within seven (7) days of receipt.

Report for Compliance Hearing

Dear Judge Jones:

The purpose of this letter report is to present my recommendation to the Court as the Court-appointed Special Master concerning Millstone Township's (Millstone or Township) request for an Order approving the Township's Housing Element and Fair Share Plan (HEFSP) and declaring the Township's compliance with its obligation to provide a realistic opportunity for the creation of housing affordable to low and moderate income households. A Compliance Hearing for the Court to consider the entry of a Judgment of Compliance and Repose is scheduled for April 7, 2020, following the adjournment of a hearing commenced on February 27, 2020.

By way of background, on October 22, 2019 the Court conducted a Fairness Hearing and on November 12, 2019 issued an Order that approved the Settlement Agreement between the Township and Fair Share Housing Center (FSHC). The Court's Order identified a list of actions that the Township must undertake prior to the Court approving a Judgment of Compliance. On February 5, March 25 and March 26, 2020, I received multiple emails from the Township Special Counsel, Michael B. Steib, Esq., enclosing the Township's compliance documents, including the adopted and endorsed HEFSP and all of the adopted Resolutions, Ordinances and Agreements.

The following analysis compares the Township's submission to the actions outlined in the Court's November 12, 2019 Order and my report on the fairness of the Settlement Agreement, dated October 16, 2019.

Comparison of the Township's Submission to Conditions of Settlement Agreement Approval

Additionally for Allen House II, Appendix N of the HEFSP includes the crediting documentation and affirmative marketing information; the Planning Board Resolution, dated December 11, 2019, approving the project; and, the Administrative Agent contract for the development. The project is currently in the permit stage. Summary

The Township of Millstone has satisfied all of the conditions of the Court's Order approving the Settlement Agreement between the Township and FSHC, and I can recommend that the Court issue a Judgment of Compliance and Repose to run through July 1, 2025.

The Township's revised crediting charts, identified as Millstone Compliance Tables and dated January 2020 (attached to this report), should be attached to the Order approving the Judgment of Compliance and Repose, as these charts are the accurate record of the Township's compliance activities.

MILLSTONE ROAD GROUP HOME, 417 MILLSTONE ROAD (2 UNITS)

The subject property is known and designated as Block 51, Lot 8.06 on the Tax Map of the Township of Millstone. This was a 3 bed "alternative living arrangement" under N.J.A.C. 5:93-5.8 operated by CPC Behavioral Health Care, Inc. (F/K/A/ Children's Psychiatric Center, Inc.) under oversight of the Division of Developmental Disabilities (DDD) of the Department of human Services.

The COAH Compliance Report for Millstone Township dated September 24, 2003 at page 3 states that Millstone is eligible to receive three (3) prior cycle credits and notes that the Millstone Road Group Home was first occupied in 1984. The operator extracts its clientele from the DDD waiting list, which by its eligibility standards, is made up of entirely low-income persons. The three units were approved for credit in Millstone's prior round substantive certification.

Thereafter, the property was managed by Everas Community Services, Inc., a New Jersey non-profit corporation providing services, including housing, to persons with disabilities.

The property was subsequently conveyed to Everas Community Services, Inc. by deed from CPC Behavioral Healthcare, Inc. dated October 14, 2015 and recorded in the office of the Monmouth County Clerk on December 15, 2015 in Book OR-9144 at Page 6561.

In 2018 a two-bedroom addition was constructed on the property and received Certificate of Approval from Millstone Township on June 15, 2018. The facility continues to be operated as a Licensed Group Home under DDD with five (5) low-income units. Millstone Township seeks to include the additional two units in its Plan.

Red Valley Road Group Home Documentation

- Narrative
- 2015 Deed

- 2018 Certificate of Occupancy

RED VALLEY ROAD GROUP HOME, 67 RED VALLEY ROAD (2 UNITS)

The subject property is known and designated as Block 35, Lot 20.01 on the tax map of the Township of Millstone. This was a 3 bed "alternative living arrangement" facility under N.J.A.C. 5:93-5.8 operated by CPC Behavioral Health Care, Inc. (F/K/A/ Children's Psychiatric Center, Inc.) under oversight of the Division of Developmental Disabilities (DDD) of the Department of human Services.

The COAH Compliance Report for Millstone Township dated September 24, 2003 at page 3 states that Millstone is eligible to receive three (3) prior cycle credits and notes that the Red Valley Group Home received its first certificate of occupancy in 1986. The operator extracts its clientele from the DDD waiting list, which by its eligibility standards, is made up of entirely low-income persons. The three units were approved for credit in Millstone's prior round substantive certification.

Thereafter, the property was managed by Everas Community Services, Inc., a New Jersey non-profit corporation providing services, including housing, to persons with disabilities.

The property was subsequently conveyed to Everas Community Services, Inc. by deed from CPC Behavioral Healthcare, Inc. dated October 14, 2015 and recorded in the office of the Monmouth County Clerk on November 6, 2015 in Book OR-9139 at Page 2017.

In 2018 Everas constructed a two bedroom addition to the property and received Certificate of Approval from Millstone Township on July 5, 2018. As demonstrated the Everas Department of Community Affairs Council of Affordable Housing Supportive and Special Need Housing Survey the facility continues to be operated as a Licensed Group Home under DDD with five (5) low-income units. Millstone Township seeks to include the additional two units in its Plan.

- B. All home improvements made to an Affordable Housing Unit shall be at the Owner's expense except that expenditures for any alteration that allows a unit to be rented to a larger household size because of an increased capacity for occupancy shall be considered for a recalculation of Base Rent. Owners must obtain prior approval for such alteration to qualify for this recalculation.
- C. The Owner of an Affordable Housing unit shall keep the Affordable Housing unit in good repair.
- D. Owners of Affordable Housing units shall pay all taxes, charges, assessments or levies, both public and private, assessed against such unit, or any part thereof, as and when the same become due.

- F. If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-laws of an Association, shall further fully comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement.
- G. The Owner shall have responsibility for forwarding copies of all documents filed with the applicable county recording office to the Department after they have been signed, dated and recorded.

B. If the rental unit is contained within an owner-occupied property containing four or less units, the terms and restrictions of this Agreement shall be subordinate only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit.

C. Upon a judgment of Foreclosure of an owner-occupied unit containing an affordable rental housing unit, the Department shall execute a document in recordable form evidencing that such Affordable Housing unit has been forever released from the restrictions of this Agreement. Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement.

X. VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being

recognized by both parties to this Agreement that a breach will cause irreparable harm to the Department, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing. Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Department shall have all remedies provided at law or equity, including but not limited to foreclosure, recoupment of any funds from a rental violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance.

The Department may assign from time to time its rights, and delegate its obligations hereunder without the consent of the Owner. Upon such assignment, the Department, its successors or assigns shall provide written notice to the Owner.

XII. INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or circumvention of the purposes of the Fair Housing Act for the duration of this Agreement and to ensure, to the greatest extent possible, that the purchase price, mortgage payments and rents of designated Affordable Housing units remain affordable to Low and Moderate Income-Eligible Households as defined herein.

XIV. SUPERIORITY OF AGREEMENT

Owner warrants that no other Agreement with provisions contradictory of, or in opposition to, the provisions hereof has been or will be executed, and that, in any event, the requirements of this Agreement are paramount and controlling as to the rights and obligations between and among the Owner, the Department, and their respective successors.

XV. SEVERABILITY

It is the intention of all parties that the provisions of this instrument are severable so that if any provisions, conditions, covenants or restrictions thereof shall be invalid or void under any applicable federal, state or local law, the remainder shall be unaffected thereby.

In the event that any provision, condition, covenant or restriction hereof, is at the time of recording of this instrument, void, voidable or unenforceable as being contrary to any applicable federal, state or local law, both parties, their successors and assigns, and all persons claiming by, through or under them covenant and agree that any future amendments or supplements to the said laws having the effect of removing said invalidity, voidability or unenforceability shall be deemed to apply retrospectively to this instrument thereby operating to validate the provisions of this instrument which otherwise might be invalid and it is covenanted and agreed that any such amendments and supplements to the said laws shall have the effect herein described as fully as if they had been in effect at the time of the execution of this instrument.

XVI. CONTROLLING LAW

The terms of this Agreement shall be interpreted under the laws of the State of New Jersey.

XVII. OWNER'S CERTIFICATION

This Deed is also being made by Grantor to the Grantee for the purpose of establishing an Easement to the Township of Millstone of the property described in Schedule "B" attached hereto for future road widening purposes.

In addition, this Deed is also being made by Grantor to the Grantee for the purpose of dedicating a Cross-Easement containing a common driveway to the Township of Millstone as described in Schedule "C" attached hereto and incorporated by reference for the purpose of permitting access for ingress and egress by the Township of Millstone, its tenants, agents, employees and contractors in common to the tract of real property described in Schedule "C". This Cross-Easement is intended to be an uninterrupted and unobstructed Easement across and over the area described, consisting of the right to traverse on foot, by vehicle and/or machine for purpose of ingress and egress to Lot 16.02, Block 57.

This Easement is for the benefit of and appurtenant to that land known as Lots 16.01 and 16.02 in Block 57 on the Official Tax Map of the Township of Millstone, County of Monmouth and State of New Jersey.

Notwithstanding the above, Grantor specifically reserves and Grantee hereby acknowledges the right of Grantor, their heirs, assigns, successors in interest and visitors to use the Easement and the driveway located in said Easement to the same extent as Grantee may utilize said Easement and driveway.

Neither Grantor or Grantee, their heirs, assigns, visitors and/or successors in interest shall utilize the common driveway located in said Easement in such a way as to block the driveway to the exclusion of others authorized to utilize said driveway specifically, but not limited to the Owners of Lots 16.01 and 16.02 in Block 57, their heirs, assigns, visitors and successors in interest.

The within described premises are hereby expressly conveyed subject to rights of way, Easements, covenants and restrictions of record, statutory and municipal requirements relating to lands and buildings, their use and construction and local zoning ordinances and such state of facts as an accurate survey would disclose.

Binding Nature of Grant. The Easement and the rights and obligations hereunder shall run with the land and shall be binding upon all parties hereto, their successors, heirs, transferees, and assigns.

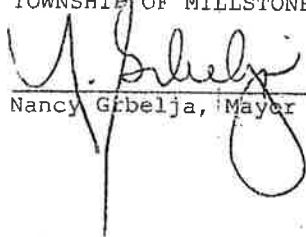

Promises by Grantor. The Grantor promises that the Grantor has done no act to encumber the property. This promise is called a "covenant as to grantor's acts" (N.J.S.A. 46:4-6). This promise means that the Grantor has not allowed anyone else to obtain any legal rights which affect the property (such as by making a mortgage or allowing a judgment to be entered against the Grantor).

FOR EXTENDED LOW AND MODERATE INCOME OCCUPANCY**

THIS DEED OF EASEMENT and RESTRICTIVE COVENANT shall run with the land and is granted by:

**Monmouth Housing Alliance

its successors and assigns (the "Owner") to the HOUSING AFFORDABLE SERVICE, DIVISION OF HOUSING, NEW JERSEY DEPARTMENT OF COMMUNITY AFFAIRS, its successors and assigns (the "Department") and to income eligible members of the public as defined below. As conditioned below this Deed of Easement and Restrictive Covenant restricts occupancy of the described premises to income eligible occupants for a specified period of time. This Deed of Easement and Restrictive Covenant is made in satisfaction of the requirements of the Fair Housing Act, N.J.S.A. 52:27D-301 et seq., as amended (the "Act").

WHEREAS, the Department is authorized by the Act to make grants and loans from the Neighborhood Preservation Nonlapsing Revolving Fund to assist municipalities in meeting their low and moderate income housing obligations as determined in accordance with the Act, and to establish contractual guarantees and procedures to ensure that units of housing so provided for low and moderate income households as defined in the Act shall continue to be occupied by low and moderate income households for at least 30 years, or for a shorter period when authorized; and

WHEREAS, pursuant to the Act, the housing units located on the property as further described on the attached EXHIBIT "A" of this Agreement (the "Property") have been designated as low and moderate income housing as defined by the Act; and

WHEREAS, in conjunction with the recording of this Deed of Easement and Restrictive Covenant an Affordable Housing Agreement, Declaration of Covenants, Conditions and Restrictions is being recorded in the Recorder's or County Clerk's Office of the County of Monmouth in the State of New Jersey, the purpose of which is to ensure that the described housing units remain affordable to low and moderate income eligible households for that period of time described herein and in the Affordable Housing Agreement, Declaration of Covenants, Conditions and Restrictions; and

WHEREAS, the municipality where the Property is situate has received an allocation from the Neighborhood Preservation Nonlapsing Revolving Fund (the "Balanced Housing Allocation") for the benefit of the Owner; and

WHEREAS, the Owner has used this allocation for the creation of Affordable Housing rental units on the property which are more particularly described in EXHIBIT "A" which is attached hereto and made a portion of this document; and

WHEREAS, the Department conditioned the Balanced Housing Allocation to the Project upon inclusion of restrictions in the Deed to insure that rental units would be leased at rents and to qualified households as more particularly described in the Owner's Agreement recorded simultaneously herewith.

NOW, THEREFORE, it is the intent of this Agreement to ensure that the affordability controls are incorporated into and recorded with the property deed so as to bind the owner of the described premises and notify all future purchasers of the housing unit that the housing unit is encumbered with affordability controls as contained in the Affordable Housing Agreement, Declaration of Covenants, Conditions and Restrictions between the Owner and the Authority; and by entering into this Agreement, the Owner of the described premises agrees to restrict the rental of the housing units to low and moderate income eligible households at a maximum adjusted rent as set forth in the Affordable Housing Agreement, Declaration of Covenants, Conditions and Restrictions for the specified period of time.

This Deed of Easement and Restrictive Covenant is binding on all successors in interest to the Building and Project (or applicable portion of the Project) and shall run with the land until the end of the Affordability Control Period which is defined in the Affordable Housing Agreement as a period for at least 30 YEARS beginning on July 1, 2005 and ending after June 30, 2035 when any Affordable Housing rental unit that continues to be occupied by an income-eligible household shall become vacant.

This Deed of Easement and Restrictive Covenant is given in satisfaction of the requirements of the Act and the terms of this Deed of Easement and Restrictive Covenant, including those set forth in the recitals, shall be interpreted, conditioned and supplemented in accordance with regulations promulgated thereunder, all of which are incorporated herein by reference, whether or not such provisions of the Act or regulations are expressed or referenced herein. In the event of a conflict between the terms of this Deed of Easement and Restrictive Covenant and the Act or regulations, the Act and the regulations shall govern.

The Owner's right, title and interest in the Property and the use, sale, resale and rental of this property are subject to the terms, conditions, restrictions, limitations and provisions as set forth in the AFFORDABLE HOUSING AGREEMENT, DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS between the Owner and the Authority dated July 29, 2005 which was filed in the Office of the Clerk of Monmouth County in conjunction with this Deed of Easement and Restrictive Covenant and is also on file with the Department. The Owner acknowledges that all of the terms, conditions, restrictions, limitations and provisions set forth in said AFFORDABLE HOUSING AGREEMENT, DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS between the Owner and the Authority are incorporated herein in their entirety. Reference is made to that documentation for the definitions of various terms incorporated in this Deed of Easement and Restrictive Covenant.

This Deed of Easement and Restrictive Covenant shall constitute an agreement between the Authority and the Owner and is enforceable in the courts of the State of New Jersey by the Authority, its successors or assigns, or by an individual or individuals whether prospective, present or former occupants of the Project said individual(s) being beneficiaries of the agreement which is expressed herein between the Authority and the Owner.

This Deed of Easement and Restrictive Covenant and the Affordable Housing Agreement Declaration of Covenants, Conditions and Restrictions may be amended with the prior written approval of the Authority to reflect changes in the Act and the regulations thereunder. No amendment to this Deed of Easement and Restrictive Covenant may be made without the prior written approval of the Authority. The Owner hereby expressly agrees to enter into all amendments hereto which, in the opinion of the Authority, are reasonably necessary or desirable for maintaining compliance with the Act.

The invalidity of any clause, part or provision of this Deed of Easement and Restrictive Agreement shall not affect the validity of the remaining portions thereof or the validity of all or any portion of the Affordable Housing Agreement Declaration of Covenants, Conditions and Restrictions.

LEASE OF PROPERTY FOR AFFORDABLE HOUSING

THIS LEASE ("Lease") entered into as of this 6 day of January, 2003
by and between the Township of Millstone ("Township") and Monmouth Housing Alliance, a
New Jersey non-profit organization with its principal office located at
("Tenant").

Background

A. Township is about to be the owner in fee simple of a parcel of land located in the Township of Millstone, County of Monmouth and State of New Jersey, also designated as Lot 16:01, Block 57, 25 Burnt Tavern Road, in Township (the "Property").

B. Tenant is in the business of consultation, development and management of affordable housing and desires to lease the Property from Township and rehabilitate, refurbish and manage the Property as described below.

C. Township desires to lease the Property to Tenant for the purpose described below.

D. Accordingly, the parties are entering into this Lease on the terms and conditions set forth below.

Agreement

In consideration of the mutual covenants contained in this Lease, the parties agree as follows:

1. Leased Property. Township leases to Tenant and Tenant leases from Township the Property.

2. Ordinance Authorizing Lease. Entry into this Lease by the Township is authorized by N.J.S.A. 40A:12-14(c), N.J.S.A. 40A:12-15(i) and N.J.S.A. 52:27D-311a(5). Tenant understands that Township has, prior to execution of this Lease, adopted the Ordinance prescribed by N.J.S.A. 40A:12-14(c). Such statute provides in pertinent part:

"In the case of a Lease to a non-profit corporation or association for a public purpose, the lease shall be authorized by...Ordinance.....Said Ordinance...shall require any non-profit corporation holding a lease for a public purpose pursuant to this Section, to annually submit a report to the officer, employee or agency designated by the Governing Body, setting out the use to which the leasehold was put during each year, the activities of the lessee undertaken in furtherance of the public purpose for which the leasehold was granted; the approximate value or cost, if any, of such activities in furtherance of such purpose; and an affirmation

of the continued tax-exempt status of the non-profit corporation pursuant to both State and Federal law."

Tenant understands and agrees to abide by the reporting requirements of said statute.

3. Term of the Lease. Pursuant to N.J.S.A. 40A:12-15, the term of this Lease shall be for fifty (50) years.

4. Condition Precedent to Lease. It is understood by Tenant that Township has adopted an Ordinance authorizing the exercise of eminent domain to acquire a fee simple title ("Title") to the Property. Township declares that it is its intention to undertake all reasonable effort to acquire such Title and shall diligently pursue doing same. This Lease is specifically contingent upon the Township acquiring Title to the Property.

5. Rent. Tenant shall pay Township as rent for the Property each year during the term of this Lease the sum of One Dollar (\$1.00).

6. Use of Property. Tenant will rehabilitate and manage the Property to provide at least nine (9) bedrooms for low and/or moderate income residents. Use of the Property by Tenant shall adhere to the following conditions and restrictions which are deemed by the Township and understood by the Tenant as being integral and essential to this Lease:

a. The Property will be occupied only by residents who:

1.) Are over the age of eighteen (18) years; and

2.) Meet low and moderate income guidelines as established by the New Jersey Council on Affordable Housing ("COAH") and as same may be amended from time to time by COAH; and

3.) Have no criminal history, history of drug use, or history of violent behavior; or

4.) Are members of Tenant's staff necessary for the oversight and management of the residents and the Property; this shall be deemed to include allowing a

Manager's unit to be erected, renovated or maintained on the Property. It is understood that the manager's unit will not be eligible for COAH credit.

b.) The Property will be operated and managed as follows:

1.) In a manner to result in the Township's receiving a eighteen (18) unit credit from COAH toward the Township's fair share, low and moderate income housing allocation. (i.e., one credit for each unit occupied by a low and/or moderate resident multiplied by a rental bonus factor of two (2)) (the "COAH Credit")

2.) As a "dry" facility, meaning that Tenant will adopt and enforce a policy prohibiting the possession or consumption of alcoholic beverages on the Property.

3.) To enforce against any activity or conduct in violation of the laws and regulations of any governmental entity.

4.) As a Class A boarding home licensed under the authority and pursuant to all regulations of the New Jersey Department of Consumer Affairs.

5.) In compliance with the Federal Fair Housing Act and the New Jersey Fair Housing Act.

6.) To prohibit any activity of a nonresidential nature or which is incompatible with the

residential neighborhood in which
the Property is located.

c.) Tenant will file any and all reports pertaining to the management of the Property with COAH and any other agencies which may be, from time to time required, for the Township to maintain its COAH Credits eligibility.

d.) The Tenant will undertake any and all other action pertaining to the management of the Property which is necessary in order for the Township to maintain its COAH Credits eligibility.

7. Tenant Improvements.

a.) Tenant may, at its sole cost and expense, improve the Property by rehabilitating and refurbishing the residential house and any related ancillary support facilities and structures on the Property. Prior to commencing construction, Tenant shall submit plans and specifications for all improvements to Township for Township's written approval, such approval not to be unreasonably withheld. No improvement, construction, installation or alteration shall be commenced until plans for such work have been approved by the Township and all necessary permits have been properly issued.

b.) Prior to commencing construction, Tenant shall also provide Township with the name of the contractor that will be constructing the improvements. The contractor is subject to the prior written approval of Township, such approval not to be unreasonably withheld. All improvements shall be constructed in a workmanlike manner and shall be completed in compliance with all applicable laws, rules, ordinances and regulations.

c.) The Township and the Tenant may mutually agree to expansion of the facility or new construction on the property.

8. Net Lease. Township shall not be required to make any expenditures of any kind in connection with this Lease or to make any repairs or improvements to the Property.

9. PILOT Agreement. Tenant will enter into an agreement with the Township to make payments in lieu of taxes ("PILOT") in an amount of up to three (3%) percent of the gross operating income, so long as Tenant's operations qualify for real property tax exemption. This amount is not to exceed the Township's share of the property tax that would have applied had the Tenant not been exempt from real property taxes. Each January of each odd numbered year the

Tenant and Township shall renegotiate the PILOT payment amount based upon the audited financial statements of the Tenant for the previous 24 months. The PILOT will commence upon issuance of a Certificate of Occupancy and initial/full occupancy. For purposes of this Lease provision, "full occupancy" shall mean each of the nine (9) bedrooms are initially occupied.

10. Signs. Tenant may place signs on the Property subject to applicable governmental regulations; however, Tenant shall first obtain the Township's written consent to design, size, location and text.

11. Maintenance. Tenant shall, at its own expense, maintain the Property and all improvements, equipment and other personal property on the Property in good working order, condition and repair. Tenant shall keep the Property free of debris and anything of a dangerous, noxious or offensive nature or which would create a hazard or source of undue vibration, heat, noise or interference.

12. Access. Township and its agents shall have the right to enter the Property at reasonable times to examine and inspect the common areas of the Property. "Common areas" shall mean all areas of the Property except bedrooms actually leased out by the Tenant to the boarder ("Bedrooms"). The Township shall have the right to inspect Bedrooms if just cause to suspect a violation of this Lease exists. Any right given Township to enter the Property shall be exercised only during ordinary business hours, and on reasonable advance notice to Tenant, except if Township shall have reasonable ground to believe an emergency exists or is threatened, in such instance Township shall be entitled to take such actions and to proceed at such times that Township shall deem appropriate.

The inspection provisions set forth herein apply to the Township only in its capacity as Landlord and shall not be deemed to affect any rights of access and inspection which the Township has as a governmental entity as to all properties within its borders.

13. Utilities. Tenant shall be responsible for obtaining any utility service to the Property that it desires. Tenant shall pay when due all charges for utilities to the Property during the term of the Lease.

14. License Fees. Tenant shall pay, as they become due and payable, all fees, charges, taxes (subject to paragraph 9) and expenses required for licenses and/or permits required for or occasioned by Tenant's use of the Property.

15. Zoning. The Township agrees that 1.) because this is a municipally owned property, the Township will determine that it is exempt from zoning restrictions; or 2.) the Township agrees to initiate and/or maintain zoning regulations which will permit the use of the Property as contemplated in this Lease.

16. Violation of Lease, Notice, Time to Cure. Township understands that, in reliance upon Tenant's rights and privilege under this Lease, Tenant will be expending significant funds

in rehabilitating the Property. Likewise, Tenant understands the Township's interest in and expectation that the Tenant's operation and management of the Property will result in the Township receiving eighteen (18) affordable housing credits toward its fair share obligation as determined by COAH. Therefore, in the event Township reasonably believes, in good faith, that Tenant is violating a provision of this Lease (a "Default"), Township shall serve written notice upon Tenant, as well as any other party, which was notified by the Township by certified mail, return receipt requested that it has an interest in Township's rights under this Lease (i.e. Lender), identifying with specificity each provision of the Lease which Township contends Tenant is violating (the "Notice"). Tenant shall have thirty (30) days from receipt of the Notice to cure the Default, unless, in spite of diligent effort, a longer time to cure is necessary. In such case, Tenant shall have a reasonable additional time, not to exceed an additional ninety (90) days to cure the Default. Notwithstanding the foregoing provisions relating to curing a Default, if the Default alleged is that the Property is being managed in such a way that Township's Credits are jeopardized, Tenant must cure the Default immediately. Confirmation from COAH that the Township's Credits are jeopardized by reason of the management of the Property shall be irrefutable evidence of a Default under this Lease.

It is agreed and understood that the Township does not waive any violation of the terms and conditions of this Lease because it either 1.) fails to serve Notice, or 2.) fails to specify a particular violation in any Notice.

If suit shall be brought by Township for recovery of possession of the Property, for the breach of any covenant of this Lease, the unsuccessful party shall pay to the prevailing party all expenses incurred therefor, including reasonable attorney fees.

17. Cure by Township. In the event of any default of this Lease by Tenant, the Township may at any time, after notice, cure the default for the account of and at the expense of the Tenant. If Township is compelled to pay or elects to pay any sum of money or to do any act which will require the payment of any sum of money or is compelled to incur any expense, including reasonable attorney fees in instituting, prosecuting or defending any action to enforce the Township's rights under this Lease, the sums so paid by Township, with all interest, costs and damages shall be due from the Tenant to Township on the first day of the month following the incurring of the respective expenses.

18. Condemnation. In the event the Property is taken by eminent domain, this Lease shall terminate as of the date title to the Property vests in the condemning authority. In the event a portion of the Property is taken by eminent domain so as to materially hinder effective use of the Property by Tenant, either party shall have the right to terminate this Lease as of said date of title transfer, by giving thirty (30) days' written notice to the other party. In the event of any taking under the power of eminent domain, Tenant and Township shall share the net award on a pro rata basis, as explained hereafter. "Net Award" shall mean the amount of the condemnation award paid by the condemning entity after reduction for all costs of defending against the condemnation action, including but not limited to filing fees, appraisal costs, costs of experts,

attorneys fees and other litigational costs. The pro rata division shall be based on the following formula:

$$\text{a.) Tenant's Share} = \frac{\text{Tenant's Cost}}{\text{Total Property Cost}} \times \text{Net Award}$$

$$\text{b.) Township' Share} = \frac{\text{Township's Cost}}{\text{Total Property Cost}} \times \text{Net Award}$$

In the foregoing formula, "Tenant's Cost" shall mean Tenant's expenditures for capital improvements to the Property as set forth in audited statements or cost certifications, but not including operational costs; "Township's Cost" shall mean the Township's expenditures in acquiring the Property, including the purchase price, costs of title search/insurance, environmental investigations, surveys, attorneys fees related to the purchase and other incidental costs directly related to Township's acquisition of title to the Property; "Total Property Costs" shall mean the sum of "Tenant's Costs" and "Township's Costs". Township shall give notice to Tenant of any eminent domain action and allow Tenant to participate in the defense and any settlement discussions.

19. Indemnity and Insurance

a.) Disclaimer of Liability: Township shall not at any time be liable for injury or damage occurring to any person or property from any cause whatsoever arising out of Tenant's construction, maintenance, repair, use, operation or condition of the Property.

b.) Indemnification: Tenant shall, at its sole cost and expense, indemnify and hold harmless Township and all associated, affiliated, allied and subsidiary entities of Township, now existing or hereinafter created, and their respective officers, boards, commissions, employees, agents, attorneys, and contractors, elected or appointed (hereinafter referred to as "Indemnitees"), from and against:

i. Any and all liability, obligation, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and consultants), which may be imposed upon, incurred by or be asserted against the Indemnitees by reason of any act or omission of

Tenant, its personnel, employees, agents, contractors or subcontractors, resulting in personal injury, bodily injury, sickness, disease or death to any person or damage to, loss of or destruction of tangible or intangible property, libel, slander, invasion of privacy and unauthorized use of any trademark, trade name, copyright, patent, service mark or any other right of any person, firm or corporation, which may arise out of, or be in any way connected with the construction, installation, operation, maintenance, use or condition of the Property or the Tenant's failure to comply with any federal, state or local statute, ordinance or regulation.

ii. Any and all liabilities, obligations, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and other consultants), which are imposed upon, incurred by or asserted against the Indemnitees by reason of any claim or lien arising out of work, labor, materials or supplies provided or supplied to Tenant, its contractors or subcontractors, for the installation, construction, operation, maintenance or use of the Property and, upon the written request of Township, Tenant shall cause such claim or lien covering Township's property to be discharged or bonded within thirty (30) days following such request.

iii. Any and all liability, obligation, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and consultants), which may be imposed upon,

incurred by or be asserted against the Indemnitees by reason of any financing or securities offering by Tenant or its affiliates for violations of the common law or any laws, statutes, or regulations of the State of New Jersey or United States, including those of the Federal Securities and Exchange Commission, whether by Tenant or otherwise.

iv. Tenant's obligation to indemnify Indemnitees under this Lease shall extend to claims, losses, and other matters covered hereunder that are caused or contributed to by the negligence of one or more Indemnitees.

c.) Assumption of Risk: Tenant undertakes and assumes for its officers, agents, affiliates, contractors and subcontractors and employees (collectively "Tenant" for the purpose of this Section), all risk of dangerous conditions, if any, on or about the Property, and Tenant hereby agrees to indemnify and hold harmless the Indemnitees against and from any claim asserted or liability imposed upon the Indemnitees for personal injury or property damage to any person (other than from Indemnitee's gross negligence) arising out of the Tenant's installation, operation, maintenance, condition or use of the Property or Tenant's failure to comply with any federal, state or local statute, ordinance or regulation.

d.) Defense of Indemnitees : In the event any action or proceeding shall be brought against the Indemnitees by reason of any matter for which the Indemnitees are indemnified hereunder, Tenant shall, upon notice from any of the Indemnitees, at Tenant's sole cost and expense, resist and defend the same with legal counsel mutually selected by Tenant and Township; provided however, that Tenant shall not admit liability in any such matter on behalf of the Indemnitees without the written consent of Township and provided further that Indemnitees shall not admit liability for, nor enter into any compromise or settlement of, any claim for which they are indemnified hereunder, without the prior written consent of Tenant.

e.) Notice, Cooperation and Expenses: Township shall give Tenant prompt notice of the making of any claim or the commencement of any action, suit or other proceeding covered by the provisions of the preceding Section. Nothing herein shall be deemed to prevent Township from cooperating with Tenant and participating in the defense of any litigation by Township's own counsel.

If Tenant requests Township to assist it in such defense then Tenant shall pay expenses incurred by Township in response thereto, as agreed upon at that time. This shall include Township defending itself with regard to any such actions, suits or proceedings. These expenses shall include all out-of-pocket expenses such as attorney fees and shall also include the costs of any services rendered by the Township's attorney, and the actual expenses of Township's agents, employees or expert witnesses, and disbursements and liabilities assumed by Township in connection with such suits, actions or proceedings.

If Tenant does not request Township to assist it in such defense, then each party shall pay all of its expenses in response thereto, including defending itself with regard to any such actions, suits or proceedings. These expenses shall include all out-of-pocket expenses such as attorney fees and shall also include the costs of any services rendered by the Township's attorney, and the actual expenses of Township's agents, employees or expert witnesses, and disbursements and liabilities assumed by Township in connection with such suits, actions or proceedings.

f.) Insurance. During the first five (5) years of the Lease, Tenant shall maintain, or cause to be maintained, in full force and effect and at its sole cost and expense, the types and limits of insurance enumerated below. On or about every five (5) year anniversary, the insurance requirements will be reviewed so that changes in insurance rates may be reflected:

i. Workers' compensation insurance meeting applicable statutory requirements and employer's liability insurance with minimum limits of One Million Dollars (\$1,000,000) for each accident.

ii. Comprehensive commercial general liability insurance with minimum limits of One Million Dollars (\$1,000,000) on the property plus a Three Million Dollar (\$3,000,000) umbrella policy on all of Tenant's properties as the combined single limit for each occurrence of bodily injury, personal injury, death and property damage. The policy shall provide blanket contractual liability insurance for all written contracts, and shall include coverage for products and completed operations liability, independent contractor's liability coverage for property damage from perils of explosion, collapse or damage to underground utilities, commonly known as XCU coverage.

iii. Tenant shall provide a separate owner's contractors protective policy meeting the preceding requirements with Township as a named insured.

iv. Liability insurance for sudden and accidental environmental contamination with minimum limits of One Million Dollars (\$1,000,000) and providing coverage for claims discovered within three (3) years after the term of the policy.

v. Automobile liability insurance covering all owned, hired, and non-owned vehicles in use by Tenant, its employees and agents, with personal protection insurance and property protection insurance to comply with the provisions of state law with minimum limits of One

Million Dollars (\$1,000,000) as the combined single limit for each occurrence for bodily injury and property damage.

vi. At the start of and during the period of any construction, builders all-risk insurance, together with an installation floater or equivalent property coverage covering cables, materials, machinery and supplies of any nature whatsoever which are to be used in or incidental to the construction of any improvements. Upon completion of the improvement, Tenant shall substitute for the foregoing insurance policies of fire, extended coverage and vandalism and malicious mischief insurance on the Property. The amount of insurance at all times shall be representative of the insurable values installed or constructed.

vii. All policies and other than those for Workers' Compensation and environmental contamination shall be written on an occurrence and not on a claims made basis.

viii. The coverage amounts set forth above may be met by a combination of underlying and umbrella policies so long as in combination the limits equal or exceed those stated.

g.) Named Insureds: All policies, except for and workers' compensation policies, shall name Township and all associated, affiliated, allied and subsidiary entities of Township, now existing or hereafter created, and their respective officers, boards, commissions, employees, agents and contractors, as their respective interests may appear as additional insureds (herein referred to as the "Additional Insureds"). Each policy which is to

be endorsed to add Additional Insureds hereunder, shall contain cross-liability wording, as follows:

"In the event of a claim being made hereunder by one insured for which another insured is or may be liable, then this policy shall cover such insured against whom a claim is or may be made in the same manner as if separate policies had been issued to each insured hereunder."

h.) Evidence of Insurance: Certificates of insurance for each insurance policy required to be obtained by Tenant in compliance with this paragraph, along with written evidence of payment of required premiums shall be filed and maintained with Township annually during the term of the Lease. Tenant shall immediately advise Township of any claim or litigation that may result in liability to Township.

i.) Cancellation of Policies of Insurance: All insurance policies maintained pursuant to this Lease shall contain the following endorsement:

At least sixty (60) days prior written notice shall be given to Township by the insurer of any intention not to renew such policy or to cancel, replace or materially alter same, such notice to be given by registered mail to the parties named in this paragraph of the Lease."

j.) Insurance Companies: All insurance shall be effected under valid and enforceable policies, insured by insurers licensed to do business by the State of New Jersey or surplus line carriers on the State of New Jersey Insurance Commissioner's approved list of companies qualified to do business in the State of New Jersey. All insurance carriers and surplus line carriers shall be rated A+ or better by A.M. Best Company.

k.) Deductibles: All insurance policies may be written with deductibles and retainages, not to exceed \$10,000 unless approved in writing in advance by Township. Tenant agrees to indemnify and save harmless Township, the Indemnitees and Additional Insureds from and against the payment of any deductible and from the payment of any premium on any insurance policy required to be furnished by this Lease.

1.) Contractors: Tenant shall require that each and every one of its contractors and their subcontractors who perform substantial work on the Property to carry, in full force and effect, workers' compensation, comprehensive public liability and automobile liability insurance coverages of the type and in the amounts which Tenant is required to obtain under the terms of this Lease or the alternative, Tenant shall require that such contractors and subcontractors be named as additional insured parties on Tenant's insurance policies.

20. Hazardous Substance Indemnification. Tenant represents and warrants that its use of the Property herein will not generate any hazardous substance, and it will not store or dispose on the Property nor transport to or over the Property any hazardous substance. Tenant further agrees to hold Township harmless from and indemnify Township against any release of any such hazardous substance and any damage, loss, or expense or liability resulting from such release including all attorneys' fees, costs and penalties incurred as a result thereof except any release caused by the negligence of Township, its employees or agents. "Hazardous substance" shall be interpreted broadly to mean any substance or material defined or designated as hazardous or toxic waste, hazardous or toxic material, hazardous or toxic or radioactive substance, or other similar term by any federal, state or local environmental law, regulation or rule presently in effect or promulgated in the future, as such laws, regulations or rules may be amended from time to time; and it shall be interpreted to include, but not be limited to, any substance which after release into the environment will or may reasonably be anticipated to cause sickness, death or disease.

21. Holding Over. Any holding over after the expiration of the term hereof, with the consent of the Township, shall be construed to be a tenancy from month to month and shall otherwise be for the term and on the conditions herein specified, so far as applicable.

22. Tenant Financing. After review and consideration, the Township will not unreasonably withhold adopting Resolutions of support, executing endorsements or approvals necessary for funding, grants or loans, the proceeds of which will be used to improve and rehabilitate the Property. Further, the Township will consider an appropriate subordinating of the Township's fee interest for loans from a commercial or savings bank, Savings and Loan Association authorized to do business in New Jersey, upon other things, depending upon the amount of such loan, the amount of Tenant's capital used toward the Improvement, the anticipated increase in the value of the construction to be financed by the loan and the term of the loan in relationship to the term of this Lease.

23. Acceptance of Property. By taking possession of the Property, Tenant accepts the Property in the condition existing as of the Commencement Date. Township makes no representation or warranty with respect to the condition of the Property and Township shall not be liable for any latent or patent defect in the Property, except as follows:

ENVIRONMENTAL CONSIDERATIONS:

A. Asbestos.

(1) The Tenant is hereby informed and does acknowledge that buildings located upon the Property potentially contain asbestos or asbestos-containing materials (ACM).

(2) The Tenant covenants and agrees that its use and occupancy of the Property, including all improvements located thereon, will be in compliance with all applicable laws relating to asbestos; and that the Township assumes no liability for future remediation of asbestos or damages for personal injury, illness, disability or death, to the Tenant, its successors or assigns, sublessees, or to any other person including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property, including all improvements located thereon, whether the Tenant has properly warned or failed to properly warn the individual(s) injured.

(3) The Tenant shall comply with all Federal, State and local laws, relating to asbestos containment and abatement.

B. Covenant Regarding Hazardous Substance Activity.

CERCLA Covenant. Township warrants that it shall take any response action found to be necessary after the date of this Lease regarding hazardous substances located on the Property on the date of this Lease.

(1) This covenant shall not apply: (a) in any case in which Tenant is a Potentially Responsible Party (PRP) with respect to the Property immediately prior to the date of this conveyance, or (b) to the extent but only to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the Tenant or any party in possession after the date of this conveyance that either (i) results in a release or threatened release of a hazardous substance that was not located on the Property on the date of this Lease; or (ii) causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which was known and identified to the applicable regulatory authority as of the date of this Lease.

(2) In the event Tenant seeks to have Township conduct or pay for any additional response action, and, as a condition precedent to Township incurring any additional cleanup obligation or related expenses, Tenant shall provide Township at least 45 days written notice of such a claim and provide credible evidence that: (a) the associated contamination existed prior to the date of this Lease; and (b) the need to conduct any additional response action or part thereof was not the result of any act or failure to act by the Tenant, or any party in possession.

C. Notice of the Possible Presence of Lease-Based Paint.

(1) Tenant hereby acknowledges the required disclosure in accordance with the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. 4852d (Title X), of the possible presence of any known lead-based paint and/or lead-based paint hazards in target housing constructed prior to 1978 on the Property. This disclosure includes the 24 CFR 35 and 40 CFR 745 disclosure and lead warning language in this Lease. Tenant further acknowledges that Tenant was given the opportunity to inspect, and thereby assess, the Property for lead-based paint hazards. Tenant further acknowledges that Township did not occupy this Property previously, but only recently acquired title in order to be able to enter into this Lease with Tenant.

(2) Tenant covenants and agrees, that in any improvements on the Property defined as "target housing" by 24 CFR 35 and constructed prior to 1978, lead-based paint hazards will be disclosed to potential occupants in accordance with Title X before any use of such improvements as a residential dwelling.

(3) Tenant further covenants that Tenant, with respect to target housing constructed prior to 1960, will abate, at Tenant's own cost, any lead hazards in accordance with 40 CFR 745.227(e) and other applicable laws and regulations, prior to the occupancy of any residential structures on the Property. Following abatement, Tenant shall obtain a clearance examination, in accordance with 40 CFR 745.227(e) and 24 CFR 35.1340(c) through (f), and conducted by a person certified to perform risk assessments or lead-based paint inspections. The examination must show that the clearance samples meet the standards set forth in 24 CFR 35.1320(b)(2). Tenant must obtain a clearance report, prepared by a person certified to perform risk assessments or lead paint inspections in accordance with 40 CFR 745.227(e)(10). If any lead-based paint is present, prior to occupancy of the Property, Tenant shall provide Township with a fully executed

CERTIFICATE OF COMPLETION OF LEAD ABATEMENT.

