Correspondence (emailed to STC members)

Email from Emily Farschon, NJDEP Urban and Community Forestry dated June 1, 2022 regarding the 2022 NJUCF Stewardship grants.

Old Business

May Minutes for approval.

New Business

NJUCF Stewardship Grant. Two types of grants available:

- Resiliency grant up to \$50,000 to continue our street tree/hazard tree inventory.
- Reforestation grant up to \$150,000 for tree planting on municipal property.

Based on our existing inventory, Millstone Park may be the only qualifying location for tree planting; however due to time constraints of the grant application and the purchase of a new lot by the Township (Spring Road) which will be added to the existing Millstone Park, location of an arboretum or additional tree planting will not be decided in time for the grant. We will move forward with the Resiliency grant application to continue our existing inventories.

Review Plan: 37 Burnt Tavern, LLC – Block 57, Lots 17.02 & 17.03 (P21-16)

Next meeting: July 13, 2022 via Zoom.