(4) Tenant covenants and agrees that in its use and occupancy of the Property it will comply with 24 CFR 35 and 40 CFR 745 and all applicable Federal, State and local laws relating to lead-based paint; and that Township assume no liability for damages for property damage, personal injury illness, disability, or death, to Tenant, its successors or assigns, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use disposition, or the activity causing or leading to contact of any kind whatsoever with lead-based paint on the Property, whether Tenant has properly warned or failed to properly warn the individual(s) injured. Tenant further agrees to indemnify, defend and hold harmless the Township from any and all loss, judgment, claims, demands, expenses or damages, of whatever nature which might arise to be made against the Township, due to, or relating to the presence of lead-based paint hazard on the Property, any related abatement activities, or the disposal of any material from the abatement process.

(5) Tenant covenants and agrees that it will comply with all Federal, State and local and any other applicable law regarding the lead-based paint hazards with respect to the Property.

25. Assignment and Subletting.

a.) Tenant shall not assign this Lease in whole or in part, or sublet all or any part of the Property without the Township's prior written consent. Consent by Township to any assignment or subletting shall not constitute a waiver of the necessity of such consent to any subsequent assignment or subletting. This prohibition against any assignment or subletting shall be construed to include a prohibition against any subletting or assignment by operation of law.

b.) Any person or entity to which this Lease is assigned pursuant to the provisions of the Bankruptcy Code, 11 USC Sections 101, et seq., shall be deemed without further act to have assumed all of the obligations of Tenant arising under this Lease on and after the date of such assignment. Any such assignee shall upon demand execute and deliver to Township an instrument confirming such assumption. Any monies or other considerations payable or otherwise to be delivered in connection with such assignment shall be paid to Township, shall be the exclusive property of Township, and shall not constitute property of the Tenant or of the estate of Tenant within the meaning of the

Bankruptcy Code. Any monies or other considerations constituting Township's property under the preceding sentence not paid or delivered to Township shall be held in trust for the benefit of Township and be promptly paid to Township.

26. Successors and Assigns. This Lease shall be binding upon and inure to the benefit of the parties, their respective heirs, personal representatives, successors and assigns.

27. Non-Waiver. Failure of Township to insist on strict performance of any of the conditions, covenants, terms or provisions of this Lease or to exercise any of its rights hereunder shall not waive such rights, but Township shall have the right to enforce such rights at any time and take such action as might be lawful or authorized hereunder, either in law or equity. The receipt of any sum paid by Tenant to Township after a breach of this Lease shall not be deemed a waiver of such breach unless expressly set forth in writing.

a.) Except as otherwise provided in this Lease, any controversy between the parties arising out of this Lease or breach thereof, is subject to the mediation process described below.

b.) A meeting will be held promptly between the parties to attempt in good faith to negotiate a resolution of the dispute. Individuals with decision making authority will attend the meeting regarding the dispute. If within twenty (20) days after such meeting the parties have not succeeded in resolving the dispute, they will, within twenty (20) days thereafter submit the

dispute to a mutually acceptable third party mediator who is acquainted with dispute resolution methods. Township and Tenant will participate in good faith in the mediation and in the mediation process. The mediation shall be nonbinding. Neither party is entitled to seek or recover punitive damages in considering or fixing any award under these proceedings.

c.) The costs of mediation, including any mediators fees, and costs for the use of the facilities during the meetings, shall be born equally by the parties. Each party's costs and expenses will be born by the party incurring them.

30. Option to Purchase.

On each fifth year anniversary of this Lease, Tenant shall have an option to purchase the Property for \$1.00 pursuant to the terms and conditions set forth below ("Option").

Within the first thirty (30) days after each fifth year anniversary, the Tenant must notify the Township in writing of its desire to exercise the Option ("Notice"). If the Tenant fails to provide Notice within said thirty (30) day period, the Option shall terminate until the next fifth year anniversary of this Lease. Within sixty (60) days of receipt of the Notice, the Township shall take action to grant or deny the Option. Any denial of the Option must be reasonable, with all reasons for the denial set forth in writing, sent to the Tenant. The Tenant shall have the right to bring an action to challenge the reasonableness of such reasons. Notwithstanding any denial of the exercise of the Option, this Lease shall remain in full force and effect. If the exercise of the Option is approved, the Township shall convey its interest in the Property, by Bargain and Sale Deed with Covenants Against Grantors Acts, which Deed shall reflect the same restrictions, covenants and conditions as this Lease, including but not limited to a right of reversion of the title to the Township if the management or operation of the Property is not continued consistent with the Lease provisions. In order to protect the interests and rights of the Tenant to the Option, the parties agree to sign a Memorandum reflecting the Option interest of the Tenant. The Tenant may, at its option, record the Memorandum.

31. Miscellaneous.

g.) This Lease may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute but one instrument.

h.) This Lease does not and shall not be construed to establish or create a partnership, joint venture, franchise or other form of business association between Township and Tenant.

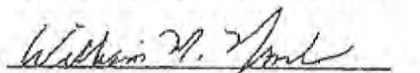

This Lease was executed as of the date first set forth above.

AFFORDABLE HOUSING PROGRAM

SECURITY AGREEMENT - FOR RENTAL PROJECTS

THIS SECURITY AGREEMENT IS A SUBORDINATE LIEN

THIS SECURITY AGREEMENT is made on April 1, 2008 between Affordable Housing Alliance (the "Sponsor"), and Amboy Bank (the "Lender"), a banking organization and a stockholder of the Federal Home Loan Bank of New York ("Bank"). The Lender is organized and exists under the laws of the State or Commonwealth of NJ, and has its principal office at 3590 Rt. 9, Old Bridge, NJ 08857.

PROMISSORY NOTE

In consideration of the sum of One hundred Five Thousand and 00/100 Dollars (\$ 105,000.00), (hereafter referred to as the "AHP Subsidy") received by the Sponsor as a result of a subsidy which the Lender obtained through the Bank's Affordable Housing Program ("AHP") pursuant to Section 10(j) of the Federal Home Loan Bank Act, (12 USC § 1421 et seq.) and the regulations promulgated thereunder, as amended, in connection with the development of a certain parcel of real estate which is owned by the Sponsor (as described below), the Sponsor has signed a Promissory Note ("Note") of even date herewith. The Sponsor has promised to pay the amounts due under the Note and to abide by all promises contained in the Note.

SECURITY AGREEMENT AS COLLATERAL

This Security Agreement is given to the Lender as collateral for the payment due and the performance of all promises under the Note, and secures the real estate owned by the Sponsor described as follows (referred to as the "Project"):

All of the land located in the municipality of Millstone, County of Monmouth, and State/Commonwealth of NJ, specifically described as follows:

Street Address: 25 Burnt Tavern Rd., Clarksburg
Zip Code: _____ Section No.: _____ Block No.: 57 Lot No.: 16.01

Also more particularly described in the Legal Description of the Project site, attached hereto as Exhibit A,

Together with:

All buildings and other real improvements that now are or will be located on the site of the Project.

All fixtures, equipment and personal property that now are or will be attached to or used with the land, buildings and improvements of or on the site of the Project.

All rights which the Sponsor now has or will acquire with regard to the Project.

I. SPONSOR'S ACKNOWLEDGEMENTS

The Sponsor acknowledges and understands that:

- a) The Project which is subject to this Security Agreement has been designated as housing which must be used by income-eligible households (as defined in the Note) for a period of fifteen (15) years from the date of the issuance of the Project's Certificate of Occupancy (the "Retention Period"); and
(**issued 4/5/06)
- b) To ensure that the Project is operated by the Sponsor in accordance with the provisions of the Bank's AHP during the Retention Period, the Note has been executed by the Sponsor and contains restrictions governing the use, transfer, sale, rental, and refinancing of the Project.

II. SPONSOR'S PROMISES

In consideration for the benefits received as aforesaid, the Sponsor agrees as follows:

1. The Sponsor will comply with all of the terms of the Note and this Security Agreement which include:

During the Retention Period commencing as of the date of this Security Agreement, the Sponsor shall use the Project only as permitted by the Note and the federal regulations governing the Bank's operation of the AHP ("AHP Regulations"). In the event of breach of this promise (an "Event of Noncompliance"), the Sponsor hereby agrees to repay to Lender the AHP Subsidy or such sum as may be due pursuant to the Note together with such other sums as may be due under the Note.

2. The Sponsor warrants title to the Project and will defend its ownership against all claims.
3. The Sponsor shall pay all liens, taxes, assessments and other governmental charges made against the Project when due. The Sponsor will not claim any credit for any taxes paid on the Project against the AHP Subsidy and interest payable under the Note and this Security Agreement.
4. The Sponsor shall keep the Project in good repair, neither damaging nor abandoning it. The Sponsor will allow the Lender to inspect the Project upon reasonable notice.
5. The Sponsor shall use the Project in compliance with all laws, ordinances and other requirements of any governmental authority.
6. The Sponsor shall keep the Project insured against fire and other casualty in an amount acceptable to the Lender, naming the Lender as a loss payee thereon, as its interest may appear, and providing the Lender annually with a Certificate of Insurance evidencing such coverage.

III. AFFORDABLE HOUSING RESTRICTIONS

The AHP Regulations, together with the Bank's procedures and restrictions governing the use, transfer, sale, rental, and refinancing of the Project have been established pursuant to the Lender's application to the Bank's AHP as well as the AHP Regulations.

Reference is made to the Note and the definitions of restrictions for the procedure in calculating the amount of AHP Subsidy to be paid to the Lender by the Sponsor upon an Event of Noncompliance or other default during the Retention Period, and for the determination of the restricted period of time.

IV. RIGHTS GIVEN TO LENDER

The Sponsor, by pledging the Project to the Lender, gives to the Lender those rights stated in this Security Agreement, all rights by law given to creditors who hold liens and also all rights the law gives to the Lender and/or the Bank under the AHP. The rights given to the Lender and the restrictions upon the Project are covenants running with the land. The rights, terms and restrictions in this Security Agreement shall bind the Sponsor and all subsequent purchasers and owners of the Project, and the heirs and assigns of all of them. Upon performance of the promises contained in the Note and Security Agreement, the Lender will cancel this Security Agreement at its expense.

V. DEFAULT

The Lender may declare the Sponsor in default on the Note and this Security Agreement if:

1. The Sponsor fails to comply with the provisions of the Note, the AHP Direct Subsidy Agreement and Memorandum of Understanding, or the federal regulations governing the administration of the AHP ("AHP Regulations");
2. The Sponsor fails to make any payment required by the Note and this Security Agreement;
3. The Sponsor fails to keep any other promises made in this Security Agreement;
4. The ownership of the Project is changed for any reason without compliance with the terms of the Note, the Security Agreement, the AHP Direct Subsidy Agreement and Memorandum of Understanding, or the AHP Regulations;
5. The Sponsor fails to comply with the terms of any other Note, the Security Agreement, the AHP Direct Subsidy Agreement and Memorandum of Understanding, or the AHP Regulations;
6. The holder of any lien on the Project commences a foreclosure proceeding or other legal action; or
7. Bankruptcy, insolvency or receivership proceedings are started by or against the Sponsor.

VI. LENDER'S RIGHTS UPON A DEFAULT OR EVENT OF NONCOMPLIANCE

If the Lender declares that the Note and this Security Agreement are in default, all sums due and owing to the Lender shall be immediately due and payable. The Lender shall have, subject to the rights of prior liens, all rights given by law or set forth in this Security Agreement, the AHP Direct Subsidy Agreement and Memorandum of Understanding, and the AHP Regulations.

VII. NOTICES

All notices must be in writing and personally delivered or sent by certified mail, return receipt requested, to the addresses given in this Security Agreement. Address changes may be made upon written notice to the other party.

VIII. NO WAIVER BY LENDER

The Lender may exercise any right under this Security Agreement or under any law, even if the Lender has delayed in exercising that right or has agreed in an earlier instance not to exercise that right. The Lender does not waive its right to declare the Sponsor in default by making payments or incurring expense on behalf of the Sponsor.

IX. EACH PERSON LIABLE

This Security Agreement is legally binding upon each Sponsor and all who succeed to the Sponsor's responsibilities (such as successors and assigns) as well as any subsequent purchaser of the Project. The Lender may enforce any of the provisions of the Note and this Security Agreement against any Sponsor who signs this Security Agreement or any such subsequent purchaser or owner.

X. SUBORDINATE LIEN

The lien of this Security Agreement is subordinate to and subject only to the terms and provisions of any first mortgage loan or prior liens executed contemporaneously herewith or any subsequent refinancing of said prior first mortgage loan by the Sponsor.

In accordance with the provisions set forth in the Note, the Sponsor agrees to provide the Lender with written notice of any sale or refinancing of the Project which occurs prior to the end of the Retention Period. In the case of a refinancing of the Project prior to the end of the Retention Period, whereby the Sponsor elects to "take out" equity, the Sponsor agrees to repay the Lender the full amount of the AHP Subsidy, in accordance with the provisions set forth in the Note.

XI. NO ORAL CHANGES

This Security Agreement can only be changed by an agreement in writing signed by both the Sponsor and the Lender.

APPENDIX H

Indian Path Inclusionary Development Documentation

- Narrative
- 1997 Declaration of Restrictive Covenants
- 2013 Release of Affordability Controls
- 2019 Deed Extending Affordable Housing Restriction

INDIAN PATH, MOCCASIN COURT (2 AFFORDABLE FAMILY UNITS)

The subject property was part of a former inclusionary subdivision approved by the Millstone Planning Board in 1988 by Resolutions 88-8, Addendum to Resolution 88- 8 and Resolution 88-69. That subdivision was perfected by filing of a subdivision plat on November 16, 1988 in the Monmouth County Clerk's Office in Case No. 228 on Sheet No. 32.

On April 6, 1990 then owner Indian Path Associates, a New Jersey Partnership recorded a Declaration of Restrictive Covenants For Indian Path Subdivision - Affordable Housing Units in Deed Book 4994 at Page 0978. That document identified six (6) units designated as Block 20.01, Lots 11, 12, 13, 14, 15 and 16 as affordable units subject to a twenty (20) year affordability restriction that restricted their resale or rental in accordance with the provisions of COAH.

The entire property was subsequently sold to Bergen Mills Apts., L.L.C. by deed dated June 1, 1997 and recorded in the office of the Monmouth County Clerk on August 22, 1997 in Book DB-5640 at Page 751. The twenty (20) year deed restriction concluded on June 11, 2009 and a Release of Affordability Controls dated September 10, 2010 was recorded in the office of the Monmouth County Clerk on September 20, 2010 in Book OR-8850 at Page 3120.

Subsequently, Block 20.01, Lots 11 &12 were transferred to the present owners, Edward L. Pullins and Elizabeth L. Pullins by deed from Bergen Mills Apts., L.L.C. dated October 23, 2013 and recorded in the office of the Monmouth County Clerk on November 15, 2013 in Book OR-9045 at Page 3747.

On July 9, 2018 Millstone Township corresponded with the Pullins requesting that they consider extending affordability controls. In October of 2018 the Pullins expressed interest in extending affordability controls followed by correspondence from Millstone advising of the tax differential if the affordability controls were extended. In November of 2018 the Pullins expressed continued interest in extending affordability controls and were requested to provide confirmation that occupants of the duplex units are income qualified to meet affordability controls criteria. In December 2018 the Pullins submitted the requested information which is presently being reviewed by the Millstone Township Affordable Housing Administrator. On July 15, 2019, Edward L. Pullins and Elizabeth L. Pullins, the owners of the property, executed a Deed to Extend Expiring Affordable Housing Restrictions which extended the affordability controls on the property until at least July 15, 2049. This Deed to Extend Expiring Affordable Housing Restrictions was recorded with the Monmouth County Clerk's office on September 11, 2019.

DECLARATION OF RESTRICTIVE COVENANTS

THIS DECLARATION, made this 19th day of March, 1990, by INDIAN PATH ASSOCIATES ("IPA"), a New Jersey partnership having an address at 198 Route 9 North, Manalapan, New Jersey 07726.

WITNESSETH:

WHEREAS, IPA owns a 112.5+ acre tract presently known as the Indian Path Subdivision in Millstone Township, Monmouth County, New Jersey; and

WHEREAS, on May 15, 1987, IPA's predecessor in title, JDN Associates ("JDN"), entered into a Stipulation of Settlement with Millstone Township ("Millstone") and agreed to by the Millstone Township Planning Board ("Planning Board") settling a lawsuit brought by JDN against the Township, which Stipulation was amended on September 29, 1987; and

WHEREAS, the above mentioned settlement envisioned that the Indian Path subdivision would consist of 86 lots for market rate single units and 6 lots for Mount Laurel units and that the 6 Mount Laurel units would be made available to the families and individuals living on the property prior to construction, subject to appropriate resale or rental controls; and

WHEREAS, the Planning Board granted preliminary and final subdivision approval to JDN for the Indian Path Subdivision, which approvals were memorialized in Resolutions 88-8, an Addendum to Resolution 88-8, and Resolution 88-69; and

WHEREAS, the Final Subdivision Plat for Section 1 of the Indian Path Subdivision was filed on November 16, 1988 in the

DB4994-0980

Monmouth County Clerk's office in Case No. 228 on Sheet No. 32;
and

WHEREAS, Millstone adopted a "Fair Share Plan Ordinance"
on March 2, 1988, which is also identified as Ordinance No. 88-5;
and

WHEREAS, Section 23.6 of the Fair Share Plan Ordinance
incorporates the Stipulation of Settlement, as amended, and
establishes certain restrictions on the sale and occupancy of the
6 Mount Laurel units;

NOW, THEREFORE, IPA hereby declares that the six (6)
lots described in Paragraph 1 of Article I below shall be held,
sold, conveyed, leased, mortgaged, aliened or transferred subject
to the following restrictions, easements, covenants and
conditions, all of which shall run with the land for the length
of time hereinafter prescribed.

ARTICLE I

PROPERTY SUBJECT TO DECLARATION

1. Property Subject to Declaration. The lots located
in Section 1 of the Indian Path subdivision and designated on the
Millstone Township Tax Maps as Lots 11, 12, 13, 14, 15 and 16,
Block 20-01 (sometimes referred to as the "Mount Laurel lots"),
are and shall be held, transferred, sold, conveyed, leased, and
occupied subject to this Declaration, and all amendments thereto.

ARTICLE II

CONTROLS ON AFFORDABILITY

1. Rights of Owners and Occupants. IPA, and all
purchasers and occupants (hereinafter collectively "Buyer"), of
the Mount Laurel lots/units shall be restricted in the resale or

DB4994-⁻²⁻0981

rental of the Mount Laurel lots/units ("Deeded Property") in accordance with the provisions of the Millstone Fair Share Plan Ordinance (Ordinance No. 88-5), Planning Board Resolutions 88-69, 88-8 and the Addendum to Resolution 88-8, and the applicable sections of the New Jersey Council on Affordable Housing Controls on Affordability (N.J.A.C. 5:92-12.1 et seq.). Without limiting the foregoing, the restrictions are as follows:

1.1 LENGTH OF DEED RESTRICTIONS: The Restrictions on affordability shall be in effect for twenty (20) years. The twenty (20) year time period shall begin at the date of the issuance of the initial Certificate of Occupancy for the Deeded Property. The Restriction can be removed prior to the expiration of the 20 year affordability period by resolution of the Township of Millstone.

1.2 ADMINISTRATION OF DEED RESTRICTION ON AFFORDABILITY: The Millstone Township Housing Administrator shall be responsible for enforcing the deed restrictions on affordability, verifying the income of prospective buyers or renters and calculating resale and rental prices.

1.3 INCREASED VALUE OF DEEDED PROPERTY: The value of Deeded Property may be increased through three (3) means. First, the value or the rent may be increased in proportion to the most recent percentage increase in median income for Monmouth County as published by the United States Department of Housing and Urban Development. Second, the value or rent may be increased by the value of permanent improvements made to the units which makes the unit habitable to a larger household. The value of the improvements will be determined by

DB4994-0982

the Millstone Tax Assessor. In no event shall the increase in value exceed the limits of affordability for the larger household. Third, in the case of rental units, the rent may be adjusted up or down by any appropriate amount provided the unit remains affordable as a low income/moderate income housing unit based upon the uncapped Section 8 income limits published by The United States Department of Housing and Urban Development in force at the time of the rental adjustment.

1.4 RENTAL OF THE ABOVE-DESCRIBED PROPERTY: The Buyer of a Deeded Property may rent the dwelling for a cost not to initially exceed the most current allowed by N.J.A.C. 5:92-12.5. All non-buyer occupants of the dwelling must meet the income qualification guidelines set forth in Paragraph 1.5 prior to occupancy and most be re-evaluated on an annual basis. Units maintained as rental units must at all times meet or exceed minimum Housing Quality Standards set by the Department of Housing and Urban Development, and, subject to the provisions of Paragraph 1.12, any annual increases in the rent must be based on the limitations of N.J.A.C. 5:92-12.5, which limits future rent rates to a percentage of the uncapped Section 8 income limits published by the U.S. Department of Housing and Urban Development.

1.5 INCOME LIMITS OF PROSPECTIVE PURCHASERS OR RENTERS: Resale or rental of Deeded Property which has been designated a low-income unit shall only be made to households whose total income does not exceed 50% (fifty percent) of the most current median income for Monmouth County, adjusted for family size, as established by the United States Department of

-4DB4994-0983

Housing and Urban Development. Likewise, resale or rental of Deeded property which has been designated a moderate-income unit shall only be made to households whose total income is greater than 50% and does not exceed 80% of median income.

1.6 RESALE PROCEDURES: When the Buyer of a Deeded Property wishes to sell the Property, the Millstone Township Housing Administrator must be notified of the intent to sell, in writing. Upon receipt of the intention to sell, the Millstone Township Housing Officer shall:

- Calculate the permitted sale price
- Provide the applicable income limits
- Refer prospective purchasers from the Affordable Housing Program Waiting List maintained by the Millstone Township Housing Administrator. Deeded Property must be resold to a family referred in order from the Millstone Township Housing Waiting List.

1.7 FORECLOSURE: Upon foreclosure of a Mount Laurel unit, the Township of Millstone, or its designated agent, shall have first right of refusal to purchase the unit for the outstanding balance of the mortgage plus any costs associated with the foreclosure, in accordance with Federal Home Loan Mortgage Corporation and Federal National Mortgage Association regulations. Should the Township of Millstone or its designated agent fail to execute the first right of refusal, the unit may be sold without control on affordability restrictions.

1.8 LIENS: A Buyer shall not cause a Deeded Property to become subject to any lien, or become collateral, to

secure any indebtedness in excess of the value of the Deeded Property as calculated pursuant to Paragraph 1.3.

1.9 PRIORITY HOUSEHOLDS PRESENTLY LIVING ON THE SITE: Section 23.6.2 of the Fair Share Plan Ordinance requires that priority for the Mount Laurel units be given to the households presently living on the site. It is only in the event that one of the priority households is unable or unwilling to move into a new unit, that the unit(s) shall be made available to other households on the Affordable Housing Program Waiting List maintained by the Millstone Township Housing Administrator.

One of the priority households has an income which is higher than the maximum for a four (4) person moderate income household as determined by United States Department of Housing and Urban Development. Nevertheless, this household shall be permitted to occupy a unit pursuant to a leasehold arrangement, however, the unit shall be made available for sale or lease to a qualified household when the priority household moves out of the unit.

1.10 AFFORDABLE CONTROLS:

- A) In accordance with N.J.A.C. 5:92-12.4, a one bedroom unit shall be affordable to a two person household;
- B) A two bedroom unit shall be affordable to a three person household;
- C) Maximum rent, excluding utilities, shall not exceed 30% of the maximum gross monthly income of the appropriate household size. Maximum rent shall be calculated as a percentage of the uncapped Section 8 income.

D) The initial price of a low or moderate income unit shall be established so that after a down payment of 10 percent, the monthly principal, interest, taxes and insurance do not exceed 28% of the eligible gross monthly income.

E) 50% of the units shall be available for low income families.

F) 50% of the units shall be available for moderate income families.

1.11 RENTAL PERIODS: Except for the initial rental period for the priority households, leases, including renewals thereof, for the rental units shall be for a period of one (1) year. If after the initial rental period the non-owner occupant's income exceeds the income qualification guidelines set forth in Paragraph 1.5, the lease may be renewed, however, the rent which may be charged may exceed the limitations of N.J.A.C. 5:92-12.5. When a unit becomes vacant, it shall be made available for sale or lease to a qualified household.

1.12 INITIAL RENTAL RATES: It is anticipated that many of the rental rates initially established for the priority households will be below the maximum rental rates allowed. Rent increases, within the affordable limits discussed in Paragraph 1.10(c) above, will be gradually adjusted on successive lease renewals (if any) so that the rent paid by the tenant during the fifth year of his/her tenancy, and all subsequent years, shall be the maximum amount allowed by law.

2. Individual Deeds. During the term of these resale and rental restrictions, each Buyer agrees that the terms, conditions and restrictions of this Declaration will be inserted

by them in any subsequent deed or other legal instrument by which the Buyer divests himself of his interest in a Mount Laurel lot/unit.

ARTICLE III

NEGATIVE EASEMENTS

1. **Negative Easements.** A reciprocal negative easement exists upon each of the Mount Laurel lots/units, which lots/units are "servient tenements". The easement imposes restrictions and burdens which may be enforced by the owner/occupants of the Mount Laurel lots/units, and the owners/occupants of the other 86 lots located within the Indian Path Subdivision, which lots are the "dominant tenements". As to each Mount Laurel lot/unit the easement requires that:

A) The owner/occupant maintain the grounds in neat, clean, safe and sanitary condition. Motor vehicles may be driven, parked or stored only in the driveway; inoperable motor vehicles (whether requiring repairs or conformance with applicable laws) shall not be stored on the premises for more than ten (10) days. All motor vehicles kept on the premises must be owned by the household of the owner/occupant, however, the owner/occupant shall not keep more than two (2) motor vehicles on the premises.

B) The owner/occupant must keep the grass cut.

C) The owner/occupant must do nothing to destroy, deface, damage or remove any part of the unit.

D) The owner/occupant must do nothing to destroy the peace and quiet of the persons in the neighborhood.

E) Unless permitted by IPA, or its successors and assigns, and subject to the provisions of subparagraph J) of this Paragraph, outside storage is expressly prohibited, other than the storage of garbage in secured garbage cans between pickups which cans shall be stored only in the portion of the lot adjacent to the rear of the unit.

F) Clothes lines are expressly prohibited.

G) No commercial, professional or otherwise business or business activity shall be conducted on or based out of the premises.

H) It is the responsibility of the Tenant to arrange for and pay for, if necessary, garbage pickup.

I) No buildings or structures, including additions to the unit, may be constructed or placed on any portion of the lot.

J) All outdoor/lawn furniture, outdoor grills and children's swing sets (or other similar equipment or appliances) shall be kept and/or stored only in the portion of the lot adjacent to the rear of the unit.

2. Duration of Easements. The negative easements shall remain in effect for the period of time prescribed in Paragraph 1.1 of this Declaration.

ARTICLE IV

EASEMENTS

1. Easements. The Mount Laurel lots shall be subject to the following easements:

a. IPA shall have a blanket easement in, over, across and through said lots for the purpose of maintaining the well and septic systems servicing the Mount Laurel lots/units.

b. The Township and IPA shall have a blanket easement in, over, across and through said lots for the purpose of replacing and maintaining the landscaping provided by IPA (1) on each Mount Laurel lot, (2) along the right-of-way of Moccasin Court, and (3) all landscaped buffers, including the buffer provided on Lot 16, Block 20.01.

2. Duration of Easements. The easements shall expire on the last day of the sixtieth (60) month following the date of the issuance of the initial Certificate of Occupancy for the sixth and last Mount Laurel lot/unit.

IN WITNESS WHEREOF, IPA has hereunto set its hand and seal as of the day and year first above written.

Re: Block 20.01, Lots 11 & 12

Dear Mr. and Mrs. Pullins:

The undersigned represents Millstone Township which is presently in the process of finalizing its Housing Element and Fair Share Plan to meet it's Third Round Mt. Laurel Affordable Housing obligations.

The property owned by you and referenced above was a part of Millstone Township's Affordable Housing Plan in 1990 as part of the Indian Path Inclusionary development Subdivision as part of the Affordable Housing Program at that time. Your unit(s) was subject to affordability covenants and restrictions so that they would be leased or sold to qualified affordable households. Those restrictions expired in 2010 and Millstone Township issued a release of those restrictive covenants.

We received information that your property continues to be rented to households that meet the affordability criteria set by the Council on Affordable Housing. Consequently, if affordability controls were formalized by way of a new recorded Declaration of Covenants and Restrictions, Millstone Township would be entitled to receive credit for those units.

As a result of the foregoing, we request that you advise of the following:

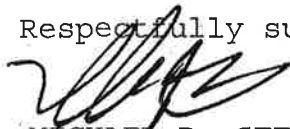

1. Are the units that you own still rented to households with income that falls within the guidelines of Low and Moderate Income Guidelines set by COAH?

2. If so, is it your expectation to continue to rent to Low and Moderate income households for the foreseeable future?

3. If so, would you consider an agreement with the Township to extend the affordability controls on those units in order to provide the Township with credits toward its Affordable Housing obligation?

We would be very appreciative for your response to the foregoing.

Respectfully submitted,

MICHAEL B. STEIB

Re: Block 20.01, Lots 11 & 12

Dear Mr. and Ms. Pullins:

This will serve as a follow-up to my prior correspondence to you in July and our subsequent telephone conference wherein you indicated an interest in extending the affordability controls on your duplex unit referenced above.

I have been advised by the Millstone Township Tax Assessor that the reassessment of your property as market rate units will result in an estimated tax for 2019 of \$2,859.57 for each unit for a total of \$5,719.14 in property tax for both units. This is an increase of approximately \$1,000.00 per unit if the affordability controls are not extended.

Please advise if you are still interested in extending affordability controls in order to continue this tax savings. If so, I will prepare the necessary documents for your review and acceptance.

In addition to the foregoing I will need to have from you your most recent tax return and that of your Tenant to confirm that you fall within the income qualifications for affordable housing.

I look forward to your response.

Very truly yours,

MICHAEL B. STEIB

Article 3. Grantor's Covenant

The Grantor hereby covenants and affirms the Grantor is the sole owner of the Property and has taken no action to encumber the Property.

Article 4. Priority

Priority of this Deed extends back to the original grant and shall not be subordinate to any mortgage or lien which has arisen since that time.

Article 5. Affordable Housing Covenants

(“UHAC Regulations”); and (iv) the Township’s Land Use Ordinance, as may be amended from time to time.

Consistent with these Affordable Housing rules, regulations and restrictions, the following covenants (the “Covenants”) shall continue to run with the land, and/or are now hereby placed upon the land, for the period of time commencing on the date hereof and terminating on or about July 15, 2049 (the “Control Period”), which shall be at least thirty (30) years from the date hereof original expiration date of such Covenants, unless otherwise extended by law.

The subject property is Block 57.01 Lot 20.01 on the Tax Map of the Township of Millstone. The parcel is located in the southwest section of the Township in close proximity to Monmouth County Route 537 and Interstate Highway Route 195.

The property is owned by Millstone Township. The Township executed a 50-year lease on January 6, 2003 with the Affordable Housing Alliance, a recognized nonprofit developer of affordable housing for many years in Monmouth County. The property received a Certificate of Occupancy on March 28, 2003 for the one affordable family rental unit on the property, and its deed restriction began on June 26, 2003. The Township previously applied the one unit to its Prior Round obligation.

However, the property was later vacated when the tenant passed away. The property is proposed to be constructed with three affordable family rental units. One unit will replace the previous unit attributed to the Township's Prior Round Obligation, and the remaining two units will count toward the Township's Third Round Obligation.

The property received approval from the Township Planning Board on October 12, 2022 for the proposed project. Construction is expected to begin in July 2023. Full occupancy is expected in February 2024.

LEASE OF PROPERTY FOR AFFORDABLE HOUSING

THIS LEASE ("Lease") entered into as of this 6 day of January, 2002,
by and between the Township of Millstone ("Township") and Monmouth Housing Alliance, a
New Jersey non-profit organization with its principal office located at
("Tenant").

Background

A. Township is about to be the owner in fee simple of a parcel of land located in the Township of Millstone, County of Monmouth and State of New Jersey, also designated as Lot 20, Block 57.01, 6 Novad Court in Township (the "Property").

B. Tenant is in the business of consultation, development and management of affordable housing and desires to lease the Property from Township and rehabilitate, refurbish and manage the Property as described below.

C. Township desires to lease the Property to Tenant for the purpose described below.

D. Accordingly, the parties are entering into this Lease on the terms and conditions set forth below.

Agreement

In consideration of the mutual covenants contained in this Lease, the parties agree as follows:

1. Leased Property. Township leases to Tenant and Tenant leases from Township the Property.

2. Ordinance Authorizing Lease. Entry into this Lease by the Township is authorized by N.J.S.A. 40A:12-14(c), N.J.S.A. 40A:12-15(i) and N.J.S.A. 52:27D-311a(5). Tenant understands that Township has, prior to execution of this Lease, adopted the Ordinance prescribed by N.J.S.A. 40A:12-14(c). Such statute provides in pertinent part:

"In the case of a Lease to a non-profit corporation or association for a public purpose, the lease shall be authorized by...Ordinance.....Said Ordinance...shall require any non-profit corporation holding a lease for a public purpose pursuant to this Section, to annually submit a report to the officer, employee or agency designated by the Governing Body, setting out the use to which the leasehold was put during each year, the activities of the lessee undertaken in furtherance of the public purpose for which the leasehold was granted; the approximate value or cost, if any, of such activities in furtherance of such purpose; and an affirmation

of the continued tax-exempt status of the non-profit corporation pursuant to both State and Federal law.”

Tenant understands and agrees to abide by the reporting requirements of said statute.

3. Term of the Lease. Pursuant to N.J.S.A. 40A:12-15, the term of this Lease shall be for fifty (50) years.

4. Rent. Tenant shall pay Township as rent for the Property each year during the term of this Lease the sum of One Dollar (\$1.00).

5. Use of Property. Tenant will rehabilitate and manage the Property to provide family rental housing for a low and/or moderate income household. Use of the Property by Tenant shall adhere to the following conditions and restrictions which are deemed by the Township and understood by the Tenant as being integral and essential to this Lease:

a.) The Property will be occupied only by a household who:

1.) Meet low and moderate income guidelines as established by the New Jersey Council on Affordable Housing (“COAH”) and as same may be amended from time to time by COAH; and

2.) Have no criminal history, history of drug use, or history of violent behavior; or

b.) The Property will be operated and managed as follows:

1.) In a manner to result in the Township’s receiving two (2) credits from COAH toward the Township’s fair share low and moderate income housing allocation. (i.e., one credit for each unit occupied by a low and/or moderate resident multiplied by a rental bonus factor of two (2)) (the “COAH Credit”)

2.) To enforce against any activity or conduct in violation of the laws and regulations of any governmental entity.

3.) In compliance with the Federal Fair Housing Act and the New Jersey Fair Housing Act.

4.) To prohibit any activity of a nonresidential nature or which is incompatible with the residential neighborhood in which the Property is located.

c.) Tenant will file any and all reports pertaining to the management of the Property with COAH and any other agencies which may be, from time to time required, for the Township to maintain its COAH Credits eligibility.

d.) The Tenant will undertake any and all other action pertaining to the management of the Property which is necessary in order for the Township to maintain its COAH Credits eligibility.

6.7. Tenant Improvements.

a.) Tenant may, at its sole cost and expense, improve the Property by rehabilitating and refurbishing the residential house and any related ancillary support facilities and structures on the Property. Prior to commencing construction, Tenant shall submit plans and specifications for all improvements to Township for Township's written approval, such approval not to be unreasonably withheld. No improvement, construction, installation or alteration shall be commenced until plans for such work have been approved by the Township and all necessary permits have been properly issued.

b.) Prior to commencing construction, Tenant shall also provide Township with the name of the contractor that will be constructing the improvements. The contractor is subject to the prior written approval of Township, such approval not to be

unreasonably withheld. All improvements shall be constructed in a workmanlike manner and shall be completed in compliance with all applicable laws, rules, ordinances and regulations.

7. Net Lease. Township shall not be required to make any expenditures of any kind in connection with this Lease or to make any repairs or improvements to the Property.

8. PILOT Agreement. Tenant will enter into an agreement with the Township to make payments in lieu of taxes ("PILOT") in an amount of up to three (3%) percent of the gross operating income, so long as Tenant's operations qualify for real property tax exemption. This amount is not to exceed the Township's share of the property tax that would have applied had the Tenant not been exempt from real property taxes. Each January of each odd numbered year the Tenant and Township shall renegotiate the PILOT payment amount based upon the audited financial statements of the Tenant for the previous 24 months. The PILOT will commence upon issuance of a Certificate of Occupancy and initial full occupancy. For purposes of this Lease provision, "full occupancy" shall mean the rental term with the low/moderate income household has commenced.

9. Maintenance. Tenant shall, at its own expense, maintain the Property and all improvements, equipment and other personal property on the Property in good working order, condition and repair. Tenant shall keep the Property free of debris and anything of a dangerous, noxious or offensive nature or which would create a hazard or source of undue vibration, heat, noise or interference.

10. Access. Township and its agents shall have the right to enter the Property at reasonable times to examine and inspect the common areas of the Property. "Common areas" shall mean all areas of the Property except the residence actually leased out by the Tenant to the household. The Township shall have the right to inspect the residence if just cause to suspect a violation of this Lease exists. Any right given Township to enter the Property shall be exercised only during ordinary business hours, and on reasonable advance notice to Tenant, except if Township shall have reasonable ground to believe an emergency exists or is threatened, in such instance Township shall be entitled to take such actions and to proceed at such times that Township shall deem appropriate.

The inspection provisions set forth herein apply to the Township only in its capacity as Landlord and shall not be deemed to affect any rights of access and inspection which the Township has as a governmental entity as to all properties within its borders.

11. Utilities. Tenant shall be responsible for obtaining any utility service to the Property that it desires. Tenant shall pay when due all charges for utilities to the Property during the term of the Lease.

12. License Fees. Tenant shall pay, as they become due and payable, all fees, charges, taxes (subject to paragraph 9) and expenses required for licenses and/or permits required for or occasioned by Tenant's use of the Property.

13. Zoning. The Township agrees that 1.) because this is a municipally owned property, the Township will determine that it is exempt from zoning restrictions; or 2.) the Township agrees to initiate and/or maintain zoning regulations which will permit the use of the Property as contemplated in this Lease.

14. Violation of Lease, Notice, Time to Cure. Township understands that, in reliance upon Tenant's rights and privilege under this Lease, Tenant will be expending significant funds in rehabilitating the Property. Likewise, Tenant understands the Township's interest in and expectation that the Tenant's operation and management of the Property will result in the Township receiving two (2) affordable housing credits toward its fair share obligation as determined by COAH. Therefore, in the event Township reasonably believes, in good faith, that Tenant is violating a provision of this Lease (a "Default"), Township shall serve written notice upon Tenant, as well as any other party, which was notified by the Township by certified mail, return receipt requested that it has an interest in Township's rights under this Lease (i.e. Lender), identifying with specificity each provision of the Lease which Township contends Tenant is violating (the "Notice"). Tenant shall have thirty (30) days from receipt of the Notice to cure the Default, unless, in spite of diligent effort, a longer time to cure is necessary. In such case, Tenant shall have a reasonable additional time, not to exceed an additional ninety (90) days to cure the Default. Notwithstanding the foregoing provisions relating to curing a Default, if the Default alleged is that the Property is being managed in such a way that Township's Credits are jeopardized, Tenant must cure the Default immediately. Confirmation from COAH that the Township's Credits are jeopardized by reason of the management of the Property shall be irrefutable evidence of a Default under this Lease.

It is agreed and understood that the Township does not waive any violation of the terms and conditions of this Lease because it either 1.) fails to serve Notice, or 2.) fails to specify a particular violation in any Notice.

If suit shall be brought by Township for recovery of possession of the Property, for the breach of any covenant of this Lease, the unsuccessful party shall pay to the prevailing party all expenses incurred therefor, including reasonable attorney fees.

15. Cure by Township. In the event of any default of this Lease by Tenant, the Township may at any time, after notice, cure the default for the account of and at the expense of the Tenant. If Township is compelled to pay or elects to pay any sum of money or to do any act which will require the payment of any sum of money or is compelled to incur any expense, including reasonable attorney fees in instituting, prosecuting or defending any action to enforce the Township's rights under this Lease, the sums so paid by Township, with all interest, costs and damages shall be due from the Tenant to Township on the first day of the month following the incurring of the respective expenses.

16. Condemnation. In the event the Property is taken by eminent domain, this Lease shall terminate as of the date title to the Property vests in the condemning authority. In the event a portion of the Property is taken by eminent domain so as to materially hinder effective use of the Property by Tenant, either party shall have the right to terminate this Lease as of said date of title transfer, by giving thirty (30) days' written notice to the other party. In the event of any taking under the power of eminent domain, Tenant and Township shall share the net award on a pro rata basis, as explained hereafter. "Net Award" shall mean the amount of the condemnation award paid by the condemning entity after reduction for all costs of defending against the condemnation action, including but not limited to filing fees, appraisal costs, costs of experts, attorneys fees and other litigational costs. The pro rata division shall be based on the following formula:

$$\text{a.) Tenant's Share} = \frac{\text{Tenant's Cost}}{\text{Total Property Cost}} \times \text{Net Award}$$

$$\text{b. Township' Share} = \frac{\text{Township's Cost}}{\text{Total Property Cost}} \times \text{Net Award}$$

In the foregoing formula, "Tenant's Cost" shall mean Tenant's expenditures for capital improvements to the Property as set forth in audited statements or cost certifications, but not including operational costs; "Township's Cost" shall mean the Township's expenditures in acquiring the Property, including the purchase price, costs of title search/insurance, environmental investigations, surveys, attorneys fees related to the purchase and other incidental costs directly related to Township's acquisition of title to the Property; "Total Property Costs" shall mean the sum of "Tenant's Costs" and "Township's Costs". Township shall give notice to Tenant of any eminent domain action and allow Tenant to participate in the defense and any settlement discussions.

17. Indemnity and Insurance.

a.) Disclaimer of Liability: Township shall not at any time be liable for injury or damage occurring to any person or property from any cause whatsoever arising out of Tenant's construction, maintenance, repair, use, operation or condition of the Property.

b.) Indemnification: Tenant shall, at its sole cost and expense, indemnify and hold harmless Township and all associated, affiliated, allied and subsidiary entities of Township, now existing or hereinafter created, and their respective officers, boards, commissions, employees, agents, attorneys, and contractors, elected or appointed (hereinafter referred to as "Indemnitees"), from and against:

i. Any and all liability, obligation, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and consultants), which may be imposed upon, incurred by or be asserted against the Indemnitees by reason of any act or omission of Tenant, its personnel, employees, agents, contractors or subcontractors, resulting in personal injury, bodily injury, sickness, disease or death to any person or damage to, loss of or destruction of tangible or intangible property, libel, slander, invasion of privacy and unauthorized use of any trademark, trade name, copyright, patent, service mark or any other right of any person, firm or corporation, which may arise out of or be in any way connected with the construction, installation, operation, maintenance, use or condition of the Property or the Tenant's failure to comply with any federal, state or local statute, ordinance or regulation.

ii. Any and all liabilities, obligations, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and other consultants), which are imposed upon, incurred by or asserted against the Indemnitees by reason of any claim or lien arising out of work, labor, materials or supplies provided or supplied to Tenant, its contractors or subcontractors, for the installation, construction, operation, maintenance or use of the Property and, upon the written request of Township, Tenant shall cause such claim or lien

covering Township's property to be discharged or bonded within thirty (30) days following such request.

iii. Any and all liability, obligation, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and consultants), which may be imposed upon, incurred by or be asserted against the Indemnitees by reason of any financing or securities offering by Tenant or its affiliates for violations of the common law or any laws, statutes, or regulations of the State of New Jersey or United States, including those of the Federal Securities and Exchange Commission, whether by Tenant or otherwise.

iv. Tenant's obligation to indemnify Indemnitees under this Lease shall extend to claims, losses, and other matters covered hereunder that are caused or contributed to by the negligence of one or more Indemnitees.

c.) Assumption of Risk: Tenant undertakes and assumes for its officers, agents, affiliates, contractors and subcontractors and employees (collectively "Tenant" for the purpose of this Section), all risk of dangerous conditions, if any, on or about the Property, and Tenant hereby agrees to indemnify and hold harmless the Indemnitees against and from any claim asserted or liability imposed upon the Indemnitees for personal injury or property damage to any person (other than from Indemnitee's gross negligence) arising out of the Tenant's installation, operation, maintenance, condition or use of the Property or Tenant's failure to comply with any federal, state or local statute, ordinance or regulation.

d.) Defense of Indemnitees : In the event any action or proceeding shall be brought against the Indemnitees by reason of any matter for which the Indemnitees are indemnified hereunder, Tenant shall, upon notice from any of the Indemnitees, at Tenant's

sole cost and expense, resist and defend the same with legal counsel mutually selected by Tenant and Township; provided however, that Tenant shall not admit liability in any such matter on behalf of the Indemnitees without the written consent of Township and provided further that Indemnitees shall not admit liability for, nor enter into any compromise or settlement of, any claim for which they are indemnified hereunder, without the prior written consent of Tenant.

e.) Notice, Cooperation and Expenses: Township shall give Tenant prompt notice of the making of any claim or the commencement of any action, suit or other proceeding covered by the provisions of the preceding Section. Nothing herein shall be deemed to prevent Township from cooperating with Tenant and participating in the defense of any litigation by Township's own counsel.

If Tenant requests Township to assist it in such defense then Tenant shall pay expenses incurred by Township in response thereto, as agreed upon at that time. This shall include Township defending itself with regard to any such actions, suits or proceedings. These expenses shall include all out-of-pocket expenses such as attorney fees and shall also include the costs of any services rendered by the Township's attorney, and the actual expenses of Township's agents, employees or expert witnesses, and disbursements and liabilities assumed by Township in connection with such suits, actions or proceedings.

If Tenant does not request Township to assist it in such defense, then each party shall pay all of its expenses in response thereto, including defending itself with regard to any such actions, suits or proceedings. These expenses shall include all out-of-pocket expenses such as attorney fees and shall also include the costs of any services rendered by the Township's attorney, and the actual expenses of Township's agents, employees or expert witnesses, and disbursements and liabilities assumed by Township in connection with such suits, actions or proceedings.

f.) Insurance. During the first five (5) years of the Lease, Tenant shall maintain, or cause to be maintained, in full force and effect and at its sole cost and expense, the types and limits of insurance enumerated below. On or about every five (5)

year anniversary, the insurance requirements will be reviewed so that changes in insurance rates may be reflected:

i. Workers' compensation insurance meeting applicable statutory requirements and employer's liability insurance with minimum limits of One Million Dollars (\$1,000,000) for each accident.

ii. Comprehensive commercial general liability insurance with minimum limits of One Million Dollars (\$1,000,000) on the property plus a Three Million Dollar (\$3,000,000) umbrella policy on all of Tenant's properties as the combined single limit for each occurrence of bodily injury, personal injury, death and property damage. The policy shall provide blanket contractual liability insurance for all written contracts, and shall include coverage for products and completed operations liability, independent contractor's liability; coverage for property damage from perils of explosion, collapse or damage to underground utilities, commonly known as XCU coverage.

iii. Tenant shall provide a separate owner's contractors protective policy meeting the preceding requirements with Township as a named insured.

iv. Liability insurance for sudden and accidental environmental contamination with minimum limits of One Million Dollars (\$1,000,000) and providing coverage for claims

discovered within three (3) years after the term of the policy.

v. Automobile liability insurance covering all owned, hired, and non-owned vehicles in use by Tenant, its employees and agents, with personal protection insurance and property protection insurance to comply with the provisions of state law with minimum limits of One Million Dollars (\$1,000,000) as the combined single limit for each occurrence for bodily injury and property damage.

vi. At the start of and during the period of any construction, builders all-risk insurance, together with an installation floater or equivalent property coverage covering cables, materials, machinery and supplies of any nature whatsoever which are to be used in or incidental to the construction of any improvements. Upon completion of the improvement, Tenant shall substitute for the foregoing insurance policies of fire, extended coverage and vandalism and malicious mischief insurance on the Property. The amount of insurance at all times shall be representative of the insurable values installed or constructed.

vii. All policies and other than those for Workers' Compensation and environmental contamination shall be written on an occurrence and not on a claims made basis.

viii. The coverage amounts set forth above may be met by a combination of underlying and

umbrella policies so long as in combination the limits equal or exceed those stated.

g.) Named Insureds: All policies, except for and workers' compensation policies, shall name Township and all associated, affiliated, allied and subsidiary entities of Township, now existing or hereafter created, and their respective officers, boards, commissions, employees, agents and contractors, as their respective interests may appear as additional insureds (herein referred to as the "Additional Insureds"). Each policy which is to be endorsed to add Additional Insureds hereunder, shall contain cross-liability wording, as follows:

"In the event of a claim being made hereunder by one insured for which another insured is or may be liable, then this policy shall cover such insured against whom a claim is or may be made in the same manner as if separate policies had been issued to each insured hereunder."

h.) Evidence of Insurance. Certificates of insurance for each insurance policy required to be obtained by Tenant in compliance with this paragraph, along with written evidence of payment of required premiums shall be filed and maintained with Township annually during the term of the Lease. Tenant shall immediately advise Township of any claim or litigation that may result in liability to Township.

i.) Cancellation of Policies of Insurance: All insurance policies maintained pursuant to this Lease shall contain the following endorsement:

"At least sixty (60) days prior written notice shall be given to Township by the insurer of any intention not to renew such policy or to cancel, replace or materially alter same, such notice to be given by registered mail to the parties named in this paragraph of the Lease."

j.) Insurance Companies: All insurance shall be effected under valid and enforceable policies, insured by insurers licensed to do business by the State of New Jersey or surplus line carriers on the State of New Jersey Insurance Commissioner's approved list of companies qualified to do business in the State of

New Jersey. All insurance carriers and surplus line carriers shall be rated A+ or better by A.M. Best Company.

k.) Deductibles: All insurance policies may be written with deductibles and retainages, not to exceed \$10,000 unless approved in writing in advance by Township. Tenant agrees to indemnify and save harmless Township, the Indemnitees and Additional Insureds from and against the payment of any deductible and from the payment of any premium on any insurance policy required to be furnished by this Lease.

l.) Contractors: Tenant shall require that each and every one of its contractors and their subcontractors who perform substantial work on the Property to carry, in full force and effect, workers' compensation, comprehensive public liability and automobile liability insurance coverages of the type and in the amounts which Tenant is required to obtain under the terms of this Lease or the alternative, Tenant shall require that such contractors and subcontractors be named as additional insured parties on Tenant's insurance policies.

18. Hazardous Substance Indemnification. Tenant represents and warrants that its use of the Property herein will not generate any hazardous substance, and it will not store or dispose on the Property nor transport to or over the Property any hazardous substance. Tenant further agrees to hold Township harmless from and indemnify Township against any release of any such hazardous substance and any damage, loss, or expense or liability resulting from such release including all attorneys' fees, costs and penalties incurred as a result thereof except any release caused by the negligence of Township, its employees or agents. "Hazardous substance" shall be interpreted broadly to mean any substance or material defined or designated as hazardous or toxic waste, hazardous or toxic material, hazardous or toxic or radioactive substance, or other similar term by any federal, state or local environmental law, regulation or rule presently in effect or promulgated in the future, as such laws, regulations or rules may be amended from time to time; and it shall be interpreted to include, but not be limited to, any substance which after release into the environment will or may reasonably be anticipated to cause sickness, death or disease.

19. Holding Over. Any holding over after the expiration of the term hereof, with the consent of the Township, shall be construed to be a tenancy from month to month and shall otherwise be for the term and on the conditions herein specified, so far as applicable.

20. Tenant Financing. After review and consideration, the Township will not unreasonably withhold adopting Resolutions of support, executing endorsements or approvals necessary for funding, grants or loans, the proceeds of which will be used to improve and rehabilitate the Property. Further, the Township will consider an appropriate subordinating of

the Township's fee interest for loans from a commercial or savings bank, Savings and Loan Association authorized to do business in New Jersey, upon other things, depending upon the amount of such loan, the amount of Tenant's capital used toward the Improvement, the anticipated increase in the value of the construction to be financed by the loan and the term of the loan in relationship to the term of this Lease.

21. Acceptance of Property. By taking possession of the Property, Tenant accepts the Property in the condition existing as of the Commencement Date. Township makes no representation or warranty with respect to the condition of the Property and Township shall not be liable for any latent or patent defect in the Property, except as follows:

ENVIRONMENTAL CONSIDERATIONS:

A. Asbestos.

(1) The Tenant is hereby informed and does acknowledge that buildings located upon the Property potentially contain asbestos or asbestos-containing materials (ACM).

(2) The Tenant covenants and agrees that its use and occupancy of the Property, including all improvements located thereon, will be in compliance with all applicable laws relating to asbestos; and that the Township assumes no liability for future remediation of asbestos or damages for personal injury, illness, disability or death, to the Tenant, its successors or assigns, sublessees, or to any other person including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property, including all improvements located thereon, whether the Tenant has properly warned or failed to properly warn the individual(s) injured.

(3) The Tenant shall comply with all Federal, State and local laws, relating to asbestos containment and abatement.

B. Covenant Regarding Hazardous Substance Activity.

CERCLA Covenant. Township warrants that it shall take any response action found to be necessary after the date of this Lease regarding hazardous substances located on the Property on the date of this Lease.

(1) This covenant shall not apply: (a) in any case in which Tenant is a Potentially Responsible Party (PRP) with respect to the Property immediately prior to the date of this conveyance, or (b) to the extent but only to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the Tenant or any party in possession after the date of this conveyance that either (i) results in a release or threatened release of a hazardous substance that was not located on the Property on the date of this Lease; or (ii) causes or exacerbates the release or threatened release of a hazardous substance the

existence and location of which was known and identified to the applicable regulatory authority as of the date of this Lease.

(2) In the event Tenant seeks to have Township conduct or pay for any additional response action, and, as a condition precedent to Township incurring any additional cleanup obligation or related expenses, Tenant shall provide Township at least 45 days written notice of such a claim and provide credible evidence that: (a) the associated contamination existed prior to the date of this Lease; and (b) the need to conduct any additional response action or part thereof was not the result of any act or failure to act by the Tenant, or any party in possession.

C. Notice of the Possible Presence of Lease-Based Paint.

(1) Tenant hereby acknowledges the required disclosure in accordance with the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. 4852d (Title X), of the possible presence of any known lead-based paint and/or lead-based paint hazards in target housing constructed prior to 1978 on the Property. This disclosure includes the 24 CFR 35 and 40 CFR 745 disclosure and lead warning language in this Lease. Tenant further acknowledges that Tenant was given the opportunity to inspect, and thereby assess, the Property for lead-based paint hazards. Tenant further acknowledges that Township did not occupy this Property previously, but only recently acquired title in order to be able to enter into this Lease with Tenant.

(2) Tenant covenants and agrees, that in any improvements on the Property defined as "target housing" by 24 CFR 35 and constructed prior to 1978, lead-based paint hazards will be disclosed to potential occupants in accordance with Title X before any use of such improvements as a residential dwelling.

(3) Tenant further covenants that Tenant, with respect to target housing constructed prior to 1960, will abate, at Tenant's own cost, any lead hazards in accordance with 40 CFR 745.227(e) and other applicable laws and regulations, prior to the occupancy of any residential structures on the Property. Following abatement, Tenant shall obtain a clearance examination, in accordance with 40 CFR 745.227(e) and 24 CFR 35.1340(c) through (f), and conducted by a person certified to perform risk assessments or lead-based paint inspections. The examination must show that the clearance samples meet the standards set forth in 24 CFR 35.1320(b)(2). Tenant must obtain a clearance report, prepared by a person certified to perform risk assessments or lead paint inspections in accordance with 40 CFR 745.227(e)(10). If any lead-based paint is present, prior to occupancy of the Property, Tenant shall provide Township with a fully executed

CERTIFICATE OF COMPLETION OF LEAD ABATEMENT.

(4) Tenant covenants and agrees that in its use and occupancy of the Property it will comply with 24 CFR 35 and 40 CFR 745 and all applicable Federal, State and local laws relating

to lead-based paint; and that Township assume no liability for damages for property damage, personal injury illness, disability, or death, to Tenant, its successors or assigns, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use disposition, or the activity causing or leading to contact of any kind whatsoever with lead-based paint on the Property, whether Tenant has properly warned or failed to properly warn the individual(s) injured. Tenant further agrees to indemnify, defend and hold harmless the Township from any and all loss, judgment, claims, demands, expenses or damages, of whatever nature which might arise to be made against the Township, due to, or relating to the presence of lead-based paint hazard on the Property, any related abatement activities, or the disposal of any material from the abatement process.

(5) Tenant covenants and agrees that it will comply with all Federal, State and local and any other applicable law regarding the lead-based paint hazards with respect to the Property.

23. Assignment and Subletting.

a.) Tenant shall not assign this Lease in whole or in part, or sublet all or any part of the Property without the Township's prior written consent. Consent by Township to any assignment or subletting shall not constitute a waiver of the necessity of such consent to any subsequent assignment or subletting. This prohibition against any assignment or subletting shall be construed to include a prohibition against any subletting or assignment by operation of law.

b.) Any person or entity to which this Lease is assigned pursuant to the provisions of the Bankruptcy Code, 11 USC Sections 101, et seq., shall be deemed without further act to have assumed all of the obligations of Tenant arising under this Lease on and after the date of such assignment. Any such assignee shall upon demand execute and deliver to Township an instrument confirming such assumption. Any monies or other considerations payable or otherwise to be delivered in connection with such assignment shall be paid to Township, shall be the exclusive property of Township, and shall not constitute property of the Tenant or of the estate of Tenant within the meaning of the Bankruptcy Code. 24. Successors and Assigns. This Lease shall be binding upon and inure to the benefit of the parties, their respective heirs, personal representatives, successors and assigns.

The receipt of any sum paid by Tenant to Township after a breach of this Lease shall not be deemed a waiver of such breach unless expressly set forth in writing.

26. Personal Property Taxes, If Any.

a.) Tenant shall pay personal property taxes and assessments for the Property, if any, which become due and payable during the term of this Lease. All such payments shall be made, and evidence of all such payments shall be provided to Township, at least ten (10) days prior to the delinquency date of the payment.

b.) Tenant shall indemnify Township from any and all liability, obligation, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and consultants), which may be imposed upon, incurred by or be asserted against Tenant in relation to the taxes owed or assessed on the Property.

27. Dispute Resolution.

a.) Except as otherwise provided in this Lease, any controversy between the parties arising out of this Lease or breach thereof, is subject to the mediation process described below.

b.) A meeting will be held promptly between the parties to attempt in good faith to negotiate a resolution of the dispute. Individuals with decision making authority will attend the meeting regarding the dispute. If within twenty (20) days after such meeting the parties have not succeeded in resolving the dispute, they will, within twenty (20) days thereafter submit the dispute to a mutually acceptable third party mediator who is acquainted with dispute resolution methods. Township and Tenant will participate in good faith in the mediation and in the mediation process. The mediation shall be nonbinding. Neither party is entitled to seek or recover punitive damages in considering or fixing any award under these proceedings.

c.) The costs of mediation, including any mediators fees, and costs for the use of the facilities during the meetings, shall be born equally by the parties. Each party's costs and expenses will be born by the party incurring them.

28. Option to Purchase.

On each fifth year anniversary of this Lease, Tenant shall have an option to purchase the Property for \$1.00 pursuant to the terms and conditions set forth below ("Option").

Within the first thirty (30) days after each fifth year anniversary, the Tenant must notify the Township in writing of its desire to exercise the Option ("Notice"). If the Tenant fails to provide Notice within said thirty (30) day period, the Option shall terminate until the next fifth year anniversary of this Lease. Within sixty (60) days of receipt of the Notice, the Township shall take action to grant or deny the Option. Any denial of the Option must be reasonable, with all reasons for the denial set forth in writing, sent to the Tenant. The Tenant shall have the right to bring an action to challenge the reasonableness of such reasons. Notwithstanding any denial of the exercise of the Option, this Lease shall remain in full force and effect. If the exercise of the Option is approved, the Township shall convey its interest in the Property, by Bargain and Sale Deed with Covenants Against Grantors Acts, which Deed shall reflect the same restrictions, covenants and conditions as this Lease, including but not limited to a right of reversion of the title to the Township if the management or operation of the Property is not continued consistent with the Lease provisions. In order to protect the interests and rights of the Tenant to the Option, the parties agree to sign a Memorandum reflecting the Option interest of the Tenant. The Tenant may, at its option, record the Memorandum.

29. Miscellaneous.

a.) Township and Tenant each represent and warrant to the other that all necessary authorizations and approvals required for execution and performance of this Lease have been given and that the undersigned individual is duly authorized to execute this Lease and bind the party for which it signs.

e.) Except as provided in paragraph 23, Section B, Township hereby expressly disclaims all Warranties of Merchantability and Fitness for a Particular Purpose associated with the Property. Tenant accepts the Property "As Is."

f.) Tenant shall use the utmost good faith to apply for, obtain, and keep in full force and effect all certificates, permits, licenses, and approvals affecting Tenant's ability to use the Property.

g.) This Lease may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute but one instrument.

IV. RESTRICTIONS

A. The Owner of a rental Affordable Housing unit shall not rent the Affordable Housing unit for an Adjusted Rent that is greater than the established Base Rent plus the allowable percentage of increase as determined by the Index applicable to the municipality in which the unit is located. Adjusted Rents shall be effective as of the lease anniversary date and shall remain in effect for at least a one year period.

B. The Owner shall not rent the Affordable Housing unit other than to a Renter who has been certified utilizing the income verification procedures established by the Council to determine qualified Low and Moderate Income-Eligible Households.

and occupied by Low and Moderate Income-Eligible Households throughout the duration of this Agreement.

V. REQUIREMENTS

A. This Agreement shall be recorded with the recording office of the county in which the Affordable Rental unit or units are located. The Agreement shall be filed no earlier than the recording of an applicable deed and no later than the leasing and occupancy of 50% of the applicable rental units in any project covered by a single deed with permanent occupancy permits.

B. This Agreement shall be executed by the Owner or the then current title holder of record of the property upon which the Affordable Housing units are to be situated prior to its recording.

VI. DEEDS OF CONVEYANCE AND LEASE PROVISIONS

All Deeds of Conveyance and Lease Agreements from all Owners to Purchasers and Certified Renters of Affordable Housing units shall include the following clause in a conspicuous place.

"The Owner's right, title and interest in this unit and the use, sale, resale and rental of this property are subject to the terms, conditions, restrictions, limitations and provisions as set forth in the AFFORDABLE HOUSING AGREEMENT which has been filed in the Office of the Clerk of Monmouth County."

VII. COVENANTS RUNNING WITH LAND

The provisions of this Affordable Housing Agreement shall constitute covenants running with the land with respect to each Affordable Housing unit affected hereby, and shall bind all Purchasers and Owners of Affordable Housing units, their heirs, assigns and all persons claiming by, through or under their heirs, executors, administrators and assigns for the duration of this Agreement as set forth herein.

VIII. OWNER RESPONSIBILITIES

In addition to fully complying with the terms and provisions of this Affordable Housing Agreement, the Owner acknowledges the following responsibilities:

A. The Affordable Housing unit which is the subject of this Agreement, has, by virtue of a Long Term Lease dated January 6, 2003, which form was previously approved by the Council, been leased to the Monmouth Housing Alliance, which will lease unit to a Low or Moderate Income Household (i.e. Renter). Affordable Housing unit designated as rental unit shall at all times remain the Primary Residence of the Renter and shall not be sublet to any party whether or not that party is qualified as a Low or Moderate Income-Eligible Household without prior written approval from the Authority.

B. All home improvements made to an Affordable Housing unit shall be at the Owner's expense except that the expenditures for any alteration that allows a unit to be rented to a larger household size because of an increased capacity for occupancy shall be considered for a recalculation of Base Rent. Owners must obtain prior approval for such alteration to qualify for this recalculation.

C. The Owner of an Affordable Housing unit shall keep the Affordable Housing unit in good repair.

D. Owners of Affordable Housing units shall pay all taxes, charges, assessments or levies, both public and private, assessed against such unit, or any part thereof, as and when the same become due.

E. Owners of Affordable Housing units shall notify the Authority in writing sixty (60) days prior to a rental vacancy. Owners shall not convey title or lease or otherwise deliver possession of the Affordable Housing unit without the prior written approval of the Authority.

F. An Owner shall request referrals of Certified Households from the pre-screened established referral list maintained by the Authority.

G. If the Authority does not refer a certified household within sixty (60) days of the Notice of Rental Vacancy, the Owner may rent the property to an eligible household not referred by the Authority. The proposed Renter must complete all required Household Eligibility forms and submit Gross Annual Income information for verifications to the Authority for written certification as an eligible rental transaction.

H. The Owner shall not permit any lien, other than the First Purchase Money Mortgage and/or any Authority approved

second Mortgages to attach and remain on the property for more than sixty (60) days.

I. If an Affordable Housing unit is part of a condominium, homeowner's or cooperative association, the Owner, in addition to paying any assessments required by the Master Deed of the Condominium or By-law of an Association, shall further comply with all of the terms, covenants or conditions of said Master Deed or By-Laws, as well as fully comply with all terms, conditions and restrictions of this Affordable Housing Agreement.

J. The Owner shall have responsibility for forwarding copies of all documents filed with the applicable county recording office to the Authority after they have been signed, dated and recorded.

IX. FORECLOSURE

A. This Agreement shall not be terminated in the event of judgment of Foreclosure on properties that include Affordable Housing units that are designated as rental units unless the rental unit is contained within an owner-occupied property containing four or less units.

B. If the rental unit is contained within an owner-occupied property containing four or less units, the terms and restrictions of this Agreement shall be subordinate only to the First Purchase Money Mortgage lien on the Affordable Housing property and in no way shall impair the First Purchase Money Mortgagee's ability to exercise the contract remedies available to it in the event of any default of such mortgage as such remedies are set forth in the First Purchase Money Mortgage documents for the Affordable Housing unit.

C. Upon judgment of Foreclosure of an owner-occupied unit containing an affordable rental housing unit, the Authority shall execute a document in recordable form evidencing that such Affordable Housing unit has been forever released from the restrictions of this Agreement. Execution of foreclosure sales by any other class of creditor or mortgagee shall not result in a release of the Affordable Housing unit from the provisions and restrictions of this Agreement.

X. VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the terms of this Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties to this Agreement that a breach will cause irreparable harm to the Authority, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low and moderate income housing. Upon the occurrence of a breach of any of the terms of the Agreement by an Owner, the Authority shall have all remedies provided at law or equity, including but not limited to foreclosure, recoupment of any funds from a rental in violation of the Agreement, injunctive relief to prevent further violation of the Agreement, entry on the premises, and specific performance.

XI. RIGHT TO ASSIGN

XII. INTERPRETATION OF THIS AGREEMENT

The terms of this Agreement shall be interpreted so as to avoid financial speculation or circumvention of the purposes of the Fair Housing Act for the duration of this Agreement and to ensure, to the greatest extent possible, that the rents of designated Affordable Housing units remain affordable to Low and Moderate Income-Eligible Households as defined herein.

XV. SEVERABILITY

It is the intention of all parties that the provisions of this instrument are severable so that if any provisions, conditions, covenants or restrictions thereof shall be invalid or void under any applicable federal, state or local law, the remainder shall be unaffected thereby.

In the event that any provision, condition, covenant or restriction hereof, is at the time of recording of this instrument, void, voidable or unenforceable as being contrary to any applicable federal, state or local law, both parties, their successors and assigns, and all persons claiming by, through or under them covenant and agree that any future amendments or supplements to the said laws having the effect of removing said invalidity, voidability or unenforceability, shall be deemed to apply retrospectively to this instrument thereby operating to validate the provisions of this instrument which otherwise might be invalid and it is covenanted and agreed that any such amendments and supplements to the said laws shall have the effect herein described as fully as if they had been in effect at the time of the execution of this instrument.

XVI. CONTROLLING LAW

The terms of this Agreement shall be interpreted under the laws of the State of New Jersey.

AFFORDABLE HOUSING AGREEMENT

THIS AGREEMENT is made on this 17th day of March 2022 by and between the **TOWNSHIP OF MILLSTONE**, a municipal corporation of the State of New Jersey, with offices at 470 Stage Coach Road (“Millstone” and/or “Township”) and **AFFORDABLE HOUSING ALLIANCE**, a New Jersey non-profit housing corporation, with offices at 3636 Route 66, Building 4, Neptune, NJ 07753 (“AHA”).

- A. Southern Burlington County NAACP vs. Mount Laurel, 92 N.J. 158 (1983) (“Mount Laurel II”) and the New Jersey Fair Housing Act, N.J.S.A. 52:27D-301, et seq. (“FHA”) require the Township, as well as most other municipalities in New Jersey, to create a realistic opportunity for the provision of low and moderate income housing (“Affordable Housing Alliance”) during the third housing cycle spanning from January 1, 2004 to July 1, 2025
- B. AHA is an experienced non-profit developer of affordable housing that operates in Monmouth County and that has expressed an interest, either by itself or as a managing member of an affiliated New Jersey Limited Liability Company (LLC) as described below, in paragraph six (6) of this Agreement, in constructing, owning, operating and maintaining three (3) affordable special needs and supportive services rental units in Millstone to assist the Township, in whole or in part, in addressing its third cycle affordable housing obligations if the Township will make a suitable property available for a municipally sponsored 100% affordable rental project (the “Project”).
- C. The Township accepts AHA’s proposal and the purpose of this Agreement is to memorialize the parties’ understandings and commitment with respect to the foregoing.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. **RECITALS.**

The Recitals set forth above are incorporated by reference herein as set forth herein at length.

2. **PURPOSE OF AGREEMENT**

The express purpose of this Agreement is to facilitate the construction, ownership, operation and management of an income-restricted rental housing project containing three (3) units to assist Millstone Township in satisfying its affordable housing mandates on a suitable parcel of property that the Township owns and will make available to AHA for this purpose.

3. **THE DEVELOPMENT SITE.**

The Township has already acquired title to property located at 6 Novad Court and identified as Block 57.01, Lot 20.01 (“6 Novad Court” or “Property”). The Township and AHA

are already entered into a lease agreement on this property, which has 31 years remaining. At a later date, the lease agreement will be amended, as it currently only allows for rehabilitation for existing improvements.

There is currently a vacant single family home on the property. That home is to be demolished prior to construction.

4. **THE DEVELOPMENT APPROVAL PROCESS.**

AHA agrees to work with the Township's staff to develop the above-noted site as a 3 unit affordable rental housing project for a homeless/formerly homeless special needs population. The Township shall designate a staff member to be the Township's primary liaison to AHA.

5. **EXISTING LEASE**

There is an existing ground lease between Millstone Township and the Affordable Housing Alliance. This was executed on January 6, 2003, and set to be in place for 50 years. The Township and AHA agree that this lease will need to be amended in order to allow for the construction of the aforementioned project.

The property has also been tax exempt. The Township agrees that will continue for the duration of the amended lease.

6. **TOWNSHIP SUPPORT**

The AHA will be applying for funding from various sources, including but not limited to the New Jersey Department of Community Affairs and Monmouth County. The Township agrees to support these efforts.

7. **DEFAULT.**

In the event that any party shall fail to perform any undertaking required to be performed by it pursuant to the terms of this Agreement, unless such obligation is waived in writing by the party or parties for whose benefit such obligation was intended, such failure to perform shall constitute an event of default under this Agreement. **IN THE MATTER OF
APPLICATION NO. PB 22-04
OF MILLSTONE TOWNSHIP
BLOCK 57.01 LOT 20.01**

**RESOLUTION GRANTING
PRELIMINARY & FINAL SITE
PLAN APPROVAL WITH
VARIANCES**

WHEREAS, MILLSTONE TOWNSHIP, hereinafter the "Applicant", has proposed the development of property located on 6 Novad Court, in the Township of Millstone, County of Monmouth and State of New Jersey, which property is further known and designated as Block 57.01, Lot 20.01 on the Tax Map of the Township of Millstone; and

WHEREAS, the Applicant has applied to the Planning Board of the Township of Millstone for preliminary and final major site plan approval to demolish an existing single family affordable residence and construct a 3-2 bedroom unit building for very low income families requiring a variance for lot area of 25,747.82 square feet where 30,000 square feet is required. The foregoing is contrary to the provisions of Chapter XXXV, Article 5, Section 35-5-7.7 of the Land Use and Development Regulations of the Township of Millstone; and

WHEREAS, the subject property is located in the R-130 Zoning District and the residential development of affordable housing is a permitted use in the zone; and

WHEREAS, the Applicant appeared before the Planning Board of the Township of Millstone on September 14, 2022 due notice of said meeting having been given in accordance with New Jersey Statutes, the Open Public Meetings Act and the Municipal Land Use Law and a quorum of the Planning Board being present the request for preliminary and final site plan approval with variances was heard: and

WHEREAS, the Applicant's witnesses were sworn and the Planning Board having heard the testimony of the Applicant's witnesses and having examined the Exhibits presented by the Applicant and having considered all of the evidence presented in favor of or in opposition to the application, the Planning Board has made the following findings of fact:

1) The Planning Board has received and reviewed the following documents, exhibits and reports:

1.1 Jurisdictional Notice (Proof of Service) Packet, marked as Exhibit A-1 in evidence.

1.2 Application & Administrative Forms of the Applicant, marked as Exhibit A-2 in evidence.

1.3 Preliminary & Final Site Plan prepared by Leon S. Avakian, Inc. consisting of five (5) sheets, dated August 22, 2022, marked as Exhibit A-3 in evidence.

1.4 Architectural Floor Plans, Elevations & Renderings prepared by Gregory Ralph, Architect consisting of four (4) sheets, dated August 23, 2022, marked as Exhibit A-4 in evidence.

1.5 Aerial Display from Google Earth Image, marked as Exhibit A-5 in evidence.

2) The premises in question are located at 6 Novad Court Road, in the Township of Millstone, County of Monmouth and State of New Jersey which property is further known and designated as block 57.01 lot 20.01 on the tax map of the Township of Millstone.

3) The subject property is located in the R-130 Zone District and residential affordable housing developments are a permitted use in the zone.

4) The subject property has approximate dimensions of 89.94 ft. x 19.06 ft. x 56.57 ft. x 274.30 ft. x 51.50 ft. x 21.30 ft. x 225.71 ft. and is substantially irregular in shape with an approximate area of 25,747.82 square feet (0.59 acres). The property is presently developed with an existing one-story residential dwelling and masonry garage which are proposed to be

demolished and replaced with a new one story multifamily residential building with three-two-bedroom units along with a parking lot with seven parking spaces including one handicap parking space.

5) The Applicant was represented by Dennis Galvin, Esq. who presented the testimony of Sam Avakian, a licensed professional engineer, professional land surveyor and professional planner in the State of New Jersey and McKinley Mertz a licensed professional planner in the State of New Jersey. Mr. Avakian testified as to the existing conditions being an existing one story one family residential unit which will be demolished and replaced with a new building with three two-bedroom units. He testified that the proposed seven parking spaces exceeds the RSIS requirement and includes one handicap parking space as required. He further testified that the drainage of the site will not change as the proposed building will only slightly exceed the footprint of the structure that it is replacing. He further testified that existing trees and landscaping will be retained and noted that the architecture of the new building will mimic a single-family residential home. He advised that there will be no signage on the property and opined that the proposed improvements will have no negative impact from an engineering standpoint or from a neighborhood impact point as it will be well screened from adjacent properties, will be significant distance from adjacent improvements and will have no negative stormwater impact.

6) Ms. Mertz testified that the lot is a preexisting undersized lot and that the adjacent properties are developed so that additional property cannot be obtained in order to make it more conforming. She noted that the use proposed is a permitted municipally sponsored affordable housing project and that it is an inherently beneficial use that satisfies the positive criteria for the grant of the requested variance relief. She further testified that the proposed building will be placed substantially on the same footprint as the existing building with minor exception which is de minimis. She also opined that the lot can accommodate the proposed improvements without detrimental impact upon the adjacent properties. Moreover, since this is an inherently beneficial use and will promote the municipality's Housing Element and Fair

Share Plan, it will provide benefit promoting the intent and purpose of the municipal land use law as the proposed use is a permitted use in the zone and is appropriate for the use and development of the subject property and will promote the public health, safety, morals and general welfare by providing affordable housing for low and moderate income persons. It is also providing this permitted use in an appropriate location to provide affordable residential housing within the township. In addition, the witnesses testified as to the attractive architectural design which will promote a desirable visual environment.

7) The Planning Board finds that the Applicant has satisfied the positive criteria for the grant of the requested variance relief. The Planning Board finds that it agrees with the Applicant's witnesses that the proposed affordable housing use is an inherently beneficial use and will promote the purposes of the municipal master plan and the zoning ordinance by providing for affordable housing within the township. In addition, there is a hardship associated with the property as it is a preexisting undersized lot, and the surrounding parcels are already developed so that no additional land is available. The Planning Board further agrees with Ms. Mertz that the grant of the requested variance relief will promote the purposes of the municipal land use law as set forth previously herein. Consequently, the Planning board finds that the positive criteria has been satisfied for both a C-1 hardship and a C-2 planning variance.

8) The Planning Board further finds that the grant of the requested variance relief will not result in any substantial detriment to the public good. The Planning Board finds from the testimony and Exhibits submitted that the proposed development will not have any significant impact upon the surrounding properties in the neighborhood and will be well screened from adjacent development. Moreover, it will not have any negative engineering impacts and will retain the same drainage stormwater management characteristics as currently exist. Moreover, the proposed architectural features will mimic the existing residence on the property and will result in a continuation of existing conditions so that there will not be any

substantial impact upon the neighborhood and any impacts will be de minimis and insubstantial.

9) The Planning Board further finds that the grant of the requested variance relief will not result in any substantial impairment of the zone plan or zoning ordinance. The municipal master plan encourages the development of affordable housing as does the ordinance and therefore the proposal is consistent with the purposes of the municipal zone scheme therefore, there is no negative impact upon the master plan or the zone plan.

10) The Planning Board further finds that the Applicant has submitted a site plan and such other information as is reasonably necessary to make an informed decision as to whether the requirements necessary for site plan approval have been met. The Planning Board further finds that the detailed drawings, specifications and estimates of the application for final approval conform to the standards established by ordinance final approvals and that preliminary and final approval can and should be granted at this time.

11) The Planning Board finds that all property owners within 200 ft. of the premises in question were given proper notice of the hearing of this application and were provided with an opportunity to present testimony and evidence in support of or in opposition to the application.

NOW, THEREFORE, BE IT RESOLVED by the Planning Board of the Township of Millstone on this 12th day of October, 2022, that the application of **MILLSTONE TOWNSHIP** be and is hereby approved, which approval shall be and is expressly conditioned upon compliance with the following terms and conditions:

The use of any excess funds shall be subject to approval by COAH and may only be used to produce or rehabilitate low and/or moderate income units or for a capital expenditure ancillary to or benefiting low and moderate income households.

(B) All interest generated from the RCA funds and retained by the City may only be utilized for an eligible housing activity under COAH's rules and may not be used to exceed the 20 percent cap on administration.

(C) The City agrees to place all unencumbered funds received from The Township in a separately established interest-bearing account. All interest earned on this account shall be utilized in conformance with and to accomplish the purposes of this Agreement.

(D) The City may apply a portion of the funds received from The Township to defray the costs of administration incurred by the City in order to provide the housing units called for in this Agreement, within the guidelines established by COAH. In no event shall more than 20 percent of the funds be used for administrative costs.

(E) After the Township sends all the monies contemplated by this agreement and after the City completes all rehabilitations contemplated by this agreement, the City shall return to the Township any surplus funds it previously received.

(F) The City shall issue a monthly status report to COAH and the Township.

(G) The City shall ensure that any individual or household whose unit is rehabilitated pursuant to this Agreement shall execute a mortgage to ensure the continuing affordability of the units and to require the individual or household to reimburse the monies paid to rehabilitate the unit in the event the household violates the terms of the mortgage. If monies are reimbursed as a result of a violation, the City shall apply those monies to other units that are the subject of this Agreement.

(H) For scattered site rehabilitation of occupied units, the Receiving Municipality will expend a minimum average of \$16,000 per unit for hard costs.

(I) The Receiving Municipality will establish a separate escrow account for all monies received pursuant to the RCA.

(J) The Receiving Municipality will enter into a separate agreement with COAH that permits COAH to effectively monitor disbursements of the funds received pursuant to the RCA.

ARTICLE 5: TERMS OF AGREEMENT

This Agreement shall have a term of six years, commencing on the later of (1) the date of approval of this Agreement by COAH or (2) the date COAH certifies the Township's cumulative plan. In the event of any delays in anticipated performance by the City, the term shall, to the extent permitted by COAH, be extended accordingly. The City shall make all reasonable efforts to satisfy its obligations under this Agreement within six years of the date of approval of this Agreement by COAH. The Township shall satisfy its obligations by issuance of payment to the City as specified in Article 2.

ARTICLE 6: REPORTS

The following reports will be the responsibility of the City:

(A) The City will file semi-annual reports with the Township, the New Jersey Housing and Mortgage Finance Agency and the New Jersey Council on Affordable Housing setting forth its progress in implementing this Agreement, as required by N.J.A.C. 5:92-11.2(e).

(B) The City will provide required reports to the New Jersey Council on Affordable Housing of the draw down of funds by the City under this Agreement.

ARTICLE 7: PROJECT PLAN

Housing to be provided hereunder will be developed in accordance with a project plan which the City will prepare and file with the New Jersey Housing and Mortgage Finance Agency (sometimes "HMFA") and the New Jersey Council on Affordable Housing. The City retains the right to amend said project plan, if necessary, to reflect changed conditions, subject to approval by the New Jersey Housing and Mortgage Finance Agency and the New Jersey Council on Affordable Housing. The Township agrees to accept any changes required by the New Jersey Housing and Mortgage Finance Agency and the New Jersey Council on Affordable Housing, provided it does not affect the number of credits generated by this Agreement to the Township's fair share obligation, or require any modification to the schedule or maximum payment contemplated by this Agreement and the payment schedule set forth in Article 2(B). In the event the Project Plan prepared and agreed upon by the City is not acceptable to COAH, the HMFA or the County of Monmouth, the City shall have the right to cancel or rescind this Agreement if and only if COAH permits the Township to substitute one or more RCA's for the units that would have otherwise been provided via this RCA.

ARTICLE 8: CREDIT TO THE HOUSING ELEMENT

The City of Asbury agrees that it shall not claim credit toward its low and moderate income housing obligation for any low or moderate income units, as defined by the Fair Housing Act, N.J.S.A. 52:27D-301 et seq., created by the City pursuant to this Agreement, but that any and all such credit shall inure to the benefit of The Township. All housing provided pursuant to this Agreement will be permanently identified in the appropriate records of the City as having been constructed to meet the fair housing obligation of The Township.

ARTICLE 9: PROJECT PLAN APPROVALS

The Township and the City acknowledge that the project plan for housing hereunder must be submitted to and approved by the New Jersey Housing and Mortgage Finance Agency.

ARTICLE 10: MODIFICATION

The Township and the City agree that this Agreement shall not be modified without prior approval of the New Jersey Council on Affordable Housing and the New Jersey Housing and Mortgage Finance Agency.

ARTICLE 11: INCONSISTENCIES

This Agreement constitutes the entire Agreement between the parties and may only be modified by a duly authorized and approved written Supplemental Agreement. In the event of any inconsistencies between this Agreement and any other document executed between The Township and the City, or any representations made by either party to the Agreement, this Agreement shall control.

ARTICLE 12: INTERPRETATION

This Agreement shall be interpreted and construed in accordance with the laws of the State of New Jersey as well as the intent of the parties hereto, which intent is that The Township shall pay the funds specified herein to the City as contribution for the rehabilitation of low and moderate income housing units with the City, and that The Township shall receive in consideration therefor credit for each of the units that it shall pay to be rehabilitated by the City toward the Fair Share Housing obligation of The Township.

ARTICLE 13: FURTHER ASSURANCES

The Township and the City agrees to prepare and execute any further documents and to take any further action which may reasonably be required by the other in order to fully effectuate and implement the terms and conditions of this Agreement.

ARTICLE 14: CHANGE IN LAW

In the event of any change in law that diminishes the Township's fair share responsibilities, the Township shall have the right to modify this Agreement provided that the City has not committed funds pursuant to this Agreement to low and moderate income households.

ARTICLE 15: CHANGE IN PLAN OVER COURSE OF TOWNSHIP'S LITIGATION

The parties acknowledge that the Township and its planning board have adopted a housing element and fair share plan to address the Township's 12 year obligation and are in the process of seeking COAH's approval of same.

ARTICLE 16: EFFECTIVE DATE

The effective date of this Agreement shall be the later of (a) the date the Agreement shall have been executed by The Township and the City; (b) the date the Regional Contribution Agreement shall

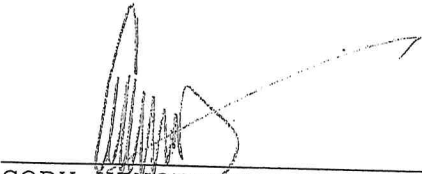

have been approved by the County of Monmouth, the New Jersey Housing & Mortgage Finance Agency, and the New Jersey Council on Affordable Housing in conjunction with the Township's efforts to secure substantive certification for its cumulative Housing Element and Fair Share Plan.

RE: Proposed RCA Between Millstone Township and City of
Asbury Park

Dear Mr. Boral:

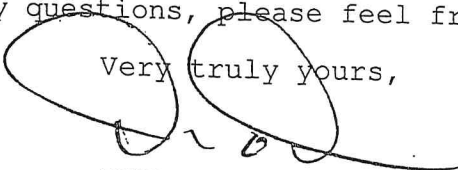

Enclosed herein please find a revised Regional Contribution Agreement between the Township of Millstone and the City of Asbury Park. There are two changes, one is merely form, the other substantive. The charges are:

1. The form change results in the City of Asbury Park being referred to consistently as "City" and Millstone Township being referred to consistently as "Township".
2. The substantive change is to reduce the maximum number of RCA units from 49 to 46 and the minimum number of RCA units from 39 to 36. The maximum number of RCA units that Millstone Township may send out is 46 and not 49.

If the Agreement is satisfactory, could you please have the appropriate Resolution adopted by your Mayor and Council and have an original and two copies of the Regional Contribution Agreement executed and returned to me for execution by Millstone Township?

If you should have any questions, please feel free to contact me.

Very truly yours,

DUANE O. DAVISON,

GROUP HOME I, 31 BURNT TAVERN ROAD (6 UNIT GROUP HOME)

The subject property is a .996-acre (43,406 sq. ft.) parcel located on Burnt Tavern Road in the southwesterly portion of Millstone Township in close proximity to Monmouth County Route 537 and Interstate Highway Route 195. The property is further known and designated as Block 57, Lot 16.02 on the Tax Map of the Township of Millstone.

The property is a portion of property acquired by the Township of Millstone from CRI Northwestern I Trust, et al, by Declaration of Taking filed on March 24, 2003 in the Superior Court of New Jersey, Monmouth County, Law Division under Docket No. L-1272-03 and recorded in the office of the Monmouth County Clerk on March 27, 2003 in Book OR-8207 at Page 6810. The property was subsequently subdivided which subdivision was perfected by deed from Millstone Township to Millstone Township dated November 29, 2007 and recorded in the office of the Monmouth County Clerk on December 18, 2007 in Book OR-8693 at Page 9045.

The subject property was subsequently conveyed by Millstone Township to the Affordable Housing Alliance, Inc. by deed dated June 5, 2008 and recorded in the office of the Monmouth County Clerk on July 7, 2008 in Book OR-8730 at Page 2700. Said conveyance was subject to Restrictions and Covenants as contained in a certain Lease of Property for Affordable Housing dated January 3, 2003 between the Township of Millstone and the Affordable Housing Alliance attached to the deed. The Lease required the property to be rehabilitated and managed for low- and/or moderate-income residents meeting the guidelines established by COAH as same may be amended from time to time. The lease term is for fifty (50) years. The lease included an Option to Purchase with a right of reversion to the Township if the management or operation is not continued consistent with the Lease Restrictions.

The facility was constructed with loan funds received from the New Jersey Housing and Mortgage Finance Agency secured by a Financing, Deed Restriction and Regulatory Agreement recorded in the office of the Monmouth County Clerk on July 3, 2013 in Book OR-9022 at Page 9086. That document also requires that 100% of the units be occupied by low-income tenants at less than 50% of the area median income for a term of thirty (30) years.

Construction was completed and a Certificate of Occupancy issued on December 5, 2013 for occupancy by six (6) persons. The facility is in operation in accordance with the applicable covenants and restrictions.

LEASE OF PROPERTY FOR AFFORDABLE HOUSING

THIS LEASE ("Lease") entered into as of this 6 day of January, 2003
by and between the Township of Millstone ("Township") and Monmouth Housing Alliance, a
New Jersey non-profit organization with its principal office located at
("Tenant").

Background

A. Township is about to be the owner in fee simple of a parcel of land located in the Township of Millstone, County of Monmouth and State of New Jersey, also designated as Lot 16.01, Block 57, 25 Burnt Tavern Road, in Township (the "Property").

B. Tenant is in the business of consultation, development and management of affordable housing and desires to lease the Property from Township and rehabilitate, refurbish and manage the Property as described below.

C. Township desires to lease the Property to Tenant for the purpose described below.

D. Accordingly, the parties are entering into this Lease on the terms and conditions set forth below.

Agreement

In consideration of the mutual covenants contained in this Lease, the parties agree as follows:

1. Leased Property. Township leases to Tenant and Tenant leases from Township the Property.

2. Ordinance Authorizing Lease. Entry into this Lease by the Township is authorized by N.J.S.A. 40A:12-14(c), N.J.S.A. 40A:12-15(i) and N.J.S.A. 52:27D-311a(5). Tenant understands that Township has, prior to execution of this Lease, adopted the Ordinance prescribed by N.J.S.A. 40A:12-14(c). Such statute provides in pertinent part:

"In the case of a Lease to a non-profit corporation or association for a public purpose, the lease shall be authorized by...Ordinance.....Said Ordinance...shall require any non-profit corporation holding a lease for a public purpose pursuant to this Section, to annually submit a report to the officer, employee or agency designated by the Governing Body, setting out the use to which the leasehold was put during each year, the activities of the lessee undertaken in furtherance of the public purpose for which the leasehold was granted; the approximate value or cost, if any, of such activities in furtherance of such purpose; and an affirmation

of the continued tax-exempt status of the non-profit corporation pursuant to both State and Federal law.”

Tenant understands and agrees to abide by the reporting requirements of said statute.

3. Term of the Lease. Pursuant to N.J.S.A. 40A:12-15, the term of this Lease shall be for fifty (50) years.

4. Condition Precedent to Lease. It is understood by Tenant that Township has adopted an Ordinance authorizing the exercise of eminent domain to acquire a fee simple title (“Title”) to the Property. Township declares that it is its intention to undertake all reasonable effort to acquire such Title and shall diligently pursue doing same. This Lease is specifically contingent upon the Township acquiring Title to the Property.

5. Rent. Tenant shall pay Township as rent for the Property each year during the term of this Lease the sum of One Dollar (\$1.00).

6. Use of Property. Tenant will rehabilitate and manage the Property to provide at least nine (9) bedrooms for low and/or moderate income residents. Use of the Property by Tenant shall adhere to the following conditions and restrictions which are deemed by the Township and understood by the Tenant as being integral and essential to this Lease:

a.) The Property will be occupied only by residents who:

1.) Are over the age of eighteen (18) years; and

2.) Meet low and moderate income guidelines as established by the New Jersey Council on Affordable Housing (“COAH”) and as same may be amended from time to time by COAH; and

3.) Have no criminal history, history of drug use, or history of violent behavior; or

4.) Are members of Tenant’s staff necessary for the oversight and management of the residents and the Property; this shall be deemed to include allowing a

Manager's unit to be erected, renovated or maintained on the Property. It is understood that the manager's unit will not be eligible for COAH credit.

b.) The Property will be operated and managed as follows:

1.) In a manner to result in the Township's receiving a eighteen (18) unit credit from COAH toward the Township's fair share low and moderate income housing allocation. (i.e., one credit for each unit occupied by a low and/or moderate resident multiplied by a rental bonus factor of two (2)) (the "COAH Credit")

2.) As a "dry" facility, meaning that Tenant will adopt and enforce a policy prohibiting the possession or consumption of alcoholic beverages on the Property.

3.) To enforce against any activity or conduct in violation of the laws and regulations of any governmental entity.

4.) As a Class A boarding home licensed under the authority and pursuant to all regulations of the New Jersey Department of Consumer Affairs.

5.) In compliance with the Federal Fair Housing Act and the New Jersey Fair Housing Act.

6.) To prohibit any activity of a nonresidential nature or which is incompatible with the

residential neighborhood in which
the Property is located.

c.) Tenant will file any and all reports pertaining to the management of the Property with COAH and any other agencies which may be, from time to time required, for the Township to maintain its COAH Credits eligibility.

d.) The Tenant will undertake any and all other action pertaining to the management of the Property which is necessary in order for the Township to maintain its COAH Credits eligibility.

7. Tenant Improvements.

a.) Tenant may, at its sole cost and expense, improve the Property by rehabilitating and refurbishing the residential house and any related ancillary support facilities and structures on the Property. Prior to commencing construction, Tenant shall submit plans and specifications for all improvements to Township for Township's written approval, such approval not to be unreasonably withheld. No improvement, construction, installation or alteration shall be commenced until plans for such work have been approved by the Township and all necessary permits have been properly issued.

b.) Prior to commencing construction, Tenant shall also provide Township with the name of the contractor that will be constructing the improvements. The contractor is subject to the prior written approval of Township, such approval not to be unreasonably withheld. All improvements shall be constructed in a workmanlike manner and shall be completed in compliance with all applicable laws, rules, ordinances and regulations.

c.) The Township and the Tenant may mutually agree to expansion of the facility or new construction on the property.

8. Net Lease. Township shall not be required to make any expenditures of any kind in connection with this Lease or to make any repairs or improvements to the Property.

9. PILOT Agreement. Tenant will enter into an agreement with the Township to make payments in lieu of taxes ("PILOT") in an amount of up to three (3%) percent of the gross operating income, so long as Tenant's operations qualify for real property tax exemption. This amount is not to exceed the Township's share of the property tax that would have applied had the Tenant not been exempt from real property taxes. Each January of each odd numbered year the

Tenant and Township shall renegotiate the PILOT payment amount based upon the audited financial statements of the Tenant for the previous 24 months. The PILOT will commence upon issuance of a Certificate of Occupancy and initial full occupancy. For purposes of this Lease provision, "full occupancy" shall mean each of the nine (9) bedrooms are initially occupied.

10. Signs. Tenant may place signs on the Property subject to applicable governmental regulations; however, Tenant shall first obtain the Township's written consent to design, size, location and text.

11. Maintenance. Tenant shall, at its own expense, maintain the Property and all improvements, equipment and other personal property on the Property in good working order, condition and repair. Tenant shall keep the Property free of debris and anything of a dangerous, noxious or offensive nature or which would create a hazard or source of undue vibration, heat, noise or interference.

12. Access. Township and its agents shall have the right to enter the Property at reasonable times to examine and inspect the common areas of the Property. "Common areas" shall mean all areas of the Property except bedrooms actually leased out by the Tenant to the boarder ("Bedrooms"). The Township shall have the right to inspect Bedrooms if just cause to suspect a violation of this Lease exists. Any right given Township to enter the Property shall be exercised only during ordinary business hours, and on reasonable advance notice to Tenant, except if Township shall have reasonable ground to believe an emergency exists or is threatened, in such instance Township shall be entitled to take such actions and to proceed at such times that Township shall deem appropriate.

The inspection provisions set forth herein apply to the Township only in its capacity as Landlord and shall not be deemed to affect any rights of access and inspection which the Township has as a governmental entity as to all properties within its borders.

13. Utilities. Tenant shall be responsible for obtaining any utility service to the Property that it desires. Tenant shall pay when due all charges for utilities to the Property during the term of the Lease.

14. License Fees. Tenant shall pay, as they become due and payable, all fees, charges, taxes (subject to paragraph 9) and expenses required for licenses and/or permits required for or occasioned by Tenant's use of the Property.

15. Zoning. The Township agrees that 1.) because this is a municipally owned property, the Township will determine that it is exempt from zoning restrictions; or 2.) the Township agrees to initiate and/or maintain zoning regulations which will permit the use of the Property as contemplated in this Lease.

16. Violation of Lease, Notice, Time to Cure. Township understands that, in reliance upon Tenant's rights and privilege under this Lease, Tenant will be expending significant funds

in rehabilitating the Property. Likewise, Tenant understands the Township's interest in and expectation that the Tenant's operation and management of the Property will result in the Township receiving eighteen (18) affordable housing credits toward its fair share obligation as determined by COAH. Therefore, in the event Township reasonably believes, in good faith, that Tenant is violating a provision of this Lease (a "Default"), Township shall serve written notice upon Tenant, as well as any other party, which was notified by the Township by certified mail, return receipt requested that it has an interest in Township's rights under this Lease (i.e. Lender), identifying with specificity each provision of the Lease which Township contends Tenant is violating (the "Notice"). Tenant shall have thirty (30) days from receipt of the Notice to cure the Default, unless, in spite of diligent effort, a longer time to cure is necessary. In such case, Tenant shall have a reasonable additional time, not to exceed an additional ninety (90) days to cure the Default. Notwithstanding the foregoing provisions relating to curing a Default, if the Default alleged is that the Property is being managed in such a way that Township's Credits are jeopardized, Tenant must cure the Default immediately. Confirmation from COAH that the Township's Credits are jeopardized by reason of the management of the Property shall be irrefutable evidence of a Default under this Lease.

It is agreed and understood that the Township does not waive any violation of the terms and conditions of this Lease because it either 1.) fails to serve Notice, or 2.) fails to specify a particular violation in any Notice.

If suit shall be brought by Township for recovery of possession of the Property, for the breach of any covenant of this Lease, the unsuccessful party shall pay to the prevailing party all expenses incurred therefor, including reasonable attorney fees.

17. Cure by Township. In the event of any default of this Lease by Tenant, the Township may at any time, after notice, cure the default for the account of and at the expense of the Tenant. If Township is compelled to pay or elects to pay any sum of money or to do any act which will require the payment of any sum of money or is compelled to incur any expense, including reasonable attorney fees in instituting, prosecuting or defending any action to enforce the Township's rights under this Lease, the sums so paid by Township, with all interest, costs and damages shall be due from the Tenant to Township on the first day of the month following the incurring of the respective expenses.

18. Condemnation. In the event the Property is taken by eminent domain, this Lease shall terminate as of the date title to the Property vests in the condemning authority. In the event a portion of the Property is taken by eminent domain so as to materially hinder effective use of the Property by Tenant, either party shall have the right to terminate this Lease as of said date of title transfer, by giving thirty (30) days' written notice to the other party. In the event of any taking under the power of eminent domain, Tenant and Township shall share the net award on a pro rata basis, as explained hereafter. "Net Award" shall mean the amount of the condemnation award paid by the condemning entity after reduction for all costs of defending against the condemnation action, including but not limited to filing fees, appraisal costs, costs of experts,

attorneys fees and other litigational costs. The pro rata division shall be based on the following formula:

a.) Tenant's Share - $\frac{\text{Tenant's Cost}}{\text{Total Property Cost}} \times \text{Net Award}$

b. Township' Share $\frac{\text{Township's Cost}}{\text{Total Property Cost}} \times \text{Net Award}$

In the foregoing formula, "Tenant's Cost" shall mean Tenant's expenditures for capital improvements to the Property as set forth in audited statements or cost certifications, but not including operational costs; "Township's Cost" shall mean the Township's expenditures in acquiring the Property, including the purchase price, costs of title search/insurance, environmental investigations, surveys, attorneys fees related to the purchase and other incidental costs directly related to Township's acquisition of title to the Property; "Total Property Costs" shall mean the sum of "Tenant's Costs" and "Township's Costs". Township shall give notice to Tenant of any eminent domain action and allow Tenant to participate in the defense and any settlement discussions.

19. Indemnity and Insurance.

a.) Disclaimer of Liability: Township shall not at any time be liable for injury or damage occurring to any person or property from any cause whatsoever arising out of Tenant's construction, maintenance, repair, use, operation or condition of the Property.

b.) Indemnification: Tenant shall, at its sole cost and expense, indemnify and hold harmless Township and all associated, affiliated, allied and subsidiary entities of Township, now existing or hereinafter created, and their respective officers, boards, commissions, employees, agents, attorneys, and contractors, elected or appointed (hereinafter referred to as "Indemnitees"), from and against:

i. Any and all liability, obligation, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and consultants), which may be imposed upon, incurred by or be asserted against the Indemnitees by reason of any act or omission of

Tenant, its personnel, employees, agents, contractors or subcontractors, resulting in personal injury, bodily injury, sickness, disease or death to any person or damage to, loss of or destruction of tangible or intangible property, libel, slander, invasion of privacy and unauthorized use of any trademark, trade name, copyright, patent, service mark or any other right of any person, firm or corporation, which may arise out of or be in any way connected with the construction, installation, operation, maintenance, use or condition of the Property or the Tenant's failure to comply with any federal, state or local statute, ordinance or regulation.

ii. Any and all liabilities, obligations, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and other consultants), which are imposed upon, incurred by or asserted against the Indemnitees by reason of any claim or lien arising out of work, labor, materials or supplies provided or supplied to Tenant, its contractors or subcontractors, for the installation, construction, operation, maintenance or use of the Property and, upon the written request of Township, Tenant shall cause such claim or lien covering Township's property to be discharged or bonded within thirty (30) days following such request.

iii. Any and all liability, obligation, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and consultants), which may be imposed upon,

incurred by or be asserted against the Indemnitees by reason of any financing or securities offering by Tenant or its affiliates for violations of the common law or any laws, statutes, or regulations of the State of New Jersey or United States, including those of the Federal Securities and Exchange Commission, whether by Tenant or otherwise.

iv. Tenant's obligation to indemnify Indemnitees under this Lease shall extend to claims, losses, and other matters covered hereunder that are caused or contributed to by the negligence of one or more Indemnitees.

c.) Assumption of Risk: Tenant undertakes and assumes for its officers, agents, affiliates, contractors and subcontractors and employees (collectively "Tenant" for the purpose of this Section), all risk of dangerous conditions, if any, on or about the Property, and Tenant hereby agrees to indemnify and hold harmless the Indemnitees against and from any claim asserted or liability imposed upon the Indemnitees for personal injury or property damage to any person (other than from Indemnitee's gross negligence) arising out of the Tenant's installation, operation, maintenance, condition or use of the Property or Tenant's failure to comply with any federal, state or local statute, ordinance or regulation.

d.) Defense of Indemnitees : In the event any action or proceeding shall be brought against the Indemnitees by reason of any matter for which the Indemnitees are indemnified hereunder, Tenant shall, upon notice from any of the Indemnitees, at Tenant's sole cost and expense, resist and defend the same with legal counsel mutually selected by Tenant and Township; provided however, that Tenant shall not admit liability in any such matter on behalf of the Indemnitees without the written consent of Township and provided further that Indemnitees shall not admit liability for, nor enter into any compromise or settlement of, any claim for which they are indemnified hereunder, without the prior written consent of Tenant.

e.) Notice, Cooperation and Expenses: Township shall give Tenant prompt notice of the making of any claim or the commencement of any action, suit or other proceeding covered by the provisions of the preceding Section. Nothing herein shall be deemed to prevent Township from cooperating with Tenant and participating in the defense of any litigation by Township's own counsel.

If Tenant requests Township to assist it in such defense then Tenant shall pay expenses incurred by Township in response thereto, as agreed upon at that time. This shall include Township defending itself with regard to any such actions, suits or proceedings. These expenses shall include all out-of-pocket expenses such as attorney fees and shall also include the costs of any services rendered by the Township's attorney, and the actual expenses of Township's agents, employees or expert witnesses, and disbursements and liabilities assumed by Township in connection with such suits, actions or proceedings.

If Tenant does not request Township to assist it in such defense, then each party shall pay all of its expenses in response thereto, including defending itself with regard to any such actions, suits or proceedings. These expenses shall include all out-of-pocket expenses such as attorney fees and shall also include the costs of any services rendered by the Township's attorney, and the actual expenses of Township's agents, employees or expert witnesses, and disbursements and liabilities assumed by Township in connection with such suits, actions or proceedings.

f.) Insurance. During the first five (5) years of the Lease, Tenant shall maintain, or cause to be maintained, in full force and effect and at its sole cost and expense, the types and limits of insurance enumerated below. On or about every five (5) year anniversary, the insurance requirements will be reviewed so that changes in insurance rates may be reflected:

i. Workers' compensation insurance meeting applicable statutory requirements and employer's liability insurance with minimum limits of One Million Dollars (\$1,000,000) for each accident.

ii. Comprehensive commercial general liability insurance with minimum limits of One Million Dollars (\$1,000,000) on the property plus a Three Million Dollar (\$3,000,000) umbrella policy on all of Tenant's properties as the combined single limit for each occurrence of bodily injury, personal injury, death and property damage. The policy shall provide blanket contractual liability insurance for all written contracts, and shall include coverage for products and completed operations liability, independent contractor's liability; coverage for property damage from perils of explosion, collapse or damage to underground utilities, commonly known as XCU coverage.

iii. Tenant shall provide a separate owner's contractors protective policy meeting the preceding requirements with Township as a named insured.

iv. Liability insurance for sudden and accidental environmental contamination with minimum limits of One Million Dollars (\$1,000,000) and providing coverage for claims discovered within three (3) years after the term of the policy.

v. Automobile liability insurance covering all owned, hired, and non-owned vehicles in use by Tenant, its employees and agents, with personal protection insurance and property protection insurance to comply with the provisions of state law with minimum limits of One

Million Dollars (\$1,000,000) as the combined single limit for each occurrence for bodily injury and property damage.

vi. At the start of and during the period of any construction, builders all-risk insurance, together with an installation floater or equivalent property coverage covering cables, materials, machinery and supplies of any nature whatsoever which are to be used in or incidental to the construction of any improvements. Upon completion of the improvement, Tenant shall substitute for the foregoing insurance policies of fire, extended coverage and vandalism and malicious mischief insurance on the Property. The amount of insurance at all times shall be representative of the insurable values installed or constructed.

vii. All policies and other than those for Workers' Compensation and environmental contamination shall be written on an occurrence and not on a claims made basis.

viii. The coverage amounts set forth above may be met by a combination of underlying and umbrella policies so long as in combination the limits equal or exceed those stated.

g.) Named Insureds: All policies, except for and workers' compensation policies, shall name Township and all associated, affiliated, allied and subsidiary entities of Township, now existing or hereafter created, and their respective officers, boards, commissions, employees, agents and contractors, as their respective interests may appear as additional insureds (herein referred to as the "Additional Insureds"). Each policy which is to

be endorsed to add Additional Insureds hereunder, shall contain cross-liability wording, as follows:

"In the event of a claim being made hereunder by one insured for which another insured is or may be liable, then this policy shall cover such insured against whom a claim is or may be made in the same manner as if separate policies had been issued to each insured hereunder."

h.) Evidence of Insurance. Certificates of insurance for each insurance policy required to be obtained by Tenant in compliance with this paragraph, along with written evidence of payment of required premiums shall be filed and maintained with Township annually during the term of the Lease. Tenant shall immediately advise Township of any claim or litigation that may result in liability to Township.

i.) Cancellation of Policies of Insurance: All insurance policies maintained pursuant to this Lease shall contain the following endorsement:

"At least sixty (60) days prior written notice shall be given to Township by the insurer of any intention not to renew such policy or to cancel, replace or materially alter same, such notice to be given by registered mail to the parties named in this paragraph of the Lease."

j.) Insurance Companies: All insurance shall be effected under valid and enforceable policies, insured by insurers licensed to do business by the State of New Jersey or surplus line carriers on the State of New Jersey Insurance Commissioner's approved list of companies qualified to do business in the State of New Jersey. All insurance carriers and surplus line carriers shall be rated A+ or better by A.M. Best Company.

k.) Deductibles: All insurance policies may be written with deductibles and retainages, not to exceed \$10,000 unless approved in writing in advance by Township. Tenant agrees to indemnify and save harmless Township, the Indemnitees and Additional Insureds from and against the payment of any deductible and from the payment of any premium on any insurance policy required to be furnished by this Lease.

1.) Contractors: Tenant shall require that each and every one of its contractors and their subcontractors who perform substantial work on the Property to carry, in full force and effect, workers' compensation, comprehensive public liability and automobile liability insurance coverages of the type and in the amounts which Tenant is required to obtain under the terms of this Lease or the alternative, Tenant shall require that such contractors and subcontractors be named as additional insured parties on Tenant's insurance policies.

20. Hazardous Substance Indemnification. Tenant represents and warrants that its use of the Property herein will not generate any hazardous substance, and it will not store or dispose on the Property nor transport to or over the Property any hazardous substance. Tenant further agrees to hold Township harmless from and indemnify Township against any release of any such hazardous substance and any damage, loss, or expense or liability resulting from such release including all attorneys' fees, costs and penalties incurred as a result thereof except any release caused by the negligence of Township, its employees or agents. "Hazardous substance" shall be interpreted broadly to mean any substance or material defined or designated as hazardous or toxic waste, hazardous or toxic material, hazardous or toxic or radioactive substance, or other similar term by any federal, state or local environmental law, regulation or rule presently in effect or promulgated in the future, as such laws, regulations or rules may be amended from time to time; and it shall be interpreted to include, but not be limited to, any substance which after release into the environment will or may reasonably be anticipated to cause sickness, death or disease.

21. Holding Over. Any holding over after the expiration of the term hereof, with the consent of the Township, shall be construed to be a tenancy from month to month and shall otherwise be for the term and on the conditions herein specified, so far as applicable.

22. Tenant Financing. After review and consideration, the Township will not unreasonably withhold adopting Resolutions of support, executing endorsements or approvals necessary for funding, grants or loans, the proceeds of which will be used to improve and rehabilitate the Property. Further, the Township will consider an appropriate subordinating of the Township's fee interest for loans from a commercial or savings bank, Savings and Loan Association authorized to do business in New Jersey, upon other things, depending upon the amount of such loan, the amount of Tenant's capital used toward the Improvement, the anticipated increase in the value of the construction to be financed by the loan and the term of the loan in relationship to the term of this Lease.

23. Acceptance of Property. By taking possession of the Property, Tenant accepts the Property in the condition existing as of the Commencement Date. Township makes no representation or warranty with respect to the condition of the Property and Township shall not be liable for any latent or patent defect in the Property, except as follows:

ENVIRONMENTAL CONSIDERATIONS:

A. Asbestos.

(1) The Tenant is hereby informed and does acknowledge that buildings located upon the Property potentially contain asbestos or asbestos-containing materials (ACM).

(2) The Tenant covenants and agrees that its use and occupancy of the Property, including all improvements located thereon, will be in compliance with all applicable laws relating to asbestos; and that the Township assumes no liability for future remediation of asbestos or damages for personal injury, illness, disability or death, to the Tenant, its successors or assigns, sublessees, or to any other person including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property, including all improvements located thereon, whether the Tenant has properly warned or failed to properly warn the individual(s) injured.

(3) The Tenant shall comply with all Federal, State and local laws, relating to asbestos containment and abatement.

B. Covenant Regarding Hazardous Substance Activity.

CERCLA Covenant. Township warrants that it shall take any response action found to be necessary after the date of this Lease regarding hazardous substances located on the Property on the date of this Lease.

(1) This covenant shall not apply: (a) in any case in which Tenant is a Potentially Responsible Party (PRP) with respect to the Property immediately prior to the date of this conveyance, or (b) to the extent but only to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the Tenant or any party in possession after the date of this conveyance that either (i) results in a release or threatened release of a hazardous substance that was not located on the Property on the date of this Lease; or (ii) causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which was known and identified to the applicable regulatory authority as of the date of this Lease.

(2) In the event Tenant seeks to have Township conduct or pay for any additional response action, and, as a condition precedent to Township incurring any additional cleanup obligation or related expenses, Tenant shall provide Township at least 45 days written notice of such a claim and provide credible evidence that: (a) the associated contamination existed prior to the date of this Lease; and (b) the need to conduct any additional response action or part thereof was not the result of any act or failure to act by the Tenant, or any party in possession.

C. Notice of the Possible Presence of Lease-Based Paint.

(1) Tenant hereby acknowledges the required disclosure in accordance with the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. 4852d (Title X), of the possible presence of any known lead-based paint and/or lead-based paint hazards in target housing constructed prior to 1978 on the Property. This disclosure includes the 24 CFR 35 and 40 CFR 745 disclosure and lead warning language in this Lease. Tenant further acknowledges that Tenant was given the opportunity to inspect, and thereby assess, the Property for lead-based paint hazards. Tenant further acknowledges that Township did not occupy this Property previously, but only recently acquired title in order to be able to enter into this Lease with Tenant.

(2) Tenant covenants and agrees, that in any improvements on the Property defined as "target housing" by 24 CFR 35 and constructed prior to 1978, lead-based paint hazards will be disclosed to potential occupants in accordance with Title X before any use of such improvements as a residential dwelling.

(3) Tenant further covenants that Tenant, with respect to target housing constructed prior to 1960, will abate, at Tenant's own cost, any lead hazards in accordance with 40 CFR 745.227(e) and other applicable laws and regulations, prior to the occupancy of any residential structures on the Property. Following abatement, Tenant shall obtain a clearance examination, in accordance with 40 CFR 745.227(e) and 24 CFR 35.1340(c) through (f), and conducted by a person certified to perform risk assessments or lead-based paint inspections. The examination must show that the clearance samples meet the standards set forth in 24 CFR 35.1320(b)(2). Tenant must obtain a clearance report, prepared by a person certified to perform risk assessments or lead paint inspections in accordance with 40 CFR 745.227(e)(10). If any lead-based paint is present, prior to occupancy of the Property, Tenant shall provide Township with a fully executed

CERTIFICATE OF COMPLETION OF LEAD ABATEMENT.

(4) Tenant covenants and agrees that in its use and occupancy of the Property it will comply with 24 CFR 35 and 40 CFR 745 and all applicable Federal, State and local laws relating to lead-based paint, and that Township assume no liability for damages for property damage, personal injury illness, disability, or death, to Tenant, its successors or assigns, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use disposition, or the activity causing or leading to contact of any kind whatsoever with lead-based paint on the Property, whether Tenant has properly warned or failed to properly warn the individual(s) injured. Tenant further agrees to indemnify, defend and hold harmless the Township from any and all loss, judgment, claims, demands, expenses or damages, of whatever nature which might arise to be made against the Township, due to, or relating to the presence of lead-based paint hazard on the Property, any related abatement activities, or the disposal of any material from the abatement process.

(5) Tenant covenants and agrees that it will comply with all Federal, State and local and any other applicable law regarding the lead-based paint hazards with respect to the Property.

25. Assignment and Subletting.

a.) Tenant shall not assign this Lease in whole or in part, or sublet all or any part of the Property without the Township's prior written consent. Consent by Township to any assignment or subletting shall not constitute a waiver of the necessity of such consent to any subsequent assignment or subletting. This prohibition against any assignment or subletting shall be construed to include a prohibition against any subletting or assignment by operation of law.

b.) Any person or entity to which this Lease is assigned pursuant to the provisions of the Bankruptcy Code, 11 USC Sections 101, et seq., shall be deemed without further act to have assumed all of the obligations of Tenant arising under this Lease on and after the date of such assignment. Any such assignee shall upon demand execute and deliver to Township an instrument confirming such assumption. Any monies or other considerations payable or otherwise to be delivered in connection with such assignment shall be paid to Township, shall be the exclusive property of Township, and shall not constitute property of the Tenant or of the estate of Tenant within the meaning of the

Bankruptcy Code. Any monies or other considerations constituting Township's property under the preceding sentence not paid or delivered to Township shall be held in trust for the benefit of Township and be promptly paid to Township.

26. Successors and Assigns. This Lease shall be binding upon and inure to the benefit of the parties, their respective heirs, personal representatives, successors and assigns.

27. Non-Waiver. Failure of Township to insist on strict performance of any of the conditions, covenants, terms or provisions of this Lease or to exercise any of its rights hereunder shall not waive such rights, but Township shall have the rights to enforce such rights at any time and take such action as might be lawful or authorized hereunder, either in law or equity. The receipt of any sum paid by Tenant to Township after a breach of this Lease shall not be deemed a waiver of such breach unless expressly set forth in writing.

28. Personal Property Taxes, If Any.

a.) Tenant shall pay personal property taxes and assessments for the Property, if any, which become due and payable during the term of this Lease. All such payments shall be made, and evidence of all such payments shall be provided to Township, at least ten (10) days prior to the delinquency date of the payment.

b.) Tenant shall indemnify Township from any and all liability, obligation, damages, penalties, claims, liens, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses of attorneys, expert witnesses and consultants), which may be imposed upon, incurred by or be asserted against Tenant in relation to the taxes owed or assessed on the Property.

29. Dispute Resolution.

a.) Except as otherwise provided in this Lease, any controversy between the parties arising out of this Lease or breach thereof, is subject to the mediation process described below.

b.) A meeting will be held promptly between the parties to attempt in good faith to negotiate a resolution of the dispute. Individuals with decision making authority will attend the meeting regarding the dispute. If within twenty (20) days after such meeting the parties have not succeeded in resolving the dispute, they will, within twenty (20) days thereafter submit the

dispute to a mutually acceptable third party mediator who is acquainted with dispute resolution methods. Township and Tenant will participate in good faith in the mediation and in the mediation process. The mediation shall be nonbinding. Neither party is entitled to seek or recover punitive damages in considering or fixing any award under these proceedings.

c.) The costs of mediation, including any mediators fees, and costs for the use of the facilities during the meetings, shall be born equally by the parties. Each party's costs and expenses will be born by the party incurring them.

30. Option to Purchase.

On each fifth year anniversary of this Lease, Tenant shall have an option to purchase the Property for \$1.00 pursuant to the terms and conditions set forth below ("Option").

Within the first thirty (30) days after each fifth year anniversary, the Tenant must notify the Township in writing of its desire to exercise the Option ("Notice"). If the Tenant fails to provide Notice within said thirty (30) day period, the Option shall terminate until the next fifth year anniversary of this Lease. Within sixty (60) days of receipt of the Notice, the Township shall take action to grant or deny the Option. Any denial of the Option must be reasonable, with all reasons for the denial set forth in writing, sent to the Tenant. The Tenant shall have the right to bring an action to challenge the reasonableness of such reasons. Notwithstanding any denial of the exercise of the Option, this Lease shall remain in full force and effect. If the exercise of the Option is approved, the Township shall convey its interest in the Property, by Bargain and Sale Deed with Covenants Against Grantors Acts, which Deed shall reflect the same restrictions, covenants and conditions as this Lease, including but not limited to a right of reversion of the title to the Township if the management or operation of the Property is not continued consistent with the Lease provisions. In order to protect the interests and rights of the Tenant to the Option, the parties agree to sign a Memorandum reflecting the Option interest of the Tenant. The Tenant may, at its option, record the Memorandum.

31. Miscellaneous.

a.) Township and Tenant each represent and warrant to the other that all necessary authorizations and approvals required for execution and performance of this Lease have been given and that the undersigned individual is duly authorized to execute this Lease and bind the party for which it signs.

b.) This Lease constitutes the entire agreement and understanding of the parties and supersedes all offers, negotiations, and other agreements of any kind. There are no representations or

understandings of any kind not set forth herein. Any modification of or amendment to this Lease must be in writing and executed by both parties.

c.) This Lease and performance hereunder shall be governed, interpreted, construed and regulated by the laws of the State of New Jersey.

d.) If any term, covenant, condition or provision of this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease shall not be affected thereby, and shall be valid and enforceful to the fullest extent permitted by law.

e.) Except as provided in paragraph 23, Section B, Township hereby expressly disclaims all Warranties of Merchantability and Fitness for a Particular Purpose associated with the Property. Tenant accepts the Property "As Is."

f.) Tenant shall use the utmost good faith to apply for, obtain, and keep in full force and effect all certificates, permits, licenses, and approvals affecting Tenant's ability to use the Property.

g.) This Lease may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute but one instrument.

h.) This Lease does not and shall not be construed to establish or create a partnership, joint venture, franchise or other form of business association between Township and Tenant.

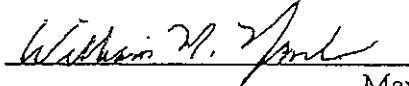

This Lease was executed as of the date first set forth above.

1. Each of the Owner's covenants, agreements, representations and warranties contained in this Agreement shall continue to be true and shall not be breached.
2. If applicable, the full amount of the previous advance shall have been expended for Land acquisition, costs and discharge of any related lien.
3. All work performed and material furnished for the Project shall be in accordance with the plans and specifications for the Project and all work shall have been properly performed to the satisfaction of the Agency.
4. No event shall have occurred and no conditions shall exist that would prevent the advance from becoming a valid first mortgage lien on the Project and the Land or secured by a prior protected security interest on any other collateral mentioned in the Mortgage. If the Agency shall deem it necessary or desirable, all or part of the advance may be disbursed in escrow to a title insurance company licensed to do business in the State of New Jersey for the purpose of discharging any construction or other lien on the Project and Land or any other security mentioned in the Mortgage; and the Owner agrees to certify in writing that the foregoing conditions have been satisfied.

Section 10. Insurance; Condemnation.

During the term of the Agency Financing, the Owner shall cause all the buildings on the premises and the fixtures and articles of personal property covered by the Loan Documents to be insured against loss by fire and against loss by such other hazards as may be required by the Agency for the benefit of the Agency including, but not by way of limitation, flood insurance if any part of the Project is located in an area designated by or on behalf of the federal government as having specific flood hazard. Such insurance shall be written by companies, in forms as are satisfactory to the Agency, and in amounts not less than the full replacement value of the Project. The Owner shall assign and deliver the policies to the Agency. All such insurance policies which are obtained by the Owner during the term of the loan shall fully comply with all Agency requirements for property and liability insurance, including but not limited to the Agency requirement that the insurer must meet certain rating standards. The Agency shall be listed as first mortgagee, loss payee and additional insured under such policies. Such policies shall provide that the insurer may not cancel the policy and will not refuse to renew the policy except after thirty(30)days written notice to the Agency. If the Owner does not provide the Agency with the evidence of insurance as required herein, the Agency may (but shall not be required to) obtain such coverage. The Owner shall reimburse the Agency on demand for any premiums paid for insurance procured by the Agency, and until so

reimbursed, the amount of such premiums shall be added to the principal sum of the First Mortgage Note and shall bear interest at the same interest rate as in the First Mortgage Note.

In the event of substantial damage to the Project by the occurrence of an insured casualty or the taking of a substantial portion of the Project by condemnation, if, in the sole judgment of the Agency (which judgment shall be conclusive): (a) the Project can be replaced or restored in whole or in part, and (b) the Project as so replaced will produce sufficient income to meet the obligations of the Owner under the Loan Documents, the proceeds of insurance or condemnation, together with any other money available for such purpose, if sufficient, shall be made available to the Owner, subject to the approval of the Agency. To the extent the Project is not replaced or restored, the balance of such proceeds shall be applied to the indebtedness secured thereby. Nothing in this Section shall affect the lien of this Agreement and the obligation of the Owner under the Loan Documents to pay the entire balance of the Loan.

The Owner shall maintain continuously in effect such other insurance coverage of the types and in the amounts specified by the Agency, including workers' compensation insurance and other insurance required by law with respect to employees of the Owner, and liability insurance, protecting the Owner and the Agency against any loss or liability or damage for personal injury or property damage with respect to the Project. Owner shall also maintain use and occupancy insurance covering loss of revenues derived from the Project by reason of interruption, total or partial, of the use of the Project resulting from loss or physical damage thereto in an amount not less than one year's gross rental income. The Owner shall carry fidelity bond insurance covering all employees of the Owner authorized to handle the revenues derived from the Project in an amount equal to one-half times the maximum monthly rent roll.

Section 11. Taxes or Payments in Lieu of Taxes. Unless the Owner has received a full tax exemption for the taxes on the Project at the time the Owner takes title to the Project, the Owner covenants and agrees to pay any valid municipal taxes, payments in lieu of taxes, charges, assessments, water charges and/or sewer charges, and in default thereof the Agency may pay the same. Any such sum or sums so paid by the Agency shall be added to the principal sum secured by the Mortgage, as determined by the Agency, and shall bear interest at the then current rate being received by the Agency on its investment as determined in good faith by the Agency.

Section 12. Liens. The Owner covenants and agrees to maintain its right, title and interest in the Project and Land and all items enumerated in Section 7 of the Mortgage free and clear of all liens and security interests, except Permitted Encumbrances, those exceptions identified and set forth in title insurance commitments and title insurance commitment number CTA-13-21796 issued by **Counsellors Title Agency, Inc.** as agent for **Old Republic National Title Insurance Company** dated **January 15, 2013**, and continued to the date of this Agreement, as accepted by the Agency. Except with the written consent of the Agency, the Owner will not install any item of tangible personal property as part of the fixtures or furnishings of the Project, which is subject to a purchase money lien or security interest.

The Agency may, at its sole option, pay the amount necessary to discharge any such lien, and the Owner shall promptly reimburse the Agency for any amounts so paid. Until reimbursement of the Agency of any amounts so paid, such amount shall be added to the Principal Sum as defined in and secured by the Mortgage, as determined by the Agency, and shall bear interest at the then current rate being received by the Agency on its investments as determined in good faith by the Agency.

Section 13. Encumbrances - Sale of Project. The Owner covenants and agrees not to sell, lease or otherwise encumber the Project or the Land, or any part thereof, or the rents or revenues thereof without prior written consent of the Agency, except by leasing to eligible residential tenants as provided by the Mortgage and this Agreement.

Section 14. Maintenance, Repair and Replacement. The Owner covenants and agrees to maintain the Project and the appurtenant equipment and grounds in good repair and condition so as to provide decent, safe and sanitary housing accommodations.

Following completion of construction or rehabilitation, the Owner will not make any substantial alteration in the Project without the consent of the Agency, nor will the Owner permit the removal of any fixtures or articles of personal property except in connection with the replacement thereof with appropriate property of at least equal value and free of all liens or claims.

The Owner will not permit any waste with respect to the Project or any of its real or personal property without the consent of the Agency, or make any alteration which will increase the hazard of fire or other casualty.

Section 15. Advance Amortization Payments. The Owner shall not make any advance principal repayment except as allowed by the Program and Program Guidelines.

Section 16. Compliance with the Program, the Act, Agency's Regulations and Any Federal or State Subsidy Source. The Owner covenants and agrees to comply with the Program, the Act and any regulations promulgated pursuant thereto, and with any amendments or supplements to the Program, the Act or regulations. Throughout the term of this Agreement, the Owner further covenants and agrees to comply with any and all requirements imposed upon it as a condition of any federal or state grant, subsidy or loan.

Section 17. Use of Project - Leasing. Except as otherwise expressly provided in Section 3 and 4 of this Agreement or as otherwise agreed to in writing by the Agency, and except for facilities approved by the Agency as normally appurtenant to residential projects for non-transients (such as laundry facilities), the Project shall be used solely (or as otherwise may be approved by the Agency) to provide affordable housing units for a special needs population(s) under the Agency's Program.

Section 18. Consideration for Lease. The Owner covenants and agrees not to require as a condition of the occupancy or leasing of any dwelling unit in the Project and not to accept or allow any employee or agent to accept any consideration other than the prepayment of the first month's rent, plus a security deposit not in excess of one (1) month's rent to guarantee the performance of the covenants of the rent agreement or lease.

Section 19. Security Deposit The Owner covenants and agrees to deposit all moneys paid to the Owner by any resident, if any, as a security deposit for the payment of rent or other allowable charges under any use and occupancy agreement and/or lease in a separate interest bearing bank account held and maintained in accordance with applicable law.

Section 20. Account for Project Revenues/Operating Account. The Owner covenants and agrees to establish an account for Project Revenues specific to the Project. "Project Revenues" shall mean all rents and other revenues of any type whatsoever received in respect of the Project or the

Owner, except for Loan disbursements. Project Revenues shall be deposited in such account and all operating expenses should be paid from this account.

Section 21. Reserve and Escrow Payments.

On the date of the execution of this Agreement, the Owner will deposit with the Agency the following amounts as shown on the closing budget for the Project ("Form 10") which will serve as a reserve against late payments and be available to pay expenses when due or be available to assist with project expenses. These amounts will comprise the Special Needs Project Escrow:

- (a) an amount equal to twelve (12) months of the estimated annual insurance payments; and
- (b) an amount equal to twelve (12) months of the estimated annual tax payments; and
- (c) an amount(s) as stated on the Form 10 for a project escrow

Additionally, the Owner will deposit an amount as agreed upon between the Borrower and the Agency for the Project as a reserve for repairs and replacement of items at the Project and initial project costs, excluding social service and/or operating costs. Additionally, the repair and replacement reserve will be funded quarterly by the Borrower with an amount equal to three (3) months repair and replacement reserve as shown on the Project's Form 10. This reserve will be separate from the Special Needs Project Escrow and will be known as the Repair and Replacement Reserve.

All reserve and escrow payments required pursuant to this Section shall be held in accounts under the sole control of the Agency and shall be paid out for the benefit of the Project as needed on request of the Owner or on the Agency's own initiative. Any interest which may be earned on such reserves shall remain in the escrow account and shall be used for similar purposes unless the Owner and Agency mutually agree to apply the funds to some other Project purpose.

If the Agency determines that the payments specified herein are insufficient to ensure prompt payment of taxes, payments in lieu of taxes, insurance premiums, or to properly fund painting, decorating, repair and replacement needs with respect to the Project, then the Agency may require an increase in the minimum required escrow amounts necessary to assure proper funding.

Section 22. Inspection of Premises. The Owner covenants and agrees to permit the Agency, its agents or representatives, to inspect the Project at any and all reasonable times with or without notice, pursuant to the provisions of the Act and the Program.

Section 23. Books and Records. The Owner covenants and agrees to maintain adequate books and records of its transactions, including the social services provided to the Project's residents, with respect to the Project in the Owner's standard form. Such books and records shall be available for inspection and audit by the Agency or its agents at any time during business hours, with notice, pursuant to the provisions of the Act and the Program. The Owner further covenants and agrees to cause the financial affairs with respect to the Project to be audited by independent certified public accountants and shall furnish the Agency with its audit report of such accountants as may from time to time be required by the Agency.

The Owner shall furnish to the Agency such other information and reports respecting the Project as may from time to time be required by the Agency.

Section 24. Management Contract. The Owner may, and if the Agency so elects, shall contract for the services of a firm experienced in real estate management to act as the managing agent for the Project. The selection of any such managing agent, the scope of the agent's duties and the basis of the agent's compensation shall be the subject of a consultation between the Agency and the Owner and any contract for the employment of any managing agent shall provide that such contract may be terminated by the Agency at any time by notice of such determination by the Agency given to the Owner and managing agent.

Section 25. Prohibited Actions. Except with the express approval of the Agency, which approval shall not be unreasonably withheld, the Owner shall not with Project Revenues (as defined in Section 20 hereof), Loan disbursements or grant advances:

1. incur any liabilities, except in connection with the acquisition, rehabilitation and rental of the Project and its operation and maintenance;
2. engage in any business activity except the ownership and operation of the Project;
3. pay more than fair market value thereof for goods or services; and
4. pay compensation to any officer, director or partner in such capacity or make any cash distribution to any of the foregoing.

Section 26. Transfers of Ownership Interests. The Owner shall not transfer or sell any interest in the Project, except in accordance with the Agency's regulations governing such transfers.

Section 27. Statutory Powers and Restrictions. The Mortgage shall be subject to the restrictions in the Act and the Program, and in connection therewith, the Agency shall have the powers set forth in the Act, the Program and the regulations now or hereafter promulgated pursuant to the Act and the Program and the Owner hereby consents to such restrictions and agrees to be bound thereby. Such powers and restrictions shall be in addition to and not in limitation of the rights of the Agency expressly set forth in this Agreement.

Section 28. Accounting in Event of Default; Estoppel. Upon the occurrence of an Event of Default and within ten (10) business days of demand therefore by the Agency, and otherwise within ten (10) business days of written demand by the Agency, the Owner will furnish to the Agency in writing a statement of the principal amount remaining due on the Loan, together with a statement of any known defenses which may exist as to any liability of the Owner on the Notes or otherwise thereunder.

Section 29. Financing Statements. The Owner hereby irrevocably authorizes the Agency to execute on its behalf one or more financing statements or renewals thereof in respect to any of the security interests granted by the Mortgage.

Section 30. Assignment by Agency. The Owner hereby consents to any assignment of any Loan Document by the Agency.

Section 31. Defaults. Each of the following shall be an Event of Default:

(a) failure by the Owner to pay more than thirty (30) calendar days after the due date any installment of principal or interest on the Loan or any other payment required by the Owner to the Agency or any other person pursuant to the terms of this Agreement, the Mortgage or the other Loan Documents; provided, however, that interest shall accrue on any payment made beyond its due date;

(b) commission by the Owner of any act prohibited by the terms of this Agreement, the Mortgage or any other Loan Document, failure by the Owner to perform or observe in a timely fashion any action or covenant required by any of the terms of this Agreement, the Mortgage or any other Loan Document, or failure by the Owner to produce satisfactory evidence of compliance therewith;

(c) the filing by the Owner under any federal or state bankruptcy or insolvency law or other similar law of any petition in bankruptcy or for reorganization or composition with creditors or the making of an assignment for the benefit of creditors;

(d) the filing against the Owner of a petition seeking its adjudication as a bankrupt or the appointment of a receiver for the benefit of its creditors which shall not have been dismissed within sixty (60) calendar days of the filing thereof, or the adjudication of the Owner as a bankrupt or the appointment of a receiver for the benefit of its creditors, or the appointment by court order of a custodian (such as a receiver, liquidator or trustee) of the Owner or of any of its property or the taking of possession of the Owner or any of its property for the benefit of its creditors and such order remains in effect or such possession continues for more than sixty (60) calendar days;

(e) the occurrence of substantial destruction of the Project by an uninsured casualty or the inability to replace or restore the Project in accordance with Section 11, or failure to maintain insurance that fully complies with the Agency insurance requirements set forth at Section 11 or in Agency insurance specifications minimum requirements, or failure to provide, immediately or no later than 30 days from notice, replacement insurance to meet Agency insurance requirements as set forth in Section 10 during the term of the First Mortgage Loan;

(f) any representation in conjunction with the Loan and the Project by or on behalf of the Owner that is knowingly false or misleading in any respect or warranty of the Owner that is breached;

(g) any breach by the Owner of its obligations or any failure to observe its covenants under this Agreement, and the other Loan Documents; and

(h) failure to complete the Project.

(i) failure or refusal to acquire, rehabilitate, operate and/or maintain the Project in accordance with the Program.

The events set forth in the subsections (b) and (g) of this Section shall not constitute Events of Default until the prohibited acts, failure to perform or observe, or breaches shall remain uncured for a period of thirty (30) calendar days after the Agency's written notice to the Owner, specifying such prohibited act, failure or breach and requesting that it be remedied, unless the Agency shall agree in writing to an extension of such time prior to its expiration; provided, however, that after the

Rehabilitation Period only, if the prohibited act, failure, or breach stated in each notice is correctable, but cannot be corrected within the 30-day period, the Agency may not unreasonably withhold its consent to an extension of up to 120 calendar days from the delivery of the written notice referred to herein if corrective action is instituted by the Owner, within the initial 30-day period and diligently pursued.

The failure of the Owner to comply with any of the provisions of Section 25 or 31 of this Agreement shall not be deemed an Event of Default hereunder unless such failure has not been corrected within a period of 60 calendar days, have actual or constructive knowledge of such failure or after the Agency's written notice to the owner, whichever is earlier.

Section 32. Remedies. Upon the occurrence of any Event of Default, the Agency may at its option take any one or more of the following actions or remedies and no failure to exercise any remedy or take any action enumerated shall constitute a waiver of such right or preclude a subsequent exercise by the Agency of any such remedy:

(a) declare the entire principal sum of the Mortgage together with all other liabilities of the Owner under the Note to be immediately due and payable;

(b) cease making disbursements to the Owner of any funds under the Loan or from reserves held by the Agency;

(c) apply any reserves held by the Agency or the balance in the accounts for Project disbursements and revenues, or any combination of these monies, to the payment of the Owner's liabilities hereunder;

(d) foreclose the lien of the Mortgage on the Project and Land or a portion thereof, including without limitation all Improvements existing or hereafter placed in or on the Project and Land. In any action to foreclose, the Agency shall be entitled to the appointment of a receiver of the rents and profits of the Project as a matter of right and without notice, with power to collect the rents, uses and profits of said Project, due and becoming due during the pendency of such foreclosure suit, such rents and profits being hereby expressly assigned and pledged as additional security for the payment of the indebtedness secured by the Mortgage without regard to the value of the Project or the solvency of any person or persons liable for payment of the mortgaged indebtedness. The Owner for itself and any such subsequent owner hereby waives any and all defenses to the application for a receiver as above and hereby specifically consents to such appointment without notice, but nothing herein contained is to be construed to deprive the holder of the Mortgage of any other right, remedy or privilege it may now have under the law to have a receiver appointed. The provisions for the appointment of a receiver of the rents and profits and the assignment of such rents and profits, is made an express condition upon which the Loan hereby secured are made. Upon such foreclosure the Agency shall have the right to have a receiver appointed for the Project and the rent from the Project;

(e) pursuant to its rights under the Act and the Program, remove the Project Manager(s) after consultation with the Owner, or, if the Agency, after consultation with the Owner, decides, it is in the best interest of the Project and Clients, hereinafter defined, the Owner shall deed the Project and Land to the Agency;

(f) take possession of the Project and Land or a portion thereof;

(g) without judicial process, collect all rents and other revenue including federal and State subsidies as the agent of the Owner (which upon the occurrence of any Event of Default the Agency is deemed to have been irrevocably appointed by the Owner), and apply the same at the Agency's option either to the operation and maintenance of the Project or to the liabilities of the Owner under the Mortgage;

(h) act as landlord of the Project and rent or lease the same on any terms approved by it, or dispossess by summary proceedings or other available means any tenant defaulting under the terms of the lease of a dwelling unit;

(i) take possession of equipment, appliances or other tangible personal property in which a security interest has been granted by this Agreement or the Mortgage and dispose of the same in any commercially reasonable manner. The Agency shall have the option to dispose of any such equipment and personal property either separately from the Project and Land or in conjunction with a sale of the Project and Land, and the Owner agrees that either method of disposition shall be commercially reasonable;

(j) make effective an assignment of the Architectural Contract by the Owner to the Agency, in which event the Agency is specifically empowered by the Owner to exercise any and all rights of the Owner under the Architectural Contract, and at the option of the Agency to proceed with the rehabilitation of the Project, in which event all payments by the Owner made with respect to the Architectural Contract shall be treated as disbursements on the Loan;

(k) subject to Section 40 hereof, sue the Owner for a mandatory injunction or other equitable relief requiring performance by the Owner of any of its obligations under this Agreement or the Mortgage or the other Loan Documents. The Owner agrees with the Agency that the Agency's remedy at law for the violation or nonperformance of the Owner's obligations under the Mortgage or this Agreement or the other Loan Documents is not adequate by reason, among other things, of the Agency's public purpose to provide adequate, safe and sanitary dwelling units;

(l) after consultation with the Owner, sue under the Architectural Contract or on a warranty to recover any amount payable to the Owner pursuant to the Architectural Contract or payable to the Owner pursuant to any such warranty and to settle any such claim or liability and release the same and apply the proceeds of any such suit, settlement or release to the liabilities of the Owner under this Agreement or the Mortgage;

(m) if the Owner commits a breach or threatens to commit a breach of any of the provisions of the Mortgages or other Loan Documents, the Agency shall have the right, without posting bond or other security, to seek injunctive relief or specific performance, it being acknowledged and agreed that any such breach, or threatened breach, will cause irreparable injury to the Agency and that money damages will not provide an adequate remedy; and/or

(n) to undertake reasonable maintenance and make reasonable repairs to the Project and to add the cost thereof to the principal balance of the Mortgages.

(o) notwithstanding the above enumeration of remedies, the Agency shall have available to it all other remedies provided at law or in equity or any other action permitted by law subject to the provisions of Section 40 of this Agreement;

Section 33. Expenses Due to Default. All expenses (including reasonable attorneys' fees and costs and allowances) incurred in connection with an action to foreclose the Mortgage or in exercising any other remedy provided by the Mortgage or this Agreement or the other Loan Documents, including the curing of any Event of Default, shall be paid by the Owner, together with interest at the then current rate being received by the Agency on its investments as determined in good faith by the Agency. Any such sum or sums and the interest thereon shall be a further lien on the Project, Land and Improvements, and shall be secured by this Agreement and the Mortgage.

Section 34. Burden and Benefit. The Agency and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the Land in that the Owner's legal interest in the Land and the Project is rendered less valuable thereby. The Agency and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the Land by enhancing and increasing the enjoyment and use of the Land and part of the Project as housing for persons with developmental disabilities.

Section 35. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project and Land.

Section 36. Remedies; Enforceability. The provisions hereof are imposed upon and made applicable to the Land and shall run with the Land and shall be enforceable against the Owner or any other person or entity that has or had an ownership interest in the Project at the time of such violation or attempted violation. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the provisions hereof or to obtain relief against or recover for the continuation or repetition of such breach or violation or any similar breach or violation hereof at any later time or times.

Section 37. Amendments; Notices; Waivers. This Agreement and the Mortgage may be amended only by an instrument in writing executed and acknowledged on behalf of the Agency and the Owner in such manner that the instrument may be recorded.

No waiver by the Agency in any particular instance of any Event of Default or required performance by the Owner and no course of conduct of the parties or failure by the Agency to enforce or insist upon performance of any of the obligations of the Owner under this Agreement, the Mortgage, or under the other Loan Documents at any time shall preclude enforcement of any of the terms of this Agreement, the Mortgage, the Note, or the other Loan documents thereafter.

Any provisions of this Agreement, the Mortgage or other Loan Documents requiring the consent or approval of the Agency for the taking of any action or the omission of any action requires such consent by the Agency in writing signed by a duly authorized officer of the Agency. Any such consent or approval, unless it expressly states otherwise, is limited to the particular action or omission referred to therein and does not apply to subsequent similar actions or omissions.

Notice provided for under this Agreement shall be given in writing signed by a duly authorized officer and any notice required to be given hereunder shall be given by recognized private carrier with acknowledgment of delivery or by confirmed facsimile, with a hard copy sent by certified mail, return receipt requested, or by certified or registered mail, postage prepaid, return receipt requested, at the addresses specified below, or at such other addresses as may be specified in writing by the parties hereto.

Section 38. Severability. The invalidity of any part or provision hereof shall not affect the validity, legality and enforceability of the remaining portions hereof, and to this end the provisions of this Agreement shall be severable.

Section 39. Successors and Assigns. This Agreement and all rights, duties, obligations and interests arising hereunder shall bind and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and permitted assigns.

Section 40. Personal Liability. Notwithstanding any other provision contained in this Agreement, the other loan documents or any other document or instrument executed by the owner in connection herewith or therewith, the Agency agrees, on behalf of itself and any future holder of the Note, that the liability of the Owner, any general or limited partner, member or shareholder of the Owner, if applicable, and its respective heirs, representatives, successors and assigns, for the payment of its obligations hereunder and under the other loan documents, including, without limitation, the payment of principal, interest and other charges due hereunder and thereunder, shall be limited to the collateral pledged under the mortgage and the other loan documents, and that the Agency shall have no right to seek a personal judgment against the Owner, any general or limited partner, member or shareholder of the Owner, if applicable and its respective heirs, representatives, successors and assigns, individually, except to the extent necessary to subject the collateral (including the Project and Land) pledged under the Mortgage and the other loan documents to the satisfaction of the Mortgage debt, and provided, however, that the Agency shall retain the right to exercise any and all remedies granted to it under the Mortgage, this Agreement and the other loan documents, including without limitation the right to sue for injunctive or other equitable relief. The foregoing limitation of liability shall not apply to any party to the extent such party has committed fraudulent, criminal or other unlawful acts and shall not apply to such amounts due to the Lender pursuant to Sections 10, 11, 12, 13, 14, 33 of this Agreement.

Section 41. Reserved.

Section 42. Disclaimer of Warranties, Liability; Indemnification/Defense.

A. The Owner acknowledges and agrees that (i) the Agency has not heretofore and does not make any warranty or representation, either express or implied, as to the value, condition, or fitness for particular purposes of the Project or any portions thereof or any other warranty or representation with respect thereto; (ii) in no event shall the Agency or its agents or employees be liable or responsible for any incidental, indirect, special or consequential damages in connection with or arising out of this Agreement or any of the other Loan

Documents or the development of the Project or the existence, functioning or use of the Project or any items or services provided for in this Agreement or the other Loan Documents; and (iii) during the term of this Agreement and the other Loan Documents and to the fullest extent permitted by law, the Owner shall indemnify, defend and hold the Agency harmless against, damage, claims, judgments or expenses of any and all kinds or nature and however arising, imposed by law, which the Owner and the Agency including reasonable attorneys' fees and costs, may sustain, be subject to, or be caused to incur by reason of any claim, suit or action based upon personal injury, death or damage to property, whether real, personal or mixed, or upon or arising out of contract entered into by the Owner, or arising out of the Owner's ownership of the Project or out of the construction, rehabilitation, operation or management of the Project.

B. It is mutually agreed by the Owner and the Agency that the Agency and its directors, officers, agents, servants and employees shall not be liable for any action performed under this Agreement, and that the Owner shall hold them harmless from any claim or suit of whatever nature.

C. Any claims asserted against the Agency shall be subject to the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, *et seq.* While this statute may not be applicable by its terms to claims arising under contracts with the Agency, the Owner agrees that it shall be applicable to any claims arising under the Loan Documents. Section 45. Equal Opportunity and Non-Discrimination. The Owner covenants and agrees that it will comply with the Agency guidelines with respect to equal opportunity and non-discrimination in its purchase of goods and services for the operation and maintenance of the Project throughout the term of this Agreement.

Section 46. Counterparts

This Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original. A fax copy of a signature on this Agreement shall have the same effect as an original provided that an original is received by the other party hereto within two business days thereafter.

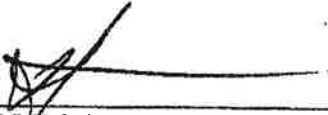

Section 47. Investment Funding

The Owner agrees to make an investment in the Project and Land in an amount which is not less than 20% of the total Project cost as determined by the Agency pursuant to the Act and the Program. In the event the principal sum set forth in the Agency Financing that is advanced to the

Owner is determined by the Agency to exceed 80% of the total Project cost, the Owner shall reimburse the Agency an amount that would reduce the Agency Financing to 80% of the total Project cost.

Box 18550, Trenton, New Jersey 08650-2085.

Section 2. DEFINITIONS

Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Financing, Deed Restriction and Regulatory Agreement (the "Regulatory Agreement") executed between the Borrower and Lender of even date herewith.

Section 3. BACKGROUND AND PURPOSE

The Borrower has constructed and/or rehabilitated and shall own, maintain, and operate the Project and the Land. The Project consists of the new construction of a six one-bedroom shared-living supportive permanent housing structure that will include six (6) bedrooms in the Township of Millstone, County of Monmouth, State of New Jersey. To obtain financing for the Project, the Borrower has applied to the Lender for a Mortgage Loan pursuant to the provisions of the Act. The Project and the Land constitute a "housing project" as defined in the Act.

In connection with its application for the Mortgage Loan, the Borrower has furnished to the Lender Project information, including the description of the Land on which the Project is to be situated, plans and specifications for the construction and/or rehabilitation of the Project, the tenant population which is to be housed in the Project, the number of units of each type to be included therein, the estimated cost of providing the Project, information as to the projected income and expenses of the Project once completed and placed in operation and arrangements for the payments in lieu of taxes with respect to the Project. In approving the application and as a basis for providing the Mortgage Loan, the Lender has relied upon all of the foregoing Project information.

The Mortgage Loan is evidenced by the Mortgage Note and is secured by this Mortgage, which constitutes a valid first lien on the Project and Land. The Lender intends to make the Mortgage Loan from funds obtained or to be obtained through the Lender's Program. As a condition of the Lender's approval of the Borrower's application for the Mortgage Loan, the Borrower and the Lender have entered into the Loan Documents.

Section 4. LIEN STATUS

This Mortgage shall be a valid first mortgage lien on the Project and the Land. The Borrower covenants and agrees to maintain its right, title and interest in the Project and the Land and all items enumerated in Section 7 herein free from all liens, security interests, and other encumbrances, except for those liens and encumbrances set forth in Section 12 (if Perm its Section 10) of the Regulatory Agreement.

Section 5. COVENANT TO PAY MORTGAGE NOTE

The Borrower hereby promises to pay the Mortgage Loan, in the principal amount of \$378,215.00 as such amount may be adjusted pursuant to the Mortgage Note (the "Principal Sum"), plus interest and any applicable Servicing Fee in accordance with the provisions of the Mortgage Note.

Section 6. ADDITIONAL PAYMENTS BY BORROWER

The Borrower shall make all such additional payments as set forth and detailed in the Regulatory Agreement, including, but not limited to, insurance, taxes or payments in lieu of taxes, the Servicing Fee, escrows and reserves.

Section 7. SECURITY INTERESTS; GRANTING CLAUSES

In order to secure to the Lender the punctual payment by the Borrower of the Principal Sum, plus interest, the Servicing Fee and all sums due or to become due under the provisions of the Loan Documents and the payment and performance of all obligations of the Borrower under the Loan Documents, the Borrower hereby mortgages, pledges, assigns and grants to the Lender a security interest in the items listed below (the "Collateral").

The Borrower hereby agrees, represents, warrants and acknowledges that the Lender's security interest in the following items is perfected upon execution of this Mortgage:

The Borrower hereby assigns any such awards or damages to the Lender and, in addition, for itself and its successors and assigns, appoints the Lender and any subsequent holder of the Mortgage Note and this Mortgage its attorney-in-fact, and empowers such attorney at its option, on behalf of the Borrower, to adjust or compromise any such claims, to collect any proceeds and to execute in the Borrower's name any documents necessary to affect such collection. The Lender is empowered to endorse any checks representing these proceeds, and after deducting any expenses incurred in the collection, to apply the net proceeds as a credit upon any portion of the Mortgage Loan after payment of any Servicing Fees and interest due and payable as provided in the Mortgage Note and Regulatory Agreement;

4. all personal property of the Borrower now or hereafter used in the operation of or for the benefit of, or located upon or attached to the real property described herein, including but not limited to all fixtures, equipment, machinery and elevators; all gas and electric appliances, engines, motors, all boilers, radiators, heaters, and furnaces, all electronic, electrical, lighting, heating, ventilating and air conditioning systems; all stoves, ranges and cooking equipment; all tubs, basins, sinks, pipes, water heaters, faucets and plumbing fixtures; all refrigerators, washing machines, laundry tubs and dryers; all awnings, screens, shades, venetian blinds, carpeting and office, common or lobby area furniture, furnishings, cabinets, fixtures, building materials and plantings; all project deposit accounts; all accounts, documents, commercial paper, chattels, negotiable instruments, general intangibles, rents, leases, goods, inventory and including any fittings, attachments, accessories, component parts, replacements or replacement parts, additions, accretions and/or substitutions of or to any of the above-listed types of items of collateral. The proceeds of the collateral are also covered;

5. all federal and State subsidy payments to which the Borrower is or will be entitled with respect to the Project and/or the Land;

6. all rent payable by tenants with respect to any part of the Project and/or the Land, such rents being assigned to the Lender as set forth in Section 8 below and in the Assignment of Leases to be executed simultaneously with but recorded separately from this Mortgage, and any other revenues from the Project and/or the Land, including fees derived from laundry, parking, licenses and other facilities or interests;

7. all amounts payable to or recoverable by the Borrower under the terms of the contract for the construction and/or rehabilitation of the Project and any surety bond or other security issued in connection therewith;

8. all rights under and amounts recovered under warranties as to quality or performance of any material, part, sub-assembly, appliance or other component part of the Project;
9. all reserves and escrows created pursuant to the terms of the Loan Documents;
10. all proceeds of condemnation, casualty or other insurance on the Project or any part thereof;
11. any real estate tax or payment in lieu of tax rebates or refunds which the Borrower is entitled to receive;
12. any amounts in the Project accounts described in the Regulatory Agreement and any other Project funds; and
13. all syndication proceeds paid or payable to the Borrower.
14. all proceeds, products, replacements, additions, substitutions, renewals and accessions of any of the foregoing.

The security interest granted in this agreement shall continue in full force and effect until the Mortgagor has fully paid and discharged all of the indebtedness and until this Agreement is terminated.

This Mortgage shall constitute a Security Agreement and shall be effective as a fixture filing under the UCC Secured Transactions, N.J.S.A. 12A:9-101, et seq. Mortgagor authorizes the Mortgagee to file and refile such financing statements, continuation statements or security agreements as the Mortgagee shall require from time to time.

Section 8. ASSIGNMENT OF LEASES AND RENTS

The Borrower assigns, transfers and sets over unto the Lender, all of the Borrower's right, title and interest in, to and under all leases and rents between the Borrower and any present or prospective tenant or sublessee as well as all federal and state subsidy payments to which the Borrower is or will be entitled with respect to the Project and/or the Land. As long as no Event of Default exists, the Borrower shall have a license to collect and use the rents under the leases or from the rental of the Project and/or the Land, and any other items assigned hereunder. Upon the occurrence of an Event of Default under the Loan Documents, said license shall terminate until such default shall have been fully cured. The Lender may exercise its rights under this assignment upon the occurrence of an Event of Default under the Loan Documents.

Upon the payment of the Principal Sum, plus interest and the Servicing Fee, this assignment shall become and be void and of no effect, but a notarized affidavit of any officer or attorney of the Lender declaring that any part of Principal Sum remains unpaid shall be sufficient evidence of the validity, effectiveness and continuing force of this assignment as to any person liable under the

aforesaid leases or rentals. A demand on the tenants or sublessees by the Lender for the payment of rent shall be sufficient warrant to said tenant to make future payment of rent to the Lender without the necessity for further consent by the Borrower.

Neither this assignment nor any act done or omitted by the Lender pursuant to the powers and rights granted to it by this assignment shall be deemed to be a waiver by the Lender of its rights and remedies under the Loan Documents and this assignment is made and accepted without prejudice to any of the rights and remedies possessed by the Lender under the terms of the Loan Documents. The right of the Lender to collect the Principal Sum plus interest and the Servicing Fee and/or to enforce any other rights and remedies of the Lender under the Loan Documents may be exercised either simultaneously with, independent of or subsequent to any action taken by the Lender under this assignment and notwithstanding whether or not any action is taken by the Lender under this assignment.

Notwithstanding any of the terms and conditions of this assignment, the Lender shall not have any obligation to any tenant or sublessee until the Lender makes a demand on the tenant or sublessee and Borrower shall indemnify and hold Lender harmless against any and all liability, loss or damage for claims that may be asserted against Lender by reason of any alleged obligation to be performed by Lender under the subject leases. Upon such demand, the Lender shall have the rights of the Borrower under the subject lease.

Section 9. INCORPORATION OF REGULATORY AGREEMENT; CONFLICT

All provisions of the Regulatory Agreement are hereby incorporated by reference into this Mortgage and made a part hereof. The Borrower hereby agrees, acknowledges, and understands that the terms and conditions of this Mortgage include all terms and conditions of the Regulatory Agreement and that it is to look to both documents in connection with all rights, duties, obligations, liabilities, warranties, representations, covenants and other terms as if both were a single document. Reference to any specific provision to be found in the Regulatory Agreement is not intended or to be construed as excluding any other provisions not specifically referenced. The Borrower hereby acknowledges that it has received a true copy of the fully executed Regulatory Agreement. Further, should any of the provisions of this Mortgage conflict with any provisions of the Regulatory Agreement, the Regulatory Agreement shall govern.

Section 10. DEFAULTS; REMEDIES

The events of default under this Mortgage and the remedies of the Lender shall be as specifically set forth in the Regulatory Agreement.

Section 11. SEVERABILITY

The invalidity of any part or provision hereof shall not affect the validity, legality or enforceability of the remaining portions hereof, and to this end the provisions of this Mortgage shall be severable.

Section 12. SUCCESSORS AND ASSIGNS

The Borrower hereby consents to any assignment of this Mortgage by the Lender. No assignment or delegation of this Mortgage by the Borrower is permitted unless approved in writing by the Lender. If assigned, all rights, duties, obligations and interest arising under this Mortgage shall bind and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and permitted assigns.

Section 13. PERSONAL LIABILITY

Notwithstanding any other provision contained in this Mortgage, the other loan documents or any other document or instrument executed by the owner in connection herewith or therewith, the Agency agrees, on behalf of itself and any future holder of the Note, that the liability of the Borrower, any general or limited partner, member or shareholder of the Borrower, if applicable, and its respective heirs, representatives, successors and assigns, for the payment of its obligations hereunder and under the other loan documents, including, without limitation, the payment of principal, interest and other charges due hereunder and thereunder, shall be limited to the collateral pledged under the mortgage and the other loan documents, and that the Agency shall have no right to seek a personal judgment against the Borrower, any general or limited partner, member or shareholder of the Borrower, if applicable and its respective heirs, representatives, successors and assigns, individually, except to the extent necessary to subject the collateral (including the Project and Land) pledged under the Mortgage and the other loan documents to the satisfaction of the Mortgage debt, and provided, however, that the Agency shall retain the right to exercise any and all remedies granted to it under the Mortgage, this Agreement and the other loan documents, including without limitation the right to sue for injunctive or other equitable relief. The foregoing limitation of liability shall not apply to any party to the extent such party has committed fraudulent, criminal or other unlawful acts and shall not apply to such amounts due to the Lender pursuant to Sections 10, 11, 12, 13, 14, and 33 of the Regulatory Agreement.

Section 14. COUNTERPARTS

This Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original. A fax copy of a signature on this Agreement shall have the same effect as an original provided that an original is received by the other party hereto within two business days thereafter.

Section 15. MORTGAGE TERM; DISCHARGE OF LIEN OF MORTGAGE

The term of this Mortgage shall run through the maturity date of **June 24, 2043**, as set forth in the Mortgage Note. Upon the payment of the Principal Sum, plus interest and the Servicing Fee due and performance by the Borrower of all of its obligations under this Mortgage and the Mortgage Note, this Mortgage and the lien created hereby, and all covenants, agreements and other obligations

of the Borrower hereunder, shall cease, terminate and become void and be discharged and satisfied. In such event, the Lender shall, at the expense of the Borrower, execute any and all instruments reasonably required to evidence the satisfaction, cancellation and discharge of this Mortgage. The repayment of the Principal Sum plus interest and Servicing Fee and the discharge of the lien of this Mortgage, shall not affect the Borrower's obligations that continue under the terms of the Regulatory Agreement, the Borrower acknowledging that the continuing effectiveness of the Regulatory Agreement and the Borrower's obligations thereunder shall be determined by its own terms subsequent to the discharge of this Mortgage.

The Owner and Agency agree to cooperate with each other to correct any error(s) that might inadvertently appear in the Loan Documents.

IN WITNESS WHEREOF, this Mortgage is duly executed by the Borrower on the date set forth in Section 1 and by signing below, the Borrower acknowledges that it has received a true copy of this Mortgage, without charge.

(b) All necessary legal action has been taken to authorize the execution, delivery and performance of the Loan Documents by the Owner.

(c) The Loan Documents have been duly executed and delivered by the Owner and constitute the valid and legally binding obligations of the Owner, enforceable against the Owner in accordance with their respective terms.

(d) To the best of the Owner's knowledge after due and diligent inquiry, the execution and performance of this Agreement, the Loan Documents and other instruments required pursuant to this Agreement by the Owner, (i) will not violate or, as applicable, have not violated, any provision of law, rule or regulations, any order of any court or other agency or government or any provision of any document to which the Owner is a party, and (ii) will not violate or, as applicable, have not violated, any provision of any indenture, agreement or other instrument to which the Owner is a party, or result in the creation or imposition of any lien, charge or encumbrance of any nature other than the Permitted Encumbrances.

(e) The Owner will, at the time of execution of this Agreement or at the time of the closing of the Loan and subject only to such exceptions as have been disclosed in writing to the Agency and which will not materially interfere with or impact the beneficial use of the Project and Land for purposes of the Project; have good and marketable title to fee simple interest in the premises constituting the Land and the Project free and clear of any lien or encumbrance (subject to Permitted Encumbrances and encumbrances created or contemplated pursuant to this Agreement).

(f) There is, after due and diligent inquiry, no action, suit or proceeding at law or in equity or by or before any governmental instrumentality or other agency now pending, or, threatened against or affecting it, or any of its properties or rights, which, if adversely determined, would materially impair its right to carry on business substantially as now conducted, or as contemplated to be conducted under this Agreement, or would materially adversely affect its financial condition.

(g) To the best of the Owner's knowledge after due and diligent inquiry, the operation of the Project in the manner presently contemplated and as described in this Agreement will not conflict with any zoning, water or air pollution or other ordinance, order, law or regulation applicable thereto. The Owner has caused the Project to be designed in accordance with all applicable federal, state and local laws or ordinances (including rules and regulations) relating to zoning, building, safety and environmental quality and will proceed with due diligence to rehabilitate the Project pursuant to the Architectural Contract.

Further, the Owner has received or shall obtain all necessary governmental approvals and building permits for construction, rehabilitation and operation of the Project in accordance with the plans and specifications and the Architectural Contract, and shall obtain in a timely manner any and all required extensions of governmental approvals, including, but not limited to, site plan approval. The Owner will continue to retain ownership of the Project and Land during the term of the Mortgage, subject to the terms of this Agreement and the other Loan Documents, the Act, Agency Regulations, the Program, the Program Guidelines, and, if applicable, the Code.

(h) The Owner has filed, caused to be filed by it, or shall file all federal, state and local tax returns which are required to be filed by it, if any, and has paid or caused to be paid all taxes as shown on said return or on any assessment received by it, to the extent that such taxes have become due.

(i) To the best of the Owner's knowledge, after due and diligent inquiry, the Owner is not in material default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any material agreement or instrument to which it is a party that may materially affect this Project.

(j) The information contained in the Project description provided in the applications for the Loan is accurate in all material respects and does not contain any untrue statements of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(k) Except for Leases contemplated by the Project and Section 17 of this Agreement, the Owner shall not during the term of this Agreement sell, transfer or exchange, the Project or the Land (or any part thereof or any interest therein) at any time except in accordance with the terms of the Mortgage, this Agreement, the Act and the Agency Regulations promulgated pursuant to the Act, and the Program Guidelines and unless such sale, transfer or exchange shall have been approved by the Agency. The Owner shall notify in writing and obtain the agreement in writing of any buyer or successor or other person acquiring the Project or Land or any interest therein, in a form acceptable to the Agency that such acquisition is subject to the requirements of this Agreement. This provision shall not act to waive any other restriction on such sale, transfer or exchange.

(l) The Owner has not and will not execute any other agreement with provisions contradictory to, or in opposition to, the provisions hereof and the Mortgage, and in any event, the requirements of this Agreement and the Mortgage are paramount and controlling as to the rights and obligations herein and in the Mortgage and such requirements shall supersede any other requirements in conflict herewith and therewith.

(m) All statements contained in all applications, correspondence or other materials delivered to the Agency by the Owner in connection with its consideration of the Loan to the Owner or relating to the Project are materially true and correct.

(n) The representations, covenants and warranties of the Owner contained in this Agreement on the date of its execution are true and shall continue to be true at all times during the term of this Agreement.

(o) No event has occurred and no condition exists which constitutes an Event of Default under this Agreement or the Mortgage or which, but for a requirement of notice or lapse of time, or both, would constitute such an Event of Default.

(p) As of the date of this Agreement, the Architectural Contract is in full force and effect and no default has occurred thereunder, and a true copy of the entire Architectural Contract with all modifications and addenda to date has been filed with the Agency.

Section 6. Covenants to Run With the Land. The covenants, reservations and restrictions set forth herein shall be deemed covenants running with the Land and, except as provided in Section 5 hereof, shall pass to and be binding upon the Owner's assigns and successors in title to the Land or the Project; provided, however, that upon the termination of this Agreement in accordance with the terms hereof said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Land or the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. If a portion or portions of the Land or Project are conveyed, all of such covenants, reservations and restrictions shall run to each portion of the Project and Land.

Section 7. Term. This Agreement shall remain in full force and effect until all indebtedness from the Owner to the Agency in respect to the Project shall have been paid in full in accordance with the provisions of this Agreement, the Mortgage Note and the other Loan Documents.

Section 8. Construction or Rehabilitation of Project. The Owner covenants and agrees to comply with all the provisions of the Architectural Contract and/or Construction Contract, as applicable. The Owner covenants and agrees diligently to pursue the construction or rehabilitation of the Project to completion in accordance with the plans and specifications set forth in the Owner's application for the Loan and the Architectural Contract and as approved by the Agency.

The Owner shall not approve or allow to occur any material change in the scope of plans and specifications for the Project without the express approval of the Agency. Construction or rehabilitation shall at all times be subject to the discretionary inspection, discretionary review, regulation and approval of the Agency and its duly authorized representatives. Any such inspection, regulation, review or approval of the Agency shall be solely for its benefit for the purpose of assuring that the programs and goals of the Project are being fulfilled.

The Owner shall not knowingly do any act which would cause the release, in whole or in part, of the surety bond or bonds issued in connection with the Architectural Contract or Construction Contract, as applicable, including, without limitation, deviation from the payment schedule, waiver of any material requirements imposed on the architect or any contractor or subcontractor under the Architectural Contract or Construction Contract, as applicable, or consent to any major change in the in the scope of plans and specifications or scope of the work, unless such act would not cause any release because the surety has consented thereto.

Section 9. Funding and Conditions Precedent to Advance.

A. Funding of Construction or Rehabilitation:

Upon and subject to the terms and conditions of this Agreement, the Mortgage and Mortgage Note, the Agency agrees to advance and disburse the principal sum of \$378,215.00 as follows:

The balance of the Principal Sum of \$378,215.00 remaining after disbursement of acquisition costs shall be made only after the Agency has received and approved, subject to its sole discretion, all items required for closing on the Agency Document Checklist for Construction and Permanent Financing.

B. Conditions Precedent to Advance:

The Agency's obligations to make the other disbursement under the Mortgage shall be subject to the satisfaction of the following conditions precedent, any of which may be waived in whole or part by the Agency.

1. Each of the Owner's covenants, agreements, representations and warranties contained in this Agreement shall continue to be true and shall not be breached.

2. If applicable, the full amount of the previous advance shall have been expended for Land acquisition, costs and discharge of any related lien.

3. All work performed and material furnished for the Project shall be in accordance with the plans and specifications for the Project and all work shall have been properly performed to the satisfaction of the Agency.

4. No event shall have occurred and no conditions shall exist that would prevent the advance from becoming a valid first mortgage lien on the Project and the Land or secured by a prior protected security interest on any other collateral mentioned in the Mortgage. If the Agency shall deem it necessary or desirable, all or part of the advance may be disbursed in escrow to a title insurance company licensed to do business in the State of New Jersey for the purpose of discharging any construction or other lien on the Project and Land or any other security mentioned in the Mortgage; and the Owner agrees to certify in writing that the foregoing conditions have been satisfied.

Section 10. Insurance; Condemnation.

During the term of the Agency Financing, the Owner shall cause all the buildings on the premises and the fixtures and articles of personal property covered by the Loan Documents to be insured against loss by fire and against loss by such other hazards as may be required by the Agency for the benefit of the Agency including, but not by way of limitation, flood insurance if any part of the Project is located in an area designated by or on behalf of the federal government as having specific flood hazard. Such insurance shall be written by companies, in forms as are satisfactory to the Agency, and in amounts not less than the full replacement value of the Project. The Owner shall assign and deliver the policies to the Agency. All such insurance policies which are obtained by the Owner during the term of the loan shall fully comply with all Agency requirements for property and liability insurance, including but not limited to the Agency requirement that the insurer must meet certain rating standards. The Agency shall be listed as first mortgagee, loss payee and additional insured under such policies. Such policies shall provide that the insurer may not cancel the policy and will not refuse to renew the policy except after thirty(30)days written notice to the Agency. If the Owner does not provide the Agency with the evidence of insurance as required herein, the Agency may (but shall not be required to) obtain such coverage. The Owner shall reimburse the Agency on demand for any premiums paid for insurance procured by the Agency, and until so

reimbursed, the amount of such premiums shall be added to the principal sum of the First Mortgage Note and shall bear interest at the same interest rate as in the First Mortgage Note.

In the event of substantial damage to the Project by the occurrence of an insured casualty or the taking of a substantial portion of the Project by condemnation, if, in the sole judgment of the Agency (which judgment shall be conclusive): (a) the Project can be replaced or restored in whole or in part, and (b) the Project as so replaced will produce sufficient income to meet the obligations of the Owner under the Loan Documents, the proceeds of insurance or condemnation, together with any other money available for such purpose, if sufficient, shall be made available to the Owner, subject to the approval of the Agency. To the extent the Project is not replaced or restored, the balance of such proceeds shall be applied to the indebtedness secured thereby. Nothing in this Section shall affect the lien of this Agreement and the obligation of the Owner under the Loan Documents to pay the entire balance of the Loan.

The Owner shall maintain continuously in effect such other insurance coverage of the types and in the amounts specified by the Agency, including workers' compensation insurance and other insurance required by law with respect to employees of the Owner, and liability insurance, protecting the Owner and the Agency against any loss or liability or damage for personal injury or property damage with respect to the Project. Owner shall also maintain use and occupancy insurance covering loss of revenues derived from the Project by reason of interruption, total or partial, of the use of the Project resulting from loss or physical damage thereto in an amount not less than one year's gross rental income. The Owner shall carry fidelity bond insurance covering all employees of the Owner authorized to handle the revenues derived from the Project in an amount equal to one-half times the maximum monthly rent roll.

Section 11. Taxes or Payments in Lieu of Taxes. Unless the Owner has received a full tax exemption for the taxes on the Project at the time the Owner takes title to the Project, the Owner covenants and agrees to pay any valid municipal taxes, payments in lieu of taxes, charges, assessments, water charges and/or sewer charges, and in default thereof the Agency may pay the same. Any such sum or sums so paid by the Agency shall be added to the principal sum secured by the Mortgage, as determined by the Agency, and shall bear interest at the then current rate being received by the Agency on its investment as determined in good faith by the Agency.

Section 12. Liens. The Owner covenants and agrees to maintain its right, title and interest in the Project and Land and all items enumerated in Section 7 of the Mortgage free and clear of all liens and security interests, except Permitted Encumbrances, those exceptions identified and set forth in title insurance commitments and title insurance commitment number CTA-13-21795 issued by **Counsellors Title Agency, Inc.** as agent for **Old Republic National Title Insurance Company** dated **January 12, 2013**, and continued to the date of this Agreement, as accepted by the Agency. Except with the written consent of the Agency, the Owner will not install any item of tangible personal property as part of the fixtures or furnishings of the Project, which is subject to a purchase money lien or security interest.

The Agency may, at its sole option, pay the amount necessary to discharge any such lien, and the Owner shall promptly reimburse the Agency for any amounts so paid. Until reimbursement of the Agency of any amounts so paid, such amount shall be added to the Principal Sum as defined in and secured by the Mortgage, as determined by the Agency, and shall bear interest at the then current rate being received by the Agency on its investments as determined in good faith by the Agency.

Section 13. Encumbrances - Sale of Project. The Owner covenants and agrees not to sell, lease or otherwise encumber the Project or the Land, or any part thereof, or the rents or revenues thereof without prior written consent of the Agency, except by leasing to eligible residential tenants as provided by the Mortgage and this Agreement.

Section 14. Maintenance, Repair and Replacement. The Owner covenants and agrees to maintain the Project and the appurtenant equipment and grounds in good repair and condition so as to provide decent, safe and sanitary housing accommodations.

Following completion of construction or rehabilitation, the Owner will not make any substantial alteration in the Project without the consent of the Agency, nor will the Owner permit the removal of any fixtures or articles of personal property except in connection with the replacement thereof with appropriate property of at least equal value and free of all liens or claims.

The Owner will not permit any waste with respect to the Project or any of its real or personal property without the consent of the Agency, or make any alteration which will increase the hazard of fire or other casualty.

Section 15. Advance Amortization Payments. The Owner shall not make any advance principal repayment except as allowed by the Program and Program Guidelines.

Section 16. Compliance with the Program, the Act, Agency's Regulations and Any Federal or State Subsidy Source. The Owner covenants and agrees to comply with the Program, the Act and any regulations promulgated pursuant thereto, and with any amendments or supplements to the Program, the Act or regulations. Throughout the term of this Agreement, the Owner further covenants and agrees to comply with any and all requirements imposed upon it as a condition of any federal or state grant, subsidy or loan.

Section 17. Use of Project - Leasing. Except as otherwise expressly provided in Section 3 and 4 of this Agreement or as otherwise agreed to in writing by the Agency, and except for facilities approved by the Agency as normally appurtenant to residential projects for non-transients (such as laundry facilities), the Project shall be used solely (or as otherwise may be approved by the Agency) to provide affordable housing units for a special needs population(s) under the Agency's Program.

Section 18. Consideration for Lease. The Owner covenants and agrees not to require as a condition of the occupancy or leasing of any dwelling unit in the Project and not to accept or allow any employee or agent to accept any consideration other than the prepayment of the first month's rent, plus a security deposit not in excess of one (1) month's rent to guarantee the performance of the covenants of the rent agreement or lease.

Section 19. Security Deposit The Owner covenants and agrees to deposit all moneys paid to the Owner by any resident, if any, as a security deposit for the payment of rent or other allowable charges under any use and occupancy agreement and/or lease in a separate interest bearing bank account held and maintained in accordance with applicable law.

Section 20. Account for Project Revenues/Operating Account. The Owner covenants and agrees to establish an account for Project Revenues specific to the Project. "Project Revenues" shall mean all rents and other revenues of any type whatsoever received in respect of the Project or the

Owner, except for Loan disbursements. Project Revenues shall be deposited in such account and all operating expenses should be paid from this account.

Section 21. Reserve and Escrow Payments.

On the date of the execution of this Agreement, the Owner will deposit with the Agency the following amounts as shown on the closing budget for the Project ("Form 10") which will serve as a reserve against late payments and be available to pay expenses when due or be available to assist with project expenses. These amounts will comprise the Special Needs Project Escrow:

- (a) an amount equal to twelve (12) months of the estimated annual insurance payments; and
- (b) an amount equal to twelve (12) months of the estimated annual tax payments; and
- (c) an amount(s) as stated on the Form 10 for a project escrow.

Additionally, the Owner will deposit an amount as agreed upon between the Borrower and the Agency for the Project as a reserve for repairs and replacement of items at the Project and initial project costs, excluding social service and/or operating costs. Additionally, the repair and replacement reserve will be funded quarterly by the Borrower with an amount equal to three (3) months repair and replacement reserve as shown on the Project's Form 10. This reserve will be separate from the Special Needs Project Escrow and will be known as the Repair and Replacement Reserve.

All reserve and escrow payments required pursuant to this Section shall be held in accounts under the sole control of the Agency and shall be paid out for the benefit of the Project as needed on request of the Owner or on the Agency's own initiative. Any interest which may be earned on such reserves shall remain in the escrow account and shall be used for similar purposes unless the Owner and Agency mutually agree to apply the funds to some other Project purpose.

If the Agency determines that the payments specified herein are insufficient to ensure prompt payment of taxes, payments in lieu of taxes, insurance premiums, or to properly fund painting, decorating, repair and replacement needs with respect to the Project, then the Agency may require an increase in the minimum required escrow amounts necessary to assure proper funding.

Section 22. Inspection of Premises. The Owner covenants and agrees to permit the Agency, its agents or representatives, to inspect the Project at any and all reasonable times with or without notice, pursuant to the provisions of the Act and the Program.

Section 23. Books and Records. The Owner covenants and agrees to maintain adequate books and records of its transactions, including the social services provided to the Project's residents, with respect to the Project in the Owner's standard form. Such books and records shall be available for inspection and audit by the Agency or its agents at any time during business hours, with notice, pursuant to the provisions of the Act and the Program. The Owner further covenants and agrees to cause the financial affairs with respect to the Project to be audited by independent certified public accountants and shall furnish the Agency with its audit report of such accountants as may from time to time be required by the Agency.

The Owner shall furnish to the Agency such other information and reports respecting the Project as may from time to time be required by the Agency.

Section 24. Management Contract. The Owner may, and if the Agency so elects, shall contract for the services of a firm experienced in real estate management to act as the managing agent for the Project. The selection of any such managing agent, the scope of the agent's duties and the basis of the agent's compensation shall be the subject of a consultation between the Agency and the Owner and any contract for the employment of any managing agent shall provide that such contract may be terminated by the Agency at any time by notice of such determination by the Agency given to the Owner and managing agent.

Section 25. Prohibited Actions. Except with the express approval of the Agency, which approval shall not be unreasonably withheld, the Owner shall not with Project Revenues (as defined in Section 20 hereof), Loan disbursements or grant advances:

1. incur any liabilities, except in connection with the acquisition, rehabilitation and rental of the Project and its operation and maintenance;
2. engage in any business activity except the ownership and operation of the Project;
3. pay more than fair market value thereof for goods or services; and
4. pay compensation to any officer, director or partner in such capacity or make any cash distribution to any of the foregoing.

Section 26. Transfers of Ownership Interests. The Owner shall not transfer or sell any interest in the Project, except in accordance with the Agency's regulations governing such transfers.

Section 27. Statutory Powers and Restrictions. The Mortgage shall be subject to the restrictions in the Act and the Program, and in connection therewith, the Agency shall have the powers set forth in the Act, the Program and the regulations now or hereafter promulgated pursuant to the Act and the Program and the Owner hereby consents to such restrictions and agrees to be bound thereby. Such powers and restrictions shall be in addition to and not in limitation of the rights of the Agency expressly set forth in this Agreement.

Section 28. Accounting in Event of Default; Estoppel. Upon the occurrence of an Event of Default and within ten (10) business days of demand therefore by the Agency, and otherwise within ten (10) business days of written demand by the Agency, the Owner will furnish to the Agency in writing a statement of the principal amount remaining due on the Loan, together with a statement of any known defenses which may exist as to any liability of the Owner on the Notes or otherwise thereunder.

Section 29. Financing Statements. The Owner hereby irrevocably authorizes the Agency to execute on its behalf one or more financing statements or renewals thereof in respect to any of the security interests granted by the Mortgage.

Section 30. Assignment by Agency. The Owner hereby consents to any assignment of any Loan Document by the Agency.

Section 31. Defaults. Each of the following shall be an Event of Default:

(a) failure by the Owner to pay more than thirty (30) calendar days after the due date any installment of principal or interest on the Loan or any other payment required by the Owner to the Agency or any other person pursuant to the terms of this Agreement, the Mortgage or the other Loan Documents; provided, however, that interest shall accrue on any payment made beyond its due date;

(b) commission by the Owner of any act prohibited by the terms of this Agreement, the Mortgage or any other Loan Document, failure by the Owner to perform or observe in a timely fashion any action or covenant required by any of the terms of this Agreement, the Mortgage or any other Loan Document, or failure by the Owner to produce satisfactory evidence of compliance therewith;

(c) the filing by the Owner under any federal or state bankruptcy or insolvency law or other similar law of any petition in bankruptcy or for reorganization or composition with creditors or the making of an assignment for the benefit of creditors;

(d) the filing against the Owner of a petition seeking its adjudication as a bankrupt or the appointment of a receiver for the benefit of its creditors which shall not have been dismissed within sixty (60) calendar days of the filing thereof, or the adjudication of the Owner as a bankrupt or the appointment of a receiver for the benefit of its creditors, or the appointment by court order of a custodian (such as a receiver, liquidator or trustee) of the Owner or of any of its property or the taking of possession of the Owner or any of its property for the benefit of its creditors and such order remains in effect or such possession continues for more than sixty (60) calendar days;

(e) the occurrence of substantial destruction of the Project by an uninsured casualty or the inability to replace or restore the Project in accordance with Section 11, or failure to maintain insurance that fully complies with the Agency insurance requirements set forth at Section 11 or in Agency insurance specifications minimum requirements, or failure to provide, immediately or no later than 30 days from notice, replacement insurance to meet Agency insurance requirements as set forth in Section 10 during the term of the First Mortgage Loan;

(f) any representation in conjunction with the Loan and the Project by or on behalf of the Owner that is knowingly false or misleading in any respect or warranty of the Owner that is breached;

(g) any breach by the Owner of its obligations or any failure to observe its covenants under this Agreement, and the other Loan Documents; and

(h) failure to complete the Project.

(i) failure or refusal to acquire, rehabilitate, operate and/or maintain the Project in accordance with the Program.

The events set forth in the subsections (b) and (g) of this Section shall not constitute Events of Default until the prohibited acts, failure to perform or observe, or breaches shall remain uncured for a period of thirty (30) calendar days after the Agency's written notice to the Owner, specifying such prohibited act, failure or breach and requesting that it be remedied, unless the Agency shall agree in writing to an extension of such time prior to its expiration; provided, however, that after the

Rehabilitation Period only, if the prohibited act, failure, or breach stated in each notice is correctable, but cannot be corrected within the 30-day period, the Agency may not unreasonably withhold its consent to an extension of up to 120 calendar days from the delivery of the written notice referred to herein if corrective action is instituted by the Owner, within the initial 30-day period and diligently pursued.

The failure of the Owner to comply with any of the provisions of Section 25 or 31 of this Agreement shall not be deemed an Event of Default hereunder unless such failure has not been corrected within a period of 60 calendar days, have actual or constructive knowledge of such failure or after the Agency's written notice to the owner, whichever is earlier.

Section 32. Remedies. Upon the occurrence of any Event of Default, the Agency may at its option take any one or more of the following actions or remedies and no failure to exercise any remedy or take any action enumerated shall constitute a waiver of such right or preclude a subsequent exercise by the Agency of any such remedy:

(a) declare the entire principal sum of the Mortgage together with all other liabilities of the Owner under the Note to be immediately due and payable;

(b) cease making disbursements to the Owner of any funds under the Loan or from reserves held by the Agency;

(c) apply any reserves held by the Agency or the balance in the accounts for Project disbursements and revenues, or any combination of these monies, to the payment of the Owner's liabilities hereunder;

(d) foreclose the lien of the Mortgage on the Project and Land or a portion thereof, including without limitation all Improvements existing or hereafter placed in or on the Project and Land. In any action to foreclose, the Agency shall be entitled to the appointment of a receiver of the rents and profits of the Project as a matter of right and without notice, with power to collect the rents, uses and profits of said Project, due and becoming due during the pendency of such foreclosure suit, such rents and profits being hereby expressly assigned and pledged as additional security for the payment of the indebtedness secured by the Mortgage without regard to the value of the Project or the solvency of any person or persons liable for payment of the mortgaged indebtedness. The Owner for itself and any such subsequent owner hereby waives any and all defenses to the application for a receiver as above and hereby specifically consents to such appointment without notice, but nothing herein contained is to be construed to deprive the holder of the Mortgage of any other right, remedy or privilege it may now have under the law to have a receiver appointed. The provisions for the appointment of a receiver of the rents and profits and the assignment of such rents and profits, is made an express condition upon which the Loan hereby secured are made. Upon such foreclosure the Agency shall have the right to have a receiver appointed for the Project and the rent from the Project;

(e) pursuant to its rights under the Act and the Program, remove the Project Manager(s) after consultation with the Owner, or, if the Agency, after consultation with the Owner, decides, it is in the best interest of the Project and Clients, hereinafter defined, the Owner shall deed the Project and Land to the Agency;

(f) take possession of the Project and Land or a portion thereof;

(g) without judicial process, collect all rents and other revenue including federal and State subsidies as the agent of the Owner (which upon the occurrence of any Event of Default the Agency is deemed to have been irrevocably appointed by the Owner), and apply the same at the Agency's option either to the operation and maintenance of the Project or to the liabilities of the Owner under the Mortgage;

(h) act as landlord of the Project and rent or lease the same on any terms approved by it, or dispossess by summary proceedings or other available means any tenant defaulting under the terms of the lease of a dwelling unit;

(i) take possession of equipment, appliances or other tangible personal property in which a security interest has been granted by this Agreement or the Mortgage and dispose of the same in any commercially reasonable manner. The Agency shall have the option to dispose of any such equipment and personal property either separately from the Project and Land or in conjunction with a sale of the Project and Land, and the Owner agrees that either method of disposition shall be commercially reasonable;

(j) make effective an assignment of the Architectural Contract by the Owner to the Agency, in which event the Agency is specifically empowered by the Owner to exercise any and all rights of the Owner under the Architectural Contract, and at the option of the Agency to proceed with the rehabilitation of the Project, in which event all payments by the Owner made with respect to the Architectural Contract shall be treated as disbursements on the Loan;

(k) subject to Section 40 hereof, sue the Owner for a mandatory injunction or other equitable relief requiring performance by the Owner of any of its obligations under this Agreement or the Mortgage or the other Loan Documents. The Owner agrees with the Agency that the Agency's remedy at law for the violation or nonperformance of the Owner's obligations under the Mortgage or this Agreement or the other Loan Documents is not adequate by reason, among other things, of the Agency's public purpose to provide adequate, safe and sanitary dwelling units;

(l) after consultation with the Owner, sue under the Architectural Contract or on a warranty to recover any amount payable to the Owner pursuant to the Architectural Contract or payable to the Owner pursuant to any such warranty and to settle any such claim or liability and release the same and apply the proceeds of any such suit, settlement or release to the liabilities of the Owner under this Agreement or the Mortgage;

(m) if the Owner commits a breach or threatens to commit a breach of any of the provisions of the Mortgages or other Loan Documents, the Agency shall have the right, without posting bond or other security, to seek injunctive relief or specific performance, it being acknowledged and agreed that any such breach, or threatened breach, will cause irreparable injury to the Agency and that money damages will not provide an adequate remedy; and/or

(n) to undertake reasonable maintenance and make reasonable repairs to the Project and to add the cost thereof to the principal balance of the Mortgages.

(o) notwithstanding the above enumeration of remedies, the Agency shall have available to it all other remedies provided at law or in equity or any other action permitted by law subject to the provisions of Section 40 of this Agreement;

Section 33. Expenses Due to Default. All expenses (including reasonable attorneys' fees and costs and allowances) incurred in connection with an action to foreclose the Mortgage or in exercising any other remedy provided by the Mortgage or this Agreement or the other Loan Documents, including the curing of any Event of Default, shall be paid by the Owner, together with interest at the then current rate being received by the Agency on its investments as determined in good faith by the Agency. Any such sum or sums and the interest thereon shall be a further lien on the Project, Land and Improvements, and shall be secured by this Agreement and the Mortgage.

Section 34. Burden and Benefit. The Agency and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the Land in that the Owner's legal interest in the Land and the Project is rendered less valuable thereby. The Agency and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the Land by enhancing and increasing the enjoyment and use of the Land and part of the Project as housing for persons with developmental disabilities.

Section 35. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project and Land.

Section 36. Remedies; Enforceability. The provisions hereof are imposed upon and made applicable to the Land and shall run with the Land and shall be enforceable against the Owner or any other person or entity that has or had an ownership interest in the Project at the time of such violation or attempted violation. No delay in enforcing the provisions hereof as to any breach or violation shall impair, damage or waive the right of any party entitled to enforce the provisions hereof or to obtain relief against or recover for the continuation or repetition of such breach or violation or any similar breach or violation hereof at any later time or times.

Section 37. Amendments; Notices; Waivers. This Agreement and the Mortgage may be amended only by an instrument in writing executed and acknowledged on behalf of the Agency and the Owner in such manner that the instrument may be recorded.

No waiver by the Agency in any particular instance of any Event of Default or required performance by the Owner and no course of conduct of the parties or failure by the Agency to enforce or insist upon performance of any of the obligations of the Owner under this Agreement, the Mortgage, or under the other Loan Documents at any time shall preclude enforcement of any of the terms of this Agreement, the Mortgage, the Note, or the other Loan documents thereafter.

Any provisions of this Agreement, the Mortgage or other Loan Documents requiring the consent or approval of the Agency for the taking of any action or the omission of any action requires such consent by the Agency in writing signed by a duly authorized officer of the Agency. Any such consent or approval, unless it expressly states otherwise, is limited to the particular action or omission referred to therein and does not apply to subsequent similar actions or omissions.

Notice provided for under this Agreement shall be given in writing signed by a duly authorized officer and any notice required to be given hereunder shall be given by recognized private carrier with acknowledgment of delivery or by confirmed facsimile, with a hard copy sent by certified mail, return receipt requested, or by certified or registered mail, postage prepaid, return receipt requested, at the addresses specified below, or at such other addresses as may be specified in writing by the parties hereto.

WHEREAS, members of the public testified to the positive benefits of the Townships efforts and others testified as to the impact of the proposed development; and

WHEREAS, the Zoning Board of the Township of Millstone, having considered all evidence, exhibits, and testimony presented and makes the following findings of fact and conclusions of law:

1. The Board has jurisdiction to hear and decide this application.
2. The taxes on said premises are paid and current.

3. The said premises is located in the NC Zone “Neighborhood Commercial” as established by the Land Use Ordinance of the Township of Millstone.
4. The Board finds that the applicant has satisfied its burden of proof pursuant to N.J.S.A. 40:55D-1 et seq., upon the meeting of certain conditions.
5. The applicant has requested the following variances:
 - A. Use Variance (“D” Variance). The Applicant proposes to construct two (2) multi-family, age-restricted, rental housing buildings which is neither a permitted use in the “NC” Zone nor a permitted conditional use.
 - B. Minimum Lot Width for proposed Lot 13.15 where 150 feet is required and 15.02 feet is proposed.
 - C. Minimum Lot Frontage for proposed Lot 13.15 where 150 feet is required and 15.02 feet is proposed.
 - D. Minimum Side Yard Setback for proposed Lot 13.15 where 30 feet is required and 10.3 feet is proposed.
 - E. Minimum Front Yard Setback for Lot 13.16 where 75 feet is required and 39.7 feet is proposed.
 - F. Minimum Side Yard Setback for Lot 13.16 where 30 feet is required and 10.3 feet is proposed.
 - G. Parking spaces for the entire project where 22 are required and 18 are proposed. (Conforms to RSIS Standards.)
 - H. Ordinance Section 4-4.7 requires a 200 foot diameter circle whereas neither proposed lot can comply.

The Zoning Board finds that the proposed Minor Subdivision and Major Site Plan have substantial benefits and represent an improvement to the zoning scheme in the Township of Millstone. As a result of the proposed plan, the following purposes of the Municipal Land Use Law are promoted:

- a. “To encourage municipal action to guide the appropriate use or development of all lands in this State, in a manner which will promote the public health, safety, morals, and general welfare” by providing affordable housing.
- b. “To provide adequate light air and open space” by developing units on a smaller tract and preserving open space.
- c. “To encourage the appropriate and efficient expenditure of public funds by the coordination of public development with land use policies.”
- d. “To provide sufficient space in appropriate locations for a variety of agricultural, residential, recreational, commercial and industrial uses and open space, both public and private, according to their respective environmental requirements in order to meet the needs of all New Jersey Citizens.”
- e. “To promote the conservation of historic sites” by appealing to the character of the old “Allen House” and keeping salvageable materials from the existing structures.
- f. To ensure that the development of individual municipalities do not conflict with development and general welfare of neighboring municipalities, the county and state.

With respect to the Variance noted as “5A” above, the Board finds that the use variance may be granted. Under the M.L.U.L., the applicant is required to prove that the proposed use promotes the general welfare, because the proposed site is particularly suited for the proposed use. Additionally, the applicant is required to prove the “negative criteria”, which requires the applicant to prove that the use variance can be granted without substantial detriment to the public good and that the granting of the use variance will not substantially impair and intent and purpose of the Zone Plan and Zoning Ordinances. Since this application is for a “use” variance the applicant is also required to provide enhanced quality of proofs, so the Zoning Board can make clear and specific findings that the granting of the requested variance will not cause a substantial detriment to the public good and will not substantially impair the intent and purpose of the Zone Plan or Zoning Ordinance.

With respect to the proposed use on site, Richard Coppola, P.P. provided detailed testimony with respect to the Township’s COAH needs and described the particular suitability of the subject site. The Board finds that the proposed use will provide rental housing for low and moderate income citizens in the Township of Millstone at a substantial benefit to the Township. Moreover, the Board was persuaded by Mr. Coppola’s testimony that the premises represent an excellent location for such a use.

In addition, Matt Shafai, P.E., testified that the proposed use will function without detriment to the nearby environmentally constrained areas and will represent a vast improvement from the dilapidated existing structures.

There are special reasons which support the grant of a use variance for this application which include the provision of affordable housing, meeting the Constitutional needs of the Township and advancing several purposes of the Municipal Land Use Law. Moreover, the

granting of the Application helps the Township meet its COAH obligation and avoid builder's remedy lawsuits which present substantial potential costs to the Township.

With respect the applicant's burden of proof, the Board finds that the site is uniquely suited for age restricted, affordable, rental housing. With respect to the negative criteria, the Board finds that there is no substantial detriment to the public good resulting from the granting of the variance. Moreover, the granting of the variance will not substantially impair the intent and purpose of the Zone Plan and Zoning Ordinances as the Township is obligated to provide moderate and low income housing and has demonstrated that this site is appropriate for the proposed use. The Board also finds that the conditions that will be imposed on the subject site will limit any potential detriment to the surrounding properties or the zoning plan.

As a result of the foregoing, the Zoning Board of Adjustment finds that the applicant has satisfied the positive and negative criteria for the granting of the request for a Use variance.

With respect to the variances noted as "5B", "5C", "5D" and "5F" above, the Board finds that the variances may be granted because each relates to an internal lot line. These variances may be granted under the c(1) hardship standard because of the unique shape of the land and the environmental constraints uniquely effecting the premises including wetlands. Furthermore, the Applicant has demonstrated that these variances may be granted under the c(2) standard because they advance the purposes of the MLUL. The Applicant's proposal creates a community environment and an efficient use of land. The variances relate to an internal lot line and enhance the quality of life for tenants by providing access to the Community Center from either building. These are one-bedroom units for citizens 55 years old or older. Many of these units may be occupied by single residents or couples. Therefore, a sense of community is particularly important and the benefit of this community atmosphere substantially outweighs any detriment

created by the variances which relate to the internal lot line. Additionally, adjoining properties are not affected by these internal variances and there is no substantial detriment to the zone plan.

With respect to the variance noted as “5E” above, the Board finds that the variance may be granted because this is a pre-existing non-conforming condition that will not be exacerbated. The existing front yard setback for Lot 13.16 is 39.7 feet. 39.7 feet is proposed in order to preserve the historic character of the Allen House. This specifically promotes the land use reason embodied in N.J.S.A. 40:55D-2j. In fact, the Applicant has taken great measures to preserve the historic look from Stagecoach Road and will preserve many of the internal and structural features of the old Allen House. This variance promotes the applicant’s efforts without substantial detriment to the public welfare or the zoning scheme.

With respect to the variance noted as “5G” above, the Board finds that the variance may be granted because the proposed parking meets the Residential Site Improvement Standards for age restricted parking. The Board finds the proposed parking is adequate for the proposed use and poses no substantial threat to the public welfare or zoning scheme.

With respect to the variance noted as “5H” above, the Board finds that the variance may be granted because the Applicant is able to construct the COAH housing outside the conservation easement while making efficient use of the tract. The proposed development conserves a large area of environmentally constrained open space while permitting development in an efficient matter in order to partially satisfy the Township’s COAH obligations. This is a substantial benefit to the Township of Millstone without substantial detriment to the public welfare or zoning scheme.

6. The Applicant has also requested the following waivers:

A. Submission of an EIS.

With respect to the waiver noted as “6A” above, the Board finds that the waiver may be granted because the Applicant submitted a previous EIS from the “Galloping Hills West a.k.a. Steeple Chase” subdivision. The Board finds that this waiver is reasonable under the circumstances.

NOW, THEREFORE, BE IT RESOLVED that this resolution serves as a memorialization of the Board’s decision to grant Use Variance, Minor Subdivision and Preliminary and Final Major Site Plan Approval with Variances and a Waiver on February 27, 2008, subject to the conditions as follows:

1. The Applicant shall obtain all state, county and local government approvals as required by law.

3. This approval is subject to the accuracy and completeness of the submissions, statements, exhibits and other testimony filed with, or offered to, the Board in connection with this application, all of which are incorporated by reference and specifically relied upon the Board in granting this approval. The condition which shall be deemed satisfied unless and until the Board determines (on Notice to the applicant) that a breach hereof has occurred.
4. No taxes or assessments for local improvements shall be due or delinquent on the subject property.

5. The Applicant shall provide additional landscaping on the site subject to the review and approval of the shade tree commission.
6. The Applicant shall cooperate with the Historical Commission in order to preserve as many items from the original Allen House as practical.
7. The Applicant shall add lighting to the rear of the proposed development not to spill onto neighboring properties. The lighting shall be minimal with reduced spillage and must be on a timer for automatic shut-off by 10:00 p.m. at the latest. Lighting shall also be directed along the pathway without spillage onto neighboring properties.
8. The Applicant shall use the name "Allen House" for the project to preserve the historical significance of the location.
9. The Applicant shall provide additional color samples to the Historical Commission for their review.
10. The Applicant is required to comply with Section 3-2.9 of Land Use Ordinances of the Township of Millstone entitled "Expiration of Variance" which provides:
 - a.  1. Any variance granted by the Board of Adjustment pursuant to N.J.S.A. 40:55D-70c. or d. of the Municipal Land Use Law which was approved in conjunction with an approval by the Board of a site plan or subdivision shall not be subject to the twelve (12) month expiration time period, but shall be governed by the applicable provisions within Article 6 of the Municipal Land Use Law.

2. The twelve (12) month expiration time period may be extended by the Board of Adjustment for an additional six (6) months upon application to the Board and a showing of good cause by the applicant. An application for an extension of time must be filed with the Board of Adjustment within eighteen (18) months from the adoption of the resolution memorializing the approval of the subject variance.
 3. In the instance of an appeal from an approval of a variance by the Board of Adjustment to either the Township Committee, if permitted, or to the Superior Court, the expiration time period shall be tolled until the appeal is adjudicated.
- b. In the instance where an applicant elects to submit a separate application for a variance pursuant to N.J.S.A. 40:55D-70d. and a subsequent application for any required approval of a subdivision, site plan or conditional use, the subsequent application for the subdivision, site plan and or conditional use shall be filed with the resolution memorializing the approval of the subject variance or the subject variance shall be deemed to have expired.

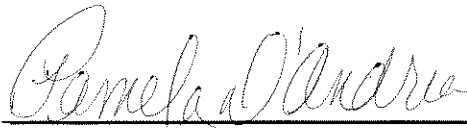

BE IT FURTHER RESOLVED, that the Board Secretary is hereby authorized and directed to send a certified copy of this Resolution to the applicant, the Township Clerk, Engineer and Assessor and shall make same available to all other interested parties; and that the Board Secretary and/or the Applicant is hereby authorized and directed to cause a notice of this decision to be published in the official newspaper at the applicant's expense.

ALLEN HOUSE II, 471 STAGECOACH ROAD (10 AFFORDABLE UNITS)

The subject property is a 2.56-acre parcel located on Stagecoach Road in the central portion of Millstone Township in close proximity to the Township municipal complex, Fire Station, restaurant, and convenience stores. The property is further known and designated as Block 35, Lot 15 on the Tax Map of the Township of Millstone.

The property is owned by the Township of Millstone and was acquired by deed from the Estate of John C. Eckhardt dated May 6, 2016 and recorded in the office of the Monmouth County Clerk on May 11, 2016 in Book OR-9165 at Page 8048.

The property is proposed to be developed as a municipally sponsored ten (10) unit senior citizen rental apartment in cooperation with the Affordable Housing Alliance, a recognized nonprofit developer of affordable housing for many years in Monmouth County. The units will have associated driveway, parking area and on-site well and septic system facilities to service the units. The property will be accessed directly from Stagecoach Road.

The Township engineer has prepared a conceptual layout plan. The Township wastewater management engineer has submitted a report confirming that the required permits and approvals for the septic system can be obtained for this parcel employing standard, accepted wastewater management practices that are typical of the industry that do not require excessive permitting and development costs. The Affordable Housing Alliance has provided a proforma fiscal analysis of the development cost demonstrating that the project can be developed within reasonable cost parameters.

Based on the foregoing the property is available (Township owned and controlled). It is suitable as it is located on an existing street system and adjacent to nearby residential uses with proximity to municipal facilities, convenience stores, restaurants and the like. It is developable as demonstrated by the concept plan and supporting wastewater management report and proforma. It is approvable as municipally sponsored affordable housing development is permitted in all zones within the Township and the property is included in the proposed Fair Share Plan.

2. The premises in question are located at 471 Stage Coach Road, in the Township of Millstone, County of Monmouth, and State of New Jersey, which property is further known and designated as Block 35, Lot 15 on the Tax Map of the Township of Millstone.

3. The subject property is located in the NC Neighborhood Commercial Zoning District of Millstone Township and Affordable Housing Development is a permitted use in the Zone.

4. The subject property is a 3.44 acre parcel with approximate dimensions of 590.91 ft. x 170.80 ft. X 243.40 ft. x 359.87 ft. x 184.47 ft. and is substantially an elongated rectangle in shape with 184.47 ft. of frontage along Stage Coach Road (Monmouth County Route 524). The property has an approximate area of 110,190.13 sq. ft. (12.53 acres) and is substantially impacted by existing wooded areas and wetlands as the property recedes westerly from Stage Coach Road. The easterly portion of the lot along Stage Coach Road is a cleared area with the existing improvements. Due to the previously referenced conditions, development of the property is most appropriate in the easterly portion of the site so as to avoid the disturbance of naturally wooded areas and wetlands. The property is presently developed with a 1.5 story residential home with a detached garage and shed. Those structures are older and deteriorated and they are proposed to be removed and replaced with a new 10 unit senior citizen affordable housing rental development that will comply with all of the bulk Zoning requirements of the "NC" Zone District with the exception of front yard setback which will be 40.37 ft. where 75 ft. are required.

5. The Applicant was represented by Duane O. The Planning Board also heard the testimony of Doreen Polhemus, the Township Historian. The applicant presented testimony that the Township

of Millstone purchased the subject property in order to assist in meeting it's affordable housing obligation. The subject property is located along Stage Coach Road between the former Clarksburg Inn and the existing Allen House I senior citizen housing development. To the north of the subject property is Allen House I. To the east of the subject property is the Township Municipal Building. To the south of the subject property is the former Clarksburg Inn, the Township Firehouse and Black Bear Recreational Camp. To the west beyond the wetland areas are single family residential homes.

6. The Applicant proposes to demolish the existing buildings on the property, removing some elements of the structure prior to demolition for historic preservation. The Planning Board notes that the existing building to be removed has an approximate 25 ft. front yard setback. Although the proposed building will not meet the required 75 ft. it will be further from the front yard than the existing residence.

7 The Planning Board finds from the testimony and evidence submitted by Applicant's witnesses that the property does have heavily wooded areas and wetland areas as one proceeds to the west from Stage Coach Road. The Planning Board agrees with the testimony of Planner Mertz that granting the front yard setback variance will promote the purposes of the Municipal Land Use Law by preserving the natural wooded areas and environmentally sensitive wetland areas on the westerly portion of the site keeping the development closer to the easterly property line along Stage Coach Road. This will serve to preserve the environment and provide for the appropriate use of this property in order to promote the general welfare by

preserving these natural areas. The Planning Board further agrees with Ms. Mertz that the proposed development will provide for adequate light, air and open space and encourage the efficient expenditure of public funds through coordination of this development with land use policies. It will also provide sufficient space in that appropriate location for this affordable housing opportunity which is a constitutional obligation that the Municipality must meet. The Planning Board notes Ms. Mertz testimony that the subject site is part of a settlement Agreement that has been approved by the Superior Court. The use is a permitted use in the Zone District and the Planning Board agrees with her that the proposed use is less intense than the other types of uses permitted in the NC Zone with the exception of single family residential homes. The Planning Board agrees that the subject development will produce lower traffic rates than commercial uses permitted in the Zone and have less impact on this environmentally constrained property. The Planning Board further agrees with Ms. Mertz testimony that the proposed front yard setback is consistent with the adjacent Allen House I development which has a similar front yard setback.

8. The Planning Board finds that the Applicant has satisfied the positive criteria for the grant of the request for variance relief. Based on the facts set forth previously herein the Planning Board finds that the purposes of Municipal land use N.J.S.A. 40:55D-2 are promoted by this proposed development and that the Applicant has satisfied the positive criteria for the grant of requested variance relief.

9. The Planning Board further finds that the Applicant has satisfied the negative criteria for the requested variance relief. The Planning Board finds that the grant of the requested variance will not result in any substantial detriment of the public good. The Planning Board agrees with the testimony of Ms. Mertz that the proposed development is a permitted use in the Zone and will assist the municipality in meeting its Constitutional obligation to provide affordable housing. Moreover, based upon the testimony of Ms. Mertz, Mr. Griggs and Mr. McCorry, the proposed development will be consistent with the adjacent Allen House I located immediately to the north of the subject property and will also be of a design consistent with other development along Stage Coach Road. Thus, any adverse impacts of the proposed development will be insubstantial.

10. The Planning Board further finds that the grant of the requested variance relief will not result in any substantial impairment to the Zone Plan or Zoning Ordinance. As noted previously herein, the proposed use is a permitted use in the Zone. The proposed development will meet all of the bulk requirements of the NC Zone District with the exception of front yard setback. The Planning Board agrees with the Applicant's witnesses that it is appropriate to retain to the greatest extent possible the natural wooded areas and wetlands on the subject property by placing the improvements closer to Stage Coach Road. The existing residence on the property that has set the character of the zone for many years had a more egregious deviation from the setback requirement so that the subject proposal is substantially more conforming. Therefore, any adverse impacts upon the Zone Plan are insubstantial and

positive impacts are consistent with the goals of maintaining and preserving the open space and environmentally sensitive wetland areas.

11. The Planning Board further finds from the testimony presented that the Applicant has submitted a site plan and such additional information as is reasonably necessary to make an informed decision as to whether the requirements necessary for preliminary site plan approval have been met. The undisputed testimony demonstrated that the site will properly function preserving existing natural resources on the site, providing for safe and efficient vehicular and pedestrian circulation, adequate screening, landscaping, location of structures and lighting. The Planning Board finds that the detailed drawings, specifications and estimates of the application conform to the standards established by Ordinance for final approval. Consequently, the Planning board finds that preliminary and final major site plan approval can and should be granted at this time.

12. The Planning Board further finds that the Applicant has satisfied the positive and negative criteria for the grant of the requested variance relief and that the variance can and should be granted at this time as well.

13. The Planning Board further finds that all property owners within 200 ft. of the premises in question were given proper notice of the Hearing of this Application and were provided with an opportunity to present testimony in support of or in opposition to the appeal.

THIS AGREEMENT entered into this 19th day of February 2020 between Millstone Township, a municipal corporation, in the County of Monmouth, State of New Jersey, having its office at 470 Stage Coach Road, Millstone, New Jersey 08535 (hereinafter "Municipality" or "Millstone") and the Affordable Housing Alliance having an office at 3535 Route 66 Building 4, Neptune, New Jersey 07753 (hereinafter "AHA" or "Developer").

WHEREAS, Southern Burlington County NAACP v. Tp. of Mount Laurel, 92 N.J. 158 (1983) (hereinafter "Mount Laurel"), the Fair Housing Act, N.J.S.A. 52:27D-301, *et seq.*, the regulations adopted by the Council On Affordable Housing (hereinafter "COAH"), and other applicable laws require all New Jersey municipalities to create a realistic opportunity for the provision of low and moderate income housing (hereinafter "affordable housing"); and

WHEREAS, it has been determined that the Municipality must address its obligation of its affordable housing Fair Share Plan, meaning the Municipality must provide a realistic opportunity for the creation of units affordable to low and moderate income households and conforming to the regulations of COAH and the Uniform Housing Affordability Controls ("UHAC"); and

WHEREAS, to address this obligation the Municipality and AHA have conducted several discussions with regard to creating a rental community of 10 senior apartments on Block 35/Lot 15; referred to as the "Allen House 2," which contemplates the construction of 10 senior rental units which will be affordable to certified low and moderate income households; and

WHEREAS, the Municipality is also cognizant that if Allen House 2 Project fails to materialize, it must still address its obligation to satisfy a portion of its affordable housing obligations with rental housing; and

WHEREAS, the Municipality has therefore committed to collaborating and forming an agreement with AHA; and

WHEREAS, the Municipality owns the Allen House 2 parcel, the Municipality has committed to transferring ownership of this parcel to AHA to facilitate the construction of said units and to enhance the economic feasibility of the project; and

WHEREAS, AHA has developed and submitted to the Municipality a proposal for the construction and administration of a 10-unit, municipally-sponsored senior rental program, attached hereto as Exhibit A; and

WHEREAS, the AHA proposal includes a *pro forma* and a construction schedule in conformity with N.J.A.C. 5:93-5.5; and

WHEREAS, AHA will endeavor to secure sufficient funding from several funding sources in order to complement the use of any municipal funds; and

WHEREAS, in the event that AHA is unable to secure a portion of the funds necessary to complete this project, the Municipality has formally committed to fund any shortfall via Resolution entitled "A Resolution of the Township Council of Millstone Township Expressing Its Intent to Fund for the Municipality's Affordable Housing Obligation," dated February 19, 2020, and attached hereto as Exhibit B; and

WHEREAS, the Municipality has also committed to act in good faith, to assist AHA to the extent possible in securing any and all permits necessary to commence construction of the proposed project and to zone the site for the purposes intended in this contract; and

WHEREAS, AHA will assure that the affordable units comply with all applicable regulations of COAH and the terms of the Court approved Settlement Agreement between the Township of Millstone, Fair Share Housing Center and Showplace Farms in the Superior Court of New Jersey, Law Division, Monmouth County Docket No. MON-L-2501-15, including but not limited to those regulations concerning pricing, bedroom mix, low/moderate income split, affirmative marketing, and all other applicable COAH and UHAC regulations; and

WHEREAS, AHA shall comply with the statutory requirement for 13% of all affordable units to be affordable to very low-income households at 30% of the region's median income; and

WHEREAS, the subject property is a viable, approvable, developable and suitable, as those terms are defined in N.J.A.C. 5:93-5.3(b), for the project illustrated by Exhibit A; and

WHEREAS, the parties anticipate that the Municipality shall be entitled, pursuant to N.J.A.C. 5:93-5.15(d)1, to rental bonuses for some or all of the 10 affordable housing units provided pursuant to this project, which will address some of the Municipality's fair share obligation, and

NOW, THEREFORE, be it agreed as follows:

DM/Grbelja offered the following Resolution and moved its adoption, which was second by C/Kuczinski.

WHEREAS, the Township of Millstone has applied to the Superior Court of New Jersey for a temporary immunity order pursuant to N.J.A.C. 5:96 and 5:97; and

WHEREAS, The Township of Millstone has sought a judicial declaration that its amended Housing Element and Fair Share Plan ("Fair Share Plan") satisfies its fair share of the regional need for low and moderate income housing pursuant to the "Mount Laurel Doctrine"; and

WHEREAS, the Trial Court appointed Michael P. Bolan, P.P., A.I.C.P. to serve as a "Special Master" in this litigation; and

WHEREAS, the Fair Share Housing Center ("FSHC") has been recognized by the New Jersey Supreme Court as an interested party and may participate in the matter as of right and in all cases filed by Municipalities pursuant to the Mount Laurel line of cases; and

WHEREAS, FSHC has participated in the discussion of the Township's Housing Plan; and

WHEREAS, with the assistance of the Court's Special Master and the Township FSHC having engaged in good faith negotiations and having reached an amicable Resolution of the various substantive provisions, terms and conditions of the Township's affordable housing obligation; and

WHEREAS, the parties have consented to an Agreement to settle the litigation and to present the terms of the settlement to Trial Court, recognizing that the settlement of Mount Laurel litigation is favored because it avoids delays, the expense of Trial and uncertain results; and

WHEREAS, on November 12, 2019 the Honorable Linda J. Grasso Jones, J.S.C. entered an Order in the Superior Court, Law Division, Monmouth County, Docket No. MON-L-2501-15 that the Settlement Agreement is fair and reasonable and adequately protects the interests of very low, low and moderate-income households; and

WHEREAS, the Settlement Agreement includes the approval of three municipally sponsored non-inclusionary projects that are to be developed in collaboration with the Affordable Housing Alliance, namely Allen House II, CKV and Shu Lee; and

WHEREAS, in accordance with N.J.A.C 5:93-5.5 and the terms of the Settlement Agreement, the Township recognizes that it must provide evidence that the municipality has adequate and stable funding for any non-inclusionary affordable housing developments. The municipality is required to provide documentation of the funding available to the municipality and/or project sponsor, and any applications still pending. In the case where an application shall provide a stable alternative source, such as municipal bonding, in the event that the funding request is not approved; and

WHEREAS, the funding for the aforesaid projects has not yet been finalized and the Township desires to meet its obligation to provide a stable alternative source of funding in the event that the funding requests for the municipally sponsored projects are not approved:

AGREEMENT BETWEEN THE TOWNSHIP OF MILLSTONE AND THE AFFORDABLE HOUSING ALLIANCE AMENDING AND MODIFYING THE CONTRACT, DEVELOPER’S AGREEMENT AND OTHER DOCUMENTS WITH RESPECT TO THE DEVELOPMENT OF THE ALLEN HOUSE II PROJECT TO BE LOCATED AT 471 STAGE COACH ROAD IN THE TOWNSHIP OF MILLSTONE FURTHER KNOWN AND DESIGNATED AS BLOCK 35, LOT 15¹

WHEREAS, on July 2, 2015 the Township of Millstone (hereinafter “Township”) pursuant to the decision of the Supreme Court of the State of New Jersey “**In the Matter of the Adoption of N.J.A.C. 5:96 and 5:97 by the New Jersey Council of Affordable Housing, 221 N.J. 1 (2015) (Mount Laurel IV)**” filed a Declaratory Judgment Complaint with the **Superior Court of New Jersey, Law Division, Monmouth County Docket No. MON-L-2501-15**. That Complaint requested the Court to determine the Township’s obligation to provide its fair share of affordable housing, to approve its Housing Element and Fair Share Plan to meet that obligation, to provide immunity from Builder’s Remedy actions and for a Judgment of Compliance and Repose; and

WHEREAS, the Township and intervenors in the action reached a Settlement Agreement dated September 5, 2019 resolving all issues between the various parties to the action; and

WHEREAS, the Honorable Judge Linda Grasso Jones, JSC conducted a Fairness Hearing on October 22, 2019 following which the Court found the Settlement Agreement to be fair, reasonable and adequately protect the interests of very low, low and moderate income households and entered an Order of such finding; and

WHEREAS, on April 7, 2020 the Honorable Judge Linda Grasso Jones, JSC conducted a Compliance Hearing following which the Court determined that the Township of Millstone has satisfied all of the conditions of the Court’s Order Approving the Settlement Agreement and entered a Judgment of Compliance and Repose on April 27, 2020; and

WHEREAS, the Settlement Agreement includes the approval of three municipally sponsored projects that are to be developed in collaboration with the Affordable Housing Alliance (hereinafter “AHA”), namely Allen House II, CKV and Shu Lee: and

WHEREAS, in accordance with the terms of the Settlement Agreement the Township adopted Resolution No. 20-95 authorizing the execution of a Developer’s Agreement between the Township and AHA for the Allen House II project: and

WHEREAS, the Township and AHA executed the Developer’s Agreement with respect to the Allen House II project (hereinafter the “Project”) on February 19, 2020. Among other things the Developer’s Agreement provided that:

¹ January 31, 2023

1. The Township owns the Allen House II parcel and has committed to transferring the property to AHA to facilitate the construction of 10 senior affordable apartments.
2. AHA will endeavor to secure funding from several funding sources in order to complement the use of any municipal funds.
3. In the event that AHA is unable to secure a portion of the funds necessary to complete the Project, the Township has committed to fund the shortfall.
4. The intent is for AHA to secure funding from sources other than the Township before calling upon the Township to provide funding; and

WHEREAS, on August 7, 2019 the Township and AHA entered into a contract for the transfer of the Allen House II property to AHA. Paragraph 4 of that contract contemplated that AHA would receive approval of funding through the United States Department of Housing and Urban Development (HUD). However, AHA has not obtained that financing and is presently pursuing funds from other sources having received commitments for funding from NJDCA Affordable Housing Trust, Monmouth County Home Program and Federal Home Loan Bank of New York. These funding commitments to date do not satisfy the entire costs for development of the Project. AHA has requested the Township to advance funds at this time so that the Project can move forward while AHA continues, in good faith, to pursue funding for the entire Project; and

WHEREAS, the Township desires for its municipally sponsored affordable housing projects, and particularly Allen House II, to move forward and is prepared to advance a portion of the development costs at this time subject to the terms set forth herein; and

WHEREAS, the aforesaid agreements do not have provisions for refund to the Township of funds advanced by it should AHA receive additional funding that covers the costs for which the Townships funds were expended so that such funds can be used by the Township for other affordable housing initiatives in its approved Housing Element and Fair Share Plan.

NOW THEREFORE, THE PARTIES AGREE S FOLLOWS:

1. Except as otherwise set forth herein the aforesaid documents and agreements are reaffirmed and shall remain in full force and effect.
2. AHA shall continue in good faith efforts to secure funding sources to cover all development costs and expenses of the Project.
3. The Township may from time to time advance funds from its Affordable Housing Trust Fund in order that the development of the Project proceed notwithstanding that AHA has not yet secured funding for the entire Project development costs from other funding sources. In the event that AHA does secure additional funding that covers Project development costs for which Township funds have been used, such funds shall be refunded to the Township for its use in other affordable housing initiatives.
4. Such Township funds shall not be released from the Township's Affordable Housing Trust Fund to AHA until after the Township has conveyed title to the property to

AHA. In the event that construction does not timely commence in accordance with the terms of the Contract for the Sale of Real Estate for the property, or the property ceases to be used for the purposes set forth in the contract, or the purpose is abandoned by AHA, its successors or assigns the Township funds shall be returned to the Township.

5. The Township and AHA shall monitor such funding status on an annual basis and make such adjustments as may be appropriate. On each anniversary of this Amendment and Modification Agreement AHA shall provide to the Township financial records demonstrating the source of funding received, development expenditures to which those funds have been applied and any amounts to be refunded to the Township which shall be provided within sixty (60) days thereafter.
6. This Amendment and Modification Agreement shall be binding upon all parties who sign it and all who succeed to their rights and responsibilities.
7. All notices required by this Amendment and Modification Agreement shall be sent by messenger, overnight mail, certified mail return receipt requested, facsimile transmission or electronic mail to:

THE MATTER OF
APPLICATION NO. PB17-06
OF MILLSTONE TOWNSHIP
BLOCK 57 LOT 14.03

RESOLUTION GRANTING
SITE PLAN AND VARIANCE
APPROVAL

WHEREAS, MILLSTONE TOWNSHIP, hereinafter the "Applicant", has proposed the development of property located at 17 Burnt Tavern Road in the Township of Millstone, County of Monmouth, State of New Jersey, which property is further known and designated as Block 57, Lot 14.03 on the Tax Map of the Township of Millstone; and

WHEREAS, the Applicant, has applied to the Planning Board of the Township of Millstone for Preliminary and Final Major Site Plan approval to construct a four (4) unit 2-story building to provide affordable housing consistent with the Township's Housing Element and Fair Share Housing Plan and consistent with Ordinance 15-18 which requires variances for Lot width of 100 ft. where 250 ft. are required, side yard setback of 30 ft. where 50 ft. are required, and combined side yard setbacks of 60 ft. where 125 ft. are required contrary to the provisions of Chapter XXXV, Article 5, Section 5-13.4 of the Land Use Development Regulations of the Township of Millstone; and

WHEREAS, the property is located in the BP Business Park Zone District and the residential development of affordable housing is a permitted use in the Zone; and

WHEREAS, the Applicant appeared before the Planning Board of the Township of Millstone on June 14, 2017, due notice of said meeting having been given in accordance with New Jersey Statutes, the Open Public Meetings Act and the Municipal Land

Use Law and a quorum of the Planning Board being present, the request for Preliminary and Final Major Site Plan Approval with variances was heard; and

WHEREAS, The Applicant's witnesses were sworn and the Planning Board having heard the testimony of the Applicant's witnesses and having examined the exhibits presented by the Applicant and having considered all of the evidence presented in favor of or in opposition to the Application the Planning Board has made the following findings of fact:

1. The Planning Board has received and reviewed the following documents, exhibits and reports:

1.1 Jurisdictional Packet, marked as Exhibit A-1 in evidence.

1.2 Application of Millstone Township dated May 9, 2017, marked as Exhibit A-2 in evidence.

1.3 Millstone Township Website notice, marked as Exhibit A-3 in evidence.

1.4 Preliminary and Final Major Site Plan, prepared by Leon S. Avakian, Inc. dated May 5, 2017, marked as Exhibit A-4 in evidence.

1.5 Architectural Elevation and Floor Plan Drawings, prepared by Feldman and Feldman Architects, dated May 30, 2017, marked as Exhibit A-5 in evidence.

1.6 Aerial Map prepared by Leon S. Avakian, Inc. dated May 1, 2017, marked as Exhibit A-6 in evidence.

1.7 Revised Aerial Map prepared by Leon S. Avakian, Inc., marked as Exhibit A-7 in evidence.

1.8 Color-rendered elevation of front of proposed building, prepared by Feldman and Feldman Architects, marked as Exhibit A-8 in evidence.

1.9 Colorized landscape plan sheet 3, prepared by Leon S. Avakian, Inc., marked as Exhibit A-9 in evidence.

3. The premises in question are located at 17 Burnt Tavern Road, in the Township of Millstone, County of Monmouth, and State of New Jersey, which property is further known and designated as Block 57, Lot 14.03 on the Tax Map of the Township of Millstone.

4. The subject property is located in the BP Business Park Zone District and residential affordable housing developments are a permitted use in the Zone.

5. The subject property is a 3.44 acre parcel with approximate dimensions of 100.00 ft. x 312.79 ft. X 213.13 ft. x 392.41 ft. x 183.21 ft. x 327.07 ft. x 455.45 ft. x 48.62 ft. x 303.54 ft. and is extremely irregular in shape. However the portion of the property immediately adjacent to Burnt Tavern Road is a rectangular shape approximately 100 ft. in width x 300 ft. in depth. A substantial portion of the property is

encumbered with a conservation easement which is located to the rear (west) portion of the property, leaving the only developable portion that rectangular area immediately adjacent to Burnt Tavern Road.

5. The Applicant proposes to construct a four (4) unit two-story building to provide affordable housing consistent with the Township's Housing Element and Fair Share Housing Plan and consistent with Ordinance 15-18. The proposed building will consist of one (1) three (3) bedroom unit, two (2) two (2) bedroom units and one (1) one (1) bedroom unit, with 2,490 sq. ft. of floor area on the first floor and 2,330 sq. ft. of floor area on the second floor. The unique shape of the property with its narrow Burnt Tavern Road frontage results in the necessity for variances of Lot width of 100 ft. where 250 ft. are proposed, which is an existing condition that cannot be changed; side yard setbacks of 30 ft. where 50 ft. are required; and 60 ft. combined side yard setbacks where 125 ft. are required. The side yard setback variances are necessitated due to the fact that providing the required setbacks leaves no building envelope to develop the property. Consequently the strict application of the Zoning requirements would render the subject property inutile as the only developable area is within this narrow portion of the site as the wider area to the rear (west) portion of the property cannot be developed due to environmental constraints including wetlands and a conservation easement.

6. The Applicant presented the testimony of Matt Shafai, a licensed professional Engineer in the State of New Jersey, David Feldman, a licensed Architect of the State of New Jersey, Derrick Griggs, CEO of the Affordable Housing Alliance which

will develop and operate the facility, and Fred Heyer, a licensed professional Planner of the State of New Jersey. The Applicant presented testimony from Mr. Shafai as to the unique shape of the subject property as well as its being impacted along its westerly portion by a conservation easement and wetlands. He demonstrated through the use of Exhibits A-6 and A-7 that the only developable area on this parcel is the area within the first 300 ft. of it's frontage on Burnt Tavern Road which is a rectangular portion of the parcel with approximate dimensions of 100 ft. in width by 300 +/- ft. in depth. Mr. Shafai testified as to the orientation of the proposed structure, which will have approximate dimensions of 40 ft. in width x 60 ft. in depth, and testified that due to the narrow width of the site the property cannot be developed without the requirement of variance relief for lot width and side yard setbacks. He noted that the property to the south of the subject parcel is developed with an existing single family home and the parcel to the north of the subject property is developed with a commercial use. Mr. Shafai testified that the driveway and the parking area servicing the building are located along the northerly property line adjacent to the commercial use in order to have the least impact possible on the residential use to the south. He described the ingress and egress as well as parking and noted that the number of parking spaces provided complies with the Residential Site Improvements Standards (RSIS) requirements. Nevertheless, during the course of the hearing Planning Board members recommended that consideration be given to adding one (1) handicap parking space to the site so as to provide nine (9) total spaces which exceed the RSIS requirements.

7. Mr. Shafai testified that the proposed building will comply with the height limitations set forth in the Ordinance and that landscaping will be added to the property in order to provide pleasing aesthetic screening of the building and parking areas and provided Exhibit A-9, Sheet 3 Landscape Plan of the Site Plan rendered in color, demonstrating where the landscaping will be provided.

8. Mr. Shafai further testified that there will be no stormwater management issues resulting from the development of this site. Post development run-off will be directed to the same areas as existing run-off. He noted that there is less than one-quarter acre of disturbance and this is not considered to be a major development under NJDEP standards. Mr. Shafai noted that outside approvals will be required including Freehold Soil Conservation District and Monmouth County Planning Board approval or Letter of Exemption. He further noted that the project has already received Health Department approval for well and septic on site.

9. Mr. Feldman and Mr. Shafai both presented testimony as to the architectural elements of the building and, more particularly, with respect to Exhibit A-8 which demonstrates that the front elevation of the building is designed to have the appearance of a single family residence and that the size and scale of the building is of a single family residential character which mitigates and minimizes any potential adverse impacts of the deficient side yard setback on the neighboring residents to the south.

10. Mr. Griggs testified that The Affordable Housing Alliance will construct and operate this development and has over twenty years of experience in operating these types of facilities in Monmouth County. He testified that the building will be sprinklered so as to enhance fire safety. He also testified that the management company will assure that trash is efficiently and appropriately handled.

11. Mr. Shafai also testified that the subject property is on a straight portion of Burnt Tavern Road that provides adequate site distance at its intersection with the proposed site driveway for safe turning movements into and out of the site.

12. Mr. Heyer directed his testimony toward the justification for variance relief. He testified that the bulk standards of the BP Zone were designed for larger industrial use projects. Residential affordable housing development was added as a permitted use in this Zone after the initial Zoning standards were designed. He opined that projects such as the Applicant's proposal do not exhibit the characteristics of larger industrial projects that require larger bulk requirements. He further testified that the lot width can't change and that the proposed development cannot be moved to the rear (west) portion of the site due to environmental constraints. Consequently there is a classic hardship associated with this property as the application of the lot width and setback requirements upon the developable area of this site result in no building footprint whatsoever and thus would Zone the property into inutility. The Planning Board agrees.

13. N.J.S.A. 40:55D-70.c(1) provides that where by reason of exceptional narrowness, shallowness or shape of a specific piece of property, or exceptional topographic conditions or physical features uniquely affecting a specific piece of property resulting in an extraordinary and exceptional situation uniquely affecting the specific piece of property such that the strict application of the Regulations would result in peculiar and exceptional practical difficulties to and exceptional and undue hardship upon the Developer, the Planning Board may grant variance relief. As testified to by Mr. Heyer, this property is a classic case of hardship under the Statute as it does exhibit exceptional narrowness along it's frontage on Burnt Tavern Road coupled with a unique shape and exceptional physical features of wetlands and conservation easements such that the only location where the property can be developed is that portion of the property immediately adjacent to Burnt Tavern Road which is a rectangle of approximate dimensions of 100 ft. x 300 +/- ft. which is where the Applicant proposes the development.

14. Mr. Heyer also noted the proposed use is an inherently beneficial use and a Constitutional obligation of the Township as it is providing affordable housing for low and moderate income families. Moreover the proposed use is consistent with the Master Plan and the Ordinance which permits this type of use in the Zone.

15. Mr. Heyer also testified that the application meets the negative criteria for the grant of the requested variance relief. He opined that there will not be any substantial detriment to the public good as the adjacent properties to the north and to the west are zoned for industrial uses and the

property next door immediately to the north is in fact developed with a commercial use. Thus the proposed application will not result in any significant impact upon those areas. With respect to the streetscape along Burnt Tavern Road, he opined that the appearance of the building, as demonstrated by Mr. Shafai and Mr. Feldman, will have a single family residential appearance and will have a pleasing aesthetic view from the street and therefore will have no detrimental impact. Similarly, there will be no detrimental impact to the residents to the south of the property as the scale and appearance of the structure is of a single family residential nature which is consistent with the property to the south. There was further testimony in response to the questioning of the Planning Board members that the proposed structure will be approximately 130 ft. from the structure on the adjacent property to the south which provides a substantial distance and buffer.

16. Mr. Heyer further opined that the grant of the requested variance relief will not result in any substantial impairment of the Zone Plan and Zoning Ordinance. As stated previously he noted that the proposed use is an inherently beneficial use and the Constitutional obligation of the Township and it is also a permitted use in the Zone pursuant to the Master Plan and the Ordinance. Thus the proposed development of the property will actually promote the purposes of the Municipal Land Use Law, Master Plan and the Ordinance. He further noted that the residential scale and character of the proposed building is consistent with the intent and purpose of the Master Plan and Zoning Ordinance. In addition to the foregoing, the Planning Board finds that the lot width and side yard requirements of the Ordinance are designed primarily to insure

that there is adequate light, air and open space around buildings and structures so that development of property does not have the appearance of over-building and placing large imposing structures upon a property that interfere with those purposes. The Planning Board finds that, in this case, the proposed development will not have those negative impacts and does not offend the purposes that the Ordinances were adopted to protect.

17. The Planning Board agrees with the testimony of the Applicant's witnesses and finds that that testimony was credible and reliable and that the justification provided for the grant of the requested approvals is compelling. Consequently, the Planning Board finds that the Applicant has satisfied the positive and negative criteria for the grant of the requested variance relief and that the variances can and should be granted at this time.

18. The Planning Board further finds that the Applicant has submitted a Site Plan and such other information as is reasonably necessary to make an informed decision as to whether the requirements necessary for Preliminary Site Plan approval have been met. The Planning Board further finds that the Applicant has provided detailed drawings, specifications and estimates of the application conforming to the standards established by Ordinance for final approval such that the grant of Preliminary and Final Major Site Plan approval is appropriate at this time.

19. The Planning Board further finds that all property owners within 200 ft. of the premises in question were given

proper notice of the Hearing of this Application and were provided with an opportunity to present testimony in support of or in opposition to the appeal.

NOW THEREFORE BE IT RESOLVED by the Planning Board of the Township of Millstone on this 12th day of July, 2017 that the application of **MILLSTONE TOWNSHIP** for Preliminary and Final Major Site Plan approval with variances be and is hereby granted which approval shall be and is hereby expressly conditioned upon compliance with the following terms and conditions:

- Narrative
- 2010 Deed
- 2023 Concept Plan
- Financial

It is noted that pursuant to the amended Settlement Agreement with Fair Share Housing Center and this 2023 Amended Housing Element and Fair Share Plan that the Township will not claim credit for the Shu Lee development for its Third Round Obligation, and instead will defer it to the Fourth Round. However, because the project is underway, it was determined to maintain the current documentation within this 2023 Amended Housing Element and Fair Share Plan for informational purposes.

SHULEE/MILLSTONE VILLAGE, 14 NOVAD COURT (25 UNITS)

APPENDIX R

Baldacino (“Hexa”) Documentation

- Narrative
- 2023 Planning Board Resolution of Approval
- 2023 Approved Site Plan

BALDACINO (48 AFFORDABLE UNITS)

The subject property is a 36.39-acre parcel located on Perrineville Road in the northeasterly portion of Millstone Township adjacent to East Windsor Township in Mercer County. The property is further known and designated as Block 11, Lot 19 on the Tax Map of the Township of Millstone.

On April 24, 2018 the property owner, Gerald Baldacino, corresponded to the Mayor and Township Committee expressing interest in developing the property with an inclusionary development to partially satisfy the Township's affordable housing obligation. He had already engaged the services of a professional engineer and provided several concept layouts for an apartment complex including a twenty percent (20%) set aside for affordable family rental units. There are no contiguous public utilities (i.e. water and sewer) at the site and on-site water and sewer are proposed, which is consistent with the SDRP designation of Millstone Township as a Planning Area 4B-Rural / Environmentally Sensitive community and with the Township's policy not to introduce public utility infrastructure into the Township that would erode this designation.

The property was formerly within the Rural Preservation Zone but was rezoned Rural Multi-Family to accommodate the required density of development for this project. The property received preliminary major site plan approval for 122 market-rate units and 48 affordable rental family units on January 11, 2023.

Based on the communications of the property owner the property is available for inclusionary development. Based on the materials submitted by the property owner including soil logs, permeability studies, preliminary investigation respecting package treatment plants, concept layout plans and fiscal analysis the property is suitable and developable for the proposed inclusionary development. Based on its inclusion in the Millstone Township Fair Share Plan it is an approvable development.

3) During the course of the hearing, the Applicant removed Block 9 Lot 7 from the application leaving Block 11 Lot 19 as the premises in question. Block 11 Lot 19 is a heavily wooded site with farm fields, a single-family dwelling and accessory buildings. Rocky Brook runs along the property's western border. Adjacent to the brook are several wetland areas. The property generally slopes in elevation of 132 feet NJVD88 peaking near the existing dwelling and decreasing in elevation to 108 feet NJVD88 towards the wetland areas located at the rear of the site near the stream. The property is approximately 36.5 acres in area with approximately 8.2 acres consisting of wetlands and 5.2 acres of wetland buffers totaling 13.4 acres of environmental sensitive areas. The Applicant proposes to develop Block 11 Lot 19 with 122 Market-Rate Townhouses in 16 Townhouse buildings and 48 affordable units within two apartment buildings. During the evolution of the application, all Variances and Design Standard Waivers were eliminated with the exception of the Applicants request not to provide Tree Survey information, not to provide full soil testing for contaminants and Appendix E regarding endangered species information.

4) The Applicant was represented by John A. Giunco, Esq. who presented the testimony of John Scott Nicholl, a licensed Architect, Chester DiLorenzo, a licensed professional Engineer, John Rea, a licensed Traffic Engineer, Gregg Barkley, a licensed professional Engineer, Matt Leatherwood, an Environmental Consultant and Licensed Site Remediation Professional (LSRP), John Grellis, a licensed Subsurface Evaluator and licensed Site Remediation Professional (LSRP) in the State of New Jersey and Environmental Consultant Kyle Weise.

5) The Applicants principal witness, Chester DiLorenzo was responsible for the design of the site. He provided extensive testimony regarding the site layout and design which has been done in accordance with the Townships Housing Element and Fair Share Plan and Township Ordinances adopted to implement the Housing Element and Fair Share Plan included in a Settlement Agreement between the Township of Millstone, Fair Share Housing Center and Showplace Farms, LLC approved by the Superior Court of New Jersey, Law Division, Monmouth County Docket No. MON-L-2501-15 settling the Township's Mount Laurel Declaratory Judgment Action. It is also consistent with the separate Developer's Agreement between the Township and the Property Owner. The Planning Board acknowledges that the Settlement Agreement provides for the property to be developed with up to two hundred forty-two (242) total units with forty-eight (48) affordable units and up to one hundred ninety-four (194) market rate units. The Applicant has reduced the number of market rate units to one hundred twenty-two (122) a reduction of seventy-two

(72) units from the maximum allowed without reducing the number of affordable units. The Planning Board further acknowledges that the affordable units will be family rental units entitled to a two-for-one bonus credit providing the Township with credit for ninety-six (96) affordable units.

6) Mr. DiLorenzo testified that, in response to concerns raised by Board Members and members of the public, the plans were revised throughout the course of the hearings to address those concerns. He testified that the plans fully comply with the zoning provisions of the Township Ordinance, the Residential Site Improvement Standards, the Stormwater Management Regulations and the Electric Vehicle charging station regulations. He also agreed that the Applicant will comply with the recommendations of the Fire Department. He further testified that the Applicant will comply with all technical recommendations of the Planning Board Planner and Engineer as well as the reports of the Shade Tree Commission and Environmental Commission, except where the reports may conflict. In the event of a conflict the Planning Board Engineer shall determine which report shall control. The Planning Board notes that the Applicant has not yet complied with Ordinance Appendix E regarding endangered species. That will be provided as a condition of this approval and its accuracy to be confirmed by the Planning Board's professional. Mr. DiLorenzo testified that he has submitted an application for wetland approval and designed the site anticipating a 50 ft. intermediate transition area buffer. However, that approval is still pending. Thus, this approval is subject to subsequent NJDEP approval of the wetland classification and any required transition area buffer requirements. In addition, Mr. DiLorenzo testified that the "Flood Line" shown on the plans is taken from NJDEP maps and must be confirmed by D&R Canal Commission. However, D&R requires this approval before it will do its review. Thus, this approval is subject to subsequent D&R approval of the flood line and associated buffer.

7) Mr. DiLorenzo testified that the Applicant has taken soil samples of the site and also performed Phase I and Phase II Environmental Assessments demonstrating that the site is free of contaminants and requires no further testing. Mr. Leatherwood and Mr. Grellis, both licensed LSRP's, confirmed this. The Planning Board accepts the Phase I and Phase II Environmental Assessments in lieu of doing the full testing in accordance with Section 11-30.3 e. of the Township's Land Use and Development Regulations.

8) Traffic Engineer John Rea provided a Traffic Report including traffic volume and projected traffic generation data. The report also included data regarding turning movements at the on-site intersections and off-site intersections along Perrineville Road and found that they will all operate at acceptable levels of service post development. He advised that Perrineville Road is a County roadway under the jurisdiction of the Monmouth County Planning Board. He noted that the County has advised that they will require a dedicated turning lane in front of the site that has not yet been designed. Thus, this approval is subject to subsequent Monmouth County Planning Board approval. Mr. Rea also testified that he reviewed the interior layout and design of the site and that it complies with RSIS requirements and will function properly and that it meets fire and safety requirements. In addition, the RSIS parking space requirements are exceeded. His testimony was un rebutted and is accepted.

9) Mr. Barkley, a licensed engineer specializing in wastewater treatment reviewed the on-site wastewater treatment system and advised that its design and functioning will be regulated by, and within the jurisdiction of NJDEP. It must be operated by operators licensed by NJDEP. The system is within the jurisdiction of and must be approved by NJDEP in compliance with NJDEP regulations.

10) The Planning Board finds that the Applicant has submitted a site plan and such other information as is reasonably necessary to make an informed decision as to whether the requirements necessary for preliminary site plan approval have been met and finds that they have been met. The Planning Board finds that, due to the potential for changes to buffer lines associated with wetlands, flood hazard line determinations, endangered species review and other outstanding governmental approvals that may impact upon the final design of the community it is appropriate not to provide final approval at this time. These items are best to be resolved as a condition of preliminary approval. The Planning Board acknowledges that the Applicant has previously paid the application fees for final approval. Those fees shall be credited toward the application for final approval so that there will not be a double charge of those fees. In addition, any ordinance revision increasing the fee schedule will not be applicable to the application for final approval.

NOW, THEREFORE, BE IT RESOLVED by the Planning Board of the Township of Millstone on this 11th day of January, 2023 that the application of **Hexa Builders, LLC** for preliminary major site plan approval be and is hereby approved subject to the following terms and conditions:

INTRODUCTION

The Township of Millstone, Monmouth County has prepared a Housing Element and Fair Share plan that addresses its regional fair share of the affordable housing need in accordance with the Municipal Land Use Law (N.J.S.A. 40:55D-1 et seq.) and the Fair Housing Act (N.J.S.A. 52:27D-301). On May 5, 1993, the Township received approval from the Council on Affordable Housing (COAH) to adopt a development fee ordinance to collect development fees for affordable housing purposes. Millstone subsequently adopted its first development fee ordinance on April 5, 1995, establishing the Township's Affordable Housing Trust Fund. Following the adoption of the development fee ordinance, Millstone prepared its Spending Plan that was approved by COAH on December 6, 1993. The Township prepared a second Spending Plan as a component of their Second Round compliance process. That Spending Plan was approved by COAH on September 25, 2003.

In 2008, the Township amended its development fee ordinance and on December 1, 2008 received approval from COAH. The Township adopted the approved development fee ordinance on December 3, 2008. The Township is now in the process of once again amending its development fee ordinance to update it to current standards.

As of December 19, 2019, the Affordable Housing Trust Fund established by the Township had a balance of \$26,367. All development fees, payments in lieu of constructing affordable units on site, funds from the sale of units with extinguished controls, and interest generated by the fees are deposited in this separate, interest-bearing affordable housing trust fund for the purposes of affordable housing. These funds shall be spent in accordance with N.J.A.C. 5:93, or applicable regulations, as described in the sections that follow.

In accordance with the September 5, 2019 executed settlement agreement with Fair Share Housing Center (FSHC), the expenditures of funds contemplated under the FSHC agreement constitute a "commitment" for expenditure pursuant to N.J.S.A. 52:27D-329.2 and -329.3, with the four-year time period for expenditure designated pursuant to those provisions beginning to run with the entry of a final judgment approving this settlement in accordance with the provisions of *In re Tp. Of Monroe*, 442 N.J. Super. 565 (Law Div. 2015) (aff'd 442 N.J. Super. 563). On the first anniversary of the execution of the FSHC agreement (September 5, 2020), and every anniversary thereafter through the end of the FSHC agreement, the Township will provide annual reporting of trust fund activity to the New Jersey Department of Community Affairs (DCA), COAH, or Local Government Services (LGS), or other entity designated by the State of New Jersey, with a copy provided to FSHC and posted on the municipal website, using forms developed for this purpose by DCA, COAH, or LGS. The reporting shall include an accounting of all housing trust fund activity,

including the source and amount of funds collected and the amount and purpose for which any funds have been expended.

This Spending Plan is submitted to the Superior Court of New Jersey for approval to expend all current and future affordable housing trust fund monies, as necessary.

1. REVENUES FOR CERTIFICATION PERIOD

To calculate a projection of revenue anticipated during the period of third round “substantive certification,” the Township of Millstone considered the following:

(a) Development fees: \$2,300,000

1. Residential and nonresidential projects which have had development fees imposed upon them at the time of preliminary or final development approvals;

Showplace Farms

Pursuant to the Court-approved settlement agreement with Fair Share Housing Center and Showplace Farms, the Township anticipates it will collect \$1,700,000 (representing 2.5% of the assessed value) in development fees from the development at the Showplace Farms property at Block 23 Lot 8.

2. All projects currently before the planning and zoning boards for development approvals that may apply for building permits and certificates of occupancy; and
3. Future development that is likely to occur based on historical rates of development.

(b) Payment in lieu (PIL): \$0

Actual and committed payments in lieu (PIL) of construction from developers.

(c) Other funding sources: \$0

Funds from other sources, including, but not limited to, the sale of units with extinguished controls, repayment of affordable housing program loans, rental income, proceeds from the sale of affordable units. No other funds have been or are anticipated to be collected.

(d) Projected interest: \$10,350

Interest on the projected revenue in the municipal affordable housing trust fund at the current average interest rate.

Projected Revenues

Projected Revenues-Housing Trust Fund - 2020 - 2025								
SOURCE OF FUNDS	Trust Fund balance as of 12/19/2019	2020	2021	2022	2023	2024	2025	Total Revenue
Historical Balance	\$26,367							\$26,367
(a) Projected Development Fees	-	\$100,000	\$100,000	\$100,000	\$100,000	\$100,000	\$100,000	\$600,000
Development Fees from Showplace Farms	-	\$850,000	\$850,000	-	-	-	-	\$1,700,000
(d) Interest	-	\$4,275	\$4,275	\$450	\$450	\$450	\$450	\$10,350
Total	\$26,367	\$954,275	\$954,275	\$100,450	\$100,450	\$100,450	\$100,450	\$2,336,717

To calculate the projection of revenue anticipated from the general development fees, roughly 12 years (2007 through March 2019) of construction data for the Township, acquired from the New Jersey Department of Community Affairs, was examined. Additionally, the previous transactions within the Affordable Housing Trust Fund dating back to 2007 were reviewed.

Pursuant to the Court-approved settlement agreement with Fair Share Housing Center (FSHC) and Showplace Farms, it is anticipated the Showplace Farms property will be developed with approximately 1.22 million square feet of warehouse space. The developers will contribute 2.5% of the assessed value to the Township's Affordable Housing Trust Fund. The Township estimates receiving approximately \$1,700,000 from this project. Combined with the anticipated \$600,000 to be collected from standard development fees, the existing \$26,367, and an additional \$10,350 in interest, Millstone projects total trust fund revenues and interest to be \$2,336,717 through December 31, 2025. All interest earned on the account shall accrue to the account to be used only for the purposes of affordable housing.

2. ADMINISTRATIVE MECHANISM TO COLLECT AND DISTRIBUTE FUNDS

The following procedural sequence for the collection and distribution of development fee revenues shall be followed by the Township of Millstone:

(a) Collection of development fee revenues:

Collection of development fee revenues shall be consistent with Millstone's development fee ordinance for both residential and non-residential developments and in accordance with N.J.S.A. 40:55D8.1 through 8.7.

(b) Distribution of development fee revenues:

The Administrative Agent and the Municipal Housing Liaison will manage the projects outlined in this Spending Plan and the Housing Element and Fair Share Plan.

(c) Collection and distribution of barrier free funds:

Collection and distribution of barrier free funds shall be consistent with the Township's Affordable Housing Ordinance and in accordance with applicable regulations. A process describing the collection and distribution procedures for barrier free escrow is detailed within the Township's Affordable Housing Ordinance.

3. DESCRIPTION OF ANTICIPATED USE OF AFFORDABLE HOUSING FUNDS

The following represent the anticipated affordable housing projects within the Township of Millstone that will utilize Trust Fund monies.

(a) **Rehabilitation program**

Millstone will dedicate \$465,000 to the rehabilitation of 31 substandard units within the Township. Pursuant to the Housing Element and Fair Share Plan, the Township will implement a Township-wide rehabilitation program that will be operated by the Affordable Housing Alliance.

(b) **Accessory Apartment Program**

Millstone will dedicate \$200,000 to its accessory apartment program. The Township is in the process of adopting an accessory apartment ordinance that will establish a program to create 10 accessory apartments. The Township will spend a minimum of \$20,000 per unit from the Trust Fund for this purpose.

(c) **Municipally Sponsored Projects**

Millstone will dedicate \$503,359 from the Trust Fund to various municipally sponsored projects throughout the Township. Any excess funds will be used to fund eligible affordable housing activity pursuant to applicable rules and regulations.

In addition, at least one-third of the affordability assistance shall be used to provide affordability assistance to very-low income households. Administrative funds may be used for: income qualification of households; monitoring the turnover of sale and rental units; and compliance with monitoring requirements.

Moving forward, the Township projects that \$467,343 will be available from the affordable housing trust fund to be used for administrative purposes, including but not limited to:

- Expenses associated with the implementation of the Township Rehabilitation Program.
- Expenses associated with the preparation and implementation of the Housing Element and Fair Share Plan and monitoring of the current and future housing programs for the Township of Millstone.

Legal or other fees related to litigation opposing affordable housing sites are not eligible uses of the affordable housing trust fund.

FOR-SALE UNIT AFFORDABILITY ASSISTANCE PROGRAM

Down Payment Loan Program

The Township will offer a Down Payment Assistance Loan program to qualified purchasers of households earning 80% or less of median income of the housing region. To be eligible for the loan, the qualified Buyer must be able to supply 3% of the down payment with the Buyer's own funds, plus additional closing costs that exceed the amount of the loan. No gifts or other loans may be used to fund the 3% down payment amount but may be used to fund additional closing costs. The loan amount may be made up to ten percent (10%) of the purchase price.

The Township must approve the Buyer's qualifications and need for the loan. The loan has no prepayment penalty. It is due and payable when the Buyer resells, borrows against the property or refinances the First Purchase Money Mortgage. The loan may be subordinated only to the First Purchase Money Mortgage. When calculating the borrowing capacity of the homeowner and the equity in the property, this loan must be included. The Buyer must sign a mortgage and mortgage note to the Township.

Payment of Closing Costs

Eligible Buyers may receive payment of closing costs, i.e., title work and policy, reasonable attorney's fees for closing of title, preparation of survey, homeowner's insurance, recording fees, and other necessary closing expenses to third parties, not to exceed one thousand five hundred dollars (\$1,500.) per unit. This assistance shall be in the form of a grant. Total buyer assistance grants, which include Payment of Closing Costs and Payment of Lender Fees, shall not exceed three thousand dollars (\$3,000) per unit. Utility deposits, i.e., gas and electric, paid to utility companies are to be returned to the Township Affordable Housing Trust Fund upon resale of the unit. The buyer will execute documents required to secure payment to Millstone.

Payment of Lender Fees

Eligible Buyers may receive payment of lender fees, i.e., mortgage points, application fees, appraisal fees, bank attorney review fees, and necessary mortgage closing expenses, not to exceed one thousand five hundred dollars (\$1,500.) per unit. This assistance shall be in the form of a grant. Total buyer assistance grants, which include Payment of Closing Costs and Payment of Lender Fees, shall not exceed three thousand dollars (\$3000) per unit.

Administration

Millstone's Affordability Assistance Programs will be managed by the Township Affordable Housing Administrative Agent. The availability of the program shall be advertised continually on the Township's website. The following administrative process is applied to the For-Sale Unit Affordability Assistance Program:

1. The Buyer contacts the Administrative Agent to confirm that he/she wants to receive Down Payment Assistance.
2. The Buyer must present proof to the Administrative Agent that he/she is qualified for Affordable Housing in the Township.

3. Buyer must produce an exact copy of a signed Real Estate Contract for an affordable housing unit in Millstone, which indicates clearly the full amount of the purchase price. Buyer must provide the Administrative Agent with the full name, address, phone number, and fax number of the Buyer's Attorney or Settlement Agent so that the Attorney or Settlement Agent can review and approve any and all documents required for the loan.
4. The Administrative Agent contacts the Realtor or Developer for confirmation of the sale of the unit, and the name of the Attorney handling the sale for the Developer at closing.
5. The amount of the Down Payment Assistance loan is verified (not to exceed ten percent of the Purchase Price) so that a Mortgage Note, Mortgage, and Repayment Agreement can be prepared by the Administrative Agent.
6. The amount of the Down Payment Assistance must be disclosed to the Lender, so that the Lender can accurately prepare the First Mortgage documents. The Buyer must give a copy of the First Mortgage Commitment to the Administrative Agent upon receipt of same, so that the Lender can receive full information about the Down Payment Assistance Loan, which shall constitute a Second Mortgage on the premises. The Lender must approve the secondary financing. The Township Affordable Housing Attorney will contact the Lender once the Affordable Housing Attorney has a copy of the First Mortgage Commitment.
7. The Millstone Finance Department will generate the necessary forms and obtain Township Committee approval for it to issue an Affordable Housing Trust Fund check payable to the Seller's Attorney or Settlement Agent, so that the Down Payment Assistance check can be deposited into the Seller's Attorney Trust Account or Settlement Agent Trust Account pending Closing of Title. The letter and check to the Seller's Attorney or Settlement Agent shall state that the deposit money must be returned to the Township if the closing is canceled, or if the sale is declared null and void. If there is a Closing of Title, the Down Payment Assistance money shall be released to the Seller. This money shall be shown on the Closing Statement as a deposit, with credit given at closing to the Buyer. The Buyer must fully execute the Mortgage Note, Mortgage, and Repayment Agreement at the Closing of Title before any money is released.
8. The Seller's Attorney or Settlement Agent shall verify that the Mortgage Note, Mortgage, and Repayment Agreement have been properly executed, and shall file the original Mortgage with the County Clerk to protect the Township Second Mortgage on the property and return the Filed Mortgage to Affordable Housing Attorney along with the original Mortgage Note and Repayment Agreement.

RENTAL UNIT AFFORDABILITY ASSISTANCE PROGRAM

Rental Assistance

The Township of Millstone may offer a Rental Assistance Program that will be managed by the Administrative Agent. Eligible recipients of the program are renters who qualify for a very-low, low- or moderate-income rental unit. The following assistance is available to very-low, low- and moderate-income households:

1. Payment of "moving expenses" based upon verified receipts, in an amount not to exceed five hundred dollars (\$500.) per family.
2. Rent subsidy for the first month's rent.
3. Utility deposit assistance.

The following assistance is available to very low-income households:

1. Payment of "moving expenses" based upon verified receipts, in an amount not to exceed one thousand five hundred dollars (\$1,500.) per household.
2. Rental security deposit – Deposits paid to landlord to be returned to the Township's Affordable Housing Trust Fund upon termination of tenancy.
3. Rent subsidy for the first month's rent.
4. Utility deposit assistance.

Rental assistance does not need to be repaid by the tenant. The amount of the rental supplement will be calculated initially based on the tenant's actual income and the rent level of the affordable units to help bring the total shelter costs down to 30% of the total household income or lower, if warranted by the particular household circumstances. If the tenant wishes to renew the lease, he/she must be re-income qualified and the rental supplement will be recalculated. If the tenant no longer qualifies for the rental assistance, he/she may renew the lease and stay in the unit but will no longer receive rental assistance.

Administration

Millstone's Rental Unit Affordability Assistance Programs will be administered by the Administrative Agent. The availability of the program shall be advertised continually on the Township's website. After an applicant is income qualified by the Administrative Agent pursuant to the Uniform Housing Affordability Controls, the applicant will complete and provide an affordability assistance application to the Administrative Agent.

For qualified and approved payment of moving expense, the Administrative Agent will follow the Township purchasing and requisition process for generating a check that is made out to the applicant. Once the check is produced, the Administrative Agent provides it to the applicant.

For qualified and approved payment of utility deposit, the Administrative Agent follows the Township purchasing and requisition process for generating a check that is made out to the utility company. Once the check is produced, the Administrative Agent provides it to the applicant for payment to the utility company.

The affordability assistance recipient will sign a contract with the Township of Millstone that states, at a minimum: the amount of funds granted, interest information, procedures, duration and conditions of affordability assistance, and repayment information if required.

The availability of any Affordability Assistance Programs must be noticed to all tenants of affordable units within the Township and provided to all administrative agents of affordable units within Millstone and advertised on the Township's website.

TOWNSHIP OF MILLSTONE

ORDINANCE NO. 20-02
INTRODUCTION DATE: 02-19-2020
ADOPTION DATE: 03-18-2020

**ORDINANCE AMENDING CHAPTER XXXV (LAND USE)
ARTICLE 5, (ZONING DISTRICT REGULATIONS) OF THE REVISED
GENERAL ORDINANCES OF THE TOWNSHIP OF MILLSTONE,
COUNTY OF MONMOUTH AND STATE OF NEW JERSEY TO ADD
NEW SECTION 5-17 (ACCESSORY APARTMENTS)**

BE IT ORDAINED, by the Township Committee of the Township of Millstone,
County of Monmouth and State of New Jersey as follows:

Chapter XXXV, Land Use Article 5, Zoning District Regulations is hereby
amended to add new Section 5-17 "Accessory Apartments" which shall read as follows:

5-17 Accessory Apartments

A. Accessory apartments shall be permitted in all single family residential zones
within the Township. Accessory apartments are permitted as a part of the Township's
Affordable Housing Plan which contemplates the creation of ten (10) affordable
accessory apartments over the next five (5) years. In the event that the number of
affordable accessory apartments produced exceeds ten (10) units, such additional units
shall be applied to, and credited against, the Township's Fourth Round Affordable
Housing obligation.

B. For the purposes of this Section "accessory apartment" shall be defined as
follows:

"Accessory Apartment" means a self-contained residential dwelling unit
with a kitchen, sanitary facilities, sleeping quarters, and a private entrance which is
created within an existing home, or through the conversion of an existing detached
accessory structure on the same site, or by an addition to an existing home or accessory
building. The creation of such a dwelling unit shall be clearly incidental to a primary use
of the property as a single family dwelling and shall in no way confer upon the property
owner any future rights to subdivide the existing lot in order to place each unit on a
separate lot, unless such a subdivision and the structures involved, conform to all
Municipal Zoning regulations and standards. Accessory apartments shall conform to all
of the requirements of the New Jersey Council on Affordable Housing (COAH) and
provide the Township with a credit against its affordable housing obligation.¹

¹ As used herein the term Council on Affordable Housing or COAH shall be deemed to include "or any
successor entity with jurisdiction".

C. Minimum Standards.

1. Lot area. Accessory apartments shall be permitted on lots of twenty thousand (20,000) square feet or greater, except where there exists a qualifying existing accessory apartment which is on a lot of less than twenty thousand (20,000) square feet. Such an apartment can be counted as long as all other Standards and Regulations can be met.

2. Unit Size and Type. Accessory apartments shall contain at least five hundred (500) square feet of gross floor area. Each unit must also contain bathroom and kitchen facilities. Units attached to principal dwellings must have a separate entrance but shall not have access directly to the principal dwelling from within the structure.

3. A Deed restriction shall be applied to properties with accessory apartments that are completely detached specifying that such units may not be subdivided off in the future unless such subdivision, the structures located thereon and the resultant lots conform in all respects to all Municipal Zoning regulations and standards.

4. A Deed restriction shall be recorded for every newly created accessory apartment requiring compliance with all affordability controls and procedures set forth in the regulations of COAH or any successor entity for such period of time as may be required for the Township of Millstone to receive credit for the unit against its affordable housing obligation.

5. Parking. A minimum of one (1) off-street parking space shall be provided for a one bedroom or a two-bedroom accessory apartment. A three-bedroom accessory apartment shall be required to provide two (2) off-street parking spaces. In each case the total number of parking spaces provided on the entire site shall comply with the Residential Site Improvement Standards (RSIS).

6. Building setbacks. No new accessory apartment structure shall be located in any front yard or have less than the required side or rear yard setback for principal buildings for the zone in which the property is located. However, additions to existing principal or accessory structures that do not conform to the required setback shall be permitted without the requirement for a setback variance as long as no existing nonconforming setback is decreased. In the case of lots in excess of forty thousand (40,000) square feet, the minimum side or rear setback shall be twenty (20) feet.

D. Maximum Regulations.

1. Notwithstanding the building height limitations which apply to accessory structures, structures containing an accessory apartment that is developed in a manner which will contribute to the satisfaction of the Townships

Mount Laurel obligation, shall be permitted to have a maximum height of one and one-half (1 1/2) stories and twenty (20) feet.

2. Accessory apartments shall be limited to a maximum gross floor area of one thousand (1,000) square feet.

E. The Other Regulations.

1. Accessory apartments shall be limited to one (1) bedroom, except that on lots in excess of forty thousand (40,00) square feet, an accessory apartment shall be permitted to contain two (2) or three (3) bedrooms.

2. Prior to the issuance of a building permit for an accessory apartment, a site plan and architectural plans must be submitted depicting in detail, the size, location and appearance of the property structure. Any construction relative to the creation of an accessory apartment shall be architecturally consistent to the principal residence including siding, roofing materials and color.

3. Where new paved or gravel driveways or parking areas are proposed, a minimum five (5) foot setback from any side or rear property line shall be maintained. Landscaping and/or solid fencing shall be provided to screen such areas from the adjacent property. The proposed screening shall be specified on the site plan.

4. Accessory apartments shall be developed for the housing of very low, low and moderate income persons and shall conform in all respects with the eligibility and affordability requirements of the New Jersey Council on Affordable Housing.

5. No detached accessory apartment shall be located closer to a public street, adjoining a front yard than the principal structure.

6. All accessory apartments shall have rents in compliance with COAH affordability controls, shall be affirmatively marketed in accordance with COAH requirements and shall be administered by the Affordable Housing Administrator (“Administrative Agent”) appointed by the Township for such purpose.

All Ordinances and parts of Ordinances inconsistent herewith are hereby repealed.

If any Section, subparagraph, sentence, clause or phrase of this Ordinance shall be held to be invalid, such decision shall not invalidate the remaining portion of this Ordinance.

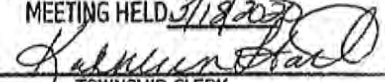

This Ordinance shall take affect upon adoption and publication according to law and filing with the Monmouth County Planning Board.

EXPLANATORY STATEMENT: This Ordinance revision provides for the opportunity to create affordable housing units to assist Millstone Township in meeting its affordable housing obligation pursuant to the Mount Laurel Doctrine.

A. Low/Moderate Split and Bedroom Distribution of Affordable Housing Units:

- (1) The fair share obligation shall be divided equally between low and moderate-income units, except that where there is an odd number of affordable housing units, the extra unit shall be a low-income unit. At least 13 percent of all restricted rental units within each bedroom distribution shall be very low-income units (affordable to a household earning 30 percent or less of regional median income by household size). The very low-income units shall be counted as part of the required number of low-income units within the development.

This standard may be met by having all one-bedroom units or by having a two-bedroom unit for each efficiency unit.

B. Accessibility Requirements:

- (1) The first floor of all restricted townhouse dwelling units and all restricted units in all other multistory buildings shall be subject to the technical design standards of the Barrier Free SubCode, N.J.A.C. 5:23-7 and the following:

 - [2.] To this end, the builder of restricted units shall deposit funds within the Township of Millstone's Affordable Housing Trust Fund sufficient to install accessible entrances in 10 percent of the affordable units that have been constructed with adaptable entrances.
 - [3.] The funds deposited under paragraph (f)[2] above shall be used by the Township of Millstone for the sole purpose of making the adaptable entrance of an affordable unit accessible when requested to do so by a person with a disability who occupies or intends to occupy the unit and requires an accessible entrance.
 - [4.] The developer of the restricted units shall submit a design plan and cost estimate to the Construction Official of the Township of Millstone for the conversion of adaptable to accessible entrances.

[5.] Once the Construction Official has determined that the design plan to convert the unit entrances from adaptable to accessible meet the requirements of the Barrier Free SubCode, N.J.A.C. 5:23-7, and that the cost estimate of such conversion is reasonable, payment shall be made to the Township's Affordable Housing Trust Fund in care of the Township Treasurer who shall ensure that the funds are deposited into the Affordable Housing Trust Fund and appropriately earmarked.

D. Maximum Rents and Sales Prices:

(1) In establishing rents and sales prices of affordable housing units, the Administrative Agent shall follow the procedures set forth in UHAC, utilizing the most recently published regional weighted average of the uncapped Section 8 income limits published by HUD and using the calculation set forth below. Income limits for all affordable units that are created in the Township for which income limits are not already established through a federal program exempted from the UHAC pursuant to N.J.A.C 5:80-26.1 shall be updated by the Township annually within 30 days of the publication of determinations of median income by the Department of Housing and Urban Development ("HUD") as follows:

(a) Regional income limits shall be established for the region within which the Township is located based on the median income by household size, which shall be established by a regional weighted average of uncapped Section 8 income limits published by HUD. To compute this regional income limit, the HUD determination of median County income for a family of four is multiplied by the estimated households within the County according to the most recent decennial Census. The resulting product for each County within a housing region is summed. The sum is divided by the estimated total households from the most recent decennial Census in the Township's housing region. This quotient represents the regional weighted average of median income for a household of four. The income limit for a moderate-income unit for a household of four shall be 80 percent of the regional weighted average median income for a family of four. The income limit for a low-income unit for a household of four shall be 50 percent of the regional weighted average median income for a

family of four. The income limit for a very low-income unit for a household of four shall be 30 percent of the regional weighted average median income for a family of four. These income limits shall be adjusted by household size based on multipliers used by HUD to adjust median income by household size. In no event shall the income limits be less than those for the previous year.

(b) The income limits are the result of applying the percentages set forth in paragraph (a) above to HUD's determination of median income for the fiscal year 2019 and shall be utilized until the Township updates the income limits after HUD has published revised determinations of median income for the next fiscal year.

(c) The Regional Asset Limit used in determining an applicant's eligibility for affordable housing pursuant to N.J.A.C. 5:80-26.16(b)(3) shall be calculated by the Township annually by taking the percentage increase of the income limits calculated pursuant to paragraph (a) above over the previous year's income limits and applying the same percentage increase to the Regional Asset Limit from the prior year. In no event shall the Regional Asset Limit be less than that for the previous year.

(d) The resale prices of owner-occupied very low, low, and moderate-income units may increase annually based on the percentage increase in the regional median income limit for each housing region determined pursuant to the above methodology. In no event shall the maximum resale price established by the administrative agent be lower than the last recorded purchase price.

(e) The rent levels of verylow, low, and moderate-income units may be increased annually based on the percentage increase in the Housing Consumer Price Index for the Northeast Urban Area, upon its publication for the prior calendar year. This increase shall not exceed nine percent in any one year. Rents for units constructed pursuant to low income housing tax credit regulations shall be indexed pursuant to the regulations governing low income housing tax credits.

(2) The maximum rent for restricted rental units within each affordable development shall be affordable to households earning no more than 60 percent of median income, and the average rent for restricted rental units shall be affordable to households earning no more than 52 percent of median income.

(3) The developers and/or municipal sponsors of restricted rental units shall establish at least one rent for each bedroom type for both low-income and moderate-income units, provided that at least 13 percent of all low and moderate-income rental units shall be affordable to very low-income households, which very low-income units shall be part of the low-income requirement.

(4) The maximum sales price of restricted ownership units within each affordable development shall be affordable to households earning no more than 70 percent of

median income, and each affordable development must achieve an affordability average of 55 percent for restricted ownership units; in achieving this affordability average, moderate-income ownership units must be available for at least three different sales prices for each bedroom type, and low-income ownership units must be available for at least two different sales prices for each bedroom type.

(5) In determining the initial sales prices and rent levels for compliance with the affordability average requirements for restricted units other than assisted living facilities and age-restricted developments, the following standards shall be used:

- (a) A studio shall be affordable to a one-person household;
- (b) A one-bedroom unit shall be affordable to a one- and one-half-person household;
- (c) A two-bedroom unit shall be affordable to a three-person household;
- (d) A three-bedroom unit shall be affordable to a four and one-half person household; and

- (c) A two-bedroom unit shall be affordable to a two-person household or to two one-person households.

(7) The initial rent for a restricted rental unit shall be calculated so as not to exceed 30 percent of the eligible monthly income of the appropriate size household, including an allowance for tenant paid utilities, as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the

rent shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.

- (8) The price of owner-occupied very low, low, and moderate-income units may increase annually based on the percentage increase in the regional median income limit for each housing region. In no event shall the maximum resale price established by the Administrative Agent be lower than the last recorded purchase price.
- (9) The rents of very low, low, and moderate-income units may be increased annually based on the permitted percentage increase in the Housing Consumer Price Index for the Northeast Urban Area. This increase shall not exceed nine percent in any one year. Rent increases for units constructed pursuant to low-income housing tax credit regulations shall be indexed pursuant to the regulations governing low-income housing tax credits.

ownership that the amount of indebtedness to be incurred will not violate the terms of this Ordinance;

- (2) Reviewing and approving requests to increase sales prices from owners of restricted units who wish to make capital improvements to the units that would affect the selling price, such authorizations to be limited to those improvements resulting in additional bedrooms or bathrooms and the depreciated cost of central air conditioning systems;

- (3) The Administrative Agent shall attend continuing education sessions on affordability controls, compliance monitoring, and affirmative marketing at least annually and more often as needed.

§8-20 Affirmative Marketing Requirements.

- A. The Township of Millstone shall adopt by resolution an Affirmative Marketing Plan, subject to approval of the Court, that is compliant with N.J.A.C. 5:80-26.15, as may be amended and supplemented.
- B. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs marketing activities toward Housing Region 4 and is required to be followed throughout the period of restriction.
- C. The Affirmative Marketing Plan shall provide a regional preference for all households that live and/or work in Housing Region 4, comprised Mercer, Monmouth, and Ocean Counties.
- D. The municipality has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Program, including initial sales and rentals and resales and re-rentals. The Administrative Agent designated by the Township of Millstone shall implement the Affirmative Marketing Plan to assure the affirmative marketing of all affordable units.
- E. In implementing the Affirmative Marketing Plan, the Administrative Agent shall provide a list of counseling services to very low, low and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.
- F. The Affirmative Marketing Plan shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Plan, the Administrative Agent shall consider the use of language translations where appropriate.
- G. The affirmative marketing process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy.
- H. Applications for affordable housing shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and the

municipal library in the municipality in which the units are located; and the developer's rental office. Applications shall be mailed to prospective applicants upon request.

- I. In addition to other affirmative marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units in Millstone Township, and copies of the application forms, to the following entities: Fair Share Housing Center Fair Share Housing Center; the New Jersey State Conference of the NAACP; the Latino Action Network; and the Supportive Housing Association.
- J. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner.

§8-21 Enforcement of Affordable Housing Regulations.

- A. Upon the occurrence of a breach of any of the regulations governing an affordable unit by an Owner, Developer or Tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, a requirement for household recertification, acceleration of all sums due under a mortgage, recuperation of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- B. After providing written notice of a violation to an Owner, Developer or Tenant of a low or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action(s) against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - (1) The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation or violations of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is adjudged by the Court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the Court:
 - (a) A fine of not more than \$500.00 per day or imprisonment for a period not to exceed 90 days, or both, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - (b) In the case of an Owner who has rented a very low, low or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Township of Millstone Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - (c) In the case of an Owner who has rented a very low, low or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.

(2) The municipality may file a court action in the Superior Court seeking a judgment that would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any such judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low or moderate-income unit.

(a) The judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the very low, low, and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have his right to possession terminated as well as his title conveyed pursuant to the Sheriff's sale.

(b) The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the very low, low, and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.

(c) Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the very low, low and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

- (d) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the very low, low, and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the very low, low, and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
- (e) Failure of the very low, low, and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the very low, low, and moderate-income unit as permitted by the regulations governing affordable housing units.
- (f) The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.

§8-22 Development Fees

§8-22.1 Purpose

A. In Holmdel Builder's Association v. Holmdel Township, 121 N.J. 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985, N.J.S.A. 52:27d-301 *et seq.*, and the State Constitution, subject to the adoption of Rules by the Council on Affordable Housing (COAH).

B. Pursuant to P.L. 2008, c. 46, Section 8 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7), COAH was authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that were under the jurisdiction of COAH and that are now before a court of competent jurisdiction and have a Court-approved Spending Plan may retain fees collected from non-residential development.

C. This Article establishes standards for the collection, maintenance, and expenditure of development fees that are consistent with COAH's regulations developed in response to P.L. 2008, c. 46, Sections 8 and 32-38 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7). Fees collected pursuant to this Article shall be used for the sole purpose of providing low and moderate-income housing in accordance with a Court-approved Spending Plan.

§8-22.2 Basic Requirements

A. This Ordinance shall not be effective until approved by the Court.

B. The Township of Millstone shall not spend development fees until the Court has approved a plan for spending such fees (Spending Plan).

§8-22.3 Residential Development Fees

A. Imposition of Fees

(1) Within the Township of Millstone, all residential developers, except for developers of the types of developments specifically exempted below and developers of developments that include affordable housing, shall pay a fee of one and a half percent (1.5%) of the equalized assessed value for all new residential development provided no increased density is permitted.

(2) When an increase in residential density is permitted pursuant to a “d” variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a “bonus” development fee of six percent (6%) percent of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

(3) Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or is expanded, if the expansion is not otherwise exempt from the development fee requirement. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.

B. Eligible Exactions, Ineligible Exactions and Exemptions for Residential Developments

(1) Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made a payment in lieu of on-site construction of affordable units shall be exempt from development fees.

(2) Developments that have received preliminary or final site plan approval prior to the adoption of a municipal development fee ordinance shall be exempt from development fees, unless the developer seeks a substantial change in the approval. Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. The fee percentage shall be vested on the date that the building permit is issued. Developments that received approval under the predecessor Development Fee Ordinance shall be responsible for payment of fees pursuant to the requirements of that Ordinance.

(3) Developers of educational facilities shall be exempt from paying a development fee.

(4) Developers of houses of worship and other uses that are entitled to exemption from New Jersey real property tax shall be exempt from the payment of a development fee, provided that such development does not result in the construction of any additional housing or residential units, including assisted living and continuing care retirement communities.

(5) A development shall be exempt from an increase in the percentage of the development fee, provided the building permit was issued prior to the effective date of this article, or prior to any subsequent ordinance increasing the fee percentage. The developer shall have the right to pay the fee based on the percentage in effect on the date the building permit was issued.

(6) Any development or improvement to structures of owner-occupied property in which there is located an affordable accessory residence. This exemption shall only apply to development or improvements to the property during the period of affordability controls.

(7) The construction of a new accessory building or other structure on the same lot as the principal building shall be exempt from the imposition of development fees if the assessed value of the structure is determined to be less than \$100,000.

§8-22.4 Non-Residential Development Fees

A. Imposition of Fees

(1) Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall pay a fee equal to two and one-half (2.5) percent of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.

(2) Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall also pay a fee equal to two and one-half (2.5) percent of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.

(3) Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and a half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvements and the equalized assessed value of the newly improved structure, i.e. land and improvements, and such calculation shall be made at the time a final Certificate of Occupancy is issued. If the calculation required under this Section results in a negative number, the non-residential development fee shall be zero.

(4) The nonresidential portion of a mixed-use inclusionary or market rate development shall be subject to the development fee of 2.5% unless otherwise exempted below.

B. Eligible Exactions, Ineligible Exactions and Exemptions for Non-residential Development

(1) The two and a half percent (2.5%) development fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within the existing footprint, reconstruction, renovations and repairs.

(2) Non-residential developments shall be exempt from the payment of non-residential development fees in accordance with the exemptions required pursuant to the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), as specified in Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption". Any exemption claimed by a developer shall be substantiated by that developer.

(3) A developer of a non-residential development exempted from the non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final Certificate of Occupancy for the non-residential development, whichever is later.

(4) If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this Section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the Township of Millstone as a lien against the real property of the owner.

(5) Pursuant to P.L. 2009, c. 90 and P.L.2011, c. 122, the non-residential statewide development fee of two and one-half (2.5%) percent for non-residential development is suspended for all non-residential projects that received preliminary or final site plan approval subsequent to July 17, 2008 until July 1, 2013, provided that a permit for the construction of the building has been issued prior to January 1, 2015.

§8-22.5 Collection Procedures

A. Upon the granting of a preliminary, final or other applicable approval for a development, the approving authority or entity shall notify or direct its staff to notify the Construction Official responsible for the issuance of a Construction Permit.

B. For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption" to be completed as per the instructions provided. The developer of a non-residential development shall complete Form N-RDF as per the instructions provided. The Construction Official shall verify the information submitted by the non-residential developer as per the instructions provided in the Form N-RDF. The Tax Assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.

C. The Construction Official responsible for the issuance of a Construction Permit shall notify the Township Tax Assessor of the issuance of the first Construction Permit for a development which is subject to a development fee.

D. Within 90 days of receipt of such notification, the Township Tax Assessor shall prepare an estimate of the equalized assessed value of the development based on the plans filed.

E. The Construction Official responsible for the issuance of a final Certificate of Occupancy shall notify the Township Tax Assessor of any and all requests for the scheduling of a final inspection on a property which is subject to a development fee.

F. Within 10 business days of a request for the scheduling of a final inspection, the Township Tax Assessor shall confirm or modify the previously estimated equalized assessed value of the improvements associated with the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.

G. Should the Township of Millstone fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in Subsection b. of Section 37 of P.L. 2008, c.46 (C.40:55D-8.6).

H. Except as provided in hereinabove, fifty percent (50%) of the initially calculated development fee shall be collected at the time of issuance of the Construction Permit. The remaining portion shall be collected at the time of issuance of the Certificate of Occupancy. The developer shall be responsible for paying the difference between the fee calculated at the time of issuance of the Construction Permit and that determined at the time of issuance of the Certificate of Occupancy.

I. Appeal of Development Fees

(1) A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by the Board, collected fees shall be placed in an interest bearing escrow account by the Township of Millstone. Appeals from a determination of the Board may be made to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S. 54:48-1, *et seq.*, within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

(2) A developer may challenge non-residential development fees imposed by filing a challenge with the Director of the Division of Taxation. Pending a review and determination by the Director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest bearing escrow account by the Township of Millstone. Appeals from a determination of the Director may be made to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S.54:48-1, *et seq.*, within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

§8-22.6 Affordable Housing Trust Fund

A. There is hereby created a separate, interest-bearing Affordable Housing Trust Fund to be maintained by the Chief Financial Officer of Township of Millstone for the purpose of depositing development fees collected from residential and non-residential developers and proceeds from the sale of units with extinguished controls.

B. The following additional funds shall be deposited in the Affordable Housing Trust Fund and shall at all times be identifiable by source and amount:

(1) Payments in lieu of on-site construction of a fraction of an affordable unit, where permitted by Ordinance or by Agreement with the Township of Millstone;

(2) Funds contributed by developers to make ten percent (10%) of the adaptable entrances in a townhouse or other multistory attached dwelling unit development accessible;

(3) Rental income from municipally operated units;

(4) Repayments from affordable housing program loans;

(5) Recapture funds;

(6) Proceeds from the sale of affordable units; and

(7) Any other funds collected in connection with Millstone Township's affordable housing program.

C. In the event of a failure by the Township of Millstone to comply with trust fund monitoring and reporting requirements or to submit accurate monitoring reports; or a failure to comply with the conditions of the judgment of compliance or a revocation of the judgment of compliance; or a failure to implement the approved Spending Plan and to expend funds within the applicable required time period as set forth in In re Tp. of Monroe, 442 N.J. Super. 565 (Law Div. 2015) (aff'd 442 N.J. Super. 563); or the expenditure of funds on activities not approved by the Court; or for other good cause demonstrating the unapproved use(s) of funds, the Court may authorize the State of New Jersey, Department of Community Affairs, Division of Local Government Services (LGS), to direct the manner in which the funds in the Affordable Housing Trust Fund shall be expended, provided that all such funds shall, to the extent practicable, be utilized for affordable housing programs within the Township of Millstone, or, if not practicable, then within the County or the Housing Region.

Any party may bring a motion before the Superior Court presenting evidence of such condition(s), and the Court may, after considering the evidence and providing the municipality a reasonable opportunity to respond and/or to remedy the non-compliant condition(s), and upon a finding of continuing and deliberate non-compliance, determine to authorize LGS to direct the expenditure of funds in the Trust Fund. The Court may also impose such other remedies as may be reasonable and appropriate to the circumstances.

D. Interest accrued in the Affordable Housing Trust Fund shall only be used to fund eligible affordable housing activities approved by the Court.

§8-22.7 Use of Funds

A. The expenditure of all funds shall conform to a Spending Plan approved by the Court. Funds deposited in the Affordable Housing Trust Fund may be used for any activity approved by the Court to address the Township of Millstone's fair share obligation and may be set up as a grant or revolving loan program. Such activities include, but are not limited to: preservation or purchase of housing for the purpose of maintaining or implementing affordability controls; housing rehabilitation; new construction of affordable housing units and related costs; accessory apartments; a market to affordable program; Regional Housing Partnership programs; conversion of existing non-residential buildings to create new affordable units; green building

B. Funds shall not be expended to reimburse the Township of Millstone for past housing activities.

C. At least 30 percent of all development fees collected, and interest earned on such fees shall be used to provide affordability assistance to low and moderate-income households in affordable units included in the municipal Fair Share Plan. One-third of the affordability assistance portion of development fees collected shall be used to provide affordability assistance to those households earning 30 percent or less of the median income for Housing Region 4, in which Millstone Township is located.

(1) Affordability assistance programs may include down payment assistance, security deposit assistance, low interest loans, rental assistance, assistance with homeowners association or condominium fees and special assessments, and assistance with emergency repairs. The specific programs to be used for affordability assistance shall be identified and described within the Spending Plan.

(2) Affordability assistance to households earning 30 percent or less of median income may include buying down the cost of low or moderate income units in the municipal Fair Share Plan to make them affordable to households earning 30 percent or less of median income. The specific programs to be used for very low income affordability assistance shall be identified and described within the Spending Plan.

(3) Payments in lieu of constructing affordable housing units on site, if permitted by Ordinance or by Agreement with the Township of Millstone, and funds from the sale of units with extinguished controls shall be exempt from the affordability assistance requirement.

D. The Township of Millstone may contract with a private or public entity to administer any part of its Housing Element and Fair Share Plan, including its programs for affordability assistance.

E. No more than 20 percent of all revenues collected from development fees may be expended on administration, including, but not limited to, salaries and benefits for municipal employees or consultants' fees necessary to develop or implement a new construction program, prepare a Housing Element and Fair Share Plan, and/or administer an affirmative marketing program or a rehabilitation program.

(1) In the case of a rehabilitation program, the administrative costs of the rehabilitation program shall be included as part of the 20 percent of collected development fees that may be expended on administration.

(2) Administrative funds may be used for income qualification of households, monitoring the turnover of sale and rental units, and compliance with COAH's monitoring

requirements. Legal or other fees related to litigation opposing affordable housing sites or related to securing or appealing a judgment from the Court are not eligible uses of the Affordable Housing Trust Fund.

§8-22.8 Monitoring

The Township of Millstone shall provide annual reporting of Affordable Housing Trust Fund activity to the State of New Jersey, Department of Community Affairs, Council on Affordable Housing or Local Government Services or other entity designated by the State of New Jersey, with a copy provided to Fair Share Housing Center and posted on the municipal website, using forms developed for this purpose by the New Jersey Department of Community Affairs, Council on Affordable Housing or Local Government Services. The reporting shall include an accounting of all Affordable Housing Trust Fund activity, including the sources and amounts of funds collected and the amounts and purposes for which any funds have been expended. Such reporting shall include an accounting of development fees collected from residential and non-residential developers, payments in lieu of constructing affordable units on site (if permitted by Ordinance or by Agreement with the Township), funds from the sale of units with extinguished controls, barrier free escrow funds, rental income from Township owned affordable housing units, repayments from affordable housing program loans, and any other funds collected in connection with Millstone Township's affordable housing programs, as well as an accounting of the expenditures of revenues and implementation of the Spending Plan approved by the Court.

§8-22.9 Ongoing Collection of Fees

A. The ability for the Township of Millstone to impose, collect and expend development fees shall expire with the expiration of the repose period covered by its Judgment of Compliance unless the Township of Millstone has first filed an adopted Housing Element and Fair Share Plan with the Court or with a designated State administrative agency, has petitioned for a Judgment of Compliance from the Court or for Substantive Certification or its equivalent from a State administrative agency authorized to approve and administer municipal affordable housing compliance and has received approval of its Development Fee Ordinance from the entity that will be reviewing and approving the Housing Element and Fair Share Plan.

B. If the Township of Millstone fails to renew its ability to impose and collect development fees prior to the expiration of its Judgment of Compliance, it may be subject to forfeiture of any or all funds remaining within its Affordable Housing Trust Fund. Any funds so forfeited shall be deposited into the "New Jersey Affordable Housing Trust Fund" established pursuant to Section 20 of P.L. 1985, c. 222 (C. 52:27D-320).

C. The Township of Millstone shall not impose a residential development fee on a development that receives preliminary or final site plan approval after the expiration of its Judgment of Compliance, nor shall the Township of Millstone retroactively impose a development fee on such a development. 3. The advertisement shall include a description of the:

CERTIFICATION
I HEREBY CERTIFY THE ABOVE TO BE A TRUE COPY
OF AN ORDINANCE AS INTRODUCED/ADOPTED
BY THE TOWNSHIP COMMITTEE OF THE
TOWNSHIP OF MILLSTONE AT A
MEETING HELD 3/18/2020
Kalvin H. ...
TOWNSHIP CLERK

TOWNSHIP OF MILLSTONE

ORDINANCE NO. 20-02
INTRODUCTION DATE: 02-19-2020
ADOPTION DATE: 03-18-2020

**ORDINANCE AMENDING CHAPTER XXXV (LAND USE)
ARTICLE 5, (ZONING DISTRICT REGULATIONS) OF THE REVISED
GENERAL ORDINANCES OF THE TOWNSHIP OF MILLSTONE,
COUNTY OF MONMOUTH AND STATE OF NEW JERSEY TO ADD
NEW SECTION 5-17 (ACCESSORY APARTMENTS)**

BE IT ORDAINED, by the Township Committee of the Township of Millstone,
County of Monmouth and State of New Jersey as follows:

Chapter XXXV, Land Use Article 5, Zoning District Regulations is hereby
amended to add new Section 5-17 "Accessory Apartments" which shall read as follows:

5-17 Accessory Apartments

A. Accessory apartments shall be permitted in all single family residential zones
within the Township. Accessory apartments are permitted as a part of the Township's
Affordable Housing Plan which contemplates the creation of ten (10) affordable
accessory apartments over the next five (5) years. In the event that the number of
affordable accessory apartments produced exceeds ten (10) units, such additional units
shall be applied to, and credited against, the Township's Fourth Round Affordable
Housing obligation.

B. For the purposes of this Section "accessory apartment" shall be defined as
follows:

"Accessory Apartment" means a self-contained residential dwelling unit
with a kitchen, sanitary facilities, sleeping quarters, and a private entrance which is
created within an existing home, or through the conversion of an existing detached
accessory structure on the same site, or by an addition to an existing home or accessory
building. The creation of such a dwelling unit shall be clearly incidental to a primary use
of the property as a single family dwelling and shall in no way confer upon the property
owner any future rights to subdivide the existing lot in order to place each unit on a
separate lot, unless such a subdivision and the structures involved, conform to all
Municipal Zoning regulations and standards. Accessory apartments shall conform to all
of the requirements of the New Jersey Council on Affordable Housing (COAH) and
provide the Township with a credit against its affordable housing obligation.¹

¹ As used herein the term Council on Affordable Housing or COAH shall be deemed to include "or any
successor entity with jurisdiction".

C. Minimum Standards.

1. Lot area. Accessory apartments shall be permitted on lots of twenty thousand (20,000) square feet or greater, except where there exists a qualifying existing accessory apartment which is on a lot of less than twenty thousand (20,000) square feet. Such an apartment can be counted as long as all other Standards and Regulations can be met.

2. Unit Size and Type. Accessory apartments shall contain at least five hundred (500) square feet of gross floor area. Each unit must also contain bathroom and kitchen facilities. Units attached to principal dwellings must have a separate entrance but shall not have access directly to the principal dwelling from within the structure.

3. A Deed restriction shall be applied to properties with accessory apartments that are completely detached specifying that such units may not be subdivided off in the future unless such subdivision, the structures located thereon and the resultant lots conform in all respects to all Municipal Zoning regulations and standards.

4. A Deed restriction shall be recorded for every newly created accessory apartment requiring compliance with all affordability controls and procedures set forth in the regulations of COAH or any successor entity for such period of time as may be required for the Township of Millstone to receive credit for the unit against its affordable housing obligation.

5. Parking. A minimum of one (1) off-street parking space shall be provided for a one bedroom or a two-bedroom accessory apartment. A three-bedroom accessory apartment shall be required to provide two (2) off-street parking spaces. In each case the total number of parking spaces provided on the entire site shall comply with the Residential Site Improvement Standards (RSIS).

6. Building setbacks. No new accessory apartment structure shall be located in any front yard or have less than the required side or rear yard setback for principal buildings for the zone in which the property is located. However, additions to existing principal or accessory structures that do not conform to the required setback shall be permitted without the requirement for a setback variance as long as no existing nonconforming setback is decreased. In the case of lots in excess of forty thousand (40,000) square feet, the minimum side or rear setback shall be twenty (20) feet.

D. Maximum Regulations.

1. Notwithstanding the building height limitations which apply to accessory structures, structures containing an accessory apartment that is developed in a manner which will contribute to the satisfaction of the Townships

Mount Laurel obligation, shall be permitted to have a maximum height of one and one-half (1 1/2) stories and twenty (20) feet.

2. Accessory apartments shall be limited to a maximum gross floor area of one thousand (1,000) square feet.

E. The Other Regulations.

1. Accessory apartments shall be limited to one (1) bedroom, except that on lots in excess of forty thousand (40,00) square feet, an accessory apartment shall be permitted to contain two (2) or three (3) bedrooms.

2. Prior to the issuance of a building permit for an accessory apartment, a site plan and architectural plans must be submitted depicting in detail, the size, location and appearance of the property structure. Any construction relative to the creation of an accessory apartment shall be architecturally consistent to the principal residence including siding, roofing materials and color.

3. Where new paved or gravel driveways or parking areas are proposed, a minimum five (5) foot setback from any side or rear property line shall be maintained. Landscaping and/or solid fencing shall be provided to screen such areas from the adjacent property. The proposed screening shall be specified on the site plan.

4. Accessory apartments shall be developed for the housing of very low, low and moderate income persons and shall conform in all respects with the eligibility and affordability requirements of the New Jersey Council on Affordable Housing.

5. No detached accessory apartment shall be located closer to a public street, adjoining a front yard than the principal structure.

6. All accessory apartments shall have rents in compliance with COAH affordability controls, shall be affirmatively marketed in accordance with COAH requirements and shall be administered by the Affordable Housing Administrator (“Administrative Agent”) appointed by the Township for such purpose.

All Ordinances and parts of Ordinances inconsistent herewith are hereby repealed.

If any Section, subparagraph, sentence, clause or phrase of this Ordinance shall be held to be invalid, such decision shall not invalidate the remaining portion of this Ordinance.

This Ordinance shall take affect upon adoption and publication according to law and filing with the Monmouth County Planning Board.

EXPLANATORY STATEMENT: This Ordinance revision provides for the opportunity to create affordable housing units to assist Millstone Township in meeting its affordable housing obligation pursuant to the Mount Laurel Doctrine.
